11	San Miguel	24	Sunnyside
12	Santa Rosa	25	Tanque Verde
13	Cowlic	26	Vail

STATUS OF COUNTY EXTENSION ORGANIZATION

Form of Organization

The extension program is carried on in cooperation with the Pima County Farm Bureau, which endorses the program of work and the annual budget.

Organization still continues to be on the basis of the rural school community, since with a scattered population this makes the best unit.

Function of Local People

Few local leaders are found, but when found they are used in as many ways as possible. Our population is about two-thirds Spanish-American and the other one-third consists of Anglo-Americans and Papago Indians, hence the scarcity of leaders.

General Policies

The extension organization has cooperated with the P.T.A. in the rural districts and with other agencies who are working for the interest of the home. The County Superintendent of Schools and the County Health Department have given assistance when possible. Tucson musical organizations have supplied musical talent for the entertainment of the rural communities when requested.

Program of Work for 1931-32

The Program of Work for 1931-32 is included in this report. A few additions and subtractions have been necessary.

Factors Considered and Methods Used in Determining Program of Work

The needs of the rural people as found by the H.D.A. have been considered, also the changing population of Americans, as well as the Spanish-American and Papago Indian element.

The area of Pima County--9,505 square miles--the location of highways, roads and by-roads must be considered in the time element.

Economic conditions enter into many of our projects. Scarcity of water and the expense of irrigation must be considered in home garden projects.

PROGRAM OF WORK

ORGANIZATION

Adult

Some one phase of extension work has been done in each of the twenty-six communities in Pima County. Plans for each year's work are made, for the most part, in the spring at the completion of the current year's work.

The Child Care and Training and Adult Clothing have been the major projects, with Nutrition following closely.

Junior

All organization of the junior work -- 4-H Clubs or other projects -- has been done by the H.D.A. Leaders have been selected and trained and sub-projects carried on by the Agent.

Office Work

Work in the office consisted in going over the letter and bulletin files and reviewing the literature of the past year, as well as time for reports and correspondence.

Conferences

The Annual Extension Conference was attended and the Agent found it most helpful for the work of the year.

PROGRAM OF WORK
Home Demonstration Agent
Pima County
1932

PROJECT	PLACE	TIME	NO. OF DEMS.	METHOD OF PROCEDURE	GOALS
Organization	20 communities will take up some phase of Extension work.	Sept. 1 to July 1932	1	A definite program in each community with adults or juniors, the H.D.A. directing the work.	Formulate and complete programs of work. Complete 1 or more definite projects in each community with definite records to show results.
Nutrition and Health	Ft. Lowell, Bing-hampton, Amphitheater, Marana, Rillito, Cortaro	Sept. 1 to Sept. 1932	1	Work on food preservation and economics of purchasing.	20% following improved practices.
Adults & Juniors.			6		
Feeding the Family for Health.					
Child Training and Care	Ft. Lowell, Amphitheater, Jaynes, Sunnyside,	Nov. to July 1932	5	Theme of the 3 years program is understanding your child. Round table discussions & community demonstration material to be used.	5% of mothers reporting better practices in the home.
Clothing Adult	Ft. Lowell, Flowing Wells, Jaynes, Sunnyside, Marana, Rillito, Cortaro, Binghampton.	Oct. to June	8	Follow plans of State clothing specialist.	50% of women enrolled completing work started and following improved practices in sewing and clothing selection.

Program of Work, (cont'd)

PROJECT	PLACE	TIME	NO. OF DEMS.	METHOD OF PROCEDURE	GOALS
Clothing Juniors.	Sunnyside Sahuarita Pantano Empire Cortaro Vail Arivaca, San Xavier	Oct. to May	24	Follow plans as outlined in Club literature. H.D.A. to meet with the clubs to supervise the work and re-creation. Training of leaders to be included.	Complete work as Standard Clubs. Hold Achievement Days and county-wide meetings.
Home Furnishings Adult	Marana, Ft. Lowell Flowing Wells Jaynes Cortaro Rillito Binghampton Sunnyside Sells	Oct. to May	9	Follow plans of State Specialist.	One room improved in each community following suggestions given.
Home Furnishings Juniors Girls' Own Room Clubs	Cortaro	Nov. to May	3	Work of Club correlated with regular Home Economics work.	3 rooms improved.
Home Health & Sanitation.	Arivaca Sopori	Oct. to May	8	Work as outlined in club literature.	Complete as standard clubs and give demonstrations to other clubs.
Community Activities	Marana, Rillito Jaynes, Cortaro, Flowing Wells, Amphitheater, Sunnyside, Ft. Lowell, Binghampton, San Xavier, Vail, Sells.	Sept. to July	1 each com.	Give one demonstration in each community which will get the entire group together.	Stimulate community interests which will lead to better organization.

FOODS AND NUTRITION - Adults and Juniors

FEEDING THE FAMILY FOR HEALTH

PLACE: Rt. Lowell, Binghampton, Amphitheater, Sunnyside, Marana, Millito and Cortaro (combined).

TIME: Throughout the year.

NO. OF DEMONSTRATIONS: Eighteen.

GOALS: 20% following improved practices.

GOALS REACHED: The above goal was reached.

METHOD OF PROCEDURE: The work as outlined consisted of work in food preservation and the economics of purchasing food, but other problems arose and were considered. Work in food preparation and economy in buying has been carried in connection with child care and training, and as a part of our work with other adult groups, as well as with the juniors. Individual questions have taken considerable time.

Food Preparation & Buymanship

To the combined groups of Marana, Millito and Cortaro the H.D.A. gave one talk and demonstration on, "Does Food Make a Difference?". She gave a resume of the work taken at summer school at Oregon State under Dr. H. C. Sherman.

The use of whole wheat or cracked wheat and its preparation was taken up in three communities. The use of the pressure cooker for the cookery of the whole wheat was also demonstrated and the cost of the cereal discussed.

Requests were made for economical summer beverages, especially for those low in cost yet refreshing and wholesome. A demonstration was given at Amphitheater using cold tea as a foundation, adding lemon and orange juice and chilling before serving. While this was an old formula it was new to those present and popular because of economy.

A demonstration was given at Sunnyside illustrating the preparation of an economical orange marmalade into which some ground carrot enters and where the soaking of the product eliminates the use of commercial pectin, thus lessening the expense.

With individuals we have discussed the comparative value of various cooking utensils, advantage of shape, dullness or brightness as affecting time of oven cookery, cost of various grades of aluminum cooking ware and advantages of same, the comparison of foods cooked in open kettle vs. pressure cooker as to food value, the comparative cost of equipment, the value and differences in various baking powders.

Miss Millicent Atkin, of the Evaporated Milk Company, gave a demonstration at Fort Lowell where she gave a very interesting talk and demonstration. She used evaporated milk, but explained how the recipes might be changed so as to use the ordinary dairy product if more convenient. The women liked her work and said they had learned something they could apply in the home.

How to cut the cost of the Christmas dinner and how to serve in order to save work were among the questions asked. How to serve a buffet luncheon and the use of the tea wagon. Christmas favors and refreshments for vacation days also required help from the Agent.

The Agent has given the work on food to all Tucson classes in Red Cross home nursing for the past ten years, and responded again in 1932. The Red Cross worker who gives the work in nursing has given assistance to extension work at various times.

Quantity Cooking

Help was given Sunnyside and Ft. Lowell in preparing menus for large gatherings. Cost was considered and the price per plate kept so low as to produce favorable comment, since the menu was very satisfactory in all instances.

The market list was figured and shopping discussed. Recipes for the different dishes served were prepared in the office with quantities for one hundred computed. The suggestions given were used four times for community gatherings.

Lunch for 4-H Achievement Day

The Agent helped to plan the menu for the 4-H Club Achievement Day lunch at Sunnyside April 20. We wished to keep the cost low, 10¢ per plate. This we managed very well by careful planning in regard to quantity as well as to purchasing. Day-old bread was used for the sandwiches and other supplies were bought where the best prices could be secured. The result was a satisfactory 10¢ lunch which paid for all expenses in food, fuel and paper dishes, with \$5.00 left over. Collections were made for 205 plates, or \$20.50. The ice cream, however, was not included in the cost of the lunch.

In such work as this the H.D.A. has found the work done in food economics at Oregon State quite helpful, has also found the book, "Food Purchasing for the Home", by Blinks and Moore, quite valuable.

School Lunch

This has been a project since the H.D.A. began work in Pima County. Our aim has been to assist the schools so they may serve an inexpensive yet nutritious lunch. Help has been given in regard to the foods essential, method of preparation and the purchasing of supplies, and method of serving.

Assistance has been given to the schools which have not installed a noon lunch, but are now figuring the cost.

By request the H.D.A. visited the hot lunches given at Continental, Sahuarita and Three Points. Some criticisms have been made in regard to the expense or in regard to the type of meal served. In some cases the criticism was justified as the leaders were not studying the buying problems as carefully as they might. In other cases the waste kept the cost high. The H.D.A. gave suggestions in regard to these points.

The cafeteria at Amphitheater was also visited. This is a good illustration of the use which can be made of a small amount of money where the one in charge understands all problems relating to food.

FOOD PRESERVATION

Help given covered the following: answers to questions or demonstrations, when and how to use the pressure cooker, selecting jars, covers and rubbers, how to can beans, peas, asparagus, green peppers, blackberries, peaches, grapes, figs, summer and winter squash, beef and chicken, how to make plum and Thompson's seedless grape jelly, fig jam, spiced figs, cantaloupe preserves and pickles of various kinds, how to keep fruit from floating and how to prevent cucumber pickles from shrinking.

Over two-hundred canning bulletins were distributed, also thirty-five single recipes.

Chicken Canning Demonstration

In answer to a request the State Home Demonstration Agent and the H.D.A. gave a canning demonstration at Sunnyside. Both glass jars and tin cans were used in the demonstration. The pressure cooker was an entirely new feature to the dozen women present, as only one had used it before. Some of them had tried to can meat by the hot water bath method but found that it did not keep, so they were glad to know that it could be preserved in the glass jars or tin. The latter was an entirely new idea and they watched the process all the way through with interest. The women present were looking for something to do with broilers and fryers when the market is not good. They talked over the possibility of selling the product, computed the cost and discussed the possibility of using canned products for presents.

Beef Canning Demonstrations

A beef canning demonstration was given at Marana. The State Home Demonstration Agent assisted, giving a demonstration on the use of the Burpee tin can sealer. Aside from the demonstration in meat canning, some helps were given in the use and care of the pressure cooker. A canning committee was appointed with a county chairman, whose special duty will be to encourage canning and help to give out information in regard to the process.

A similar demonstration was given at Binghamton.

Other demonstrations have been planned for December and later.

In order to answer the question, "Does it pay the homemaker to can fruit at Tucson Prices?", the State Home Demonstration Agent assisted the Agent in some experimental work to discover the price. Local stores were visited in the study of prices. Fruit was purchased and canned and the cost figured. Publicity was given to the work done in order to stimulate interest.

As a result of various efforts and conditions, more canning has been done in the past year than before. Our champion home canner has over six hundred quarts in her fruit and vegetable cellar. She lives on a truck farm where they grow their own products. Many of our rural homes grow only a small quantity of fruits and vegetables, due to the expense of securing irrigation water at the proper time, therefore do not have the home products to can.

State Fair Exhibit in Canning

The rural women of Pima County made a fairly good exhibit and won second place on their jams, marmalades, butters and preserves in the Department of Farm Women's Canning at the State Fair. Last year third place was given.

Judge at Local Contest

The H.D.A. acted as one of the judges at the jam, jelly and marmalade contest sponsored by the Tucson Gas and Electric Company.

Organization and Progress

The work in Foods and Nutrition has been an organized project since the H.D.A. began work in Pima County eleven years ago. The project must be carried throughout the years since it is fundamental.

The project has developed to the stage where more communities ask for help and more questions are asked by single individuals. Taking it all around there is a more intelligent attitude and much wider reading along the line of foods.

The definite results are seen in better lunches for school children and better planned meals as reported by forty teachers and thirty mothers.

The school lunch is now taken as a matter of course and a necessity if the community can finance it. The first work done by the H.D.A. in 1922 met with opposition from some groups, but now we find it in the majority of the schools at least part of the time during the school year.

Next year we expect to continue the project, making it apply to present conditions. Work with the juniors is desired and we hope it can be arranged soon.

Name of Project: CHILD TRAINING AND CARE (Pima County).

Date Effective: December 1, 1934.

Location: Fort Lowell, Sunnyside, Jaynes, Amphitheater and Davidson.

Purpose of Child Development Project: To develop an appreciation of attitudes and ideals of the family group.

History: During the past nine years of work in Pima County a number of groups as well as single individuals have shown interest in the subject of child development. This interest has reached the stage where a definite project should be planned.

To whom given: To those groups expressing an interest, to mothers with children, to 4-H Club members where feasible in correlation with other projects.

Duration of Project: Three years.

1st year theme: Understanding your child

2nd year theme: Direction of your child to his best development.

3rd year theme: Keeping your child happy in his home.

Methods of Presentation:

Discussion groups

Demonstrations

Correspondence

Circular letters

Questionnaires

Bulletins

Conferences, interviews, home visits

Open forum:

Problems discussed

Questions answered

Reports on magazine articles

Book reviews

Publicity

Slogans

Exhibits

Get-together meetings for fathers & mothers.

Achievement meetings.

Number of meetings: Five discussion meetings and one achievement meeting each year.

Goals: optimum development of parents and children. to get families to analyze their own situation and thinking. The coordination of various agencies functioning in the County. Recognition of the positive value of leisure for all members of the family.

Goals expressed in Practices: five percent of the members in each community reporting better practices in the home.

Subject Matter: The content to be determined by needs as expressed by parents and committees of rural women. For the year 1931-32 the Child Welfare Magazine will be used to supplement the course.

I. UNDERSTANDING YOUR CHILD

(1st year)

Newer Ideas in Child Development

The Child You Know

Reminiscences of own child life to discover reasons for misunderstanding and the effect it had upon future life.

Heredity and Environment.

(2nd year)

Self Reliance

Clothing

Demonstration of self help with clothing.

Money

Allowances

Stealing

Associated

(3rd year)

Education Relating to Sex.

II. FAMILY RELATIONSHIPS

(1st year)

Emotional Attitudes in the Home

Jealousy)

Fear)

Anger)

Deal with the problem by attempting to understand the cause.

(2nd year)

Teaching Politeness, courtesy in the home.

Demonstration - table service.

(3rd year)

Hospitality in the Home

Demonstration - afternoon tea.

III. WHAT SHALL YOUR CHILD EAT

(1st year)

Essentials in the Diet

Milk, cereals, vegetables - demonstration

Discipline and Punishment.

(2nd year)

Food Makes a Difference.

Vitamines - demonstration.

(3rd year)

Building Sound Bodies

Minerals - demonstration.

IV. HOW MUCH REST FOR YOUR CHILD

(1st year)

Hours of Sleep.

Making a Child's Bed - demonstration.

Bed time hour.

Stories

Music

(2nd Year)

Daytime rest period.

(3rd year)

Problems that Accompany Sleep.

Supplementary Material: Hygiene of the body, demonstrations relative to the bath, home made showers, care of the teeth and hair.

V. FAMILY PLANNING FOR LEISURE

(1st year)

Play for different ages and use of toys.

Imagination.

Truth and falsehood.

(2nd year)

Reading in the home for all ages.

Relations taught through literature - exhibit of books.

(3rd year)

Music Appreciation for all - demonstration.

VI. ACHIEVEMENT MEETING

Leader's report on what has been accomplished and practices adopted.

Exhibit - books, toys, posters, charts.

Playlets written by community members.

True and False Questions

Ten or fifteen minute inspirational talk.

CHILD TRAINING AND CARE

PLACE: Ft. Lowell, Amphitheater, Jaynes, Sunnyside, Marana and Davidson.

TIME: November 1931 to June 1932.

NUMBER OF DEMONSTRATIONS: Six in each community, or thirty-six in all.

GOALS: 5% of mothers reporting better practices in the home.

GOALS REACHED: 10% reported better practices in response to the questionnaire sent.

METHOD OF PROCEDURE: The study groups in Child Training and Care were organized in cooperation with the rural P.T.A.'s and we had a study group with each organized P.T.A. in the county. Contacts were made through the President or the Chairman of Parent Education. In some communities we met at the schoolhouse for our study but found that it was more satisfactory to meet in one of the homes. Our discussion followed the outline as appended to this report. Special problems were also discussed as they were presented. Mothers were allowed to write out their problems and hand them in if they felt they could be discussed better with no name attached. Special magazine articles and bulletins dealing with subjects on child guidance were given to the members to read during the month and at the next meeting they discussed the points which appealed to them. We also had a few books which we distributed for outside reading. The most popular were: "Growing Up" by de Schwenitz, "Feeding the Family" by Rose, "The Psychology of the Unadjusted School Child" by Morgan, and "The Normal Mind" by Burnham.

In securing publicity for this project we used press notices and articles, personal letters to members, invitations written at school and sent home to the mothers, house to house visits by the members and the H.D.A., and telephone calls.

The Achievement Day for the six study groups was held in conjunction with the County Council picnic on Wednesday, May 4. The Child Study groups gave their reports in the form of a skit. They felt this was the best method to use in order to arouse interest for next year's work. The members who took part were: Amphitheater; Mrs. Helen Wetmore and Mrs. W. A. Jost; Ft. Lowell, Mrs. Mabel Knagge, Mrs. M. H. Herrstrom and Mrs. C. H. Oncley; Sunnyside, Mrs. Nichols, Mrs. Mayda Menzie, Mrs. N. C. Hussey and Mrs. J. R. Martin.

In playlet form they brought out different things they had discussed during the series of meetings. Among the things discussed were: Parents should set a good example; discipline is for the child and not to aid the mother to get rid of some of her bad temper; the effect of books and magazines upon the child's mind was brought out, as well as the effect of good music. They gave examples of some of the phases of sex education discussed in the meetings, also showed how the harmony of the home depends upon the nerves and health of the mother. From this fact came a discussion of food, food charts and the fact that the knowledge of what to feed the family sometimes helps more than the advice of doctors and nurses. They discussed the value, as well as how to cook, the whole grain cereals. Attractive recipes were discussed because the attractiveness of the home table depends upon variety and preparation. The mothers also gave some ideas on how to get children to eat food which they had been refusing. The qualities of a livable home were briefly discussed, courtesy was illustrated by using a few funny stories, and they concluded the playlet with an invitation to all present to attend the meetings and see how they managed to pass the reading material around and the manner in which the discussions were handled. The playlet form proved much more attractive than the bare report and it gave a good idea of the work to the groups of both county and city who were present.

Gleaned from Questionnaires

In answer to the questionnaire sent out all replied that they wished to continue the work for next year. The following was also gleaned from the questionnaires:

"Perhaps the most valuable information, because of decreased incomes, was the subject of food for limited incomes. I was also glad to learn that colorful fruits and vegetables are high in vitamine content as it is easier than to sit down and memorize them. The children also watch the vegetables and are interested in working up the vitamine content."

"I was thankful that our study group took up the subjects of discipline and sex education, as these are most important according to my idea. It was surprising to find so many in our group who admitted that they were incapable of explaining life's origin to their children and who confessed that they always dodged all sex questions"

"The subject of bribing is important as so many parents have the mistaken idea that they should bribe their children in order to have them make good grades in school and all other things which should become a part of good citizenship."

"As I was an only girl and have three young daughters it was a constant worry to me in regard to my daughters' development. I did not know what to do or how to explain this to the younger girls and was very much helped in our discussions along this line."

"We had it impressed upon us that discipline is for the sake of the child and not an opportunity for the parent to get rid of his bad temper."

"My husband and I have always been taught, 'Spare the rod and spoil the child'. In our discussion groups we learned that it is better to use 'stars than stripes'".

"The literature given by the M.D.A on correcting constipation has been of more help than doctors' advice because it was specific in regard to diet."

"The question of taking care of the juvenile leisure time, supplying entertainment under proper supervision is a local problem. I have found the corrective methods suggested workable and am using them instead of nagging and wrong methods of punishment. I feel that we cannot have too much instruction along this line. I have found that the daily schedule for children and for the mother helps a great deal to smooth out the wrinkles of the home."

"I think we have really made some progress in helping the one woman in our community who needs help most. I really do think she is improving and is much kinder to her children. If we can only get her to see how and what to do it will be a great benefit to the neighborhood".

- - -

After the discussions as outlined were completed the different groups were invited in to the County Extension Office to view the exhibit in children's clothing sent by the U. S. Bureau of Home Economics. Miss Zella Blake demonstrated the good points in these garments. This splendid exhibit was enjoyed by all present. One woman said, "We need more of just such help as this, something we can see, hearing alone is not sufficient".

Family relationships in Literature

Since we stress Family relationships in our outline for study groups, the M.D.A. tried out in a small way the study of this relationship as shown in literature. The work was found interesting and practical, too, as the mothers often got an idea how to handle a difficult situation from their reading of literary works.

Our rural groups each purchased a community card, costing \$2.50, from the City Library. This enabled them to get books to be passed around in their group.

The list of books as used was prepared while the Agent was in summer school at Oregon State in 1931, prepared under the supervision of a visiting instructor, Dr. Andrews of Columbia University.

The list of books as used is appended to this report.

The Child Guidance Conference led by Dr. McGinnis and held at the University of Arizona was attended by the H.D.A.

The P.T.A. County Council asked the H.D.A. to speak to their assembly in regard to the study group work at the beginning and again at the close of the year's work. This gave a good opportunity to stress the importance of child study and to organize tentatively the work for the coming year, 1932-33.

Program for 1932-33

Work for 1932-33 will be carried on in the same communities as in 1931-32, with the exception of Jaynes which has discontinued the P.T.A. work because of lack of numbers. The work will be done during the same months and with the same goals and method of procedure. Second year plans as given in our outline will be followed.

Organization and Progress

The organization of the work, as explained in our project outline, grew out of work done in a scattered way during the time the H.D.A. has worked in Pima County.

The progress is noted in the increased interest as shown in letters and personal interviews and by the replies to the questionnaire.

Our changes for the next year's work include a more strenuous effort to reach the mothers with small children who live in isolated sections and cannot attend our discussion groups.

HOME RELATIONSHIPS IN LITERATURE

The following list suggests poetry, fiction, and non-fiction, selections from which could be used in high school, college and extension as a basis for teaching relationships between husband and wife, parents and children, and children themselves. Additional detailed suggestions as to these and other writers, naming individual poems and special passages with chapter references and beginning and closing words of a selection are desired, such as: childhood, youth, courtship, marriage, parenthood, comradeship in the work of the home, economic factors, bereavement, old age, etc.

The Bible

POETRY

Burns, Robert - The Cotter's Saturday Night
Browning, Robert - Selections from Saul
Crowell, Grace A. Noll - Poems
Foss, Sam Walter - The House by the Side of the Road
Guest, Edgar - Poems
Longfellow, H. W. - Poems
Miley, J. W. - An Old Sweetheart of Mine, and Other Poems
Tennyson, A. - Enoch Arden
Whittier, J. G. - Snow Bound
Weaver, John V. - In America, More in America, Finders

FICTION

Aldrich, Bess Streeter - A Lantern in Her Hand
Alcott, Louisa M. - Little Women, Little Men, An Old Fashioned Girl
Barton, Bruce - The Man Nobody Knows
Barnes, M. - Years of Grace
Barrie, Sir J. M. - Margaret Ogilvy
Cather, W. S. - My Antonia, Song of the Lark, The Pioneers
Dickens, Charles - The Cricket on the Hearth, The Christmas Carol
Douglas, Lloyd Cassel - Magnificent Obsession
Eggleston, Edward - The Hoosier Schoolmaster
Fisher, Dorothy Canfield - The Brimming Cup, The Bent Twig, The Home Maker, The Deepening Stream.
Hardy, T. - The Mayor of Casterbridge
Norris, A. - Mother
Porter, Gene Stratton - The Harvester, Freckles, Laddie.
Rolvaa, Ole E. - Giants in the Earth
Sedgwick, Ann Douglas - Phillip
Scott, Sir Walter - Ivanhoe
Wiggin, Kate Douglas - Mrs. Wiggs of the Cabbage Patch (Alice Hagan Rice) Rebecca of Sunnybrook Farm, Mother Carey's Chickens.

NON-FICTION

Antin, Mary - The Promised Land
Beebe, Wm. - Jungle Days
Butler, Samuel - The Way of All Flesh
Cabot, H. C. - What Men Live By (Work, Play, Love, Worship)
Dodd, L. W. - The Golden Complex
DeSchwenitz, A. - Growing Up (For Parents & Children)
Garland, H. M. - Son of the Middle Border

CLOTHING - ADULT

PLACE: Ft. Lowell, Flowing Wells, Jaynes, Marana, Killito, Cortaro and Davidson.

TIME: January to June, 1932.

GOALS: 50% of the women enrolled completing the work started and following improved practices in sewing and clothing selection.

GOALS REACHED: The above goal was reached.

DEMONSTRATIONS GIVEN: Sixteen.

METHOD OF PROCEDURE: The plans of the State Clothing Specialist, Miss Zella Blake, were followed. Flowing Wells and Ft. Lowell completed the first year's work in adult clothing. Flowing Wells took the work for women as outlined consisting of six demonstrations. Jaynes, Marana, Killito and Cortaro finished three demonstrations. These communities were sometimes combined, one meeting held at Cortaro, two at Marana and one at Jaynes. The work consisted of demonstrations on Color, Design and texture of materials, Line and Design of garments for the individual, and Care and Storage of Clothing. Davidson has had the same work as given for the above communities. Ft. Lowell completed the work in children's clothing which consisted of six demonstrations.

Enrollment in the clothing work has not been large, about a dozen in each of the groups, but the interest is growing as they learn more about the work. Those who have completed one year's work are very enthusiastic.

Achievement Day at Ft. Lowell

When this group completed the work, Achievement Day was held and from the articles shown an exhibit for the State Fair was chosen.

From reports sent in we find that sixty-two garments for women and children have been made by the two groups which have completed the work. A larger number of garments have been remodeled.

Program of work for 1933

The work for 1933 will begin in January when Davidson and the combined group at Marana will complete the work started, while Sunnyside, Ft. Lowell, and Amphitheater will begin a new project. All of the work to be completed by September 1933.

Sewing machine demonstrations

In connection with the clothing work the H.D.A. has planned for a sewing machine demonstration to be given by the Singer Sewing machine company, this to include the care of the sewing machine and proper adjustment for good sewing, also the use of the attachments. We are planning to have this demonstration with the various groups doing adult clothing work.

Miscellaneous

Miscellaneous help has been given to individuals in reply to the following requests: help in knitting garments for adults and juniors; selection of garments; help in studying textiles and suggestions for clothing budgets.

Awards at state fair

In Farm women's Garment making, Pima County won first on a boy's shirt made by Mrs. Frank Jordan of Ft. Lowell, and second on a suit of men's underwear made by Mrs. J. C. Daly of Ft. Lowell. This is the first year that the Department of Farm Women's Garment making has appeared at the State Fair.

Organization and progress

This project was organized in 1931 following the plans of the extension specialist in Clothing, Zella Blake. A small amount of adult clothing work has been done in former years by the H.D.A. but was not carried as a major project.

Interest in the clothing project is growing as the women learn about the work. During the coming year we shall work for better organization and results.

COOPERATIVE EXTENSION WORK
IN
AGRICULTURE and HOME ECONOMICS
State of Arizona
Tucson

University of Arizona

Home Demonstration Work
County Agent Work

227 West Congress
February 15, 1932

Dear Homemaker:

Miss Zella Blake, Clothing Specialist for the Extension Service of the University of Arizona, will be in Pima County the last week in February. The communities where work will be given, the dates and subjects, are listed on the enclosed sheet.

You will enjoy these meetings and are cordially invited to attend your demonstration.

Sincerely yours,

Evelyn A. Bentley
Evelyn A. Bentley,
Home Demonstration Agent

EAB:W

JAYNES

10 A.M., Tuesday, February 23
Subject:- "PERSONALITY IN DRESS"

Home of Mrs. W. P. Tharp
(Formerly known as the Matt Wachter home)

FLOWING WELLS

1:30 P.M., Tuesday, February 23
"IMPORTANT POINTS IN SECURING TAILORED EFFECTS"

Home of Mrs. J. H. Day
(On the Oracle Road near Pullman City)

Bring with you a piece of material about 12" x 12",
needle, thread, scissors and thimble.

DAVIDSON & BINGHAMPTON

2 P.M., Wednesday, February 24
Subject:- "PERSONALITY IN DRESS"

At the Davidson School auditorium.

SUNNYSIDE & FT. LOWELL

Thursday, February 25
All Day Meeting from 10 A.M. to 4 P.M.
Subject:- CHILDREN'S CLOTHING
Special Attention to Smocking
A demonstration on Infant's Layette
will be given if time permits

At the Home of Mrs. Frank Jordan
(Just north of the old Ft. Lowell Ruins)

Bring with you embroidery needle, large enough to
carry six-ply embroidery floss, a thimble, scissors,
some material to work on, and a pencil.

MARANA

2 P.M. Friday, February 26

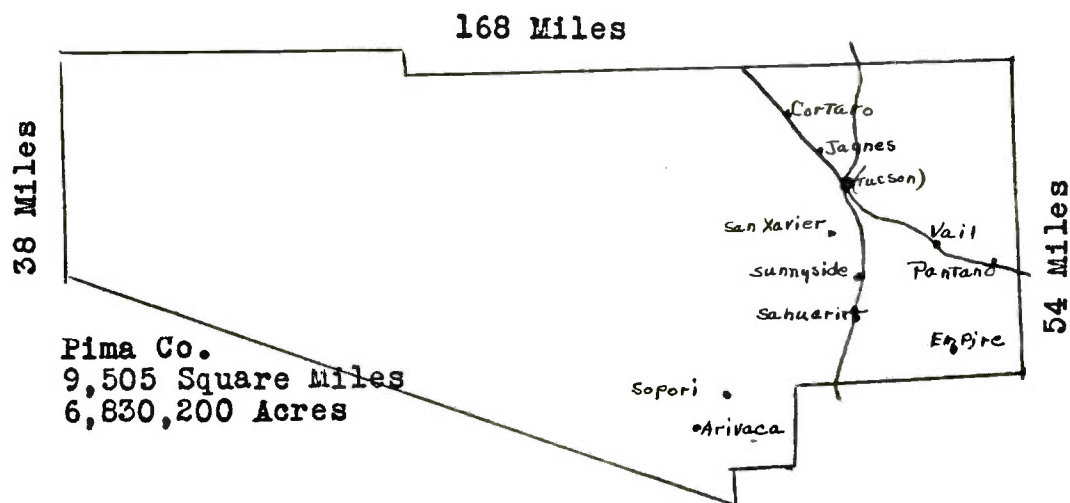

Subject:- "PERSONALITY IN DRESS"

At the High School Laboratory

CLOTHING - Juniors

4-H Garment Making Clubs

Time: October, 1931 to June 1, 1932.

PLACE: Arivaca, Cortaro, Empire, Pantano, Sahuarita, San Xavier, Sunnyside, Vail

Club and Leader	Y e a r			No. En-rolled	No. Completed	% Completion
	1st	2nd	3rd			
Arivaca Mrs. Helen Farrell	7	10	=	17	17	100%
Cortaro Mrs. Miriam Pearson	7	4	2	= 13	13	100%
Empire Mrs. Agnes Krentz	7		=	7	7	100%
Pantano Mrs. Florence Bateman	4	6	=	10	10	100%
Sahuarita Mrs. Alberta Wilson	5	6	1	= 12	12	100%
San Xavier Sister Emily & Dolores Rios	7	5	=	12	12	100%
Sunnyside Mrs. Kathleen Perry	9		=	9	9	100%
Vail Miss Esta Trotter	4	6	=	10	10	100%

Sixteen clubs are represented, the work of the different years in each community was combined under one leader.

GOALS:

1. Complete the work as outlined in the club bulletin.
2. Hold local Achievement Day. Exhibit at County Achievement Day.
3. 100% completion of all members remaining in the county.
4. Join in the county 4-H Club publicity project.
5. Compete in local and county Music Appreciation test.
6. Hold recreational meetings and at least one entertainment, also one Washington Bicentennial program to which the members of the community are invited.

GOALS REACHED:

1. All completed the work as outlined.
2. All held local Achievement Day. Only one club, Arivaca, failed to exhibit at County Achievement Day.
3. All clubs completed 100%.
4. All clubs except one, San Xavier, joined in the 4-H publicity project.
5. All joined in the music appreciation contest.
6. All held recreational, as well as Washington Bicentennial, programs.

METHOD OF PROCEDURE:

All Garment making Clubs were organized by the H.D.A. during September and October, 1931, as nothing was organized when the Agent returned from a year of sabbatical leave. The leaders, with the exception of San Xavier, were all new as leaders of 4-H Club projects and the H.D.A. found that they required much help.

Seventy-six demonstrations were given to the Garment Making Clubs when the Agent visited them in order to assist leaders and club members with the outlined work. In addition to this the H.D.A. gave much outside help to leaders as it was necessary. As one leader said, "I do not even know how to darn". Nevertheless she worked hard and her club won the county award for the best darn, and second at the State fair.

The H.D.A. found that she must explain the idea of club work, arouse enthusiasm in the projects and stimulate all to their best endeavor. Careful attention was necessary in making plans for local Achievement days, as well as for the county

one, the preparation of garments including laundering, pressing and labeling for exhibiting at the local exhibit and the county and state fair, as well as reports and stories and the special projects of publicity and music appreciation. All this required much time. This help was given by club visits, personal interviews with leaders, parents and club members as well as by a bulk of correspondence.

Hindrances occurred in the form of epidemics, change of leaders, members moving away, others coming into the community and, therefore, late in joining the club.

Reports and Stories

As in former years we are trying to secure reports and stories that really tell something. The Agent sent out to the club members a list of questions as well as a collection of the best stories of past years. These helps are of value in taking away the dread of story writing. The reports have been correlated with arithmetic and the stories with English. This has helped in getting records that are more nearly correct and stories that give some history.

The following questions were sent to all Garment making, Health, and Home Furnishing clubs:

1. How did you become interested in 4-H Club work?
2. Tell of your activities in connection with your club work.
3. Tell of the interest your neighbors took in the work of your club.
4. How did your local leader and Home Demonstration Agent help you?
5. What were the most interesting features of your club work?
6. Where did you exhibit and what premiums did you win?
7. What effect has your club had upon the community?
8. How can club work in your community be improved?
9. What part did you take in the publicity and music appreciation activities in your club?

EXHIBITS

All of the Garment Making Clubs prepared their work very nicely for the local and county exhibits. Improvement is noted from year to year and many favorable comments are made by the visitors.

Local Achievement Exhibits

These were held for each community, the various clubs combining for the final event as they did for work. The club members gave a program and the pins were awarded. Local achievement events were held in connection with the closing of school exercises and were well attended, the exhibits carefully examined, and many complimentary remarks made.

The work of the clubs of the entire county was judged in the County Extension Office by Miss Zella Blake, Extension Clothing Specialist, who pronounced the work of a very good quality.

Mr. H. K. Baker attended local achievement events in eight communities. Mr. A. B. Ballantyne and Mr. P. H. Ross attended one each. Mr. Baker and Miss Blake were able to visit two clubs during the work period. The visits of the special workers from the university Extension staff are most welcome. Many of our club communities are in isolated districts and are glad to meet those from the outside world.

Exhibits at the Southern Arizona Fair and State Fair

Club members exhibited their work and won twenty-two prizes in the exhibit of work from the southern counties, and sixteen awards at the State Fair.

County Club Achievement Day

This was held at the rural school, Sunnyside, Saturday, April 23. Nine communities participated in this event, including Vail, Jaynes, Pantano, Sahuarita, Cortaro, San Xavier, Sopor, Empire and Sunnyside. Arivaca was unable to attend because of distance and expense.

Over 200 reservations were made for the noon lunch. There was a good delegation of club members from each community, every community being represented also by the mothers and, in a few cases, the fathers also were present. All expressed themselves as being very favorably impressed with the quality of the work done by the club members as shown in garments, articles of home furnishing and books and posters for health teaching.

Miss Zella Blake, Clothing Specialist, University of Arizona, judged the work and pronounced part of it of excellent quality and the remainder good. Only one club ranked as only fair, or passing. The work was judged on Friday and placed early Saturday morning.

The Club leaders gave splendid cooperation in securing transportation or supplying it themselves for the club members in order that all might spend the day at Sunnyside. The leaders also showed much interest in having work completed on time and in seeing that the exhibit was sent in for judging in the best possible shape.

Mr. Joe M. Young, of the Y.M.C.A., gave splendid help on the playground by interesting both girls and boys in sports and games. Mr. Fitzgerald, from the County School Superintendent's office, entertained the members with a movie, and Miss Genevieve Romo and her sister, Mrs. Evangeline Urquides, assisted in the group singing both in the morning and the afternoon program. The Sunnyside school janitor helped in transferring food supplies and other materials. The mothers of the Sunnyside club members gave their time in order to prepare the lunch and serve it.

The afternoon program was largely taken from things that the clubs had done during the year and illustrated some phase of club work. Since the serious work was completed, the members showed more of the recreational side than they did of the work features because the exhibit illustrated their work. However, we begin to realize that in order to hold on to our older club members we must add more of the recreational features so as to make the work attractive. We have four clubs which are retaining members who are not in school. Cortaro has four girls who have passed out of the eighth grade, Empire, Vail and San Xavier each have one. They are able to hold these girls in the club because of the social appeal and find that the older girls are a great help in many ways. In each of these clubs the older girls help the leader with the work of the younger ones.

Visitors who spoke to the club members during the day were: Mr. H. R. Baker, Miss Frances L. Brown, Director P. H. Ross, and several of the visiting mothers and leaders present.

PUBLICITY

This project was started with the organization and carried on with all of the clubs. In order to stimulate interest the press gave the members a luncheon and at another time free admission to a picture show.

The Agent sent out to the club members at regular intervals notes on "Helpful Hints in Writing Publicity". The members and leaders correlated the news notes with English and some of them made good progress. Members of the press also gave helpful talks on two occasions when the club reporters were attending a county meet in Tucson. The H.D.A. urged the members to be regular in sending their notes to

the office where they were prepared for printing. The junior reporters were regular and we never missed supplying material for a column in the week end edition of the city papers. Even during Christmas vacation the club notes came in for publication.

A silver trophy cup was offered to the 4-H Clubs of the county by Mrs. Harriet wallace Ashby who is interested in journalism and 4-H Clubs. The clubs were scored according to the following score:

Lead - Kipling's Formula: What, Where,	
When, why and Who -----	40%
Clarity of Ideas -----	25%
Recognition of News: Local items and from	
other clubs -----	15%
Regularity -----	10%
Copy: Neatness & completeness -----	5%
Press Book -----	5%
total -----	100%

Empire won the privilege of having their club's name engraved on the cup. If they win for three successive years the cup will be theirs.

The publicity project has been carried before but not in the same county-wide manner as this year. The press books were good and the entire project aroused considerable interest in club work. So many people do not know yet what we mean by 4-H Club work, therefore, it is necessary to use various methods of acquainting them with the projects.

Copies of publicity are appended to this report.

Music Memory Work for 4-H Clubs

This project was entered into by all of the clubs in the ten communities of the county. The project was made quite simple though some of the ideas of the National 4-H Club Broadcast were followed. Many of our members have had no training in musical appreciation. The work consisted in recognizing the type, title and composer of nine musical selections. The H.D.A. used her own portable phonograph and records in this project, it being a new one in Arizona. Some of the selections were played when the H.D.A. visited each club. Later a local contest was held, then a county-wide contest. The Fisher Music Company gave a phonograph record to each of the local winners and a phonograph record to each of the two county winners, Cortaro and Pantano, there being a tie.

This work in music appreciation aroused considerable interest. The adults felt that club work was reaching out into something besides work, out into some of the finer things of life which our rural boys and girls need in order to broaden and refine their lives. The list as used follows:

Type	Title	Composer
March	Stars and Stripes Forever	Sousa
Waltz	Blue Danube	Strauss
Lyric	Hark! Hark! the Lark (Song)	Shakespeare-Schubert
Descriptive	The Storm (from William Tell Overture)	Rossini
Absolute	Träumerei	Schumann
Minuet	Minuet in G	Beethoven

FOLK SONGS:-

Russian	Song of the Volga Boatmen
Scotch	Auld Lang Syne
American	Swing Low Sweet Chariot
Negro	
Spiritual	

MEMORIZE

How Do You Do (One greeting song)
 It Isn't Any Trouble (Fun song)
 If You're Feeling Bad (Health song)
 Lead Kindly Light
 Sweet and Low
 America the Beautiful
 Battle Hymn of the Republic

Leaders' Conferences

Three leaders' training conferences were held during the club year. At these we discussed the special projects, publicity, musical appreciation and recreation, and made plans for these county-wide projects. Reports and stories were also discussed. Plans for the County Achievement Day were made and committees appointed. Next year's work was also talked over and will progress more rapidly on account of the preparation. A number of conferences with special committees were necessary to prepare for the County Achievement Day. Conferences with local leaders were necessary in order to make plans for the local events, as well as plans for efficiency in special projects.

Recreation

Each club had one club picnic, some more than one, each club gave at least one program of entertainment for their community and all gave at least one Washington Bicentennial program.

Two county-wide get-togethers for leaders and club members were held -- the County Achievement Day and the County Club Meet.

COUNTY CLUB MEET - The members of all 4-H Clubs working with the H.D.A. were invited in for a county meeting on Saturday, December 19. At this time the Tucson Gas and Electric Company gave the free use of their home service rooms, stoves and equipment for the lunch period. The members brought sandwiches and a hot dish and fruit were supplied. After lunch brief talks were made by extension workers present and also by club leaders and members. The Jaynes Jolly Juniors at this meeting presented to the county the cup which had been won by them. They will remain the guardians of the cup and will help to act in the capacity of judges in finding the club which has done the best all round club work in order that they may have their name inscribed on the cup. Seventy-six members and leaders were in attendance. At the close of the short program the Tucson Citizen entertained all 4-H members at a theater party at the Fox. This was complimentary to the club members in return for their cooperation in publicity notes.

History of the Project

Garment making clubs have been maintained in Pima County since the summer of 1923. Quality, not Quantity, has been our slogan and we have improved the work from year to year.

Not alone in work has progress been noted but in the method of conducting club business meetings and in the type of recreational events. The influence upon the community has been more marked as the club activities have improved. Garment Making has always been a major project, due to the rural population which is largely Spanish-American and Indian.

There has been a steady gain in completions as compared with enrollments. We seldom lose a member from any cause except that of moving away from the community.

Work for the Coming Year

First, Second or Third Year Garment Making Clubs will be carried at Catalina, Empire, Ft. Lowell, Jaynes, Pantano, Sahuarita, Soporì, Sunnyside, Tanque Verde and Vail, with enrollments about the same as last year.

MISCELLANEOUS

Sewing Machine Demonstration

A demonstration on the care and use of the sewing machine and the use of the attachments was given to the members of the Vail Club, along with the mothers in the community. The Singer Sewing Machine Company cooperated in this and more work is planned for 1933 with our garment making clubs. It is a good demonstration for both adults and juniors.

Christmas Gifts

Club members in all of the communities assisted in work for the Christmas season. They darned and patched clothing for the needy in their community and in some cases made over garments or made new ones. They divided their gifts with the less fortunate and made simple playthings for those who would not have had a visit from Santa Claus if the club members had not remembered them. The Arizona Children's Home was included as well as the unfortunate at home. The H.D.A. gave suggestions for making simple gifts, also demonstrations in wrapping presents in an attractive manner.

Club members shared their food, in some cases throughout the year, with the needy. The "H" for Heart was well used.

Gleaned from reports and stories

When reading stories and reports the H.D.A. noted the following:

"I learned to win without boasting and to lose without squealing."

"I enjoy the work. I love to darn and I love to cook".

"We all want a cooking club next year but our parents do not know if it will be possible for them to make the necessary arrangements."

Three members chose Pantano, a railroad station, only, instead of Benson, a village, because "Pantano had a 4-H Club". They had read about the work of the club and wanted to join.

"Mother was so glad that I learned to mend my own clothes and those of the family".

"Mother is glad and so am I that I can now make a dress all by myself. I can cut it out, too."

"I am so glad that Miss Bentley interested us in club work because we have fixed up so many old clothes and we needed them."

A little Spanish-American girl said: "I think the 4-H Club is the best thing in America. Because we learn to sew and patch and darn. Then we learn to write publicity notes for the newspapers. I liked to learn to recognize the music selections and I enjoyed the good times we had in Tucson".

Features in Which Clubs Excelled

Cortaro wrote the best club stories and won the silver trophy cup again in 1932 for doing the best all around club work. The score card used was:

Workmanship of members -----	50%
Interest and Activity of Club Members:	
Publicity -----	5%
Music Appreciation -----	5%
Meetings and Programs -----	10%
Attendance -----	10%
Influence on Community -----	10%
Difficulties of Leadership -----	10%
Total Score -----	100%

One member said, "I tried to help my club to win the cup by doing my work just as good as I could".

Pantano, a close second to Cortaro in hand work, tied with them in the music appreciation contest. Pantano was also a close second to Empire in Publicity. Pantano made the greatest progress in singing.

Empire, a small club up in the Santa Rita Mountains, won high rank in all around club work and won the County Publicity award. They have an accordin player who assists with the club singing.

San Xavier, Papago Indian girls, came within a few points of tying with Cortaro for the best handwork as these little Indians are always good with their needles but not so good in all around club activities.

Sunnyside ranked high in hand work and excelled in the cooperation secured from the community. This was their first year for garment making and the parents were very enthusiastic and willing to do anything to advance the work. Mary Gallego was declared county champion in Garment Making Clubs.

Vail had the best reports and excelled in dramatic efforts. Their hand work was good.

Arivaca excelled in reconstruction of garments. One girl almost reknit a sweater while repairing it.

Sahuarita made a quilt in addition to the club work, did this in order to help the needy. They did special work in

singing and tap dancing. Their hand work and club activities were good.

News from former Members

Our state champion in Home Economics for 1928, Florence Old, was married, and a miscellaneous shower was given for her at the home of one of our club co-operators. Many of our former club members, now in homes of their own, were there. The Agent has made an effort to keep in touch with these young women as their former training is of value in our adult groups and the results of club work are apparent.

Extracts from a letter from Lorraine Kitchen, a former state Club champion, who moved to California in 1926, tells something of her ideas of club work:

"Do you remember that I wrote you to write to the Lion's Club of Sacramento when I applied for a scholarship in their Junior College? They awarded it to me, but I decided to go to U.C.L.A. instead. Well, I hung on to those recommendations and had them sent to U.C.L.A. and they now appear in my confidential papers. More about them later.

"I went to U.C.L.A. in 1927. I registered as a Home Economics major and stayed in that Department three days. I used to go over to the gym and my heart would ache when I saw the things they were doing so I changed my major to Physical Education, and am still in that field.

"I'm teaching this year in my own home High School, Lancaster, California. Counting the Junior College students there are nearly 400 students in school. I live in the girls' dormitory and help the matron take care of the girls. These girls are from mining towns up in the mountains where there are no high schools. I teach all four high school classes in Physical Education and have one class of junior college students. I enjoy it immensely, in fact I love it.

"The boys here are pretty well organized in 4-H Clubs, but there is a fine field still open for girls' organizations here. Instead of ministering to their needs in Home Economics, I'm concerned with their health. We have just finished examining 196 girls and we are ready next week to start carrying out the doctor's recommendations of rest, shoulder and foot corrective exercises.

"I can never evaluate the value of club work. Somehow its worth is something like health, it can't be gotten by money nor pull hence can't be taken away from one. The work I did in that field is evidenced over and over again. When the new principal introduced me to the student body he remarked -- oh, it's not fair to repeat it but I'll tell you anyway -- he said, 'Her papers from U.C.L.A. show that

she proved her worth way over in Arizona in club work before she ever came to California'.

"Positions were very scarce this year. Out of thirty who graduated in our field only three of us have positions the last word I heard. The other two girls were excellent students while at the University. I think the 4-H work I did over in Arizona has always been a great help every time I have used those papers. Mr. Ballantyne's, Mrs. Lockwood's and yours are in with all my college recommends, the whole of which is called my confidential papers and will always be used every time I apply for a new position. I am mighty thankful for those reports from Arizona. I didn't get in activities very much in college because of lack of time and energy. The club work that I did more or less replaces or fills that activity section and you can be sure that it's a big help.

"As you probably know, I worked to help pay my expenses all four years while in the university. The last year I belonged to the Helen Mathewson Club, an honorary society for self-supporting women. It is quite selective and has only a current membership of 24. There were about 3,500 girls, 30 some percent of which were partially or wholly working their way in college. I have the figures of my expenses.

My family sent me - - - - -	\$ 922.50
I earned - - - - -	566.00
Borrowed from University - - -	<u>265.00</u>
	\$1,753.00

I worked for my board and room all except the last year while at the Club. Needless to say I earned most of the money doing sewing and household help. The former was possible through club work as well as a great deal of the latter, although I guess I would have learned housekeeping eventually.

This summer I went to visit friends in Salt Lake and we traveled to Bryce's, Zion's canyons and to the Grand Canyon. I was gone three weeks and had a perfect time.

My plans for the future? School teaching during the year and travel in the summer. I have well laid plans for a trip to Alaska in 1932 and to cover the western National Parks by auto. My ambition? A home of my own in four or five years after I've travelled around a bit".

Sincerely,

Lorraine Kitchen,
Lancaster California

MY 4-H STORY

By Margaret E. Weber
Sunnyside
1932

- - - -

The Club of the Sunnyside Sunshiners of Emery Park, Arizona, started September 24, 1931. Because of the club being new we had to select our club name. We elected the following officers:

Ruby Moody, President; Mary Gallego, vice-president; Margaret Weber, Secretary-treasurer; Annie Moore, Yell Leader; and Mrs. Kathleen Perry, Song and Club Leader. We take turns being reporters.

The girls did not all start on the same thing. The girls that got through got to put their things in the Southern Arizona Fair, and some girls won prizes.

I started on my cap and apron first. I did not have much luck at first but by trying I learned how. Next I made my dish towels, after which I made my stocking darn, and then my stockinet patch, and the last thing I made was my bloomers.

At the County Achievement Day held at Sunnyside School I won the following Achievement awards: dish towels, 3rd; and bloomers, 2nd.

All of the girls are so interested in the 4-H Club that we are going to continue during the summer. Mrs. Layda Menzie will be our leader then.

The girls have developed each of the four "H's". We play ball for our Health, the music memory contest and being reporters teaches us to use our Heads; we sew to develop our Hands, and being cheerful and showing good sportsmanship helps to develop our Hearts.

Mrs. Kathleen Perry had a party at her home for the 4-H Club girls in January. We all enjoyed it very much.

I like the 4-H Club because you learn to be kind and have respect for others and you learn how to sew when you are doing this.

THE PROGRESSIVE JUNIORS 4-H CLUB

By Victoria Colorez
1932

- - - -

We started our 4-H Club work on September 25, 1931. Miss Evalyn A. Bentley came out and helped us to start our club. On that same day we elected our officers.

We first began club work in 1927. The members in that year were Panchita Cardenaz, Fidelia Colorez, Mary Welborn, Constance Worcester, Irene Massingale, Beatrice Cordova and myself, Victoria Colorez. The boys also had sewing with us. They were Pedro Martinez, Victor Alexander, Jack Welborn, Charles Massingale, Jack Fruits, Felisardo Carranza, and Eotor Carranza. Our leader at that time was Mrs. Margaret Blome.

In the second year we were the same members except that the boys did not do any sewing. They made a garden and Mrs. Miriam Pearson was the leader. They planted some vegetables in the garden and we had some onions and lettuce for our lunch. The following year Mrs. Eloy Batterton was the sewing leader. I was not here for sewing for I was living in Eloy, Arizona. That year Mr. Bethurum started coming out to give the boys shop work, he came out every Friday.

The fourth year Mrs. Miriam Pearson was the leader. The members were Panchita Cardenaz, Susie Nowell, Beatrice Cordova, Suzanna Cordova, Dolores Coronado, Mary Welborn, Bernice McCall, Anita Coronado, and Amelia Cordova. That year they won the silver cup. I came from Eloy in that year but I did not join the club because it was in the last of the year.

We are now in our fifth year's work. In this good 4-H Club I have learned a lot. I have learned to make dresses, bonnets, shirts, darn stockings, to set a patch, mend and to make buttonholes.

At our County Fair all the girls from our club sent things and got money for them. I got a prize of seventy-five cents on my dress. With that money I paid our teacher, Mrs. Miriam Pearson, for the material of the shirt I made.

A silver cup was won by the Progressive Juniors Club last year. It was first won by the Jaynes Jolly Juniors for three years which made it theirs. Then they returned it to Miss Evalyn A. Bentley, that she might give it to other best clubs and Cortaro won it. We are going to try to win it for three years too. Every club that wins it will have its name on the cup.

For Halloween we had a party. We had candy, apples, popcorn, and played games. We also ran a race with an apple on our heads. There was a prize for the winner. Beatrice Cordova was the winner. And we made some masks. There was a prize for the one that made the funniest. The prize was won by myself.

On November 5, 1932, I went to Tucson for a free dinner at King's Cafeteria. Mrs. Miriam Pearson went with me. She took as guests Ernestine Fruits and Mary Welborn. Ernestine Fruits used to be a reporter at Jaynes station. Mary Welborn went because she won first prize on her things for her own room at the State Fair.

The free dinner was given to the best reporter in each club. We had our dinner then we went with Mr. Mark Finley to the Citizen news office to see how newspapers were made. First we saw the making of the type, then setting the type, then they put the type into a form on a cardboard they put a page around a large metal roll. When the roll came out of a machine the news was all ready stamped on it. They put a roll in a big machine and hundreds of papers came out folded and ready to sell.

On December 19, 1931, we went to a picture show in Tucson. This picture show was given free to all the school clubs. Mr. Mark Finley of the Citizen took us. We enjoyed it a lot.

On Valentine's day we had a Valentine box and Mrs. Floy Batterton gave each a candy heart for a Valentine.

For Easter we had an Easter egg hunt. The older girls came Thursday to Mrs. Miriam Pearson's house and colored the eggs. Then on Friday they hid them and the lower grades hunted them. Then they rehid them for the upper grades. There was a prize for the winners.

On April 23, 1932, we went to Sunnyside for Achievement Day. We all saw the things the other clubs had done and what prizes they had won. Each member took ten cents for her lunch. All the clubs had stunts, plays and sang some songs. After that we had our lunch and an icecream cone. Then we went on with our stunts and plays. When they were over we went again looking at the things every club had done.

Fidelia Colorez was the winner in the music memory contest held at Sunnyside. She won a phonograph. We had a local contest to decide who should try at Sunnyside. Fidelia Colorez, Panchita Cardenaz, Anita Coronado and myself tied. Fidelia Colorez drew first place. We girls got a record for our club as our prize.

Saturday, May 7, 1932, we had a picnic at Picture Rocks. We were twelve at the picnic. We were Panchita Cardenaz, Fidelia Colorez, Gladys Moser, Lillie Moser, Suzanna Cordova, Amelia

Cordova, Henrietta Montijo, Rosa Martinez, Beatrice Cordova, Martha Hoag, Mrs. Miriam Pearson and myself. We had potato salad, roasted weinies, buns, grapefruit, and cookies. Fidelia took us in her car. She had to take some first and then come back after the ones that stayed to wait for her. We walked to meet her. We came back very early, at 4:30 p.m., because we run out of water, but when we were on our way home we went to Yuma Mine and got us a drink at a well there. When we came to school Mrs. Pearson made some lemonade and we ate some salad. Then we had our pictures taken and then we were ready to go home.

THE TRIALS AND JOYS OF 4-H CLUB WORK

Pantano Stitch-In-Time Club

By Mary Louise Echols

1932

- - - -

One day last summer when I was playing mother said we would go to see a friend of mine. I got ready to go very quickly, as it had been a very long time since I had seen her. When we reached her house my sister and my friend wanted to play dolls, but all I wanted to do was to read the funny papers, as this is my favorite hobby. My friend took me into her room and showed it to me. I happened to glance over at her dresser and what do you think I saw? There were two large pictures. One was a picture of all the 4-H club members in the State of Arizona who attended the round-up June, 1930, at Tucson, Arizona. The other was of the same people and they were in the form of a 4-H. I had read much about the 4-H Clubs in the Chicago Mail Order Company, which is a catalog company. I was very surprised to see these pictures but more yet when she said, "I belong". I was dazed. I found that a 4-H Club had been organized in Pantano.

Later my sister and I were to choose whether we wanted to go to Benson to school or to Pantano. Of course, we wanted to go to Pantano because of the 4-H Club. We went to Pantano. My sister and I joined the 4-H Club as soon as possible. At the first meeting we elected the President, vice-President, and Secretary. I was elected President. The next meeting we elected the Song Leader, Yell Leader and Reporter. My sister was elected Yell Leader.

The first project was two tea towels. I had never done this stitch for hemming before. I had always done the running stitch. Next I had to embroider or decorate them in some other way. I embroidered them. I have always hated to embroider.

Our next project, the "Stockinet Patch". This was my favorite project. Next was the darn. I liked this very much too. I liked to so much that I stayed in many recesses to darn and patch. One day I even took off the anklets which I had on. My shoe had a hole in the toe of my shoe. This made a hole in the anklets.

The next thing I made was my apron and cap. I made my 4-H Club emblem on them. Since my experience with embroidery work wasn't so good, I appliqued the emblems. I sewed the bottom seam of my cap three times before I got it right. My tea towels and apron and cap were all made of feed sacks costing five cents apiece.

Among the Pantano first year members, I won the following ribbons: blue ribbon, Stockinet patch; blue ribbon, darn; red ribbon, tea towels; blue ribbon, apron and cap; and blue ribbon, bloomers (extra work).

The 4-H Clubs of Pima County had a musical contest. We had to recognize different records and write the title, type and composer. It was necessary to have correct punctuation. I tied with a girl from Cortaro. Each of the clubs received a phonograph. I was very happy indeed because I had served my club as well as my community.

April 23, 1932, the 4-H Clubs had an entertainment at Sunnyside. This was the day of Achievement.

CAMP SEWING AND COOKING CLUBS FOR BOYS

TIME: September to June.

PLACE: Catalina, Pantano, Soporí, Empire and Tanque Verde.

We have Garment Making Clubs for the girls in all of these schools and the leaders asked that we find something to keep the boys busy while the girls were sewing. The Camp Sewing and Cooking Clubs were organized to fill this need. The sewing will include sewing on buttons, making camp holders, the stockinette patch, the set-on patch and a camp apron.

The boys are enthusiastic and are doing good work in publicity and are interested in the music appreciation project.

The sewing project will teach them to repair garments torn or worn during camp hikes. They will also learn to make the necessary articles to use when cooking, such as holders and aprons.

The cooking includes simple camp dishes prepared on the camp fire. One Club built their traps and caught wild birds to use when learning to prepare meat as the latter was expensive they thought.

Through this project we hope to develop a better understanding and appreciation of camp life, and to use the lessons learned for recreational purposes.

HOME FURNISHINGS - ADULT (INCLUDING PAPAGO WOMEN)

PLACE: Ft. Lowell, Jaynes, Cortaro, Rillito, Marana, Binghampton, Sunnyside, Sells, Santa Rosa, San Miguel, Vamori, Cowlic, and Topawa.

TIME: October to October.

NUMBER OF DEMONSTRATIONS: 12 demonstrations were given by the State Clothing Specialist, Miss Blake, or by the H.D.A.

GOALS: 1 room improved in each of the 9 communities in our program of work.

GOAL REACHED: 25 rooms were improved in 13 communities.

Home Furnishings - Papago Indian Women

This project with the Papago women began with a conference with the leaders on the Papago Reservation early in the fall of 1931. It was decided by all that the Indians needed help in home furnishings. A project that seemed feasible was quilt and rug making. Many of the women had never made a quilt or a comfort so they needed much help.

The workers in the employ of the U. S. Indian Service gave good cooperation in this project. The Superintendent of the Papago Indian Reservation, J. W. Elliott, and the Superintendent of Schools for the Papago and Pima Reservations, R. M. Tisinger, gave efficient assistance.

The H.D.A. made four visits during the period from September, 1931 to May 20, 1932, Achievement Day for the project. At the time of these visits the H.D.A. met the leaders and gave them demonstrations and special help. She also met the Indian women and gave them demonstrations along the lines of home furnishings. A large amount of the work was done by correspondence due to the distance of the reservation villages from the Tucson office.

As a result of the demonstration given by Miss Blake in October, the Papago women exhibited five articles for the home made from gunnysacks. The Papagoes also made improvements in the appearance of the exterior of their homes with little financial outlay.

Achievement Day Exhibit at Sells, May 20, 1932

Miss Zella Blake, Extension Clothing Specialist, acted as judge for the five-hundred articles sent in for the exhibit. The work was graded according to first, second and third. This allowed a number of ribbons to be placed in each grade. These ribbons were purchased by the employees

of the Indian Service. The work was of the usual high order of Papago hand work and received much praise from Miss Blake. Local leaders who assisted in preparing the exhibit by directing the work of the Papago women were: Mrs. Myra DeRhodes, and Mrs. J. W. Elliott, Sells; Mrs. Johnson, Vamori; the work at Santa Rosa was under the direction of the Indian assistant, Carmen; at Topawa, Sister Carmela; Cowlic, Sister Theresa David; Anegam, Clement Vavages; San Miguel, Birdie Gilgert; Presinemo, Miss Etha Leinhouser.

Sixteen quilts made by Papago women, the first effort for the majority of the women, were exhibited and won much commendation. Other features of the exhibit were garments for women and children, all in up-to-date models; splendid examples of patching, darning, native basketry and pottery, some very beautiful examples of hand work - cross stitch, cut work, hem-stitching, embroidery and pastel painting - were exhibited. First stitches of the children in doll clothes and home made dolls were also exhibited. The Tucson Indian Training School and the San Xavier 4-H Club both sent large exhibits for educational purposes.

During the morning Miss Zella Blake and the Agent talked to the exhibitors about ways in which they might improve the work for next year. Miss Blake showed some women's and children's garments, stressing especially the finishing. A few models and articles of home furnishing were displayed. A homemade wardrobe, a cretonne covered coat hanger, and a receptacle for hats were shown.

The sports and games were under the direction of Father Nicholas, with Mr. R. M. Tisinger and Superintendent Elliott assisting, as well as cooperating in all other necessary work in order to make the day a success. The lunch for the 800 Indians was under the supervision of Mrs. Jose X. Pablo and the Indian women of Sells, and was served by the Papago young men.

Everything about the annual Achievement Day went off in very good order. The Papagos are people who know how to study and profit by an exhibit. The Agent can see that they have made splendid progress since the first exhibit held years ago.

This exhibit included the communities of Sells, Santa Rosa, San Miguel, Vamori, Cowlic and Topawa.

At Jaynes, Ft. Lowell, Cortaro, Millito, Marana, Binghamton, and Sunnyside we still continue to find articles, (48 in all) made from gunny sacks as a result of the demonstration given in these communities by Miss Zella Blake.

Work along the same lines has been planned for the coming year.

Organization and Progress

Home furnishings as a minor project was organized in the fall of 1931 with the extension specialist in clothing, Miss Zella Blake.

The work was begun in answer to requests from the rural women. They wished to learn how to improve the appearance of their homes with little financial outlay.

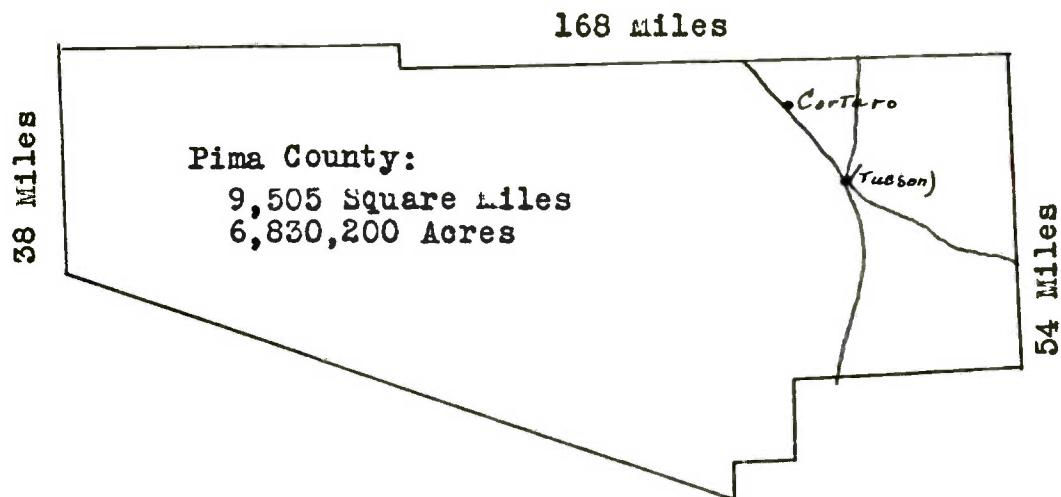

The project has progressed slowly with all. The rapago women, during the year, have done more work than the others, due perhaps to the fact that they were not interested in other projects. We have, however, improved in some way twenty-five rooms in thirteen communities.

The coming year we can only do the things which require little expense but expect to do some work in making the home more attractive.

The rapago women in the seven indian communities will continue with the work of last year, improving and adding to the project.

HOME FURNISHINGS - Juniors

Own Room 4-H Club

PLACE: Cortaro.

GOAL: Three rooms improved.

TIME: October to June.

GOAL REACHED: Two rooms improved.

Club and Leader	No. En-rolled	No. Com-pleted	% Com-pletion
Cortaro, Mrs. Miriam Pearson	2	2	100%

METHOD OF PROCEDURE:

The girls met for club work at the same time that the first, second and third year garment making girls did and had the same leader. The H.D.A. sometimes gave the Own Room girls a special talk or demonstration, but for the most part the girls were all present and the work was done together.

The two girls in the Home Furnishing project, or Own Room, are Spanish-American girls. They did exceptionally beautiful embroidery work and did very well in the work they did with their own rooms, in adobe houses--not new--and they had little money to spend.

The picture framing done by the girls showed a truly artistic eye, this work followed a demonstration given by the H.D.A. where she used simple means of picture framing, passe partout picture

binding. The hanging of pictures was also demonstrated and discussed, the girls followed the suggestions and gave a good demonstration on the subject.

The girls also made waste baskets for their rooms, using fancy paper--the lining of Christmas envelopes--pasted onto a substantial tin can or heavy paste board box, then all varnished.

The two girls in the Own Room club graduated from the eighth grade two years ago but joined the Cortaro club and did very good work, also helped the leader with the work of the younger club members.

The club girls in Home Furnishing had the same goals in general and entered into the same club projects as the Garment Making girls. They exhibited their work at local and county exhibits and won considerable praise for their expert needlework.

Work of Juniors But Not a 4-H Club Project

Many of the Garment Making Club members and some of the Health Club members made one or more articles for the home in the line of home furnishings. This was done as an extra piece of work and done just because the club members wished to do it. One hundred forty-two articles in all were made. These included dresser scarfs, table covers and napkins, window curtains, rugs, couch covers, laundry bags, sofa pillows, quilts and comforts, dresser dolls, cases for various articles, hand drawings, framed, water colors and pastels also in hand-made frames and passe partout framed pictures, as well as clay work framed ones. All these articles the girls enjoyed having in their homes--few of them have a room they can call their own.

Thirty-five of the Papago Indian girls joined in the Home Furnishing project of their mothers and made many useful and attractive articles.

Sopori made all of their Christmas presents from gunny sacks. The leader of the club attended a demonstration given by Miss Zella Blake, Extension Clothing Specialist, and put into practice a number of the ideas gained thereby. The boys and girls both worked with the feed sacks in removing the lettering and in laundering them. Later the girls had very good success with coloring the sacks. They made sofa pillows, rugs and table covers, and laundry bags, with special emphasis upon the latter. The H.D.A. gave help in color combinations and help in coloring the burlap as well as suggestions in regard to the hand work.

A kitchen ensemble,- curtains, table cover and napkins and an apron, made by the Sopori girls won much favorable comment when exhibited at the county achievement day. These girls who did work in Home Furnishings were members of a Health Club and did the extra work because they enjoyed it.

Organization and Progress

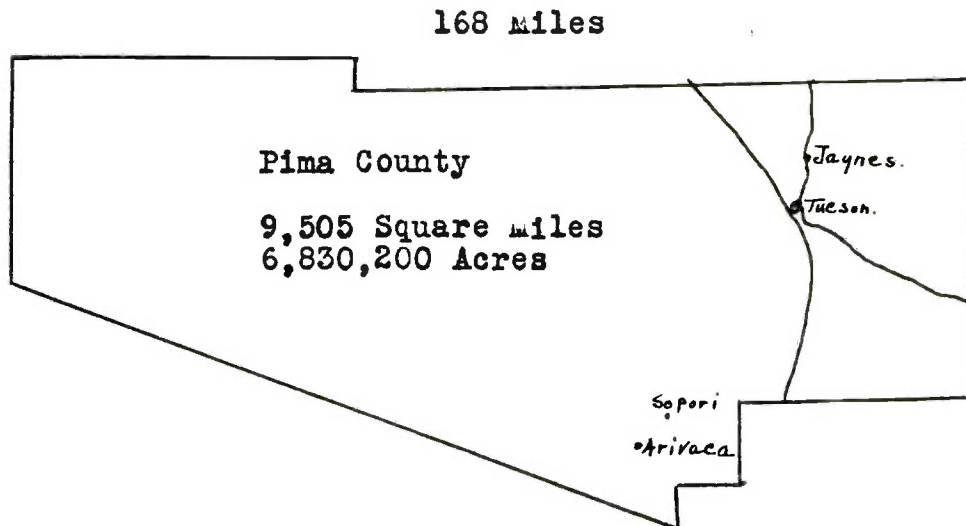

This project is organized and carried on with our 4-H Club work. It was first carried as a project in 1925. Since then we have had home furnishings with the juniors whenever feasible. It is not always possible to find girls who have permanent homes, and they do not wish to improve temporary homes.

We have not made the progress desired but for the past two years at the State Fair Pima County has won first and second for the best exhibit of hand work in Girls' Own Room work.

The outlook for the coming year is not so good, so no plans have been made.

HOME HEALTH & SANITATION - Juniors

4-H Health Clubs

PLACE: Jaynes, Sopori and Arivaca.

Club and Leader	Year		No. En- rolled	No. Com- pleted	% Com- pletion
	1st	2nd			
Jaynes Mrs. Sammy Burns	20		20	20	100%
Sopori Mrs. Evangeline Urquides	11		11	11	100%
Arivaca Mrs. W. G. Barnett	17		17	17	100%

TIME: October, 1931 to June 1, 1932.

These clubs grew out of our health project in the schools which was a major project with the juniors for several years, beginning with a survey of conditions in 1922. With the exception of the year the Agent was away on educational leave, some phase of health work has been done continuously since 1922.

NUMBER OF DEMONSTRATIONS: Thirty-five demonstrations were given by the H.D.A. These included the work as outlined in our club bulletin as well as the special activities of the club. We found that in the teaching of positive health it is necessary to give many short demonstrations, repeating a subject in a different manner in order to maintain interest and secure results.

GOALS:

1. To correct serious underweight.
2. To show improved practices in health habits.

GOALS REACHED:

1. 90% of those seriously underweight reached the normal zone.
2. Improved health habits were shown by 85%.

Other goals the same as those given under Garment Making Clubs.

METHOD OF PROCEDURE:

The Health Clubs were organized with the teachers of the rural schools as leaders.

The Agent helped to make plans and supplied material. We followed the first year 4-H Health Club manual and checked by the score cards given therein.

Bad habits such as lunching at school recess and eating without washing the hands were overcome, as well as bad food habits, poor posture and faulty hygiene.

Posters following suggestions by the H.D.A. were made by the Health Clubs and exhibited at the Southern Arizona Fair as well as at the local and County Achievement events.

Members were scored by the nurses of the county Health Department at the beginning of the year. Serious defects were cared for by the county physician.

Each Health Club gave a health program for their community and gave parts of the program at other times.

Sopori excelled in health building work. As they did not have much milk--part of the children were from mining camps--some had only one pint three times per week, so they added cod liver oil given at school in an effort to add pounds. It seemed to do the work. Sopori stressed singing and dancing for health, their songs of healthful living aided the children to remember their health rules and the folk dances were a part of their regular exercises.

Sopori had a cleanliness contest this year and they plan to have a rosy cheek contest next year.

Arivaca did well with their exercises and played ball with other clubs, were successful in the final score and attributed a part of their success to their health club rules.

Jaynes did not run through the entire year as they did not organize until January. However, they did splendid work. The younger members were included as junior or preparatory ones, as the club thought they should help in preparing the juniors for club work later. One of the members gives an account of the club in his club story which is appended to this report.

The Agent gave leaders and members assistance in making out records and in giving special programs such as the Washington Bicentennial. She also gave many suggestions about how to teach the health rules so as to make health attractive. We found that it worked very well to let the making of rules come from the members. They also placed the penalty for the breaking of rules.

The new health club outlines have been very helpful. Health has been stressed with the Garment Making and Home Furnishing members as well as with those who are strictly health club members.

The film, "Posture Wins", was shown by Mr. H. R. Baker, Club Specialist for Boys' and Girls' Club work, to the Health Club at Jaynes and also to the Garment Making Club at Sunnyside. This film carries a stimulating lesson and all agreed that we need more of this type of work.

County Club Projects Followed by all Clubs

Health club members followed the goals and reached the same goals as the Garment Making clubs.

The same method of securing results from reports and stories was used.

The Health clubs took part in local and county exhibits and in the county Achievement Day. Their exhibit being their own best members and posters dealing with health teaching.

Health club members joined in the Publicity and Music Memory work and the leaders joined in our Leaders' conferences. In everything except the special health project the Health Club activities were the same as those of the other clubs and all members joined in the county-wide 4-H Club projects.

PIMA COUNTY 4-H CLUB PROGRAM

Robert McNary
Over the National 4-H Club Achievement Day Broadcast
11/5/32

As a representative of the Jaynes Jolly Juniors, I am glad to briefly tell you that the 4-H Club work we are doing in Pima County is helping every child in his habits and health. We like the work of training the head, heart, hand and health as is shown by the fact that we have twenty clubs with a membership near one hundred seventy-five.

There are three types of clubs chosen by the boys and girls of Pima County:- Sewing clubs, health clubs and camp clubs.

The club work itself teaches us how to do the work our particular club stands for, to conduct business meetings, to arrange and give programs, to plan and conduct social gatherings, and to help in all our community life. As extra activities that train us for the four H's, Pima County has two projects of which she is very proud and which she would like to see other counties have, the first is music appreciation, the second publicity.

In the Music Appreciation we had to learn to recognize twelve selections when they were played. We not only had to recognize them but we had to know the full title, the type, the composer and the correct spelling of all. Each year ten or twelve numbers are added.

All club members compete and the one who ranks the highest in each club gets to represent his or her club at the county contest on County Achievement Day. These contests create much rivalry and are teaching us the best in music.

The publicity work is very much worth while and interesting, too. Each club elects a reporter. Each week this reporter sends news notes of the club to Miss Evalyn A. Bentley, our home demonstration agent. She turns the notes in to the Arizona Daily Star where they are printed in the Sunday edition. In this way the club members of the county know what the other clubs are doing. Each club keeps a press book and at the end of the year these are judged by newspaper representatives and a silver publicity cup given for the ranking press book.

Pima County celebrates an Achievement Day once each year. On this day all club members in the county meet and display the work of the year. Many beautiful, practical things are exhibited and ribbons are given for the best work. Each club puts on a stunt, we have yells, songs, games, good eats, and a good time in general.

There is a silver trophy cup in our county which is competed for by the clubs each year. It was given to the county to be used as a reward to the club most outstanding in all its activities. The winning club has its name and the year engraved on this cup. If a club wins three times in succession the cup is theirs.

The Jaynes Jolly Juniors of '27, '28 and '29 won this cup but presented it to the County for further contest. Every club works hard to get the cup.

We enjoy club work. We hope that everyone who is not a club member will follow our Pima County program and boost as we do.

OUR 4-H CLUB
By Martin Simmonds
Jaynes Jolly Juniors
1932

- - - -

At the first of January we organized a Health Club. We elected officers and they are as follows: Elnor Ortega, President; Martin Simmonds, Vice-President; Alvin Simmonds, Secretary-Treasurer; Emma Simmonds, Song Leader; Tom Collins, Yell Leader; Clara Wade, Exercise Leader; Vicente Ortega, Reporter; and Mrs. Sammy Burns, Club Leader. We met once a week. We learned to do all of the exercises required and sang all of the songs required. We always had a program which everyone enjoyed. We had officers to enforce the laws of the club. We had the rules with penalties attached. Rules were: No biting of fingernails, penalty two cents or forfeit recess. No chewing of pencils, penalty one cent or ten minutes in at recess. Brush teeth daily, penalty anything Mrs. Burns assigns us to do. Clean fingernails daily, penalty one cent or forfeit recess. No sweets between meals, penalty two cents or forfeit two recesses. These laws sure did help because now everybody has learned to stop by the making of these laws.

We had several club activities but one was very successful, that was for Mother's Day. We had a tea for the mothers and there were ten mothers here. Mrs. Smith, county superintendent, was there. Miss Bentley was also invited but couldn't be present. We had a nice program and the room was real nice. The mothers first were shown the exhibits we had in the Fair, some exhibits that we made especially for it and the tests we were given by the county. After being shown the exhibits they were taken in and served tea. They were each given a bouquet of flowers and at the close of the afternoon all the rest of the flowers used for decoration were given to the mothers. The record was played that was won by Bernice Honea. The hostesses were Clara Wade, Bernice Honea, and Nineta Collins. The program was on May 5th. The mothers said they all enjoyed it very much and thought the children did very well.

We entered a music memory contest in which all the clubs in the county entered. The clubs had to have a preliminary contest separately and the one who got the highest grade or got the most numbers right got to compete in the contest. The one who got next to the highest was to act as alternate. Miss Bentley gave the contests for the individual clubs. Miss Bentley came out and gave ours and Bernice Honea, Elnor Ortega and Alvin Simmonds tied so they had to take the contest over and Bernice Honea got first place with a perfect paper. Elnor Ortega made one mistake and Alvin Simmonds made two. April 23 was set for the date to have the contest. Most of the club members went over to Sunnyside and Bernice Honea was the one

from Jaynes to compete in the contest. We then went in and saw a picture show. Next we ate and then we had our stunts. There were nine clubs represented. Jaynes had an example of one of our club meetings. Everybody said that they thought our stunt was very good. We also sang songs and had a real good time. We didn't know until the next week who won in the music memory contest. Two girls from Cortaro and Pantano tied for first place and the two schools each got a phonograph. Bernice Honea won a record from Fisher's and the name of it is: Narcissus and The Spring Song. We all thought it was a good choice.

At the first of the year I weighed sixty-five pounds, and I now weigh sixty-nine and one-half.

HEALTH STORY OF OUR CLUB

By Ruth Oros

Sopóri

1932

- - - -

The 4-H Club was organized on October 23, 1931. The meeting was called to order by our club leader, Mrs. Evangeline Urquides. Officers were elected as follows: President, Rita Oros; Vice-President, Isabel Vega; Secretary-Treasurer, Ruth Oros; Yell Leader, Aileen McElroy; and Song Leader, Jessie Figueroa.

The four leaf clover with an "H" on each leaflet is the National Boys' and Girls' Club emblem. The four "H's" stand for the equal training of the head, heart, hand and for health.

Since I have joined the 4-H Club it has helped me in many ways. I have been doing the following things. I brush my teeth every day. I take a full bath once or twice a week, I wash my hands and face daily. We gargle every morning here at school.

On March 12, 1932, we had a contest of words out of the word "Cleanliness". The one that had the most words was to receive a prize. Cosemen Lopez won the prize. He had 249 words. I have also learned to write news.

The Club Motto is to make the Best Better. I believe in the training of my heart because it will help me to be kind, sympathetic, and true.

I have learned the Club Emblem, Club pledge, Club Motto and the Club Creed. I have also learned to win without bragging and to lose without squealing.

COMMUNITY ACTIVITIES

PLACE: Ft. Lowell, Amphitheater, Jaynes, Cortaro, Sunnyside, Sells, Marana and Millito, Flowing Wells, San Xavier, Vail.

TIME: September to July 1931-1932, and September to July 1932-1933.

NUMBER OF DEMONSTRATIONS: Twenty-two.

GOALS: To have one good get-together in order to stimulate interest in better organization.

METHOD OF PROCEDURE: The Agent planned one or more programs for each community where work is being done with adults. The needs of the community were considered and the higher life not forgotten.

Community talent was used when possible and outside talent secured when needed. When giving musical programs, Tucson and University of Arizona musicians gave their time freely. Speakers on various subjects were also secured.

In planning these community activities the leaders and the N.D.A. conferred in all details so far as possible.

Organization of Project

This has been a part of the program of work in Pima County since the N.D.A. began work in 1921. The work has developed year by year and the type of program that has been accepted has improved and the appreciation for the service has grown.

The results obtained have been the satisfaction that comes from community gatherings and the opportunity to lead the groups in organized work which is stimulated by better acquaintance.

Change in the project will be to serve the groups better than before as the need is greater during these present times.

Ft. Lowell

The entire community enjoys group singing, therefore, three evenings were spent where the juniors and adults enjoyed singing. The Agent loaned song books to the group as she has a collection which is used for recreational purposes. A leader of assembly singing was also secured when requested.

One evening was spent with lantern slide views of the Glacier National Park. A member who had visited the park gave a talk and those present felt that they had been there.

We find that the small groups are very anxious for some form of recreation which will fill in the evening and take their minds away from all other affairs.

Amphitheater

A talk using lantern slides was given by the N.D.A. at Amphitheater, the subject requested was: "Home Life of the Hopi Indians".

Jaynes

At Jaynes, with the P.T.A., school group and visitors as audience, the members of the B-Sharp Club of the Saturday Morning Musical Club gave a program with special stress on music appreciation. This was well attended and appreciated.

Cortaro

At Cortaro the 4-H Club was responsible for inviting the community to a lantern slide entertainment at which time the Agent showed pictures of places she had visited in Europe.

Sunnyside

The Agent helped this community to prepare for the County Council luncheon, suggestions were given in regard to the menu, and help given in securing musical entertainment. We succeeded in interesting a large number of mothers at this time, but only a few fathers.

At another gathering the Agent secured talent for a musical program, much appreciated we were assured.

Sells

Lantern Slide Talk - A lantern slide talk on the places visited while the N.D.A. was in Europe was given to the Papago Indians and employees at Sells. This was attended by 75 people who expressed much appreciation for the work.

Achievement Day - The Achievement Day and exhibit of work done by women and girls was attended by the entire community, as well as by the surrounding ones.

Marana and Millito

By request of the Marana Woman's Club, composed of members from Marana and Millito, the N.D.A. secured members for the Fine Arts program in September. At this time Miss Ethyl Lobban, Tucson musician, gave a talk on American songs and song writers, illustrated with songs by her pupils.

In October the Agent was requested by the Club to find a speaker for the citizenship meeting. Superintendent C. E. Rose, Superintendent of the Tucson City Schools, spoke, discussing the proposed amendments to the constitution of Arizona. His talk was so well received that the women sponsored a mass meeting for the communities of Marana, Millito and Cortaro for the same purpose--that of good citizenship. This meeting was addressed by Dr. J. R. Walker, of the University of Arizona, and Mr. Otto Myrland, Tucson lawyer. Community singing was led by a university student.

Flowing wells

This community wished to put on a community play. The Agent gave them the requested assistance, from experience gained from a course in community drama at summer school. The play has not yet been given. The members have had a good time working on the play and it will be given later.

San Xavier and Vail

San Xavier and Vail used their Junior 4-H Club Achievement program as an opportunity to bring out all of the members of the community.

Jaynes, Cortaro and Sunnyside also used their 4-H Club Achievement Day programs as an entire community activity.

Miscellaneous Community Activities

A talk, using lantern slides, stressing the social life among the Hopi Indians, was given to the young people's group at the University Methodist Church.

The Agent talked at the Friendly Indians' Club pow-wow held at the Y.M.C.A. This was done at the request of Boys' Work Secretary at the Y.M.C.A., who has helped with sports for our 4-H groups.

The Achievement Days held in the ten 4-H Club districts were community activities as they were well attended by parents, juniors and friends.

Southern Arizona Fair & Rodeo, February 1932

The N.D.A. advertized the Fair to both adults and juniors, though there was no department for the 4-H Club.

State Fair

The exhibit in Farm Women's Garment Making won two awards, and in the Farm Women's Canning Pima County won second on her exhibit of preserves, jams, butters and marmalades.

Help for the Unemployed

Food -- The H.D.A. has given help in regard to food purchasing, how to get the most for the money, how to care for food, the storage and sanitary precautions necessary. Essentials in the diet have been emphasized at all group meetings, we have helped to plan low cost menus and have contributed literature on the subject. Many recipes have been given out to help in low cost meals. How to prepare whole or cracked wheat for breakfast food has been included. All of the rural communities visited have been interviewed in regard to their needs. In no place have we found people who have resided in the community for any length of time who are not being cared for to the extent necessary.

Clothing -- In clothing we are giving much assistance in suggestions for remodeling, patching and darning. Women are finding new uses for sacks of various kinds and finding many ways in which they can economize in making bed covers. One woman made a quilt from pieces of felt which otherwise would have been useless. In the majority of cases the help needed is in securing clothing to be made over. Shoes have usually been found second hand.

The community clubs at Ft. Lowell and Flowing Wells have done an especially good piece of work in sewing for children where there is sickness on the part of the mother. They have remodeled clothing so that the children are comfortable to attend school. Both these communities have also pieced up scraps of material found in the homes of the members, have made these into quilts. They had an all day meeting, with lunch at noon, when they tied the quilts ready to be given to some needy family or organization.

The Agent has helped in soliciting clothing to be remodeled, and has given suggestions to 4-H Club members in communities where there is no P.T.A. in regard to same.

One of our club girls repaired a sweater by re-knitting the unravelled out portions in the front and elbows and then darning. She now has a good looking sweater out of what was of little use. One Arivaca Club girl proudly wears a coat which, as she says, has more darns than she can count. She has taken a coat which was given to her which was badly moth eaten, and by pulling out ravellings around the facing she has put on some beautiful darns which make it a wearable article.

Red Cross -- During the year 1932-33 each rural community where work is being done will assist in making garments for the Red Cross. 4-H Club members, as well as the mothers, will help in making up the many thousands of yards of material which has been sent to the Red Cross for the purpose of clothing the needy.

OUTLOOK AND RECOMMENDATIONS

In the coming year there is a prospect for better organized adult work. Also a need for more work along the economical side as many economies must be practiced.

The following program of work is suggested.

SUGGESTED PROGRAM OF WORK
Home Demonstration Agent
Pima County
1932-33

Project	Place	Time	No. of Dems.	Method of Procedure	Goals
Organization	26 communities will take up some phase of Extension work.	Sept. to July		A definite program in each community with Adult or Juniors. The H.D.A. directing the work.	Formulate and complete programs of work. Complete 1 or more definite projects in each community with definite records to show results
Nutrition and Health Adults & Juniors	Ft. Lowell, Binghamton, Amphitheater, Marana, Rillito, Cortaro, Sunnyside.	Sept. to Sept.	8	Work on food preservation and economics of purchasing.	20% following improved practices.
Feeding the Family for Health					
Child Training and Care	Ft. Lowell, Amphitheater, Marana, Sunnyside, Davidson.	Oct. to Oct.	6 in each community.	There of the 3 years program is understanding Your Child. Round table discussions and demonstration material to be used.	5% of mothers reporting better practices in the home.
Clothing Adult	Ft. Lowell, Sunnyside, Marana, Cortaro, Binghamton.	Oct. to Oct.	24	Follow plans of state Clothing specialist	50% of women enrolled completing work started and following improved practices in sewing and clothing selection.

Project	Place	Time	No. of Dems.	Method of Procedure	Goals
Clothing Juniors Girls	Sunnyside Sahuarita rantano empire Cortaro vail Ft. Lowell Catalina ranque verde	October to June	70	Follow plans as outlined in Club literature. H.D.A. to meet with the Clubs to supervise the work and re- creation. Training of leaders to be included	Complete work as Standard Clubs. Hold Achievement Days and county-wide meet- ings.
Boys Camp Sewing & Cooking Clubs	Catalina rantano Sopori empire ranque verde	October to June	25	Follow plans as outlined in club literature. H.D.A. to meet with the Clubs to supervise the work and re- creation. Training of leaders to be included.	Complete work as Standard Clubs. Hold Achievement Days and county-wide meet- ings.
Home Health & Sanitation	Jaynes	October to June	8	Work as outlined in club literature	Complete as standard clubs and give demonstrations to other clubs.
Community Activities	Marana Rillito Flowing Wells Jaynes Cortaro Amphitheater Sunnyside Ft. Lowell Binghampton San Xavier vail Sells	Sept. to Sept.	1 each com.	Give one demonstration in each community which will get the entire group to- gether,	Stimulate community inter- ests which will lead to better organization.

Clement Vavages and his pupils who sang in the afternoon's entertainment Sells Achievement Day, May 20, 1932.

Sections of the exhibit Papago Indian Achievement Day at Sells, May 20, 1932. Over 500 articles were exhibited.

Arizona 4-H Club members enjoy writing publicity items. They have supplied material for a column in the week-end edition of one of the Tucson newspapers for an entire year. Even hot summer weather and Christmas vacation did not stop the flow of news from the clubs six to sixty miles distant from the County Extension Office.

Hints on writing publicity were given the 4-H Clubbers by the home demonstration agent and the teacher-leaders correlated the work with school English. The press encouraged the junior writers by entertaining them at a luncheon early in the year and with admission to a picture show later. Another incentive was a silver trophy cup given to the 4-H Club in Pima County doing the best publicity work. The clubs of the ten communities in the project were scored on the lead, clarity of ideas, recognition of news, regularity and punctuality, neatness and completeness of copy and the club press book.

The press book included the clippings from the individual club as well as notes of interesting things done by the clubs of the county. Pictures of club officers, members, events and trips of interest were included. The club strived to make the press book a history of their work, honors, picnics, parties and their share in the entertainment of the community.

It is not necessary to add that both juniors and seniors enjoyed the publicity, learned the meaning as well as the value of 4-H Club work and are, therefore, boosters for a continuation of the news writing project.

Press books were entered by the Empire Merry makers, Pantano-Stitch-In-Time, Cortaro Progressive Juniors, Sopori Willing workers, Sunnyside Sunshiners and the Jaynes Jolly Juniors.

Showing the press books open and something of the method of displaying their publicity notes.

Empire won the silver trophy cup for having the best publicity. These two girls--Lena Claude Buck and Eva Ferra--were the reporters for the Empire Garment Making Club.

A section of the exhibit Papago Indian Achievement Day at Sells, May 20, 1932. Over 500 hundred articles were exhibited.

4-H CLUBS

These activities include the training of the Head, Heart, Hand, and Health and are under the supervision of Miss Evalyn A. Bentley, Home Demonstration Agent for the Agricultural Extension Service of the University of Arizona.

National Broadcast to Carry on 4-H Club Program

Saturday, Dec. 5, 1931, a 4-H club program will be broadcast on KTAR, Phoenix. This will include a talk by a 4-H club boy and a 4-H club girl, both winners in National contests. At the same time a new series, that of the national 4-H music achievement test, will be given by the U. S. marine band, discussed by R. A. Turner. The subject is Learning to Know America's Music and the special features for Saturday are:

AMERICA'S INDIAN MUSIC—

From the Land of the Sky-Blue

Water Cadman

By the Waters of Minnetonka Leurance

Deer Dance Skilton

From an Indian Lodge MacDowell

Shawnee Indian Hunting Dance.....

"Dagger Dance" from Natoma Herbert

The program closes with the Star Spangled Banner played by the U. S. marine band.

The January 2 program will feature America's Negro spirituals and songs.

Pantano Stitch in Time Club
A VISIT TO THE CITIZEN FACTORY—By Mary Louise Echols.

The Tucson Daily Citizen invited the 4-H club reporters to a luncheon, Saturday, November 21, 11 a. m., at the King's cafeteria. The leader from each school took her pupils to Tucson. After we had finished our luncheon, Mr. Mark Finley (Mr. Citizen) suggested we come over to the factory and see how newspapers are made. About 1:30 we went over to the Citizen building. We went down stairs where the other 4-H club members were watching the machinery working. The papers were coming out so fast you couldn't count them, for no wonder, they make 500 papers in two minutes. First, there would only be a roll of paper which is about 3 feet in diameter. Next it would be stamped and folded by the machinery. They would come shuffling out where a man picks them up and puts them in a big box. This box goes up and another comes down. The box goes upstairs where a delivery boy folds them. Last of all the delivery boy is riding on his bicycle throwing a paper in almost every door.

Mary Bejarano reports, "We are all glad that Mrs. Florence Bateman, our teacher, has moved to Pantano. Jarano, our baseball captain, for a week. That is why we haven't played the Vall 4-H club members. But we are glad that we will have her in school next Monday.

"We have a new member in our club, who is Frances Anduaga."

Lucy May Echols writes, "Miss Bentley came out to see how we were getting along in sewing. The first year girls started on their dish-towels. Lucy May Echols has finished hers.

"Oh! and something very unusual happened in Pantano—it snowed!

Sahuarita, District No. 30

Our 4-H club spent the past Friday mending coats. These coats were given to some of the girls.

The officers of our 4-H club are as follows: President, Andrea Felix; vice president, Carmela Felix, secretary and treasurer, Erina Armenta; song leader, Ruth Rich; yell leader, Emilia Curtis; and reporter, Alicia Armenta.

Most of the school children are transported to school by Mrs. Collie and Mr. Chico Felix. We are the children that go to school with Mr. Felix. We enjoy riding very much. Most of the way to school and home we sing school songs and give our baseball yells.

Here is Sahuarita most of the people pick cotton to make their living. Some also have ranches. Mr. Chico Felix makes his living by grazing cattle, and the transportation of the children.

The seventh grade has organized a club called the "Seventh Grade Reading club." If some children from the other classes wish to join they have to read three books and report on them. We are enjoying telling stories. It helps us in our grammar.

I (Andrea Felix) went to Tucson Saturday to attend the luncheon given by the Citizen for the 4-H club girls. I didn't get there on time, as we had to wait for the road grader to finish working on the road. I was sorry to be so late, I got there at 12:30 p. m.

After I got there I went shopping. I came back to Sahuarita that night. Sunday it rained and about 11 a. m. it started snowing. We all had lots of fun playing in the rain and snow even though it was very cold. The day seemed very dreary in the afternoon and I went to bed.

Miss Bentley came to visit us Friday. She talked to us very entertainingly. After she talked to us all the girls of the 4-H club sang songs to her. She was very pleased.

I have been doing all my washing and sewing since school started. Some times its fun but some times it isn't, especially when its very cold. I have also been sewing on baby clothing, dresses, quilts and underclothes.

Mr. Fitzgerald has visited us often and has brought us several new members.

We will endeavor to finish all the 4-H club work.

Cortaro Progressive Juniors

By Victoria Colopez.

Saturday we had a pleasant time going to Tucson in Mrs. Ernest Fruits' car. The ones who went were: Mrs. Miriam Pearson, Ernestine Fruits, Mary Welborn and myself.

Ernestine Fruits and Mary Welborn were Mrs. Miriam Pearson's guests, Mary Welborn for winning first prize at the state fair for the things she made for her own room, and Ernestine Fruits for being best reporter when she was in a club at Jaynes.

I went, as a reporter for reporting all the news from the club during the last month.

All the reporters, guests and leaders from other schools met at King's cafeteria.

Mr. Mark Finley from the Citizen talked to us about how to send the best stories in for the paper. We are to remember every time we are going to write to us five "W's" they are: Who, Why, What, When and Where.

After Mr. Finley talked to us we had our lunch and we had whatever we wished, we were very much pleased with what we had to eat.

About two o'clock we went to the Citizen office where we saw how the papers were made. Mr. Finley went with us telling us how everything worked. We saw the machinery where the newspapers are made, the machinery is worth about \$40,000 to \$50,000.

After we looked at everything Mr. Finley gave each of us a newspaper that we saw made. All of us were much pleased with all this. About two-thirty we were home again.

Arivaca Boosters

By Boyd Toney.

The boys of our 4-H Boosters club at Arivaca held their regular meeting on Friday, November 19. We went through a series of stunts and finished our health ratings.

We held no business meeting, but Raul Montano, our secretary, called the roll. Every member was present. We then finished our health ratings and were pleased to find the ratings very good. They are as follows: Sam Kennedy, 89; Ernest Acevedo, 84; Jose Arcoverde, 89; Raul Acevedo, 92; Mauro Gonzales, 87; Jesus Pina, 89; Raul Montano, 92; Ignacio Pineda, 94; Benjamin Monarque, 84; William Kennedy, 83; Richard Galvez, 86; Armando Membrilla, 89; Billie Ybarra, 85; and Boyd Toney, 89. The rating for Ernest Monarque is not quite finished yet.

The stunts were lots of fun, and included such things as frog-dance, mule-kick, bear-dance, and dog-run.

Cortaro News Notes

By Ernestine Fruits

Mrs. Miriam Pearson, leader of the Cortaro Juniors branch of the 4-H clubs with Victoria Colopez, club reporter, Ernestine Fruits, former reporter of the Jaynes Jolly Juniors and Mary Welborn, prize winner at the state fair attended the luncheon, Saturday, November 21, given at the King's cafeteria by the Tucson Daily Citizen for the 4-H club reporters and leaders. Mr. Mark Finley of the Citizen presented a slug to each one for a souvenir and also gave us a delightful talk. After the luncheon the reporters went to the Citizen and Mr. Finley showed us through the building. It was very interesting, and I'm sure every one enjoyed it immensely.

Mr. and Mrs. D. B. Mauldin of Sahuarita were the dinner guests of their daughter, Mrs. Earl Smith of Cortaro, Thursday, November 26.

The Cortaro school gave a delightful Thanksgiving program Wednesday, November 25.

The program was as follows:

Three drillsThe Primary Group
Three songsThe School

A one-act play, "The First Thanksgiving"The Upper Grades

Mr. and Mrs. George Hanna and family, and Miss Walker, the home economics teacher of Marana, were dinner guests of Mr. and Mrs. E. E.

Fruits of Cortaro. Mr. and Mrs. Emil Pearson were the dinner guests of Mr. and Mrs. Joe Gaulky of Cortaro.

Kaiser, a thoroughbred Police dog owned by Robert Fruits was shot and killed while defending the Turkey yard against thieves.

Mrs. H. H. Alexander who underwent a severe operation is doing nicely at Saint Mary's hospital.

* *

THE SUNNYSIDE SUNSHINERS By FRANCES WATKINS

The primary room is having a party each month to celebrate the children's birthdays. If a child has a birthday in that month, he or she has to bring cake or cookies. Lorene and Janet served for the last party. Mary Welch, Annie Moore, Marjory Latham, Paula Harwood, Daisy Latham, Frances Watkins and Margaret Weber helped with the dishes.

The Sunnyside Sunshiners are inviting the 4-H clubs from all of the rural schools to visit our school on January 26, 1932.

The Parent-Teacher association meeting was held at the school house Wednesday, November 26. Mrs. LeRoy Shantz, wife of the president of the University of Arizona, gave an interesting talk to a large gathering of mothers and fathers.

4-H CLUBS

Activities of the 4-H clubs include the training of the Head, Heart, Hand and Health, and are under the supervision of Miss Evalyn A. Bentley, Home Demonstration Agent for the Agricultural Extension Service of the University of Arizona.

EMPIRE MERRY MAKERS

By Lena C. Buck

A BIT OF WINTER

A moonlit, starlit night, a bit of wind, a few drops of rain; a morning showing a world white with snow.

A short drive to a schoolhouse cold and dreary after a four day holiday.

Two children and one teacher braving the storm only to find that they alone were able to arrive.

A school bus snowed in and unable to make it through. Two "horsebackers" afraid to venture out in the storm.

Like the boy, who when told to write a story about a football game, wrote, "Rain; no game", my story would be, "Storm; no school, Monday, November 30".

ALICE IN NEWSPAPER LAND

By Eva E. Ferra and Lena C. Buck
Alice in Wonderland had no more adventures and thrills than we had when we attended the "Citizen Publicity" luncheon in Tucson last Saturday.

At 11 o'clock we met at King's Cafeteria for lunch. Mr. Mark Finley of the Citizen staff gave a short talk on how we could improve our publicity items. He gave each one of us a "slug" with Tucson Daily Citizen on it for a souvenir.

After lunch we went to the Citizen building, where we saw how the papers were made. Each 4-H club member was given a paper which had just come off the press. We surely enjoyed it.

After we had left town and were about half way to the Vail Junction, we saw a car burning beside the road.

About fifteen miles from home we ran into a snow storm. The wind blew hard and the road was slippery. We were glad to get safely home after an exciting day.

SOPORI WILLING WORKERS

By Teresa Cordova

A Thanksgiving party was enjoyed at Sopor school Wednesday afternoon, Nov. 25, 1931.

The little children began the party with a Thanksgiving prayer. They sang two songs, "Wash Our Hands" by the girls and "Three Cups of Milk", the boys in the chorus.

A puppet play, "Dinner in the Garden", was given by Manuel Villa, John Ott, Filia Vasques, Tom Bustamante, and Manuel Moreno.

The older children read a play, "The First Thanksgiving". Those taking part in the play were as follows: Rita Oros, Isabel Vega, Manuel Nunez, Arthur Armenta, Adelia Bustamante, Ramon Moreno, Joe Vargas, Josephine Jackson, Albert Finley, Ruth Oros, Manuel Lopez, and Cosmen Lopez.

Mrs. E. Urquides, our teacher, then showed us some raw cranberries and some cranberry sauce. Only six of us had ever seen cranberries before.

We played two games, a cranberry race and a pumpkin seed game. Those who won were Jessie Figueroa and Consuelo Cordova.

We sang some songs for our guests, because they said we sang so nicely.

We had for our refreshments hot Punch, Pilgrim cookies, and apples. The little children made paper plates and place cards for the party.

Just as we were getting ready for our party, Miss Evalyn A. Bentley came. Miss Margaret Clossen from Tucson was also a visitor. They stayed and enjoyed the party with us.

Monday morning Las Guilas Mine had about two inches of snow. It was the first snow of the season.

ARIVACA BOOSTERS

By Boyd Toney

Miss Bentley was out to see the boys and girls at the Arivaca Boosters 4-H club and informed us that on the 19th of December all of the 4-H clubs would hold a pleasure meeting in Tucson.

We held no meeting last week because of the Thanksgiving holidays. The small children of Arivaca gave a play, singing, speaking pieces and telling stories.

Paul Montano adds:

The members of the Arivaca Boosters 4-H Health club, which includes boys over ten years old, are expecting to play Ruby school some time this year. Two of our players, Joe Membrilla and Luis Aguilar, have gone to other towns so we don't expect to get better scores.

The Arivaca school held a Thanksgiving program. Mrs. Farrell, the third, fourth and sixth grades teacher, told us what Thanksgiving meant. We had a vacation of four days. Last Friday we didn't have any meeting on account of the Thanksgiving holiday.

Miss Bentley came to see the members of the girls' club and the boys' club.

CORTARO JUNIORS

By Fidella Colorez

Mrs. Constance Smith came to visit the boys and girls of Cortaro Monday. She showed them some moving pictures about taking care of your teeth, the making of soap, and pictures showing wild animals and a trip to Candyland.

The school nurse wants to have everybody who has not had diphtheria serum, to have it. All those who did not have it last year can have it this year.

We have not gotten far in our sewing this year. The first year girls are working on their stocking darns, the second year girls are working on a patch, the third year girls, Victoria Colorez and Beatriz Cordova, have finished their patches and are working on a buttonhole. Panchita Cardenaz and Fidella Colorez, who are in the Girls Own Room club, are embroidering a set for their rooms, a bedspread, pillow cases, curtains, and a dresser scarf.

PANTANO

By Mary F. Foster

Miss Mary Maroney, our Pima County school nurse, visited our school Monday, Nov. 30, 1931, and found everyone in good health. She said that we were so healthy that we should try and become 100 per cent and also start a Health Crusade. She brought us the posters that go with the Health Crusade and American Junior Red Cross. Both rooms belong to the Red Cross. The following names are on the American Junior Red Cross membership roll: Mary Frances Foster, Frank Bejarano, Mary Bejarano, Mary Louise Echols, Allan Harrison, Cruz, Bernal, Harold Pennington, Lucy May Echols and Rebecca Bejarano.

The Pantano school had a vacation from Wednesday, Nov. 25, till the morning of November 30, 1931, which all the children enjoyed.

Mary Nicoloza Bejarano writes:

Ector Bejarano and Manuel Garcia two of the boys from Mr. Bateman's room, went with Mrs. Foster into Tucson to have their eyes examined.

We are all sorry to know that Mr. Haro's little baby died last Friday, Nov. 27. His name was Vernardo Haro and he was three months old. He was buried Saturday, Nov. 28, four miles from Vail.

At our last meeting a motion was made by Lucy May Echols that the 4-H club members start working on Christmas presents after they finish with their garment patch.

We also spent some time with yells led by our yell leader, Mary Louise Echols.

On Wednesday, Nov. 25, we had our Thanksgiving party and had our pictures taken in Pilgrim costumes.

Last Monday we had two new pupils, Allan Harrison and Ramon Olivas.

4-H CLUBS

A VAIL VISITOR SHOULD BOYS SEW

By Vail Villagers

Elsie Hood: "Miss Evelyn A. Bentley visited us November 18. She told us to always make our work a little better tomorrow than we did today. "Try to beat yourself." She told us about some plans of the 4-H clubs, the luncheon that the Daily Citizen had planned for the 4-H writers and a picnic for all the Pima county club members to be given soon.

We are all very interested in our Christmas program which we have begun practicing. Our play is 'The Light in the Window.'

Rita Wagner: Wednesday we had a debate: Resolved, that boys should take a course in sewing and cooking. On the affirmative were Elsie Hood and Betty Woolsey; on the negative were George Genung and Jim Woolsey.

The judges were Mrs. H. E. Williams, Miss Lottie Trotter, and Rita Wakner. The debaters had very good points. The rebuttal was especially good. The negative won.

Friday we practiced baseball with the Pantano 4-H club girls. We all enjoyed the game very much. After Christmas we are going to play the Pantano girls a real game. We are going to practice hard so that our score may be nearer their score.

SAHUARITA 4-H CLUB

By Alice Armenta, 7-B

We did not have a club meeting last week because we had four days holiday. We had a nice Thanksgiving program on Wednesday afternoon. Miss Bentley came out Monday to see us.

Emelia Curtis, 6-B, writes:

Friday Emelia Curtis and her mother went to Nogales. Saturday Ruth Rich and Emelia Curtis went to Tucson to do their shopping. They noticed that the stores had all their Christmas goods out.

Andrea Felix, 9-B, adds:

We enjoyed our Thanksgiving dinner very much. We had many American dishes that we had never eaten before. We had a very old lady for our guest. She told us many interesting stories about her experiences in Nicaragua. While she was telling us stories we toasted some pumpkin seeds and then

spread molasses on them. They were very good.

We are starting to learn our Christmas carols and songs as we are going to give our Christmas program on the 22nd.

SUNNYSIDE SUNSHINERS

By Frances Watkins

Paula Harwood is selected to be reporter next month because he made the best English grades in 8th grade.

Mary Welch sold a Red Cross membership to Miss Evalyn A. Bentley. The rooms are seeing which can get the most money. Each room must have fifty cents to join the Red Cross.

The meeting on Thursday afternoon, December 3, was called to order by Mary Welch and Marjorie Latham told about the last luncheon in Tucson and then we sang club songs.

Mary F. Gallego made a handkerchief for Miss Evalyn A. Bentley. She is making some for Mrs. R. J. Siedenstricker and also making some for the club members.

4-H CLUBS

4-H CLUB WORK AT CORONADO By Beatrice Cordova

Each girl of the 4-H club is to do a report so I will tell what we are all doing in our club work.

Enriqueta Montijo, Dolores Coronado, Ramona Gallardo, Manuela Gallardo, first year girls, are doing dish towels now. The second year girls, Suzanna Cordova, Amelia Cordova, Anita Coronado, and Lorensita Amarillos are making patches and garment darns. The third year girls, Victoria Colorez and myself, are trying to make good buttonholes.

Fidella Colorez is the only girl doing fourth year work and she is embroidering a bed spread for her room.

On Friday, December 4, we had a meeting. We met to sew at 1 o'clock and sewed until 3 o'clock. At 3 we opened a business meeting by singing "Smile Awhile." In the meeting we elected Dolores Coronado president, because Panchita Cardenas has not yet started her club work on account of having to go to the doctor every week. (We hope Panchita can soon come.)

After we finished our business meeting we had a little cooking lesson. We cooked cocoa and served it to each other with cookies.

PANTANO STITCH IN TIME

By Mary Bijarano

Last Friday the Pantano 4-H club members went to Vail to play baseball as the Vail Garment Making club also has a team. The score was Vail 16, Pantano 34.

At our Christmas program the club members will sing "Silent Night." Our school will have two plays, one is "Santa Claus Junior Substitute."

Those taking part are:

Mr. Santa Claus Adelfina Bijarand
Mrs. Santa Claus Cleotilde Anduaga
Santa Claus Junior Mary L. Echols
Aurora Santa Claus, the daughter
..... Mary Bijarand
Brownie Frank Bijarand

Crystal, Santa Claus baby

..... Victoria Rojas
Mr. Beecher Sofia Bernal
Miss Primrose Nellie Gastelum
John Stocker Amando Bejarand

The name of the other play is:
"The Christmas Stocking."

The characters are:

Mother Sewell Lucy M. Echols
Father Sewell Armando Bijarand
Prudence Mary Francis Foster
Paul Herald Pennington
Indian Messengers
Indian Messengers Ector Bijarand,
Manuel Garcia, Arturo Corrales

Vail Villagers

CHRISTMAS IS COMING

By Elsie Hood

A Vail Villager

We have made Christmas trees, wreaths, and fireplaces with bright fires in them for Christmas borders. For window decorations we made red poinsettias in silver pots.

Every day we practice our Christmas play, "The Light in the Window." Betty Woolsey is the leading character. Robert Wagner made a little cradle to be used in the play. We also practice "Miss Christmas Acquitted." Elsie Hood is Miss Merry Christmas.

Jim Woolsey had to go home Thursday because he was sick.

SUNNYSIDE SUNSHINERS

By Paula Harwood

I was elected 4-H club reporter for this month and was very glad to have the opportunity.

Last Friday the Amphitheater girls came to Sunnyside and played our ball team. It was a very exciting game. The score was 28 to 34 in favor of Sunnyside.

We are getting Junior Red Cross memberships and have a total of \$6.09. The girls who have sold subscriptions are: Helen Watson, Lilly Lopez, Marjorie Latham, Annie Runle Moore, Mary Gallego, Mary Welch, Mary Carranga, Mamie Propatie.

Citizen 12/19/31

4-H CLUBS

These activities include the training of the Head, Heart, Hand and Health, and are under the supervision of Evalyn A. Bentley, Home Demonstration Agent for the Agricultural Extension Service of the University of Arizona.

SOPORI WILLING WORKERS

By Ruth Oros

Our Club met Friday afternoon. Roll call was taken by our secretary, Ruth Oros. All of our members were present.

Last week we lost one of our members, Edelia Chaparro. She has moved to Nogales, because of her father's death. We are very sorry and everyone will miss Edelia very much.

We are getting ready for Christmas. We are going to have a big program. Each boy and girl is going to do something. The teacher bought some gunny sacks from which we are to make rugs, cushions and other things for Christmas gifts. The larger girls washed them. They are going to dye them, too. They will be very nice gifts when they are finished.

We have a new boy in our school. He entered Monday. His name is Ralph Lopez, he is Cosmen Lopez's brother.

Tuesday all the children drew a name. They will get, or make, a Christmas present for the person whose name they drew. Everyone will have a Christmas present then.

We are weighed every month and we found yesterday when our teacher weighed us that we have all gained from two to five pounds.

SOPORI SCHOOL NEWS

By 4-H Club Members

Miss Evalyn Bentley visited us again December 15. She invited the 4-H members to the movies, at the Fox theater, Saturday at 2 o'clock. We will take our lunch from home and eat in the Tucson Gas and Electric Light company's hall. The members who will go will meet club members of other districts. Only a few will be able to go because it is hard to get transportation.

Miss Bentley brought us some cooking books, our teacher gave one to each family. The recipe books have some good things and we want to learn to cook.

We are working on our Christmas program which we will have Wednesday, the 23rd of December, at 10 a. m. We hope to have many visitors at our program. Many of the parents and friends are coming.

We are bringing our Christmas presents to school this week, so that each child will have a present.

Our teacher brought us some gunny sacks which the older girls washed. We put them to boil and soak over night. We then dyed them with Diamond Dye. Some are blue and some are orange color. We are making the gunny sacks into laundry bags, rugs and cushions. Our teacher also brought us some yarn which we used to embroider the word, "Laundry" on the bags.

MOVIE COMES TO SOPORI

By Isabel Vega

This afternoon Mrs. Constance Smith and Mr. Fitzgerald brought the movie machine to Sopor. They showed us four films. One was about "Teeth," another, "Oranges"; another "Santa Claus" and "Tony, the Bear Cub". They were all very much enjoyed by the children.

JUNIORS OF CORTARO

By Anita Coronado

On Tuesday morning when Jack Fruits came and gave us a note saying Miss Bentley had telephoned, we were very happy to hear that this club was going to get the silver cup for being the best club in Pima county last year. We are going to work very hard to see if we can keep it next year.

Miss Bentley came out last Friday. She came out to show us the pictures of places she had seen on her trip to Europe. She showed us different castles, churches, other beautiful buildings, rivers with boats on them, and high mountains snow-topped. We enjoyed them very much.

Now we are practicing our parts for the Christmas program. The little children and the big children all have some parts to say, some songs to sing, or some dances to do.

On Saturday, Dec. 19, all the 4-H clubs in the whole county are going to go to the picture show. We are going to take lunch. After we get our lunch, Mr. Finley, of the Tucson Citizen, is going to take us to the picture show.

EMPIRE MERBY MAKERS

By Lena C. Buck

Today we opened a can of pineapple and each had a taste of it. Some of the children didn't know what it was. After we had eaten it,

we read about it and learned that pineapples are grown in tropical countries. They grow in the Hawaiian Islands, the Philippine Islands, the West Indies and in southern North America.

A pineapple looks like a pine cone, that is where it got its name.

Pineapples are hard to handle because of the sticker-like needles on them. The men who handle them wear heavy gloves and leggings. We looked through the Telebinocular (stereoscope) and saw how pineapples were harvested in Florida.

Next week we are going to read about cranberries and have some cranberry sauce to taste.

Club Notes

This week in our Garment Making project, we are going to start working on our caps and aprons.

We have darned some stockings and we have put on a few stockinet patches. We mended stockings for some of the little children who didn't have any. The stockings were given to us and we were glad to be able to use them.

SUNNYSIDE SUNSHINERS

By Paula Harwood

All of the 4-H girls are invited to a party and picture show on Saturday, Dec. 19. The theater party is the Christmas gift of Mr. Citizen (that is what we call the Tucson Citizen). The party is for all of the 4-H Club members in Pima county. Mr. Marcus Lathem, the school bus driver, is going to take us to Tucson and we are going to have a lot of fun.

The Sunnyside P.T.A. is giving a luncheon for the Pima County Council in the auditorium of our school house on Jan. 6, 1932. The members of our 4-H club will wear their 4-H club white aprons and caps and have charge of the serving and dishwashing.

ARIVACA GARMENT CLUB

By June Phyllis Hubbell

The Arivaca Sewing club could not sew last week, because of preparations for a program. The first year club members are making tea towels after having darned stockings. The second year members are making princess slips after having mended and altered dresses. The next assignment for the first year club members will be making a dress.

The whole club is going to give a Christmas program. They have started practicing.

ARIVACA HEALTH CLUB

By Ernest Monarque

In the 4-H Health club we talk about health and about our teeth. We have also been talking about washing our feet and our bodies. We have practiced jumping and a good many things.

SOPORI SCHOOL IN HOLIDAY PROGRAM

Star — 12/27/31

A Christmas program was given at the Soporí school, Wednesday morning at 9:45 o'clock.

Visitors from Tucson were Mrs. C. F. Smith, Miss Helen Benedict and Miss Grace Angulo, Mrs. Joseph Wagner, sr., and Mr. and Mrs. Joseph Wagner, jr. The Misses Artemisa and Alice Cubillas of Sonora, Mexico, who are visitors at the Santa Lucia ranch also attended the program which was as follows:

Opening address, Mrs. E. Urquides, principal of Soporí school; "Sleigh Bells" with Santa and reindeers, a pantomime, by primary grades and rhythmic orchestra; "How Christmas Began" a story by Conrado Cordova; "Luther's Cradle Hymn" with horse shoe chimes; "The Folks Santa Claus Forgot" a playlet by Manuel Villa, the cat; Manuel Moreno, the mouse; Conrado Cordova, the dog; Rita Nunez, the lamb; Charles Jackson, the bird; Lillia Vasquez, the squirrel; Consuelo Cordova, the Christmas fairy; Christmas greeting, Johnnie Angulo; "Christmas Bells," sung by second grade pupils; "Round and Round the Christmas Tree," John Ott and Octavio Vasquez; New Year's greeting, John Valenzuela; "Christmas Time," song by upper grade girls; Christmas thought recitation by Adella Bustamante and Louis Badilla; "The Lost Rabbit," a play by Manuel Nunez, the pine tree; Manuel Oros, the lost rabbit; Albertina Bustamante, the winter-green; Jessie Figueroa, Lupe Garcia, Josephine Jackson, Adella Bustamante, Ramona Garcia, Snow Vasquez, Rita Nunez, Adelina Rodriguez, Opelia Montano, Consuelo Cordova and Erlinda Badilla, girls; Christmas recitation, by Arnold Valenzuela, Joe Vargas and Arthur Armenta; "Christmas Message," a song by all the pupils; "The Story of the Month" Teresa Cordova, Ruth and Rita Oros; "Long, Long Ago," a verse, by Frank Figuero; "The First Noel" song by all; Greeting to Santa Claus by Ramon Nunez.

At the close of the program the trustees requested Mrs. Urquides to sing and she responded with two numbers.

One of the larger boys, Arnold Valenzuela, played Santa Claus and gave out the presents and treat.

VAIL VILLAGERS CHRISTMAS PARTY

Star — 12/27/31

The Christmas party that was held at Vail by the Vail Villagers Tuesday night was attended by about 200 people. Many Christmas carols were sung. Acting as "master of ceremonies" was James Johnson, who announced each part of the following program:

Song, "The Birthday of a King," Miss Lottie Trotter, accompanied by Miss Esta Trotter; two plays, "The Light in the Window" and "Miss Christmas Acquitted;" two piano solos by Betty Woolsey and George Genung.

Santa Claus, Ted Livesley, distributed the presents and the stockings filled with nuts and candy to all of the children. These stockings were made and filled by the girls of the 4-H club.

Last week Miss Evalyn A. Bentley visited Vail and showed the girls some clever Christmas presents that could be made. One was a doll that had a wooden spoon for a face, a dish mop for hair, a dish cloth for a dress, a dust cloth for a cloak and a pot scraper for an apron. Attached to the doll was a poem telling what each part of the doll was to be used for.

The members also made pot holders for their mothers. These were chickens made out of black checked gingham with red combs, and buttons for eyes.

MOUNTAIN SCHOOL TO FETE HOLIDAY

Star — 12/23/31

EMPIRE SCHOOLHOUSE, Ariz., Dec. 22.—(Special to The Arizona Daily Star)—This little school, which nestles close to the spire-like snow-covered peaks of the Santa Rita mountains, will observe Christmas tomorrow with a program at 2 o'clock in the afternoon.

The students of the school will have as their guests Miss Evalyn A. Bentley, Pima county home demonstration agent, and interested people of this region. The program will be presented by the Empire 4-H club. Mrs. Agnes L. Krents is director.

4-H CLUBS IN CITY SATURDAY

Star — 12/22/31 —
Luncheon And Theatre Party
Planned For Entertainment
Of Members

Saturday was a great day for Pima county 4-H club members. One hundred thirty-five club members from 10 communities were invited, although not all could reach Tucson, due to distance and lack of transportation.

The lunch time period was spent in the home service rooms of the Tucson Gas and Electric company. The use of the rooms and cooking equipment were the Christmas present of the utility company to the 4-H club members and leaders. H. R. Baker, state club specialist; Miss Frances L. Brown, state home demonstration agent, and Miss Evalyn A. Bentley, home demonstration agent for Pima county, were responsible for the lunch, club members and leaders assisting in the preparation and serving.

After lunch, the Jaynes Jolly Juniors, who won the county championship and held the silver cup as a trophy for three years, thereby winning possession, decided to remain the guardians of the cup, but to return it for further contest. According to the decision of the judges the cup was presented to the progressive juniors of Cortaro for the best all-around club work for the year 1931. Louise Thomas, past president of the Jaynes Jolly Juniors, presented the cup which was received by Mary Welborn, president of the Cortaro 4-H club.

Members, leaders and extension workers expressed their ideas in short speeches about the factors necessary to make a successful club. Good business meetings, careful work, records, well-written stories and regular publicity, lively singing and vigorous yells were given as essentials of good club work, as well as cooperation of parents and the interest of the community as a whole.

In the afternoon the members were entertained with a theatre party at the Fox theatre.

Among those present were: Cortaro—Mary Welborn, Victoria Colorez, Rosa Martinez, Fidelia Colorez, Panchita Cardinas, Amelia Cordova, Enriquita Montijo, Ramona Gallardo, Manuela Gallardo, Beatrice Cordova and Mrs. Miriam Pearson. Empire—Lydia Young, Angelita Young, Annita Young, Lena C. Buck and Mrs. Agnes L. Krentz. Vail—Gladys Schmitt, Betty Woolsey and Esta Trotter. Sunnyside—Mary Welch, Marporie E. Latham, Mamie Propati, Mary Carranza, Margaret E. Weber, Paula Harwood, Lilly Lopez, Marjorie Perrine, Zola F. Watkins, Amelia Vasquez, Annie Runie Moore, Sue Welch and Mrs. Kathleen Perry. Jaynes—Frances White, Thelma White, Margie Stegmeyer, Ernestine Fruits, Louise Thomas, Rosemary Thomas, Ellen Ross, Jean Ross, Mrs. E. E. Ross. Pantano—Frances Anduaga, Cleotilde Anduaga, Nellie M. Gstelum, Mary F. Foster, Sofia Bernal, Lucy May Echols, Mary Louise Echols and Mrs. Florence Bateman. San Xavier—Alice Burruell, Alice Ortez, Marsina Domingo, Edith Ortiz, Helen Pancho, Agnes Catherine Rios, Lupa Mamake, Lena Velaneya and Mrs. Dolores Rios. Arivaca—June Hubbell and Mrs. Hubbell. Miss Blanche Morrison and Miss Margaret Closson. Howard R. Baker, Miss Frances L. Brown, Miss Evalyn A. Bentley, Mr. and Mrs. C. G. Bethurum and Fark Finley.

Citizen 1/2/32

4-H CLUBS

These activities include the training of the Head, Heart, Hand and Health, and are under the supervision of Miss Evalyn A. Bentley, Home Demonstration Agent for the Agricultural Extension Service of the University of Arizona.

What is Farm Boys' and Girls' 4-H Club Work?

This is an educational enterprise directed by the United States department of Agriculture through the State Agricultural college and the county cooperating, and is a part of the Extension Service program.

The purpose of the 4-H club work is to teach better methods of farming and home-making. It is designed to teach through actual doing and includes the finer things of rural life as well as the development of public spirit among its members.

The club age is from 10 to 20 and membership is voluntary, leaders are also volunteers who give their services freely because of interest in the movement which has an enrollment of approximately 850,000 boys and girls in the United States.

The work includes those projects which will in some way improve the prosperity, efficiency and happiness of the farm and home.

The club emblem is the four leaf clover with an H inscribed on each leaf—these signify the equal development of the head, the hand, the heart, the heart and the health of each club member.

The 4-H club pledge is:

I Pledge

My head to clearer thinking,
My heart to greater loyalty,
My hand to larger service and
My health to better living for my club, my community and my country.

Empire Merry Makers News

(By the Reporters)

We have a new girl in our club, her name is Socorro Saign. She is fifteen years old and is in the sixth grade. She lives at the Empire ranch and rides to school on her horse.

A Brief Life Story of a Pima County

Club Member, by Eva Ferra

I was born at Pantano, Pima county, Arizona, October 23, 1917. I was one year old when my mother died. Since that time I have been living with my grandfather and grandmother.

I was six years old when I started to go to school. Now I am fourteen years old and I am in the eighth grade.

I have attended the Empire school every year and I have ridden horse-back every day from the Empire ranch four miles away. The only time I miss school is when it is too stormy to travel.

This year, my cousin, Felipe Gamez, who is seven years old and in the first grade, rides to school with me.

Riding a horse seems to be good for me because I have gained twelve pounds since school started in September.

I am the secretary of our 4-H club, the Empire Merry Makers.

A Dog Who Goes to School

(By Lena Claude Buck)

Eva has a great big dog.
His coat is the prettiest yellow,
And everywhere that Eva goes?

The dog is sure to follow.

We have a dog which comes to school every day. He is nine years old and has been coming to school eight years. He belongs to Eva Ferra.

His name is Valiant, which means brave. He never disturbs the children by coming in the house or by barking. He can shake hands and he knows enough to get in the shade when it is hot and to go in the shop when it storms.

4-H Club Members Write of Events of This Past Week

Star 1/24/32

The following activities, told of by members of 4-H clubs in Pima county, have been occupying the clubbers during this past week. In explaining the 4-H club movement Miss Evalyn A. Bentley, county home demonstration agent, said that Head, Heart, Hand and Health were the four capital H's.

This work is furthered through the agricultural extension office of the University of Arizona. The contributions follow:

What I Learn in 4-H Club By Dolores Coronado

I learned to darn little holes in stockings and patch the big holes. I am hemming an apron and a cap. In doing everything by hand, you must hem with little stitches. I made two dish towels out of flour sack, I embroidered them, and some of the girls are embroidering theirs too. We are hurrying to finish the first year's work so as to get started on the second year's work.

Empire Merry Makers

By Lena C. Buck and Eva Ferris
Last Saturday, Miss Mabelgene Millet, the teacher at Greaterville, bought a Chevrolet coupe and drove it out from Tucson Sunday afternoon.

Last week we dressed some dolls in colored crepe paper. We dressed them like the ladies in olden times, so we call them Old Fashioned Ladies.

This week we are going to learn the song, "Lead Kindly Light". The author is Cardinal John Henry Newman (1801-1890). The music was written by B. D. Dykes. Cardinal Newman is famous for this

beautiful hymn, one of the treasures loved by all denominations of worshipers.

Mr. and Mrs. C. R. Nally of Oakland Ranch, had the following dinner guests on Sunday: Mr. and Mrs. Frank Dawson and son, Jack; Jack Hyink, Al Stepler, J. W. Watzie, Jr., Norma Halls and Miss Margaret Nally who attends the University of Arizona.

Arivaca Garment Making 4-H Club By Martha Membrilla

Last week we did not sew on our regular day because Mr. Fitzgerald came and gave us the Stanford Achievement tests. We have been mending our clothes and ironing them.

Before this week ended Miss Bentley came to visit us. She talked about Washington's birthday, so we would remember him. She also talked about what rewards would be given at the end of the year to the clubs that did the best work and worked the hardest. She told us about the Sunnyside 4-H Country club party to be held later. On the first Saturday of February, March, April, May and June she said we would hear a good program on the radio between 10:30 and 11:30 o'clock, the National Broadcast of the 4-H Music Appreciation the United States Marine band program from Washington, D. C., playing the musical selections.

Pantano Stitch-in-Time 4-H Club By Mary C. Bejarano

All of our wood was taken from our school house during the weekend. We don't know who took it.

and they also broke in the school house and took Ector Bejarano's glasses and some pencils.

Tuesday, January 19, Miss Mary Maroney came out to see how many pupils were to be vaccinated for smallpox and diphtheria.

Miss Evalyn A. Bentley was here also. She came out to see how we were getting along in our work and to tell us about the fair.

In our meeting, Wednesday, January 20, we looked at some 4-H club supplies that Mary Louise Echols brought from her home.

We liked them but we didn't have

time to select any, but we expect to do so later.

4-H CLUBS

PANTANO STITCH-IN-TIME

(By Mary Louise Echols, Mary Bejarano, and Mary F. Foster).

Mr. Smith, the school superintendent, came to our school, Thursday, January 7. She brought our achievement tests. After our tests Mrs. Smith gave us a treat—a real movie. She didn't have time for all, but gave us four. They were "Books," "Silkworms," "Rubber" and "Tony." I liked the "Books" best. It showed how a little Egyptian boy made a book. He would go down to the water and get some clay. He would mold it into a shape similar to our books. Then he would get a stick and write on the clay. When it had stayed on the bank in the sun for a while, it turned hard and was a very crude book.

One little boy thought very queerly about the way our books were made. He thought there was a desk on the sidewalk with paper stacked up on it. Then a man would take a certain amount of paper from the stacks and drop it in a box. In three minutes books would come out at the bottom.

When, he actually saw the press, he ran right up the steps and went in. The people were very willing to show him the factory.

The books were sewed with the very strongest of thread. They were pressed, trimmed, backs put on, and last set aside to dry. The movie showed how you should open your books, and how you shouldn't.

At our business meeting on January 13, we decided not to have a program this month, and have two next month. We will have a Valen-

tine play and also a Washington and Lincoln program.

In the movie "Silkworms," first of all we saw a branch with a spider web, or so it looked to me. The cocoon started to spin the silk. It takes about ten days to finish spinning the cocoon. Then it showed the moth coming out of the cocoon, and the girls picking the cocoons and unwinding the silk off of them. They were put in a tub of water so that the silk would not break. As the girls unwound it, others wound it on looms. We saw the silk being woven together to make the thread. It takes three threads wound together to make a thread the size we use.

SAHUARITA

By Mary Delgado, 5th Grade

Perhaps the most interesting event of this week to the children at Sahuarita, is the hot lunch each receives every day. The teacher started this activity on Monday, January 4. Each day two of the older girls are taken from their room just before noon to help in preparing and serving the food to the children.

At noon on Monday, January 11, we had our first tooth brush drill. I think the children liked it very much.

Next Friday, the girls in the 4-H club are going to start working on a quilt.

Last Sunday, Emilia and Raymond Curtis, whose father is on the school board of Sahuarita, went to Nogales on a visit.

salute the flag and sing the first verse of Arizona at each meeting, and also decided that we would try to learn one of the songs that we should know in "A Cumulative Permanent Folk and National Song List for the Elementary Grades," that Mrs. Krentz our leader, brought out. Besides, learning the song we are going to learn something about the composer.

The committee which is to decide what song we shall sing and to look up the life of the composer, includes Lydia Yung, Lucy Amarillas and Eva Ferra.

This week we are going to learn "Flow Gently Sweet Afton." Robert Burns wrote the words and J. M. Spilman wrote the music.

Lydia Young, who finished the eighth grade last year, has decided to join the 4-H club. We are very glad to have Lydia as a member.

STORY OF MY LIFE

By Robert Amarillas

I was born at Rincon, Pima county, Arizona, December 19, 1917. I was five years old when my father died. I started to school in Tucson when I was seven years old. I was in the third grade when I first came to the Empire school. Now I am in the sixth grade. I have attended Empire school since 1927.

I come to school in the bus, from Rosemont, seven and one-half miles away.

This year I was elected president of the Empire Merry Makers, 4-H club. I am the only boy in this club.

I have learned to use a thimble and to thread a needles. I can darn stockings and I am learning to put on a stockinet patch.

I have learned to use my hands by carrying in wood for the fire, and to empty the water into the water cooler.

4-H CLUBS

By Mary N. Bejarano 12/32

In our meeting a motion was made by Mary F. Foster and seconded by Gertrude Bejarano, that we reorganize our baseball team. We did so and our team is now as follows:

Pitcher, Gertrude Bejarano,
Catcher, Francis Anduaga.
First Baseman, Adelmna Bejarano.
Second Baseman, Mary N. Bejarano.

Third Baseman, Cleotilde Anduaga.
Right Fielder, Lucy May Echols.
Left Fielder, Nellie Gastelum and Mary L. Echols.

Center Fielder, Sofia Bernal.

Short Stop, Mary Frances Foster.

Wednesday all the children that came on the bus were late on account of the motor bus being frozen. Some of the parents brought the children to school just a few minutes after 10 o'clock.

A HISTORY OF PROGRESSIVE JUNIORS 4-H CLUB, CORTARO

By Victoria Colorez, Age 15

We started our club in the year of 1927. We members that started with the club were Fanchita Cardenaz, Fidella Colorez, Mary Welborn, Constance Worcester, Irene Massingale Beatrice Cordova and myself. And not only girls did sewing but the boys did it too. The boys were Pedro Martinez, Victor Alexander, Jack Welborn, Charles Massingale, Jack Fruits, Felissardo Caranza and Ector Caranza.

Part of the time we had sewing and part of the time we cooked. We did camp cooking. The leader of our club was Mrs. Margaret Blome.

In our second year of sewing we were the same members except that the boys did not sew with us. Mrs. Miriam Pearson had them in a garden club. They planted some vegetables and we had onions and lettuce for our lunch most every day from the ones they had grown. Mrs. Margaret Blome was our leader that year too.

The next year Mrs. Floy Batterton was our leader and the boys had shop work again.

The fourth year we had Mrs. Miriam Pearson as the leader. Of third year club workers there were Fanchita Cardenaz, Susie Nowell, Beatriz Cordova, Suzanna Cordova, Dolores Colorado, Mary Welborn, Bernice Macall, Anita Coronado and Amelia Cordova. That was when they won the silver cup.

That year Mr. Bethurum started coming to give the boys shop work

and he came every Friday for the last two years.

In our fifth year, as we are working now, the members are Fanchita Cardenaz, Fidella Colorez, Manuela Gallardo, Ramona Gallardo, Beatriz Cordova, Suzanna Cordova, Amelia Cordova, Enriqueta Montijo, Loresenista Amarillas, Dolores Coronado Anita Coronado, Rosa Coronado, Rosa Martinez and myself, Victoria Colorez. We are working very hard to see if we can hold the silver cup that was won last year. Jaynes had it for three years and now passed it to us and we hope to win it for three years.

4-H CLUBS

These activities include the training of the head, heart, hand and health, and are under the supervision of Evalyn A. Bentley, home demonstration agent of the agriculture extension service of the University of Arizona.

ARIVACA BOOSTERS 4-H HEALTH CLUB

By Ignacio Pineda

Last week three members of the girls 4-H club moved to Las Gujjas mine.

We decided at our last meeting to begin to practice in the group some of the physical exercises. We are going to have 10 minutes practice in the morning recess and 10 minutes practice in the afternoon recess.

SOPORI SCHOOL NEWS

By Isabel Vega

Miss Bentley visited us Thursday, January 22. She told us about the fair. She sent our president, Rita Oros, two recipes. In spite of the cold weather all of the children are in school. We have not had any bad colds this year. We are proud of our attendance record.

This week we began to work on exhibits for the Southern Arizona Fair. Two years ago we received more prizes than any other school in Pima county.

On Friday, January 15, we had our achievement tests. In the afternoon we had some movies. Mr. Fitzgerald and his assistant brought them to us. We saw scenes from Alaska, and also "Life in the Yellowstone National Park." We enjoyed these movies very, very much.

Conrado Cordova went to Tucson Saturday, January 16. Miss Maroney, our nurse, took him to get his eyes examined for glasses. He returned Monday morning.

All the underweight children are taking cod liver oil. They like to take it and they hope to get more when the supply has been used up. The children are gaining and we hope to be "W's" or up-to-average weight by the end of the term.

EMPIRE MERRY MAKERS

By Eva Ferra and Lena C. Buck

Miss Evalyn Bentley came out Monday, January 25. She brought a phonograph and played some records for us. She also showed us the silver loving cup which is presented every year to the 4-H club doing the best work in the county.

Mrs. Cora Edmonston, who came with Miss Bentley, told us some interesting things about Yellowstone national park. We especially enjoyed the stories about the bears that live in the park and about the geysers that boil up out of the ground.

Mr. and Mrs. J. W. Watzick and Mr. J. W. Watzick, Jr., were Empire school visitors last Thursday.

THE SUNNYSIDE SUNSHINERS

By Mamie Jeanne Propati, Grade 5-A

The American Legion presented a loving cup to Sunnyside school Wednesday night at the P. T. A. meeting. This cup was won for having the best county float in the Armistice Day parade. The 4-H girls feel that they had a part in it because they helped make the caps we wore.

Mrs. Kathleen Perry, our leader, is going to give a party at her home Sunday afternoon at 2 o'clock for our members.

VAIL VILLAGERS

By June R. Pettit, 6th Grade

In our 4-H club and in the shop the girls and boys are working hard to get things ready for the fair. Rita Balderama and Esther Romero are making dresses from flour sacks, and I am making a sofa pillow. George Genung is making a kitchen cabinet and Robert and Norman Wagner have almost finished a bookcase. We hope to win some of the prizes.

Miss Hazel Buente, who was our music teacher last year, surprised us with a visit Monday afternoon.

Our club is saving money for refreshments for a picnic. We have 52 cents, which is a good beginning.

We have elected Esther Romero as captain of our baseball team. We are practicing with the boys and hope to have a game with the Pantano girls.

Miss Mary Maroney and Dr. L. H. Howard came out Tuesday to give the diphtheria toxin-antitoxin. About 30 pupils took it.

Miss Maroney brought up some toothbrushes and some odium perborate to clean our teeth with. We shall try to be 100 per cent healthy.

Eula Figueroa has been absent for several days with a severe cold.

PANTANO 4-H CLUB NEWS

By Mary C. Bejarano

Tuesday, January 26, Dr. Howard and Miss Mary Maroney came out to inoculate some of the children for diphtheria. The children that attended the Pantano school were inoculated last year, just a few pupils who entered this year were inoculated. These are the ones: Mary Louise Echols, Lucy May Echols, Mercedes arcia, Arturo Corrales, Ismael Corrales, Gregoria Mungia, Ramon Olivas and Nellie Gastelum.

On Wednesday, January 27, we didn't have a regular meeting because of the work we had to do. We arranged our program for Washington's and Lincoln's birthdays and Valentine's day.

AN EXPECTED VISIT

By Mary Louise Echols

Miss Mary Maroney and Dr. L. H. Howard came to our school on Tuesday, January 26. I had been looking forward to this as I have never been inoculated before. I thought it would hurt but it didn't.

We have just been studying about how the knight becomes a knight. I thought about this and composed this poem:

"Oh, glory on the Squire
One like him, he will soon hire.
He shall be made knight tomorrow
And none of the people shall sorrow.
And a Christian he must stay
All the night he must pray.
And oh, he's clean in body and mind
And very many weak he shall find."

SCHOOLS MAKE FAIR EXHIBITS

Star — 2/14/32
**4H Club Workers Tell of Their
Activities During
Past Week**

(These activities of the 4-H clubs include the training of the head, heart, hand and health and are under the supervision of Miss Evalyn A. Bentley, home demonstration agent for the agricultural extension service of the University of Arizona.)

EMPIRE MERRY MAKERS By Lena C. Buck

Last Friday, February 5, we made souvenir recipe booklets in honor of George Washington's two-hundredth birthday anniversary. We are going to send one to each mother and each housekeeper in the district. The recipes are George Washington cream pie and a "Floating Island" that Martha Washington often served. Miss Evalyn A. Bentley sent us the recipes.

For our Washington's program we are learning songs from Washington's time; songs of Lincoln's time, and some songs of the present. Some of the songs are: "Hail Columbia," which was Washington's favorite march, and was played at his inauguration; "Yankee Doodle," which appeared during the Revolutionary War; "Washington"; "The Battle Cry of Freedom"; "Tramp, Tramp, Tramp"; "Carry Me Back to Old Virginia"; "Swing Low, Sweet Chariot"; "Keep the Home Fires Burning," and "Till We Meet Again."

We received the list of songs for the 4-H club memory contest, which Miss Bentley sent us, and we are trying to learn them.

SOPORI SCHOOL NEWS By Isabel Vega

Friday, February 5, we held our 4-H club meeting at 1 p. m. We started to work on our music contest. We are learning the composers first. Today we finished the exhibits for the Southern Arizona Fair. Some of the pupils are practicing a little program, which they will give at the rodeo. We had a good rain last night. It rained eight hours without stopping.

ARIVACA 4-H CLUB By Martha Membrilla

Last week there was a new girl in our 4-H club. She is doing the first-year club work. Lupe Silvas, who was doing the second-year club work, has moved to Los Angeles, and Jessie Jauna and Carlota Sanchez, who were going the first-year club work, moved to Las Guijas. We will miss them very much and hope they will be able to join a 4-H club where they have gone.

SUNNYSIDE SUNSHINERS

By Marjorie E. Lathari

Thursday afternoon Miss Evalyn Bentley visited the Sunnyside sewing girls and gave them each a rodeo and fair book and looked at some of their sewing.

There are a few girls doing some very good sewing for the fair, and doing it very neatly and hope to win a prize.

Some of the upper grades are making maps by hand. The maps are Asia, Europe and South America. They are doing it very neatly and hope to win a prize at the fair.

We are putting on a stunt February 22 at the fair grounds. We will compete for the loving cup to be given to the school doing the best stunt.

PANTANO 4-H CLUB NEWS

By Mary Nicoloza Bejarano

Wednesday, February 10, we did not have a regular meeting, just a work period. We practiced a Washington song that we are learning for Washington's birthday.

We decided to have our Valentine box and play this Friday, February 12, and Washington's program Friday, February 19.

Tuesday, February 9, Mrs. Thomas and Miss Bocock were out to inoculate the children for the last time, and to vaccinate for smallpox. Three of our pupils have been missing school for three days. We all are glad that their colds are better.

CORTARO PROGRESSIVE JUNIORS 4-H CLUB

By Panchita Cardenas

On Arbor Day, February 5, the primary children cleaned the school yard and the upper grades planted some cactus in our cactus garden. The children brought the cactus from their homes.

Fidelia Colorez, a former 4-H club member, is here on a short vacation from her work. She is working in Las Moras guest ranch at Fort Lowell for Mrs. Franklin Corbett. We were very sorry to lose her.

The club is going to have a Valentine party the 14th of February including the other school children.

The 4-H club girls will make the Valentine box, and also take charge of the party.

We are very glad that Miss Ernestine Fruits from Cortaro is getting along nicely. We all hope she'll get well soon. She was hurt in an automobile accident two weeks ago.

4-H CLUBS HAVE MUCH ACTIVITY

Training Of Rural Children Makes Many Items From Various Club Units

These activities include the training of the Head, Heart, Hand and Health, and are under the supervision of Miss Evalyn A. Bentley,ington.

JAYNES JOLLY JUNIORS

By 4-H Club Members
Club Notes

The Jaynes Jolly Juniors met Wednesday morning. They voted in some of the primary room as associate members. The club officers are as follows: President, Elnore Ortega; vice-president, Martin Simmonds; secretary-treasurer, Alvin Simmonds; reporter, Vicente Ortega; song leader, Emma Simmonds; yell leader, Tom Collins; pianist, Frank Watkins.

The club leader is Mrs. Sammie Burns.

Although the club organized rather late in the year, it hopes and expects to be a prize winner.

Friday afternoon the Jaynes Jolly Juniors expect to have a Washington program. They will sing patriotic songs and have other musical numbers. Mrs. Ryan's room will be invited to join.

The Laguna school is located at Jaynes Station, 7 miles from Tucson on the Casa Grande highway. It is in the center of a dairying community, with the Sunset Dairy on the north, the Cloverbar on the west, the Holstein on the south and the Shamrock on the east. Most of the children come from one of these dairies, the largest number coming from the Sunset.

The enrollment of the Laguna school averages about fifty. There are two teachers, Mrs. Sammie Burns, principal, and Mrs. Elsie Ryan, primary teacher.

School News

Mrs. Burns has returned to school after two weeks absence with the flu.

Friday the two rooms combined in a Valentine party. The fifth grade girls made the Valentine box so they were awarded the position of postmen to deliver Cupid's messages. Each room had drawn names so everyone got at least one Valentine. After the excitement of the box, a Valentine treat was served by the teachers which consisted of fancy cups of mixed Valentine candy. Games were played until the close of school and everyone enjoyed the hour of fun. Many children who had been out of school a week or more because of flu, came in just for the party.

The exhibits for the fair are completed and have been sent in. After working under the handicaps of sickness and knowing of the exhibits at such a late date, the children are proud of the work they have done.

Those who are still convalescing from the flu are Bobby and Martin Simmonds, Jane Dillon, Geneva Lee and Delorus Gerber.

Corinne Arend is suffering with a mashed finger. While she was lying in a car Sunday she caught it in the door and the doctor's report shows that the bone may be crushed.

P. T. A. News

The regular meeting of the Jaynes P. T. A. was held Wednesday night at 8 o'clock. The meeting was called to order by the vice-president, Mrs. R. R. Pool. A short program was prepared by the school. It was as follows:

Piano solo, Frank Watkins.
February Heroes, Roger Gerber, Helen Campbell, Ivy Mae Wade, Wendell Honea and Ray Honea.
Duet, Sybil Murphy and Melva Sue Tribble.

Be Like Him, Corinne Arend, Evel D. Loe and Ana Jean Wade.

After the program, in a short business meeting, the resignation of the president, Mrs. A. R. Kline, was announced.

The meeting was given to the Founder's day celebration. Mrs. Otto Myrland and Mrs. Bray of the County Council, gave interesting talks on P. T. A. work. Mrs. Myrland asked that Mrs. Harry Gerber be given the honor of the lighting of the candles on the birthday cake.

Refreshments of fruit jello, cake and coffee were served to the members and visitors.

The meeting was well attended, and the social hour after the meeting was enjoyed by all.

Community News

The next meeting of the Extension Clothing group will meet at the home of Mrs. Mabel Tharp. Miss Evalyn Bentley, the home demonstration agent, and Miss Zella Blake, state specialist in clothing, will lead the meeting. The next benefit tea will also be held at the home of Mrs. Tharp with Mrs. Elsie Arend as co-hostess.

Mr. W. A. Knapp, owner of the Sunset Dairy, has been ill with the flu, but is reported as improved.

Mrs. Simmonds and Mrs. Kline are

both confined to their beds and have for several weeks.

Mr. and Mrs. Fred Anderson have returned to Jaynes Station where they intend to spend the remainder of the winter on their ranch.

Georgene Campbell is in a critical condition in St. Mary's hospital. She was taken there Sunday and put into an oxygen tank. She is suffering from bronchial pneumonia and is not out of danger yet.

Mrs. Elsie Arend is well and about after a week of influenza.

4-H Club and School News

By Isabel Vega

Our 4-H club had a Valentine party, February 12, in the afternoon. We took a few minutes to talk about Lincoln, too, as it was his birthday. We had a Valentine box. We made Valentines the first part of the week, so everyone had a Valentine. The games we played were: A Trip to Mexico, Spin the Plate, Musical Ring and Skip Frog. We served floating island, or Martha Washington's pudding. Some of the children brought milk, others brought sugar; some of the larger girls made it in the forenoon. We had never eaten it before. We like it very much. Our teacher told us that Martha Washington liked to serve floating island when she entertained at Mt. Vernon. That is why it is called Martha Washington's pudding.

Monday evening we had a snow storm. The snow was about a foot deep at Las Guijas.

Tuesday morning Miss Bentley visited us. She said the roads were very muddy and very slippery. She brought a portable Victrola. She played the following records for us: "The Storm," from William Tell, "Minuet in G" by Beethoven, "Traumeri," by Schuman, "The Volga Boatman," "Hark, Hark, the Lark" by Shakespeare-Schubert, and "Swing Low Sweet Chariot." We enjoyed the records very, very much.

Arivaca Boosters Health Club

By Richard Galvez

On Friday, February 12, we had a Valentine party at the 4-H club meeting. The fourth grade children gave a play, and I was the postman. Boyd Toney read us a story about Lincoln. The children of all three rooms enjoyed the party. Everyone got lots of Valentines. We also expect to have a play on Friday, February 19, in order to celebrate Washington's birthday, because there will be no school Monday, February 22.

Pantano 4-H Club News

By Mary Nicolas C. Bejarano

Last Friday, February 12, we gave our Valentine play and had our Valentine box. Mrs. Frank Harrison, Mrs. Horace Pennington and Mrs. J. O. Chlarson were our guests for both the play and Valentine box. They surely enjoyed it and we did too. Everyone received lots of Valentines. Wednesday, February 17, Miss Mary Maroney was out to see how the children were getting along with their vaccinations. She found them doing nicely.

Wednesday, February 17, we didn't have a regular meeting on account of preparations for the Southern Arizona fair. We hope that we will get a prize.

We also spent our time in practicing our play in honor of Washington's birthday that we are going to give Friday, February 19.

Miss Evalyn Bentley came out and brought her Victrola and some records. The played for us "The Stars and Stripes Forever," a march; and "Hark, Hark, the Lark," a lyric; also, "The Blue Danube," a waltz. These three are on the list for our memory work in music composition. We surely enjoyed her visit.

Father of Our Country

By Mary Louise Echols

It will be exactly 200 years since Washington's birth February 22.

Of all our noble men living or who have lived there is none so great as George Washington, general, surveyor and father of our country. I think he deserved the great ceremony. Women and children came with flowers to shower him with as he went under the bowers. The only candidate was he, and even he thought himself unqualified for such a place. For so great a country, so full of grace, he had not desired the place but seeing they needed him he accepted the nomination. The night after his election to God he prayed and prayed.

CORTARO PROGRESSIVE JUNIORS CLUB NEWS

By Panchita Cardenaz

The Progressive Juniors' club of Cortaro entered various things at the southern Arizona fair. Anita Coronado won first prize in patching and Rosita Martinez won second. Dolores Coronado won second prize in darning. Beatrice Cordova won first prize in garment making and Mary Welborn, a former 4-H club member of the Cortaro school, won second prize on a fancy handkerchief and an embroidered bed spread. In the junior department Rosita Martinez won

first prize in best stocking darn and Manuela Gallardo second. Panchita Cardenaz entered a bedspread which won first prize. We are extremely glad that some of our members won prizes at the fair, and we are also glad for the other clubs.

The boys who are doing shop work also entered some things. Abelardo Colorez won a prize.

Suzanna Cordova won second prize on a fourth grade project. Rosa Coronado won a prize in art in a poster she made.

Victoria Colorez, Rosie Martinez, Panchita Cardenaz and our former 4-H club member, Fiedelia Colorez, went to Fort Lowell Sunday, Feb. 23, for a visit. We had a splendid time.

ARIVACA 4-H CLUB

By Martha Membrila

Last 4-H club day we did not sew as we celebrated Washington's birthday on Friday, because we would not be in school Monday. We sang songs and had a little play and some speeches.

EMPIRE MERRY MAKERS

By Lena C. Buck and Eva Ferra

Washington-Lincoln program: The Empire Merry Makers 4-H club celebrated Lincoln's and Washington's birthdays, Friday, Feb. 19, with the following program:

1. Roll Call—Each member answered roll call by giving one important event in Washington's life.

2. Songs of Today—"When Its Spring Time in the Rockies," "Ramona."

3. Songs of Washington's Time—"Hail Columbia." The music of this song, originally was known as "The Washington March." It was written in 1739 as an inaugural march for George Washington. The words were written nine years later by Joseph Hopkins. At the time, England and France were at war and Americans were being divided by their sympathies for one or the other of these countries. Its purpose was to keep the Americans united.

4. Yankee Doodle—It was during the revolution that Yankee Doodle was bestowed upon us. We do not know from what country the tune originally came. Several countries claim it. A surgeon with the British troops wrote the verses, which were sung to make fun of the American soldiers, but the Yankees adopted the song for their own. Cornwallis marched to the tune of Yankee Doodle at Yorktown to surrender his sword and his army to General Washington.

5. Washington—a later Washington song.

6. Six Nursery songs, by the first grade, which all children know and love, date back many years. They were sung during Washington's time:

Baa! Baa! Black Sheep; Hey Diddle Diddle; Hickory Dickory Dock; Little Jack Horner; Little Bo-Peep; See-Saw Margery Daw.

7. Song of Our Land—by Alice M. Beveridge.

8. What the Flag Says—Alonzo Amarillas.

9. To Be—Primary grade.

Songs of Lincoln's time:

1. Battle Hymn of the Republic. Many of the songs which we still sing were composed during the Civil war. In December, 1861, Julia Ward Howe visited the army of the Potomac. It was following this visit that she wrote the words of the song, Battle Hymn of the Republic. The tune was a very old one.

2. Dixie—The north gave the

south the music and title of the famous song, Dixie. It was written by Daniel Emmett for a minstrel troupe in New York city. In 1860 it was used as a march in New Orleans. Later it was played on the battle fields and became the most popular song of the Confederate army.

3. Carry Me Back to Old Virginia and In the Evening by the Moonlight were written by a Negro, James Bland.

4. Swing Low Sweet Chariot—This is what is known as a Negro spiritual, author unknown.

5. Home Sweet Home—an American song known and loved everywhere is Home Sweet Home, which was written as part of an opera by John Howard Payne in 1823. The homeless wandering life of this musician adds pathos to his beautiful song.

Miss Evalyn Bentley and Miss Margaret Closson came out Wednesday, Feb. 17. Miss Bentley played some of the records that we are to have in the music memory contest.

We are all planning to have our aprons finished when we come back after the three-day holiday.

Robert Amarillas, 14 years old, president of the Empire Merry Makers 4-H club, fell out of a tree at his home at Rosemont Wednesday, Feb. 17, and hurt his left arm. He was back in school on Friday.

SOPORI WILLING WORKERS

By Ruth Oros

Monday, Feb. 22, we went to the fair. We won the silver loving cup for the best stunt given Monday night. We also had several prizes on our exhibits which we made.

We enjoyed our trip very much. We started at 3:30 in the afternoon and came back at 10 o'clock that night. The three busses from Sopori school went. We surely had a good time.

Friday we are going to start planting trees in our school yard and some vegetables too.

PANTANO STITCH-IN TIME

My Visit to the Fair

By Mary F. Foster

Monday, Feb. 22, I visited the fair at Tucson. I saw some written work from many different schools, some red wood chests from Vall, and so many other things that it would be impossible for me to name them all.

One of the many things that caught my eye was a little doll house. It had about 14 rooms in it. I supposed the dolls to be the father, mother, maid and baby. The rooms were furnished very modernly. Another thing was a very old chair. It was made entirely of cowhorns except, the rockers. These were made of wood. The seat was covered with a red plush cushion.

Gertrude Bejarano entered an art design and won second prize.

PANTANO CLUB NEWS

By M. Nicolozos Bejarano

Wednesday, Feb. 19, we gave our Washington play, Making the Flag. The following characters were in this play:

Betsy Ross Mary F. Foster
Sally Pipper Mary N. Bejarano
Gen. Washington... Mary L. Echols
First Committee-

man Francis Anduaga
Second Committee-

man Sophia Bernal

Wednesday, Feb. 24, we sang two songs that we are to have in our county 4-H music appreciation contest. There were: America the Beautiful and Battle Hymn of the Republic. The teacher also asked

us the composers of the songs that we are to memorize for the contest. Our guests were: Mrs. Horace Pennington, Mrs. Pat Foster, Mrs. John Purifoy, Mrs. D. Ruiz, Mrs. R. Anduaga and all the pupils of the Pantano school.

TRY AN' BEAT IT

By Mary Louise Echols

Some of the first year members have just started the "Stockinet Patch." One of our members took a special fancy to the work—this was the president. She made 10 patches, setting a good example for other members. She really enjoyed this work. I don't think she should have to wear stockings with holes in them, do you?

With the 4-H Club Workers

These activities include the training of the Head, Heart, Hand and Health, and are under the supervision of Miss Evalyn A. Bentley, Home Demonstration Agent for the Agricultural Extension Service of the University of Arizona.

SUNNYSIDE SUNSHINERS

By Amelia Vasquez, 5th grade

Tuesday afternoon we had a meeting and elected Marjorie Law them as vice-president. Helen Watson, our former president, moved to Fort Lowell. We are trying to recognize some of the music on the 4-H Club music appreciation list which Miss Bentley sent us. Miss Ora Iden played us the Minute in G by Beethoven. It is easy for us because the toy orchestra played it at the rural school contest held at the Southern Arizona Fair Monday night.

We enjoyed getting ready for the fair. We got several prizes. Mary Gallego won a second prize on the best colored handkerchief, a first on her sock darn, and second on the best silk handkerchief. Lily Lopez got second on her 4-H cap and apron, and Lorian Quinn got third on her stockinet patch. Aurora Herran won first on her best hand-made handkerchief.

Arbor Day we had a program and planted a George Washington tree.

SOPORI WILLING WORKERS

By Ruth Oros

Washington medals were given out Monday, February 19, 1932 by Mrs. Urquides. The children who received them are as follows: Charles Jackson, Rose Vega, Isabel Vega, Jessie Figueroa, Ruth Oros and Rita Oros. These medals were awarded for writing stories, making posters, pictures and cut-outs about Washington.

Two hundred twenty-five tamarrack trees were planted Tuesday, March 1, by the larger boys. They planted them along the fence.

The other children have made a cactus garden in the front yard and a vegetable garden in the back. We have planted some other flowers, too.

Last Friday, Lillia, Octavio, Snow and George Vasquez were out of school because their little sister died. We were very sorry. They returned to school Monday.

Norma Augulo started school. She is in the kindergarten.

Isabel Vega is absent today because of her mother's illness.

ready; but we are hoping to win this game like we did the other!

VAIL VILLAGERS

By June Pettit

A debate, "Resolved, that Lincoln was a greater man than Washington and that he did more for his country," was the main feature of our Washington program given Thursday, February 25. On the affirmative were Betty Woolsey and Rita Wagner; on the negative, Elsie Hood and June Pettit. The judges, Mrs. Dan B. Genung, Mrs. H. E. Williams, and Miss Lottie Trotter voted in favor of the negative, although the affirmative had many strong points. Gladys Schmitt gave a few facts of Washington's life, ten boys and girls repeated some of Washington's maxims, and we sang patriotic songs. Our decorations were a border of cherries, hatchets, and silhouettes of Washington; and small flags which the 4-H girls made.

Tuesday, Mr. Constantine J. Pappas of Chicago, Illinois, and Mr. "Tommy" Nosis of Hollywood, California, played the mandolin and guitar for us. The music was very beautiful and we enjoyed it very much. They have promised to come again soon. Here's hoping they keep their promise.

Miss Evalyn A. Bentley, Pima County Home Demonstration Agent, brought us the phonograph records, which have been chosen for the county music appreciation project for 4-H club members. We have learned the types, titles, and composers of these selections. We played the records and listened, and then sent them to Pantano. Two members of each club will be chosen to represent their club at a final music memory contest, which will be held at Sunnyside School, April 23.

Esther Romero has been seriously ill with pneumonia, but is better now.

CORTARO PROGRESSIVE JUNIORS

By Victoria Colorez

Mr. J. R. Fitzgerald from the County School Superintendent's office, came out Monday to give up tests. We had the tests until noon and after noon we had some picture shows. Some films were about baking rubber. Another film was how saws were first invented. They were first made of serpents' teeth. Then they began to make the saws of other things, stone and metals.

The last film was about a little bear. It was for fun.

Panchita Cardenaz and Rosita Martinez are coming to school to plan a special meeting for the 4-H Club meeting next Friday. We are going to practice songs, answer with quotations to roll call, and play games besides our regular business meeting.

EMPIRE MERRY MAKERS

By Leña C. Buck and Eva E. Ferra

On February 18, Mr. F. O. Mackey, who owns the Gadsden Hotel in Douglas, Arizona, bought eleven head of buffalos. He put them on the Krentz's Ranch in the Chiricahua Mountains. He bought them so that he can serve buffalo steaks to the guests in his hotel dining room. So far as we can learn this is the only privately owned herd of buffalo in Arizona.

Monday, February 29, a new girl came to our school. Her name is Angelita Nevares. Before she came here she went to school in Tucson. She is in the Third Grade.

EMPIRE MERRY MAKERS

By Anne Young

I am wondering if any other 4-H Club in Pima County has an accordion player.

When I was nine years old I learned to play an accordion. For the last three years I have been playing for school programs and I accompany the girls and "boys" members of our Empire Merry Makers 4-H Club when they sing. They all seem to enjoy singing to my music.

I was born at Boremoht, Pima County, Arizona, on April 11, 1920. I was two years old when my father moved the family to Greaterville, Arizona where we now live.

When the officers of our club were elected in November, I was chosen yell leader.

SUNNYSIDE SUNSHINERS

By Mary Gallego, 8th Grade

Today Mrs. Kathleen Perry, while we were sewing, played the following records: Stars and Stripes Forever by Sousa, Blue Danube Waltz by Strauss, and Traumerel by Schumann. These selections are among those we are learning in the 4-H Music Appreciation project.

We are going to play the Amphitheatre girls Friday. We have had one baseball game with them already.

PANTANO STITCH-IN-TIME CLUB

By Mary Louise Echols

Monday evening, Miss Trotter of Vail brought Miss Bentley's phonograph, and records to our school. Tuesday and Wednesday we spent all of our spare minutes listening to these records. Wednesday we practiced in the meeting which is about all we did. A few members did some patching. Miss Bentley came

and took the phonograph back with her. We were given written tests on the selections. There were some very good papers.

Wednesday, March 2, Miss Evalyn Bentley came out. She said that our 4-H Club music contest would be April 23 at Sunnyside school. We all are very glad and all are trying to be ready.

We are sorry that so many of our school pupils are missing school, we have so much sickness, colds and flu. These are the pupils who have been sick:

Cruz Rojas, Victoria Rojas, Ricardo Rojas, Benito Torrez, Manuel Garcia, Mercedes Garcia, Ishmael Corrales, Allan Harrison, Lucy May Echols, Mary Frances Foster and Gertrude Bejarano.

We hope they will all be back in school by Monday, March 7.

4-H CLUBS HAVE MANY ACTIVITIES

3/13/32 — *Star*
County Groups Tell of
Work Done In Past
Week at Schools

These activities include the training of the head, heart, hand and health, and are under the supervision of Miss Evalyn A. Bentley, home demonstration agent for the agricultural extension service of the University of Arizona.

EMPIRE MERRY-MAKERS

By Eva E. Ferrá and Lena C. Buck
PLANT A TREE

"He who plants a tree plants a hope.
Rootlets up through fibers blindly
grope;

Leaves unfold into horizons free.

So man's life must climb

From the clods of time

Unto heavens sublime.

Canst thou prophesy, thou little
tree,

What the glory of thy boughs shall
be?"

—By Lucy Larcom,

Last Friday, March 4, we planted a cottonwood tree. We couldn't plant a tree on George Washington's birthday because it was too cold. We have planted some flowers, too, as follows: Two yard pinks, violets, a petunia, a shamrock, a snapdragon and a hanging basket plant. They are all growing nicely. Edgar Hilton got the tree for us.

Robert R. Amarillas, the president of the Empire Merry-Makers' 4-H club, came back from Tucson, where he spent a week with the doctor. His arm was broken in a fall from a tree at his home in Rosemont. We are glad to have him back in school again.

SOPORI WILLING WORKERS

By Isabel Vega

The Arivaca baseball team visited us Friday, March 4. Arivaca won the game.

Miss Bentley visited us Wednesday morning, March 9. She brought her portable Victrola. She played some of the records we have to recognize for the music memory contest which will be held Saturday, April 23. We recognized nearly all of them. Now we need to perfect our spelling of the titles and composers' names.

Mrs. Clara Vest, from Tucson, came with Miss Bentley.

Monday, March 7, three new pupils entered school. They are: Armida and Albert Bonillas, from Tucson, and Juana Sanchez, from Arivaca. They are living at El Rey mine.

PANTANO STITCH-IN-TIME

By Mary Louise Echols

At our last meeting, Wednesday, March 9, we did no sewing, but only sang songs. For our health song we sang "Health Club Song"; for our greeting song, we sang "How Do You Do?"; for our fun song, we sang "It Isn't Any Trouble." Another song we sang was "America, the Beautiful." During the meeting our president, Mary Louise Echols, became ill so our vice president, Mary Bejarano, took charge of this meeting. Two of our first-year members, Lucy May Echols and Mary Louise Echols, have started their aprons, which is the last problem in our garment making project.

Mary Nicholozas Bejarano writes:

Monday, March 7, Mr. Felipe Bejarano of Pantano, Ariz., arrived from El Baldo, Mexico, where he has been on mining business. He was supposed to return by Wednesday, March 2, but was delayed on account of car trouble.

Monday, March 7, the sixth grade pupils wrote some poems for their language. Here are some of the poems:

LILY WHITE AND TALL

(By Mary N. Bejarano)

Lily, white and tall,

This flower's the proudest one of
all.

We'll hunt for the lily, white and
tall.

Which is the proudest one of all.

TULIPS

(By Mary Louise Echols)

March is the time the tulips grow.
They nod backward and forward as
the March winds blow;

But they soon go toward dream-
land

For in the sun they cannot stand.
Their beautiful colors are all aglow.
They nod backward and forward as
the March winds blow.

THE SPARROW

(By Mary N. Bejarano)

Who builds up places small and
narrow?

Who but common, little, tiny spar-
row?

THE PROGRESSIVE JUNIORS' CLUB

By Panchita Cardenas

Friday, March 4, while the upper grades were making illustrations of stories, Miss Evalyn Bentley came in. The pupils made an illustration of a story they had studied. Mrs. Floy Batterton, Mrs. Miriam Pearson and Miss Evalyn Bentley guessed the names of the stories by the pictures. Some of them were old fables or favorite stories.

Miss Bentley brought us some phonograph records, which are the 4-H club's favorites. There are seven records. We are to learn the type, title and composer, and to recognize each piece. Later in the year we are going to have a contest in which all of the county clubs will compete. Miss Bentley left the records for two days. All of the club members did their best to recognize the pieces. All did fairly well for so short a time of study.

Friday, March 11, the club will

have a meeting. It will be decided what we are going to do for our Achievement day program.

THE SUNNYSIDE SUNSHINERS

By Lorean Quinn

The 4-H club girls are in a program that Miss Ora Iden is giving for the Parent Teacher Association. Margaret Weber is a Puritan girl of 1620, Aurora Herran is the Girl of 1770, Lorean Quinn is the Girl of 1850, Mary Welch is the Girl of 1865, Frances Watkins is the Girl of 1890, Mary Corranza is the girl of the Gay Nineties, Lily Lopez is the Girl of 1912, Mamie Propati the Girl of 1918, Janet Sisson the Girl of 1930, Annie Runie Moore is the Girl of 1932, Mary Gallego is the Girl of My Dreams. Marjorie Perrine and Marjorie Latham are in a song. Margaret Weber is out on account of illness. We have learned one of the songs and are going to learn another.

4-H CLUBBERS WILL DECIDE FAIR PLANS

3/12/32

Eleven leaders from the 4-H clubs in Pima county will meet this morning at the office of the county home demonstration agent at 227 West Congress street to discuss plans for the 4-H fair to be held April 23. The meeting will be led by Miss Evalyn A. Bentley, county home demonstration agent.

A luncheon at King's cafeteria will follow the meeting. Those who will be in attendance, besides the county home demonstration agent, will be Miss Esta Trotter of Vall, Mrs. Florence Bateman of Pantano, Mrs. Agnes Krentz of Empire, Mrs. Kathleen Perry of Sunnyside, Mrs. Dolores Rios of San Xavier, Mrs. Helen Wilson of Sahuarita, Mrs. Evangeline Urquides of Soporí, Mrs. W. E. Barnett and Mrs. Helen Farrell of Arivaca, Mrs. Miriam Bearson of Cortaro and Mrs. Sammy Burns of Javnes.

4-H LEADERS TELL OF WORK

Rural School Pupils Report Activities of Past Week

These activities include the training of the head, heart, hand and health, and are under the supervision of Miss Evalyn A. Bentley, home demonstration agent for the agricultural extension service of the University of Arizona.

VAIL VILLAGERS

By Rita Balderrama

At our meeting Monday we decided to have an Easter egg hunt March 21. We are planning to buy the eggs and dye them with money from our treasury. We are going to dye the eggs in our 4-H kitchen. We shall hike to a pretty canyon near Vail, where Miss Trotter is going to hide the eggs.

Miss Evalyn A. Bentley stopped for a visit Thursday.

J. R. Fitzgerald sent us a new George Washington song, which we shall use on our next Washington Bi-centennial program. We expect to have several other Washington programs before school closes. Miss Trotter has ordered a new Washington play.

Miss Mary Maroney, the Pima county school nurse, visited us Thursday. She gave diphtheria toxin-antitoxin and examined all of the children's teeth.

I have finished almost all of my 4-H work and can use the binder and ruffler on the sewing machine. I am going to begin a dress Monday.

The "Enna Jettick" blimp passed over Vail Friday. We watched it as it came into sight and gradually disappeared on its way east.

EMPIRE MERRY-MAKERS

By Lena Buck and Lucy Amarillaz

Letters from Alaska: Miss Bertha Krentz, who is a niece of our leader, Mrs. Agnes Krentz, and oldest daughter of Mr. and Mrs. Frank Krentz of Douglas, Ariz., is teaching school in Kenne-cott, Alaska. The children of her room wrote letters to us which were very interesting. Some of the things they told were:

The train does not run for four months, so the only way they get mail is by airplane. When one of the planes was up the motor stopped and the pilot had to land in the road. The propeller and some other parts were broken.

Some of the winter games are skiing, skating, sliding and tobogganing. There is a glacier in front of the schoolhouse. The Alaska girls have a sewing club.

When they wrote it had been snowing for several days and the snow was four feet deep.

Last Wednesday, March 9, Roy Adams' garage burned down and his Auburn car was completely destroyed. The origin of the fire is unknown.

Thursday, March 17, we celebrated St. Patrick's Day. St. Patrick is called "Ireland's Patron Saint." Every one of Irish birth wears a real or artificial Shamrock or a bit of green ribbon to represent it. Songs are sung in churches in his honor. One favorite song begins: "St. Patrick was a gentleman, He came of dacent people. He built a church in Dublin town And on it put a steeple.

The jocular greeting is "It's St. Patrick's day in the morning.

The children in the primary grades are making shamrocks and clay pipes.

We have a shamrock growing in a window box in our room.

SOPORI WILLING WORKERS

By Isabel Vega

We went for a picnic to Cerro Colorado, Friday, March 18. Cerro Colorado is about seven miles from the school. The school busses took us.

We built a large bonfire and roasted "weenies." Our teacher bought the weenies and buns for the picnic. We brought more cactus from the hills for our cactus garden at school and surely enjoyed the picnic.

The exercise leader introduced two new exercises and the club went through all that have been introduced before.

The nurse, Miss Mary Maroney, stopped at our school Tuesday afternoon. She was on her way to Arivaca.

Rita Oros, our club president, fainted here at school Wednesday morning. Mr. Bustamente, our bus driver, took her home. We hope she gets well and will be with us again soon.

SUNNYSIDE SUNSHINERS

By Mary Welch

We are practicing on the songs for 4-H Achievement day, April 23. The Sunnyside girls and boys are going to have a double-header ball game with the Ft. Lowell school Friday, March 18. Annie Moore is our yell leader, and will lead us in our yells.

Many of the girls are on their last problem in sewing. The pupils just received their prize money from received their prize money from the Southern Arizona fair.

CORTARO PROGRESSIVE JUNIORS

By Victoria Colorez

The Progressive Juniors club had a meeting Friday, March 11, and at the roll call each girl gave a quotation.

Rosie Martinez was elected for song leader to take Manuela Gallardos place. Manuela has gone away.

Beatriz Cordova was elected vice president because Fidelia Colorez also moved away.

Gladys Moser was elected to take care of the press book of the 4-H

club and setting the same design on the book as we had last year.

We also voted to have a picnic. Panchita Cardenaz, Victoria Colorez and Martha Hoag were appointed to take care of the picnic plans.

We decided to have our Achievement program on the last day of school at night so all parents can come.

PANTANO STITCH-IN-TIME CLUB

By Mary F. Foster, Mary N. Bejarano and Mary Louise Echols

Friday, March 11, the Enna Jettick Shoe blimp passed over Pantano about 10:25 a. m. This blimp gas bag was valued at \$100,000. Some of the members were very surprised to find that it had crashed near Clint, Texas, which is very near El Paso, Texas. Luckily Mr. W. J. McCracken was the only one in the blimp when the bag split and settled to the ground. It settled so slowly that Mr. McCracken was hardly shaken. Gertrude Bejarano took some pictures of the blimp.

Most all of the children are back in school now after a spell of about two weeks of bad colds.

Wednesday, March 16, during our 4-H Club meeting, an auto-gyro passed over going to Tucson. The pilots name is Capt. Lewis A. Yancey. A few weeks ago he was in South America; he dropped down on one of the temples and the natives, taking him to be the devil, tried to chase him away until it was explained to them.

We are glad our school is in direct line with the air line, this enables us to see all these things.

Wednesday, March 16, in our 4-H Club meeting a motion was made by Mary F. Foster that the 4-H Club scrap book be green and that a 4-H clover leaf be embroidered on the back.

Every 4-H Club member is supposed to work on the book. Most of the second year 4-H Club members are doing their last project in their sewing. They are darning their garments.

We have a new pupil in school, Librada Lauterio, she is in the 4th grade.

Miss Bentley sent us a new Health song, we like this song, as it is clever and also wise, here it is—follow its advice:

"If You're Feeling Bad"

(Tune: Tramp, Tramp, Tramp)

When you're feeling down and out, with dyspepsia, nerves and gout, When your liver fails to function as it should

All the patent dopes you've tried, all the different "Phats" besides, Never, never found a thing that does you good.

Chorus:—

You need carrots in your diet, onions, beets and spinach greens, All your ills will fade away, if you eat a lot each day Of these vegetables so full of vitamins.

Parsnips, creamed or fricasseed; rutabagas? yes, indeed!

Lettuce, turnips and a stalk of celery,

With tomatoes, corn and beans, (don't forget the spinach greens!)

From your aches and pains will surely set you free.

Chorus:—

Veg-ee-tables in our diet, Swiss chard, kale and other greens,

Just to keep our systems right, make us feel good day and night, By supplying the important vitamins.

Some of the first year members have brought their projects to be taken to the 4-H Club demonstration, which is to be held April 23. We are to have our projects finished April 21.

Thursday, March 17, we are celebrating St. Patrick's Day right. We are learning the health song, which says to be healthy eat greens, greens and green. The Irish color is green.

This 4-H Club will make our graph go up,

We're out for the silver cup,

Pantano Stitch-in-Time.

We have no time to waste

But we will take plenty of time

And we will not make haste.

JAYNES JOLLY JUNIORS

By Vicente Ortega

Wednesday, March 16, the club met in its usual meeting from 11

to 12. The program for the was a recitation by Ana G. Wade, and a series of recitation "Milk" by Bobby Simmon. Helen Campbell and Ray Horton. The meeting was turned over to music appreciation. The club working very hard on the music contest, and the members are taking a great interest.

4-H CLUBS ARE KEEPING BUSY

Health, Work and Play Activities Listed In Past Week

These activities include the training of the head, heart, hand and health and are under the supervision of Miss Evalyn A. Bentley, home demonstration agent for the agricultural extension service of the University of Arizona.

JAYNES JOLLY JUNIORS

By Vicente Ortega

At our regular club meeting Wednesday, March 23, we spent our time working on the compositions for the Music Memory contest. We are fortunate in having a Victrola loaned to us by Mrs. R. N. Simmonds and some records loaned by Mrs. Lewis Campbell and Mrs. J. V. Ortega. Miss Bentley was with us Wednesday, and gave us a music contest, the winning members being as follows: Emma Alvin, Martin Simmonds, Bernice Honea, Clara Wade and Jose Gonzales.

We are indeed sorry to lose one of our club members, Frank Watkins. He moved to Tucson. He was our club pianist and resigned in favor of Bernice Honea.

We are all looking forward to the Club Achievement day on April 23, at Sunnyside. We expect to enter winning posters and winning club members.

Wednesday afternoon we received seven checks from the Pima county fair commission. Four were for individual and three for class projects. The individual winners were Clara Wade, Bernice Honea, Manuel Arivizu and Edwigan Gonzales.

Four of our members did a real health project this week. They were Lloyd Murphy, Kenneth Murphy, John McCulley and Vicente Ortega. These boys opened up the pipeline and put in a new pipe from the sink and outdoor fountain. All thank them very much for this work in practical school sanitation.

There will be a study group meeting at the home of Mrs. John Hufft Wednesday, March 23, at 2 p. m. from 3 to 5 o'clock. There will be a benefit tea for the P. T. A.

Friday, March 25, Mrs. Burns and Mrs. Ryan, our teachers, are going to take us to the river for an Easter egg hunt and picnic. We are each going to bring eggs and some of us will bring cake and some sandwiches. The primary room is going to furnish lemonade with the money they won from the fair on the class projects.

VAIL VILLAGERS

By Rita Wagner

We, the 4-H club girls, had our Easter egg hunt Monday afternoon, March 14. The lunch committee, Rita Wagner, Rita Balderrama, Elsie Hood and Betty Woolsey, dyed the eggs and prepared the lunch Monday morning. We hiked about a mile from Vail to a cool, shady place near a stream of water in Cienega canyon, where the eggs had been hidden. Socorro Balderrama won the prize for finding the most eggs. Although we were very tired when we returned, we had a happy me. Misses Helen Estrada and Esta Trotter were our guests.

The shop boys and the third grade boys had their egg hunt March 22. They also hiked to Cienega canyon. Roscoe Pettit won the prize for finding the most eggs. After the hunt they roasted wieners and played games, directed by Misses Lottie and Esta Trotter. Arthur Wagner was the boys' guest.

Rita Wagner, Rita Balderrama and Betty Woolsey hid the eggs for the first and second grades and the third grade girls near the school Tuesday afternoon.

Mr. and Mrs. C. G. Bethurum treated the boys and girls with Easter candy last Monday.

Wednesday, March 16, Miss Evalyn A. Bentley stopped and played the music memory records for us. We recognized almost all of them.

Dr. L. H. Howard and Miss Mary Maroney, Pima county nurse, vaccinated 12 children March 18. Mrs. Howard came with Dr. Howard.

EMPIRE MERRY MAKERS

By Lena C. Buck, Angel Young and Evva E. Ferrá

When Mrs. Constance F. Smith, our county school superintendent, went to Washington, D. C., to the educational meeting, she sent us a postcard. It had a picture of Washington's Monument in Washington, D. C. The card was mailed from Mount Vernon, Va., on February 22, 1932, George Washington's 200th anniversary. We are glad it was possible for Mrs. Smith to mail it at that time. On the back of the card was a picture of Washington's birthplace at Wakesfield, Va.

Wednesday, March 16, Miss Mary Maroney, Miss Evalyn Bentley and Miss Margaret Closson came to see us. Miss Maroney finished giving our toxin anti-toxin shots. Miss Bentley examined our garment-making projects and played the records for our music contest. She left for two days and we enjoyed playing them during the lunch hour.

Robert Amarillas, our 4-H club president, went to town Saturday, March 19, and had the bandage taken off his broken arm. He is glad to have it free again.

The Spanish-speaking people of Rosemont had a dance to celebrate Josephine Romero's birthday. The dance was Saturday night, March 19. Seven musicians from Bisbee furnished the music. There were two guitars, two violins, a banjo, a clarinet and a saxophone. People from Bisbee, Tucson, Greaterville and the mine at Forty-nine came to the dance, which was exciting. It lasted from 8 o'clock Saturday evening to 8 o'clock Sunday morning. The musicians kept playing until 4 o'clock in the afternoon. Everybody had a good time.

PANTANO STITCH-IN-TIME

By Mary C. Bejarano and Mary Louise Echols

Most of our 4-H club members have learned to recognize the selections in the Music Memory contest. We have two more songs to learn. They are, "Sweet and Low" and "Lead Kindly Light." We tried very hard to do our best.

Some of the 4-H club members are doing very nice embroidery work. Some of them are embroidering a 4-H clover leaf on their aprons.

We are sorry that Adelina Bejarano, one of our 4-H club members, has left the club.

The workers of the wood-cutting camp at Pantano have gone. All

the wood needed has already been cut. Seventy thousand cords were cut in three weeks. They think this will be the last year of wood-cutting.

At our last meeting, March 23, Mary Bejarano started and finished her garment darn. She made it on one of her tams. This was a very unusual thing; it shows our work is very practical.

March 21 our president, Mary Louise Echols, and our yell leader,

Lucy May Echols, saw their first moon eclipse. The moon was 95 per cent eclipsed.

CORTARO PROGRESSIVE JUNIOR

By Panchita Cardenas

The Progressive Juniors' club has three members that are no longer in school. They are Beatrice Cordova, Rosale Martinez and myself, Panchita Cardenas.

Beatrice Cordova joined the club in 1929, and she is doing third-year work. She didn't finish school, but anyway she comes to sew every sewing period. She does beautiful sewing.

Rosale Martinez entered our club this year. She is trying to do first and second year work both this year. She left school four years ago. She does very good sewing and will finish what she set out to accomplish.

I am doing fourth-year club work, though I am no longer in school. I graduated in 1929. I started doing club work in 1927. The club had several members, including all the boys that were old enough to be club members. They did exceptionally good work. In the fall of 1929 I didn't join the club. I came to sew part of the time, but I wasn't included as a member. In 1930 I joined again and completed my third-year work. This year I entered the club when it started, but had to drop it on account of having to go to the doctor every week. Then I joined again. I will finish articles for my room.

Before this development it appeared the Japanese and Chinese were deadlocked over the method of maintaining a patrol. The revision of the Japanese terms was reported to have been announced at a meeting of the sub-committee late last night. Kiangwan where they want to settlement, and the vicinity of nearby roads into the international districts immediately, except the

SOPORI SCHOOL NEWS

By Isabel Vega

We have received the checks from the Southern Arizona fair. These checks were for prizes received on exhibits at the fair. We received the following: Three first prizes of \$1 each, seven second prizes of 75c and two third prizes of 50c each.

With the prize money one of the boys will buy a shirt, a girl will buy material to make a dress. Another will buy cod-liver oil. All the children were very happy to earn this prize money and are going to save it until they need it.

An Easter egg hunt for all the children was enjoyed Friday morning, March 25. On Thursday each child brought an egg from home and colored it. The eggs were hidden in deep grass which grows on a hill opposite the school. Before noon the children were dismissed to hunt the eggs. Then they ate them with their lunch.

Now we are getting ready for the Music Memory contest, which we are going to have April 23, when we will meet at Sunnyside. We are learning a health song. The name of it is "When You're Feeling Bad."

SUNNYSIDE SUNSHINERS

By Janet Sisson

Margaret Weber has finished her first demonstration and is starting on her second one.

We had a ball game last Friday with Fort Lowell girls and lost. The score was 9 to 6 in their favor. But Sunnyside boys beat the Fort Lowell team. The score was 3 to 7. We are going to play Amphitheatre next Friday.

Each room had an Easter party. We usually have sewing on Tuesdays and Thursdays, but on account of the Easter party we did not have sewing.

We are working hard for the cup. We are staying in at noon recess to practice our music. We all eat in Mrs. Perry's room with her. She is helping us with the Music Memory contest.

EMPIRE MERRY-MAKERS

By Eva E. Ferra and Lena C. Buck

Next to Christmas with jolly old Saint Nicholas, nothing delights small children so much as Easter with its "Easter rabbit." On Thursday, March 24, we had an Easter egg hunt. Our large school ground covered with last year's tall grass made a good place for hiding the eggs.

During the lunch hour Mrs. Anger Krentz, our club leader, assisted by Lena C. Buck and Lucy Amarillas, hid the eggs. Later the children had a great time hunting for them. Robert Amarillas was the lucky one, because he found more eggs than anyone else.

On Friday, March 25, also during the lunch hour, Margaret Nally, Angel Young and Socorro Sainz hid Easter baskets filled with candy eggs. In each basket was a card, on which was written a child's name. Each child had to find the basket which belonged to him. Everyone laughed because it was so much easier to find the other fellow's basket than to find his own.

Sunday, March 27, Sonoita and Vaughn had their annual all-day service and egg hunt at the Sonoita schoolhouse. A large crowd from each community attended. The Vaughn school children had their program in the morning at 10:30 o'clock. After the program Arthur Varnell gave a talk about the "Resurrection of Christ."

Dinner was served at 12 o'clock. While the women fixed the dinner, the children hunted for the eggs. In the afternoon the Sonoita school children had their program. The program consisted of songs, poems and plays appropriate for Easter.

SOPORI SCHOOL "WILLING WORKERS"

By Ruth Oros

A new boy entered our school this week, Monday, March 28. He came from Bakersfield, Calif. His name is Charles Bowman. He is living at El Rey gold mine, 14 miles from school.

Our club reporter, Isabel Vega, is in Tucson this week because of her sister's illness. She hopes to be back next week.

Mr. and Mrs. L. Nunez of Batamote ranch were in Tucson Monday and Tuesday, because of the death of Mr. Nunez' sister. Graciela and Manuel Nunez, both club members, had to stay at home to take care of their smaller brothers and sisters during their parents' stay in Tucson.

On Wednesday it was a very nice sunny day, so our teacher, Mrs. Urquides, took some pictures of Ramona Garcia dressed in her dancing costume.

Some of the members of our club are making cushions from scraps of materials for Mrs. Urquides. They are designing them by themselves. They are going to be very pretty.

We are still taking cod-liver oil. Some of us have gained 10 pounds since school started. We are observing our health rules very carefully because we all want to be up to weight by the time school closes.

CORTARO PROGRESSIVE JUNIORS

By Victoria Colorez

We are glad that Fidella Colorez has joined our club again. She started in sewing again Friday, March 25, and will keep on from now on. She is not going to Fort Lowell again to work.

All the children at the Cortaro school had an Easter egg hunt Friday, March 25, from 10 until 12 o'clock in the morning. The older girls came Wednesday at 3 o'clock

and colored the eggs and on Friday morning they came at 10 o'clock to hide the eggs for the small children. Mrs. Miriam Pearson had a first and a second prize for the lower and the same for the upper grades. The prizes were chickens of chocolate and bunnies. The prize winners in the lower grades were Ramon Navarro, first prize, and Gary Wade, second prize. Then the eggs were re-hidden for the upper grades and the same kind of prizes were won, first prize by Abelardo Colorez and second prize by James Adams.

At 1 o'clock we had sewing. The bigger girls, Fidella Colorez and Panchita Cardenaz, did not stay to sew with us, but Rosita Martinez and Beatriz Cordova stayed.

Rosita Martinez, Fidella Colorez, Panchita Cardenaz and myself. Victoria Colorez, went on Saturday night, March 26, to see the Yaquis dance at Tucson. They were dressed in pants and blankets made of very gay colors and had a lot of beads and earrings to match the costumes. Their dance was very funny, but simple, they just danced back and forth with the music played by drums, violins and guitars. We had a splendid time and enjoyed it a lot.

JAYNES JOLLY JUNIORS

By Vicente Ortega

Miss Bentley came out Thursday morning to see how we were getting along with the music contest. We always like to have Miss Bentley come and see us.

Mrs. Thomas came Thursday afternoon to see if we were still taking treatments. Doctor Howard is to come out next Monday to give a lecture on "Trench Mouth." He would like to have the parents come and listen to him.

Friday, March 25, our school went to the river for an egg hunt and picnic. The girls in the upper grades hid the eggs and the little ones had a grand time in the hunt. Gilbert Ortega won first prize, Wendell Honea second and Eula Loe third.

We then had some stories and played until called to our picnic lunch.

Mrs. Burns, Mrs. Ryan, Mrs. Kline and Miss Maurine Coffee were chaperones.

PANTANO STITCH-IN-TIME

By Mary N. C. Bejarano and Mary Louise Echols

Wednesday, March 30, in our club meeting a motion was made by Mary N. Bejarano and seconded by Nellie Gastelum that we spend our time working on 4-H Garment Making club record books Wednesday, April 6, which will be our next meeting.

We didn't have a 4-H club Easter picnic, but all the members had a good time at their homes hunting eggs.

Two members, Gertrude Bejarano and Mary Bejarano, accompanied their family on a trip to Rincon ranch on an Easter picnic. On the way to Rincon ranch they stopped at the Cienega wash and invited Gladys Schmitt, who belonged to our 4-H club last year but now belongs to the Vail Villagers. They all had a good time.

Some of the second-year members have already finished their garment projects and now are working on extra work. They are all doing fine work.

We are sorry to know that Frank Harrison is ill again. His son, Allan Harrison, and his wife, Mrs. Frank Harrison, took him to the hospital. We fear an operation is necessary.

It seems colds are starting again among the school children. We have had many absent this week.

VAIL VILLAGERS

By Betty Woolsey

The cast of characters for "All About Washington," a play which we shall present on our next George Washington Bi-centennial program, has been selected.

George Washington, Robert Wagner; America, Rita Wagner; Billy, Jim Woolsey; Sammy, Roscoe Pettit; Ed, George Genung; Mary, Elsie Hood; Betty, Betty Woolsey; Bobby, Norman Wagner, and Louise, June Pettit. Our 4-H club leader, Miss Esta Trotter, is directing the play.

About 200 people attended a rodeo given Easter Sunday in the dry, sandy basin of the Pantano river, about two miles from Vail. The cowboys of the ranches of J. R. Jelks and C. P. Beach took part in the rodeo. Roping and broncho riding were the main events. The broncho Alberto Figueroa was riding plunged through the mesquite bushes which scratched him badly. A Mexican orchestra of Tucson played, and barbecued meat was served.

4-H CLUBS TELL OF THEIR WORK

Week's Activities Listed By Pupils of Rural Schools

(These activities include the training of the head, hand, heart and health, and are under the supervision of Evalyn A. Bentley, home demonstration agent for the agricultural extension service of the University of Arizona.)

SOPORI SCHOOL NEWS

By Isabel Vega

Monday morning, April 5, Rita Oros left for Willton, Ariz., where she will work for a doctor. She is our club president. We miss her very much.

Our club reporter, Isabel Vega, returned from Tucson. We are glad to have her back.

We are learning a new song for our stunt program on April 23 at Sunnyside. It is a health song. The name of it is "Should We?"

Monday, April 5, a new pupil entered school. Her name is Angelina Madrid. She lives at El Rey mine.

Wednesday morning, April 7, Mr. Fitzgerald, the Pima county school attendance officer, visited us.

There are many beautiful wild flowers growing near the school. They look very beautiful. Some of them that are now in bloom are: Wild larkspur, blue; bright yellow and white Mariposa lilies, which we sometimes call tulips; pink flowers, which we call "San Jose" flowers; bluebells or covenas, daisies and wild white carnations.

The tamarack trees which we planted along our fence about a month ago are beginning to bud. We are very glad because they were hard to plant and have needed lot of care. When they grow larger, it will make our school yard look very pretty.

EMPIRE MERRY-MAKERS

By Eva E. Ferra and Lena C. Buck
March 30, Mr. and Mrs. L. E. Krentz went to Patagonia to have dinner with Mr. and Mrs. E. H. Yahn.

March 31—Socorro Salnz, one of our club members, has gone away. We are sorry to have her leave.

April 1—Eva Ferra's horse ran away from the grounds near the school where it was picketed. When one of the boys told us about it we were not going to look because we thought that he was trying to April fool us.

April 2—Mr. C. R. Nally went to Tucson to attend an important meeting of the trustees of the rural schools.

April 2—Mrs. Agnes Krentz attended the regular teachers' meeting in Tucson on Saturday.

Lidia Young, one of our 4-H club members, has been in Tucson since March 24. She is visiting her aunt, Mrs. Inez Soto.

April 4—Inez Young, the youngest daughter of Mr. and Mrs. Ernest Young, started to school today. She is just a beginner.

The cottonwood tree which the Empire 4-H club planted in honor of George Washington's two-hundredth anniversary has started to put out green leaves. The club is proud of this tree, which is the first one planted on the school ground.

SUNNYSIDE SUNSHINERS

By Janet Sisson

We had a meeting last Tuesday, March 23. Miss Evalyn Bentley came to see us. She examined our sewing and tested us on our music appreciation. We are working hard on it. We talked about the all-day club achievement day. It will be held at Sunnyside school, April 23. The program to begin at 12 o'clock. The committee on lunch is as follows: Mrs. Kathleen Perry, Mrs. Agnes Krentz and Mrs. Evangeline Urquides. This committee decided that it would ask the mothers at Sunnyside to prepare the lunch and charge all members 10 cents each. The club members will do the serving. All of the 4-H clubs of Pima county will meet at Sunnyside on that day.

We played Arivaca at their school Friday, April 1. It was a long and tiresome journey, about 54 miles out. When we got there we were quite tired out. The score for the girls was 1 to 1, while the score for the boys was 5 to 3 in our favor. Friday, April 3, Sunnyside boys played Marana.

Mr. Burr's room is planning to buy a picture of Washington and some other pictures.

Mrs. Constance F. Smith, the county school superintendent, spent Tuesday afternoon visiting Mrs. Kathleen Perry's room. After her room was dismissed, Mrs. Smith came up to our sewing class and visited us a little while. She knew a lot about sewing because she kept Lorean Quinn from ruining her dress.

PANTANA STICH IN-TIME

By Mary Nicolozas Bejarano

Saturday, April 2, Mr. Felipe Bejarano and two of his daughters, Adelina and Gertrude Bejarano, went to Chandler, Ariz., on a business trip. They returned the same day.

Wednesday, April 6, Mr. Felipe Bejarano left again for Chandler, Ariz. He will remain there for a while to work.

Wednesday, April 6, we spent our time in our meeting filling out our record books. We also found which girls were going to the contest. They are: Mary Nicolozas Bejarano, Mary Louise Echols, Mary Frances Foster, Lucy May Echols and Gertrude Bejarano.

There was a mistake in our news that we sent in March 24. The statement was made "there were 70,000 cords of wood cut in six weeks," and I would like for you to correct it. It should be "there were 700 cords of wood cut in three weeks."

We are glad to know, Mr. Harrison, who has been in Tucson under the doctor's care, is back home. Wednesday, April 6, Allan Harrison returned to school.

At our last meeting, Wednesday, April 6, we expected Miss Bentley, but, as she didn't come, we worked on our record book.

The red bells, sego lilies and many

other flowers are open. Very large bouquets have been given to our leader, Mrs. Florence Bateman.

Tuesday morning an aged woman was hurt in an automobile which had been wrecked. An arm and leg were broken. Mr. and Mrs. Purifoy tried to find someone to take her to a hospital, but as this proved impossible they phoned for an ambulance, which came shortly and took the woman to a hospital in Tucson, where we hope she will recover.

CORTARO PROGRESSIVE JUNIORS

By Panchita Cardenas

Friday, April 1, we studied the music memory records again before starting to sew. Mrs. Pearson, the club leader, played the records for us. She told us to watch carefully for certain parts in the records. For example, "The Storm," from William Tell Overture, you can tell what it describes. You can almost see the lightning and hear the thunder when it starts and when it gets worst you can hear the rain, thunder and lightning, and it gradually dies down, and you can hear the birds singing. You can easily recognize the march, "Stars and Stripes Forever," by the time.

After we studied the records we sewed for a little while, then we went out for recess, and Mr. Bethurum gave each of us older girls, as well as each of the school children, a stick of candy and a banana. He brought them as a treat for us.

With Pima County 4H Clubs

(These activities are under the supervision of Evalyn A. Bentley, home demonstration agent for the agricultural extension service of the University of Arizona, and include the training of the head, heart, hand and health.)

SOPORI SCHOOL "WILLING WORKERS"

By Ruth Oros

Today, April 13, our bus driver, N. B. Montano, was called to Tucson by his wife, because of her illness. He stopped at the school and took his son, Henry Montano, with him.

Today we received two letters from our former president, Rita Oros. We were surely glad to hear from her. Our vice president, Isabel Vega, is acting president until the end of the term.

We have been working hard on our exhibits this week. They are to be taken to town this week-end so that they will be ready on 4-H Club Day at Sunnyside, April 23.

We are practicing our stunt. It will be a boys' song, a health song and a health dance. We are working to give it in seven minutes, which is the time allowed for each club stunt.

EMPIRE MERRY-MAKERS

By Lena C. Buck and Eva E. Ferra

We have read in My Weekly Reader of April 8 about how to plant a tree. We thought it might be of interest to other people, so we are sending in the story.

1. Dig a hole large enough so that the roots may not be cramped.

2. Put a few stones in the bottom of the hole for drainage, especially if the hole is dug in clay.

3. Get good fertile "top soil" to put around the roots, unless the natural soil taken from the hole is rich.

4. Plant the tree at about the same depth it stood at the nursery or in the field.

5. Lay the roots out so that they are not curled or cramped, and cut off bruised roots.

6. Press the earth down firmly so that every root is closely packed.

7. Pour in water to the top of the hole when it is three-fourths full of dirt level around the tree.

8. Trim broken or bruised branches.

9. Do not cut back the main stem, for that may spoil the shape of the tree.

10. If your tree is large, or if it is one which will be pushed by strong winds, stake it. Do not fasten the wire directly around the stem, but use a cushion.

11. After planting, till or culti-

vate the ground around the tree.

12. Put fertilizer, well-rotted manure, leaf mold, etc., over the surface.

These points are given in detail in a booklet on tree planting. Write to the American Tree association, Russell T. Edwards, education director, 1214 Sixteenth street, NW., Washington, D. C., for one of the booklets.

SUNNYSIDE SUNSHINERS

By Jane Sisson

We are putting on a little stunt, "The First Impression of a 4-H Club," the 23rd of this month.

Four of the girls, Margaret Weber, Lorean Quinn, Mary Gallego and Lily Lopez, have finished their first demonstration.

Friday, April 15, the Sunnyside boys are going to play the Amphitheatre baseball team.

Since the Pima county fair we have had the song, "Should We?" as our club health song. According to the papers, Sopori has had the same song for their stunt as we have. We don't care, for competition is our inspiration. It is too late now to change it, and it is probably too late for them, too. So we will both sing it and see which school can sing it the best.

F. E. Barnes is visiting Miss Janet Sisson for about a week.

Some of the girls have helped put the emblem on the paper napkins which we will use for Achievement Day, April 23. Aurora Herran and Mary Carranza have done most of the work. The other girls have helped some.

PANTANO STITCH-IN-TIME

By Mary Nicolozos Bejarano

Wednesday, April 13, in our club meeting we practiced the stunt we are going to give at Sunnyside school, April 23. These are the characters:

Betsy Ross....Mary Frances Foster
Sally Pipper.....Mary Bejarano
General Washington.....

.....Mary Louise Echols
First Committeeman.....
.....Lucy May Echols

Second Committeeman, Sofia Bernal
Most of our club members have all their work all ready for April 21, as Mrs. Florence Bateman, our club leader, said that all club work must be in by April 21.

Some of the club members have already written their story about the club work.

We are now learning "Lead Kindly Light" and "Sweet and Low." These are the last two songs we have to learn.

We think 4-H club work is very useful because it teaches us very good music and songs, as well as to darn, to patch and many other things.

CORTARO PROGRESSIVE JUNIORS

By Victoria Colores

The 4-H club girls had a contest today, Tuesday, April 12, at 1 o'clock. They had to write the type, title and composer of the records sent out by Miss Evalyn Bentley. Mrs. Miriam Pearson will choose the best paper and will tell us next week who won. Miss Evalyn Bentley will come next week to make a final test to choose the winner for the club.

Bob Fruits was back to Cortaro from the navy to visit his parents for five days. He returned to San Diego this morning.

Lillian Hammond, a former member of our club, has a new baby. She lives in Casa Grande, where she was married last year.

Enriqueta Montijo, one of our club members, has been out of school four days because her grandmother is sick. The grandmother is getting along fine now, but she had the doctor out here two times last week and one time this week.

Some of the children from school have had bouquets of sweet peas from our school garden to take home. We will all get turns in taking sweet peas home. They are very pretty and fragrant, and we have enjoyed them very much.

Our trees have lots of new leaves and are growing very fast.

We have had a lot of beautiful flowers not very far from here this year and the children have brought some very pretty bouquets to school.

VAIL VILLAGERS

By Rita Wagner and Betty Woolsey

Rita Wagner and Rita Balderrama surprised Betty Woolsey with a birthday party Wednesday, April 13, at recess. After delicious refreshments, consisting of sandwiches, jello, candy, cake and lemonade, we danced and played games. Betty Woolsey was presented with a dainty pink school dress and necklace. The guests were Misses Lottie Trotter, Eula Figveroa, Elsie Hood, Socorro Balderrama; Messrs. Robert Wagner, Jim Woolsey and Jim Johnson.

Every day at 10:30 a. m. Miss Esta Trotter, our teacher, serves us chocolate milk with graham crackers. The trustees, Mrs. D. P. Hamilton, Mrs. J. R. Jells and Dan B. Genung, ordered the milk and

crackers. Every day two 4-H club girls are appointed to mix the milk and chocolate.

Mrs. Constance Smith, Pima county school superintendent, spent Wednesday afternoon, April 6, with us. After we finished our lessons, we practiced our our bi-centennial play, "All About Washington," which we shall present April 15, and our 4-H stunt, which we shall give at Sunnyside, April 23. We enjoyed Mrs. Smith's visit and hope she will visit us again soon. We should like for her to bring the moving picture machine with her and show us another movie.

Sunday, April 10, Alberto Franco gave a rodeo. The cowboys from all of the ranches around Vail came. They did some very fine roping and riding. Barbecued meat, chili beans and salads were served. Then the Mexican orchestra, which plays over KGAR, played many selections.

(over)

JAYNES JOLLY JUNIORS

By Vicente Ortega

The Jaynes Jolly Juniors held their meeting Wednesday morning, April 13, and a new member was added to the roll. Her name is Teresa Alveras.

We are going to make scrapbooks for the children at the orphan's home, and we hope they will like them.

Wednesday night, April 13, the club gave a health program at the regular meeting of the P. T. A. A large crowd was present and all seemed to enjoy the numbers as given below:

Violin duet—Valsette—Melva Sue Tribble and Delorus Gerber.

Readings on M.H.K.—Helen Campbell, Jane DiMon and Bobby Simmonds.

Reading — Wonderful World — Leonard Murphy.

Piano solo—Helen Campbell.

Reading—A Boy's Stomach—Martin Simmonds.

Go to Bed Early—Eight primary pupils.

Piano solo — Pretty Starlight — Bernice Honea.

Reading—Diary of a Girl's Stomach—Melvo Sue Tribble.

Reading—Rae Honea.

Instrumental trio—The Stein Song —Emma, Alvin and Martin Simmonds.

Club song—If You're Feeling Bad.
Club yells.

PIMA COUNTY 4-H ACTIVITIES

Stas — 4/24/32
**Rural School Students
Tell of Work In
Past Week**

(These activities include the training of the head, heart, hand and health, and are under the supervision of Evalyn A. Bentley, home demonstration agent for the agricultural extension service of the University of Arizona.)

EMPIRE MERRY-MAKERS By Lena C. Buck and Eva E. Ferra

We have selected a play for the closing of school, the name of it is "The Mistake," by Grace Sorénson. The characters are:

Mrs. Montrose, a rich and benevolent woman, Angel Young.

Jane Bronson, her niece from the orphanage, Lena C. Buck.

Katherine, her supposed niece, also an orphanage product, Eva Ferra.

Carmen F. Games, who was in the eighth grade here last year, was a visitor last Thursday. Her family moved away last summer to Canoa ranch.

All of the girls and Robert Amarillas, the only boy we have in our club, have finished their work 100 per cent. Each of the girls made two tea towels, an apron and cap, a pair of bloomers, a stocking patch, and a stocking darn. Robert made two pot holders, a tea towel, a wash cloth, a stocking patch and a stocking darn.

Four girls made one pair of bloomers each out of 40 cents' worth of material. Here is the itemized list:

3 1-8 yards muslin at 8c. 25c
3 1-2 yards elastic at 2c. 7c
2 spools thread at 4c. 8c

Total 40c

This makes an average of 1¢ cents per pair. Hurrah for what we have learned in the sewing club.

We are going to dedicate our press book to our community, as it has helped us to have a club.

For our program on Saturday, April 23, at the all-day meeting at Sunnyside, we are going to sing songs of the long ago. They are: "Yankee Doodle," "Dixie," "Old Black Joe," "Flow Gently Sweet Afton," and "Home, Sweet Home."

At the last meeting we voted to have a club next year. Our secretary is going to write to Miss Evalyn Bentley and tell her.

Friday, April 15, we had a birthday cake for Annie Young's birthday. It was the first time she had ever cut a cake. She had to use her fractions in cutting it because she had to cut 12 even pieces out of a round cake.

Monday, April 18, Mrs. Agnes Krentz, our club leader, gave us a treat of ice cream for finishing our sewing project.

In the Music Memory contest, held on Monday, April 18, at the Empire school in preparation for the final event to be held on Saturday, April 23, at the Sunnyside school, three girls—Eva Ferra, Lena C. Buck and Angel Young—tied for first place. It will probably be necessary for them to take the test again to choose the representative for Saturday. Lydia Young was second and Lucy Amarillas third. Miss Evalyn A. Bentley, home demonstration agent for Pima county, gave the test.

Miss Margaret Closson, who often visits us with Miss Bentley, is leaving soon for her home in Indiana. We have enjoyed seeing Miss Closson and we are sorry to know she is going away.

SOPORI WILLING WORKERS By Ruth Oros

Monday, April 18, some of the girls who planted some seeds earlier in the year took vegetables home. They also left some here at school to eat the next day for lunch. We have lettuce, radishes, beets and carrots planted.

Today two new pupils entered our school. They are Esther and Arnulfo Armenta. They came from Carrillo school in Tucson. Esther and Arnulfo are Arthur Armenta's sister and brother. They have been in our school before. They live at the Santa Lucia ranch with their sister, Mrs. Duarte.

Tuesday, April 19, we had an elimination contest for the Music

Memory contest to be held Saturday, April 23, at Sunnyside.

Miss Bentley brought all the music and the forms to be written on. She said we all did very well in recognizing the music. We have decided to have Rose Vega represent the Sopori 4-H club at the Music Memory contest at Sunnyside, because her paper was very neat.

All of the 4-H club members have made reservations for the lunch and will go to Sunnyside Saturday morning to stay all day.

SUNNYSIDE SUNSHINERS Johanetta Colson

Janet Sisson went to Binghampton, N. Y., April 20. We are missing her very much.

We are prepared for the Pima County 4-H Achievement Day. We expect to entertain 150 guests.

Lilly Lopez will compete in the Music Memory contest, Saturday, April 23.

After all the girls finish the first demonstration in garment making, they are going to dress puppet dolls. The boys make the dolls in shop work and the girls will dress them. We know they will do it well for they are working hard.

Lilly Lopez burned her leg badly by spilling hot grease on it and now she cannot play. That goes pretty hard on Sunnyside baseball.

PANTANO STITCH-IN-TIME

By Mary Nicolas Bejarano

Friday, April 15, the school children went on a picnic down the Pantano creek. We left the school house about 12 o'clock. We all took our lunch. After we rested a while and played, some of the children went swimming in a pond near where we had our picnic.

Just before we started back to the school house, we had some soda water.

Wednesday, April 20, we didn't have a regular meeting. The first and second year work was all finished 100 per cent and handed in to our club leader, Mrs. Florence Bateman.

We also enjoyed Mrs. Pat Foster's visit. She said that we had a nice sewing club and that all the work was made very neatly and nicely. She expected us to win some ribbons.

We are very glad to know that Mrs. Pat Foster and Mrs. J. A. Echols are going in to Sunnyside Saturday, April 23. We all enjoy our 4-H club work, and we hope to join third year club work next year.

Three cheers for 'em all, by Mary Louise Echols.

Miss Evalyn Bentley, our 4-H club county demonstrator, came to our school Monday, April 18. We were very glad to see her. She gave us our musical test. The winners were: Mary Louise Echols, first; Mary Nicolas Bejarano, second; Sofia Bernal, third; Mary Frances Foster, fourth; Gertrude Bejarano, fifth.

The person to represent our club at Sunnyside Saturday, April 23, is Mary Louise Echols.

Miscellaneous news by Mary F. Foster.

Sunday, April 17, at 2 o'clock, the Goodyear Tire and Rubber company's non-rigid zeppelin-type airship, the "Volunteer," moored by Pantano, Ariz. The "Volunteer" is going from Los Angeles to Akron, O. Verner L. Smith is the pilot of the craft. It is 134 feet long, 33 feet in diameter and is filled with 96,000 cubic feet of helium gas. The Goodyear Tire and Rubber company has a fleet of six airships, the "Volunteer" is one of them.

The Goodyear fleet of airships in the past three years has carried 80,000 passengers without an accident resulting in injury to anyone.

The transcontinental flight has been made in easy stages. The ship's engines are powered with about 60 miles per hour. The cabin has seats for five people including the pilot.

Allan Harrison returned Tuesday, April 19. We are all glad to have Allan back again.

JAYNES JOLLY JUNIORS

By Vicente Ortega

Miss Bentley came out Thursday morning to give us a test on the records that she is to play at Sunnyside in the Music Memory contest. The three highest ones are given below: Elnor Ortega, Bernice Honea and Alvin Simmonds, are the ones who are to take part in the contest. The next highest ones are Emma Simmonds, Martin Simmonds and Clara Wade.

Mrs. Lyle Sh... Mrs. W. R. Hones are going to take their car to transport us to Sunnyside for the 4-H club contest.

We thank Mrs. Simmonds for letting us use her Victrola and Mrs. Lewis Campbell and Mrs. Ortega for letting us use their records.

Our community was saddened by the accidental death Wednesday night of Arthur Cordner, one of the pioneer residents of Jaynes Station.

CORTARO PROGRESSIVE JUNIORS

By Panchita Cardenas

All the club members have worked very hard to get the articles in the garment-making project ready to send to Sunnyside. Most of the members have finished everything.

Cortaro sent some sweet peas to the Woman's club flower show at Marana, and got first prize.

Miss Evalyn A. Bentley came Wednesday, April 21, and gave us the final test in the Music Memory work, and there were four ties for first place, Anita Coronado, Victoria Colorez, Fidejia Colorez and Panchita Cardenas.

VAIL VILLAGERS

Monday, April 18, Elsie Hood gave a party for Betty Woolsey and Socorro Balderrama in honor of their eleventh birthday. A group of 4-H girls decorated the Vail Village Inn in blue and white crepe paper. Bright-colored cardboard plates, cups and paper napkins were attractively arranged on the table. Two large birthday cakes with 11 green candles in pink holders were in the middle of the table. After delicious refreshments consisting of cake, candy and fruit punch, the guests enjoyed dancing, games and other contests.

The guests were: Miss Esta Trotter, Lottie Trotter (our teachers), Mrs. Bessie Hood, Socorro Balderrama, June Pettit, Gladys Schmidtt, Maria Figueroa, Eula Figueroa, Elsie Hood, Rita Wagner, Rita Balderrama, Cella Romero, Agueda Vtsquez, James Johnson, Jim Woolsey, Robert Wagner, George Genung, Roscoe Pettit and Norman Wagner. Betty Woolsey could not attend because she was ill. Mrs. Bessie Hood made the birthday cakes and fruit punch.

Betty Woolsey has returned to school after a short illness.

We have finished our exhibits for the 4-H fair to be held at Sunnyside Saturday, April 23, and have sent them to Miss Evalyn A. Bentley, Pima county home demonstration agent, to be judged. About 16 pupils are planning to go to Sunnyside. Betty Woolsey will represent the Vail Villagers' club in the Music Memory contest.

Our second Washington Bicentennial program was presented Friday afternoon, April 15. The program included patriotic songs, a play, "All About Washington," and special music. We sang two songs, "Father of the Land We Love" and "The Flag." Betty Woolsey and Rita Wagner played a piano duet and Arthur and Robert Wagner gave many beautiful violin and guitar selections. Mr. and Mrs. Fred Livesly served fruit punch after the program.

Following is the list of county awards won in the county-wide 4-H Club Achievement Day at Sunnyside, April 23.

Pillowslips—First, Lena Valenya, San Xavier club; second, Dorothy Rios, San Xavier club; third, Alice Burrell, San Xavier club.

Girls' own room project—First Panchita Cardenas, Cortaro club; second, Fidejia Colorez, Cortaro club.

Boy's shirt—Second, Beatrice Cordova, Cortaro club; third, Victoria Colorez, Cortaro club.

Princess slip—First, Rosie Martinez, Cortaro club; second, Alice Burrell, San Xavier club; third, Anita Coronado, Cortaro club.

Bloomers—First, Rosie Martinez, Cortaro club; second, Lena Buck, Empire club; third, Gladys Moser, Cortaro club.

Aprons—First, Mary Gallego, Sunnyside; second, Lilly Lopez, Sunnyside club; third, Lydia Young, Empire club.

side club; third, Lydia Young, Empire club.

Darn—First, Lucy Amarillas, Empire club; second, Angelita Young, Empire club; third, Mary Gallego, Sunnyside club.

Buttonhole—Second, Beatrice Cordova, Cortaro club; third, Victoria Colorez, Cortaro club.

Stockinet patch—First, Mary Gallego, Sunnyside club; second, Lucy Amarillas, Empire club; third, Lilly Lopez, Sunnyside club.

Dress, third-year project—First, Victoria Colorez, Cortaro club; second, Beatrice Cordova, Cortaro club.

Patch—First, Lena Valenya, San Xavier club; second, Mary F. Foster, Pantano club; third, Anita Coronado, Cortaro club.

Garment darn—First, Suzanne Cordova, Cortaro club; second, Amelia Cordova, Cortaro club; third, Gertrude Bejarano, Pantano club.

Dress, second-year project—First, Rosie Martinez, Cortaro club; second, Marie Clara Ball, San Xavier club; third, Suzanna Cordova, Cortaro club.

Dish towels—First, Annie Carlos, San Xavier club; second, Sofie Bernal, Pantano club; third, Lilly Lopez, Sunnyside club.

Extra project—First, Mary Gallego, Sunnyside club; second, Mary F. Foster, Pantano club.

4-H CLUBS PLAN LARGE EXHIBIT

Star — 4/16/32
Achievement Day to Be
Held April 23 at
Sunnyside

The Boys' and Girls' 4-H Club members are holding a country-wide Achievement Day and exhibit at the Sunnyside school house, south of town on the Nogales highway, on Saturday, April 23. 155 club members from 22 clubs in 10 communities, along with their leaders, will be represented.

The morning program will begin at 10 o'clock. Games and other features of entertainment will be enjoyed until 12 o'clock when lunch will be served with the mothers of the Sunnyside club as hostesses. Each individual will pay ten cents toward defraying expenses of the lunch, and reservations must be made by Tuesday, April 19, at the office of the Home Demonstration Agent, phone 1019-J.

The afternoon program will begin at 1 p. m., and will consist of stunts by the clubs from the various communities.

The county-wide contest in music appreciation will also be held April 23. At this time representatives from each community will contest for the county honor. A local music store will make a suitable award.

The exhibit of the members, which will be in place at Sunnyside, will show the character of the work done by the 4-H Clubs. Friends of club members and those interested in the movement are cordially invited to attend.

Following are the clubs, with their leaders, which will be represented at this Achievement Day exhibit:

Arivaca, first and second year garment making clubs, Mrs. Helen Farrell.

Cortaro, first, second and third year garment making clubs and Girls' Own Room Club, Mrs. Miriam Pearson.

Empire, first year garment making club, Mrs. Agnes Krentz.

Pantano, first and second year garment making clubs, Mrs. Florence Bateman.

Sahuarita, first, second and third year garment making clubs, Mrs. Alberta Willson.

San Xavier, first and second year garment making clubs, Sister Emily and Mrs. Dolores Rios.

Sunnyside, first year garment making club, Mrs. Kathleen Perry.

Vail, first and second year garment making clubs, Miss Esta Trotter.

Arivaca, first year health club, Mrs. W. G. Barnett.

Sopori, first year health club, Mrs. Evangeline Urquides.

Jaynes, first year health club, Mrs. Sammy Burns.

This 4-H club work is under the direction of Evalyn A. Bentley, home demonstration agent for the Extension Service of the University of Arizona, also working in cooperation with the United States Department of Agriculture.

4-H CLUBBERS PLAN PROGRAM

Star — 4/21/32
Sunnyside Will Be Site of
Party on Saturday

The 4-H club members of Pima county are inviting all those interested in club work to attend their Achievement Day at Sunnyside Saturday, April 23. The members of 1932 are especially anxious to have all former 4-H club members in Pima county attend. They also extended an invitation to those who have been leaders in the past to come and see the work which will be on exhibition and enjoy the stunts.

The morning will be devoted to games under the direction of J. M. Young of the Y. M. C. A. Neil Bullock will also attend if possible. J. R. Fitzgerald will entertain the members with a movie, and there will be time before lunch for all present to examine the exhibit which will be in place in the auditorium of the Sunnyside school.

The Music Appreciation contest will be held at 10:30 on Saturday morning. One representative from each community will compete for county honors. The Fisher Music company is interested in these young musicians, and will give a suitable award to each community, as well as recognition for the county winner.

In the afternoon program each club will give a short number. These will consist of the following:

A 4-H club business meeting, a Washington play, songs and drills, skits, explanation of what the four "H's" stand for, old-time songs with accordian accompaniment by a club member, and health exercises in dance form.

The lunch at noon will be served by the Sunnyside mothers, and a charge of 10 cents will be made to defray expenses.

Winners Announced For County Music Memory Contests

Alvarez — 4/26/32
The winners in the county-wide 4-H Music Memory contest, which was held at Sunnyside Saturday, have been announced by the firm presenting the awards—the Fisher Music company. Fidella Colorez, of the Cortaro Progressive Juniors, and Mary Louise Echols, of the Pantano Stitch-in-Time, tied for first place. Both girls are members of garment making clubs. Mrs. Miriam Pearson is the leader of the Cortaro Progressive Juniors and Mrs. Florence Bateman is leader of the Pantano Stitch-in-Time club.

Other contestants who ranked high were:

Betty Woolsey, Vail Villagers club, with Miss Esta Trotter, leader; Lilly Lopez, Sunnyside Sunshiners, Mrs. Kathleen Perry, leader; Eva E. Ferra, Empire Merry Makers, Mrs. Agnes L. Krentz, leader; Rose Vega, Sopori Willing Workers, Mrs. Evangeline Urquides, leader; Mary Delgado, Sahuarita club, Mrs. Alberta Wilson, leaders; Bernice Honea, Jaynes Jolly Juniors, Mrs. Sammy Burns, leaders; Marie Clara Ball, San Xavier, Mrs. Dolores Rios and Sister Emily, leaders.

The music memory work is a part of the National program for 4-H clubs which includes a membership of 850,000 girls and boys in the 48 states. In Pima county the music appreciation project included the recognition of type, title and composer of eight selections. Nine communities participated in the contest and all showed much interest.

The 4-H club work, as well as the project in music appreciation, is under the direction of the home demonstration agent, Evalyn A. Bentley, the work being done by local leaders in the various communities.

The communities participating have each held a local contest and the winner took part in the county contest. Each local community will be given an award by the Fisher Music Company, the clubs winning first place—Cortaro and Pantano—will each receive a victrola presented by the Fisher Music Company.

RURAL SCHOOLS TELL WINNERS

The communities participating have each held a local contest and the winner took part in the county contest. Each local community will be given an award by the Fisher Music company, the clubs winning first place—Cortaro and Pantano—will each receive a phonograph presented by the Fisher Music company.

With Pima County 4H Clubs

(These activities include the training of the head, heart, hand and health, and are under the supervision of Evalyn A. Bentley, home demonstration agent for the agricultural extension service of the University of Arizona.)

4-H club members will be interested in forming radio parties to listen in on the National 4-H club radio broadcast which will be given over KTAR, Phoenix, between 10:30 and 11:30 Saturday morning, May 7. The United States Marine band will play the musical selections in the National 4-H Music Achievement test. There will also be some talks by club members and some of the United States department of agriculture workers along the line of club activities.

EMPIRE, MERRY-MAKERS

By Lena C. Buck and Eva E. Ferra
All of the club members and several people from the district were present at the Sunnyside school April 23 for the 4-H Achievement day program. Those present were: Raulon Romero, bus driver; Rafael Amarillas, Mrs. J. H. Buck, Edna M. Buck Mrs. Agnes Krentz, our club leader; Annie Young, Lydia Young, Angelita Young, Lucy Amarillas,

Robert Amarillas, Lena C. Buck and Eva E. Ferra.

The ones who won prizes for the club are as follows:

Bloomers—First, Lena C. Buck; second, Annie Young; third, Lucy Amarillas.

Darn—First, Lucy Amarillas; second, Angelita Young; third, Robert Amarillas.

Stockinet patch—First, Lucy Amarillas; second, Eva E. Ferra; third, Robert Amarillas.

Apron—First, Lydia Young; second, Lucy Amarillas; third, Lena C. Buck.

Dish Towels—First, Lydia Young; second, Lucy Amarillas; third, Lena C. Buck.

We have the smallest club in the county with only seven members, but we won five county prizes. We are very proud because there are so few of us to do the club work.

The winners for the county, in our club, are as follows: Bloomers—Second, Lena C. Buck. Apron—Third, Lydia Young. Darn—First, Lucy Amarillas; second, Angelita Young. Stockinet patch—Second, Lucy Amarillas.

On April 21 we had a snowstorm and we were afraid we wouldn't be able to go to the Achievement day meeting on Saturday, but the weather man was good to us. Saturday was fine.

As we were going to Sunnyside on April 23 our car ran out of gasoline about a mile and a half from Tucson. We were wondering what to do when some people we knew came along and pushed our car to the first filling station.

That night coming home from town we had lots of fun counting the cars that passed us on their way back to Tucson from the university faculty picnic.

SOPORI WILLING WORKERS

By Ruth Oros

The trip and the day at Sunnyside school Saturday, April 23, was enjoyed by 28 pupils from Sopori.

In the forenoon games were played. We had a baseball game. It was a good game. The score was 20 to 4 in favor of Sopori.

After our lunch we had the stunt programs. They were all very enjoyable.

We had several prizes on the exhibit. They are: Seven first prizes (three were on posters), one on a "health book" and three on our kitchen ensemble, which included a pair of kitchen curtains, a tablecloth and an apron to match. Four second prizes (three of these on posters and one on a health book). One third prize—on a poster.

A letter was received by Mrs. Urquides, our teacher, from Rita Oros, our former club president, who is now at Wellton, Ariz. She sent us a picture of William Tell shooting the apple off his son's head, which she had found during her work. We were very glad to have it.

SUNNYSIDE SUNSHINERS

By Margaret Weber

The Achievement day program for the 4-H clubs was held at Sunnyside school Saturday, April 23. Ten county schools were represented.

Ribbon awards were given to the girls doing the best work. The girls of the Sunnyside Sunshiners winning awards were as follows:

County Awards

Apron and cap—Mary Gallego, first; Lily Lopez, second.

Stockinet patch—Mary Gallego, third.

Dish towels—Lily Lopez, first.

Special exhibit—Mary Gallego, first.

Local Club Achievement Awards

Apron and cap—Mary Gallego, first; Lily Lopez, second; Lorean Quinn, third.

Bloomers—Mary Carranza, first; Margaret Weber, second; Lorean Quinn, third.

Dish towels—Lily Lopez, first; Mary Carranza, second; Margaret Weber, third.

Stockinet patch—Mary Gallego, first; Lorean Quinn, second; Lily Lopez, third.

Stocking darn—Mary Gallego, first; Mary Carranza, second; Lorean Quinn, third.

Second Year Achievement Awards:
Dress—Mary Gallego, second; Margaret Weber, third.

Slip—Margaret Weber, second.

A 4-H Music Memory contest was held. The winners were: Mary Louise Echols of the Pantano Stitch-in-Time club, and Fidelia Colorez, Progressive Juniors. They tied. Our entrant, Lily Lopez, received honorable mention.

Mr. Fitzgerald of the county school superintendent's office showed us a moving picture, after which lunch was served. After lunch each school put on a stunt.

Talks were given by Miss Evalyn A. Bentley, Miss Frances L. Brown, Director P. H. Ross and H. R. Baker.

The girls of the sewing club feel that their leader, Mrs. Kathleen Perry, should be given credit for the awards that were won by the girls of her class.

The girls who have finished their first demonstration are: Margaret Weber, Lorean Quinn, Mary Gallego, Lily Lopez, Mary Carranza, Annie Moore, Frances Watkins and Aurora Herran. We will hold our local Achievement day in the near future and pins will be awarded.

The Sunnyside Sunshiners extend their thanks to those who helped make the Achievement day a success. Those who helped prepare the lunch were: Mrs. Marcus Latham, Mrs. Janet Baker, Mrs. George Menzie, Mrs. C. N. Hussey, Mrs. Hardeveld, Mrs. Dominic Propati and Marcus Latham, who proved to be a great help.

We want to thank those who cooperated in so many ways to make this Achievement day successful, so we are sending notes expressing our gratitude.

Some of the guests were as follows: Mrs. Pat Foster and Mrs. E. Echols, from Pantano; Miss Maybelle Wisdom, from Sahuarita; Mrs. W. R. Honea and Mrs. L. Shannon, from Jaynes; Mrs. Starley, H. R. Baker, Miss Frances L. Brown, Mr. and Mrs. P. H. Ross, Mrs. Clara Fish, Mrs. White, Mrs. Constance F. Smith, J. R. Fitzgerald, Mr. Urquides, Mary Elizabeth Bryan, Miss J. H. Burgess, Sister Emily, Sister Alfreda, Vincent Rios, Mrs. Dolores Rios, Mrs. Dominic Propati, Mrs. C. N. Hussey, Mrs. D. Genung, from Vail; Miss Reva Bentley, Mrs.

George Menzie and sons, Mrs. Hardeveld, Mrs. D. L. Perry, L. N. Perry, Mrs. George Hale and sons, Mr. and Mrs. Marcus Latham, Mrs. Roy Seidenstricker, Mrs. A. Colvin, Mrs. Ed Welch, Mrs. Roy Nichols, Mrs. N. O. Colson, Miss Evalyn Bentley and Mrs. E. O. Watkins.

The leaders of the clubs who were present were: Mrs. Miriam Pearson, from Cortaro; Mrs. Florence Bateman, Pantano; Mrs. Evangeline Urquides and Miss Genevieve Romo, Sopori; Miss Esta Trotter, Vail; Mrs. Agnes Krentz, Empire; Mrs. Dolores Rios and Sister Emily, San Xavier; Mrs. L. A. Burns, Jaynes; Mrs. Alberta Wilson, Sahuarita, and Mrs. Kathleen Perry, Sunnyside.

The Sunnyside Sunshiners held their regular meeting Thursday, April 28. Having realized a substantial sum from the lunch, the club will be self-supporting. We are going to have a picnic Friday, April 29. All 4-H club mothers are invited. We invited Miss Evalyn Bentley, but she had previously arranged for another meeting.

The boys' baseball team is going to play Marana, Friday April 29.

J. R. Fitzgerald and Mrs. Constance F. Smith were here Thursday, April 28. They gave us a moving picture show about Africa. We enjoyed it very much.

JAYNES JOLLY JUNIORS

By Vicente Ortega

Dr. L. H. Howard, Miss Mary Maroney and Mrs. Vera Thomas, school nurse, conducted a pre-school clinic at our school Thursday morning at 10 o'clock.

At the Achievement day at Sunnyside, 11 of our members were present. Mrs. Lyle Shannon, Mrs. W. R. Honea and Mrs. L. A. Burns furnished transportation. The ladies of Sunnyside gave us a very good lunch which we enjoyed very much. H. R. Baker, state club specialist for Boys' and Girls' 4-H clubs, served the ice cream cones.

Those from Jaynes who went were: Alvin and Martin Simmonds, Vicente and Elnor Ortega, Gene Shannon, Bernice Honea, Vivian Day, John McCulley, Nineta and Tom Collins, Melva Sue Tribble and Clara Wide.

For the 4-H contest at Sunnyside we had one big poster, "Some Pages From My Album of Very Best Friends." This poster was done in black and white and showed some of the vegetables from our health diet. We are proud of the blue ribbon which it won.

We congratulate the two girls for winning phonographs in the Music Memory contest; we are sorry we didn't win, but we guess everybody couldn't win.

Elnor Ortega is absent from school this week. Gene Shannon is also absent from school on account of an infected finger.

VAIL VILLAGERS

By Jimmy Johnson

You are hearing from a boy this time because I had such a good time at Sunnyside April 23, I am going to write about it. Ten of us went with Alejandro Romero in the school bus. When we reached Sunnyside, about 9:30 o'clock, we examined the exhibits first.

Then we played baseball with boys from other schools. At 11 o'clock Miss Evelyn Bentley talked to us about home-making and Mrs. Constance F. Smith and R. Fitzgerald showed us two moving pictures of the Grand Canyon and deep-sea fishing. After a very fine lunch, we were treated with ice cream.

Our stunt, "The Trial of Miss 4-H Club," was first on the afternoon program. Elsie Hood was Miss 4-H Club, Robert Wagner, the judge.

Rita Wagner and Jim Woolsey, plaintiffs; Betty Woolsey and June Pettit, defendants, and Gladys Schmitt, foreman of the jury.

Every club gave a stunt, and we enjoyed them all. Three Sopori boys sang "Mother Has No Girl to Do the Dishes"; the Sahuarita club girls gave some tap dances, and the Pantano club gave a clever little Washington play. We had such a good time we can hardly await the 1933 4-H fair.

Mrs. Dan B. Genung and Mrs. Bessie Hood were Vail visitors at Sunnyside. We are planning to combine our 4-H Achievement day with Pantano, at Vail, May 24, at 7:30 o'clock.

The cast of characters for the eighth grade class play, "Crindline and Candlelight," has been selected. Ellen, the leading character, will be played by Rita Wagner, the only girl in the grade; Bob, by Jim Woolsey; George Washington, by Robert Wagner; Father Time, by Jimmy Johnson. Other characters are: Betty Woolsey, June Pettit, Marie Figueroa, Gladys Schmitt, Norman Wagner, George Genung and Roscoe Pettit. Miss Esta Trotter will direct the play.

PANTANO STITCH-IN-TIME CLUB

By Mary N. Bejarano

Wednesday, April 27, in our club meeting a motion was made by Mary Frances Foster that each club member give five cents for the material for our scrapbook. This motion was carried. We decided to work on our story covers Friday in our art period.

All the club members were very glad to see the ribbons on their garment-making projects. We won four county prizes, Mary Frances Foster won two of them, Gertrude Bejarano one and Sofia Bernal one. Frances Anduaga, the only member who didn't go to Sunnyside, enjoyed seeing all the prizes.

We all enjoyed the good time we had at Sunnyside. We saw many different things from every club. We want to thank the Sunnyside 4-H club, especially the mothers who prepared the nice lunch.

Saturday, April 23, Mrs. Florence Bateman, took the two Music Memory contest winners from our club—Mary C. Bejarano and Mary Louise Echols—in to Fisher's Music Company for their prizes. They both selected a Victrola record.

We are very glad that Mary Louise Echols, who represented our club at Sunnyside, won a phonograph for the use of the club and the community. She won the county-wide music memory contest, as she tied with a member from the Cortaro club.

We think this is very nice because it gives us a clearer path to the silver cup—the county trophy which is given to the community which has done the best club work during the year. The Jaynes Jolly Juniors won this cup three successive years, but they decided to give it back to the clubs of the county for further contest. They are now the guardians of the cup and will aid the judges in the decision which will be made at the close of the school year in May.

We are very sorry that Ector C. Bejarano, one of Mr. Bateman's pupils, has his right hand hurt badly and is missing school.

CORTARO PROGRESSIVE JUNIORS

By Victoria Colorez

The Cortaro 4-H club girls went on Saturday, April 23, to Sunnyside for the 4-H clubs' exhibit. The exhibit from all the clubs was held there. We started from Cortaro at 8:30 in the morning and got to Sunnyside very early. Those who went were Fidella Colorez, Panchita Cardenaz, Beatriz Cordova, Amelia Cordova, Rosa Martinez, Enriqueta Montijo, Martha Hoag, Gladys Moser and Victoria Colorez. Mrs. Ernest Fruits, Miss Ernestine Fruits and our teacher, Mrs. Miriam Pearson, went along too. We appreciated very much Mrs. Fruits' taking some of us in her car.

At Sunnyside we looked at all the things the other clubs had done and got some suggestions from the articles exhibited.

We had our lunch at 12 o'clock. We were very much surprised that the ladies from Sunnyside could

serve so many people in such a little place.

After our lunch we had a picture show and then we gave our stunts and plays. Of all the stunts, I liked the one of the pajama girls dance of Sahuarita best. After we had done our stunts we could see the things of the other 4-H clubs and learn from others' work and plan to do better work next year.

At 4 o'clock we came back to Cortaro. Mrs. Miriam Pearson had to leave some of the girls the first trip home, and four of the girls were left in Tucson. The four left

in Tucson were Panchita Cardenaz, Fidella Colorez, Rosa Martinez and Victoria Colorez. We had a splendid time at Sunnyside and enjoyed it a lot.

4-H Club Activities

(These activities include the training of the head, heart, hand and health, and are under the supervision of Evalyn A. Bentley, home demonstration agent for the Agricultural Extension Service of the university.)

The National 4-H club broadcast a part of the 1931-32 Music Achievement Test, "Learning to Know America's Music," on Saturday, May 7, 1932. The program was, "America's Favorite Songs." Descriptive notes were prepared and broadcast by R. A. Turner, field agent, office of cooperative extension work, United States Department of Agriculture, to interpret the group of musical compositions played by the United States Marine Band during the National 4-H club radio program of May 7, 1932.

My Old Kentucky Home—Foster
Foster was born a little over 100 years ago in Pennsylvania. His father came from Virginia and his mother from Maryland. During his short life of 38 years, he made a most noteworthy contribution to America's music. Information obtained at the Library of Congress indicates that the number of his compositions totals over 200, of which more than 160 have been published.

Foster often visited his uncle, who lived on an estate near Bardstown, Kentucky, and it was here that the romantic young composer received his inspiration to write the words and music for many of his songs which are now known throughout the civilized world. The state of Kentucky has purchased the old estate as a memorial to Foster, and the citizens of Pittsburgh, Pa., have dedicated his birthplace, the old Foster homestead which is now a part of that city, as a Foster memorial.

The Rosary—Ethelbert Nevin
Nevin, like Foster, was a Pennsylvanian. Both of his parents were music lovers. It is said that his mother's grand piano was the first to cross the Allegheny mountains. With his father's encouragement, Nevin studied music in Europe as well as in America. Although he was never very strong physically, he spent much of his time on concert tours on both continents. His almost ceaseless travel and his constant composing caused a physical breakdown which led to his death at the age of 39. Perhaps Nevin is most widely known by two of his compositions — "Narcissus" and "The Rosary."

The story of "The Rosary" is, that a friend once sent Nevin a poem which began with the words, "The hours I spent with thee, dear heart." The very next day, Nevin presented to his wife the manuscript of "The Rosary," with the inscription "Just a little souvenir to let you know how I thank le bon Dieu for giving me you."

By Ruth Oros
Friday, April 29, Mr. and Mrs. Leo Jackson, of Las Guitas mine, left for California. We miss Charles and Josephine very much. Josephine was a member of our 4-H club.

Mr. Fitzgerald brought out a movie this morning, Wednesday, May 4. The pictures were very good and everyone enjoyed them. The pictures were about wild animal hunting in Africa.

We are working hard on our Achievement day program which we will have as our closing program. We are going to have a play. The name of it is, "The Trail of Johnny Jones"

EMPIRE MERRY MAKERS

By Evangeline E. Ferra and Lena C. Buck

On May 2, Mrs. Constance F. Smith, Miss Mary Maroney, Dr. L. H. Howard, Mr. J. R. Fitzgerald and Mr. William Dennis, visited us. Mrs. Smith showed us a picture of wild animals in Africa. We saw giraffes, lions, elephants and rhinoceros. We surely did enjoy the show, especially because we have just finished studying about Africa.

Mrs. Agnes Krentz took Lena Buck into Fisher's Music Store Saturday, April 30, for the prize that was given for the music memory contest. Fisher's gave us two Victrola records. The names are, "Swing Low, Sweet Chariot," and "Blue Danube." We are very grateful to Fisher's Music company for our memory contest so worth while.

The hills are covered with tulips, thistles, and mariposa lilies. We have had fresh flowers every day for our school room.

Our local Achievement and closing of school program will be held May 24, at 2 o'clock in the afternoon. The play we selected for the health part of the program is called, "Wanted: Attendants for the Princess." It is a posture play. The characters are as follows:

Town Crier ...	Alonzo Amarillas
Villagers ...	A Group of People
Pages ...	Edward Amarillas
Judges ...	Robert Amarillas and Alonzo Amarillas
Projected Head ...	Angelita Nevares
Stooped Shoulders ...	Annie Young
Bad Sitting Posture ...	Angel Young
Low Shoulders ...	Lucy Amarillas
Miss Swayback ...	Lena C. Buck
Toeing Out ...	Edna M. Buck
Fair Posture ...	Inez Young
Stand on One Foot ...	Annie Amarillas
Hunched Shoulders ...	Eva A. Ferra
Hollow Back ...	Angel Young
Stiff Muscles ...	Lena C. Buck
Relax ...	Edna M. Buck
Flat Foot ...	Angelita Nevares
Good Posture ...	Lena C. Buck
Little Straight Princess ...	Edna Buck

SUNNYSIDE SUNSHINERS

By Annie Runle Moore

The 4-H club had a picnic, Friday, April 30, at Sabino canyon. People who went were Mrs. Kathleen Perry, Mrs. Ray Sidensticker, Mrs. Nona Colson, Mrs. Marcus Latham, Mr. Lynn Perry, Lilly Lopez, Johnetta Colson, Annie Runle Moore, Mary Gallego, Frances Watkins, Lorean Quinn, Marjorie Latham, Marjorie Perrine, Amelia Vasquez, Mary Welch, Margaret Weber, and Mrs. Downs. We roasted weiners, and had hamburgers, beans, pickles, tomatoes, lettuce, cookies, and ice cream. Then we played. We made up programs. Then we waded and climbed a mountain, then we went home.

The girls and boys are going to play baseball with Fort Lowell Thursday afternoon. Every girl on the team is a 4-H club girl. The players are: Marjorie Latham, cf; Lorean Quinn, p; Mary Gallego, c; Lilly Lopez, fb; Annie Runle Moore, sb; Frances Watkins, ss; Marjorie Perrine, rf; Amelia Vasquez, lf; Aurora Herran, ss; Mary Carrazana fb; and Mary Welch, substitute.

The girls who have finished their first demonstration are writing their 4-H stories. They are getting along fine.

PANTANO-STITCH-IN-TIME

By Mary F. Foster and Mary Bejarano

Monday, May 2, Mrs. Constance F. Smith came to our school and gave us a movie, with the assistance of Mr. Fitzgerald and Mr. Wm. Dennis. Miss Mary Maroney, school nurse, and Dr. L. H. Howard came along, and found us in good health.

The movie was of the jungles of Africa. One of them showed a peaceable old elephant, an angry elephant with his huge ears straight out, and an elephant family. The little baby elephant's eyes are better than the older ones'. The baby told the mother about the strangers and the mother came charging toward the men.

The second reel showed twenty-eight lions all at once. They were all lying down and all of a sudden they jumped up and ran off. They jumped up so quickly it frightened some of the children.

The third reel showed a lot of giraffes. Some of them grow to be eight feet in height. The next time you see a giraffe, watch him walk. Notice that both front and hind legs on one side move at once. One of the giraffes' neck was broken. This is only the second one ever seen. The scar on his neck showed that it had been broken when he was young. His head hangs almost to the ground. Sometimes you find the leader in big groups, but mostly in small groups.

We surely liked the movie.

Wednesday, May 4, in our 4-H club meeting we spent most of our time in copying our stories. Some of them are very interesting. Friday, in our art period we worked on the covers for our stories. Some of them are very pretty and neat.

We are very glad to have Ector Bejarano in school again. His right hand, which was hurt badly, is better.

Miss Mary Maroney and Dr. L. H. Howard examined the school children. Allan Harrison, who had a cold and cough has to stay out of school. We are sorry that he has to stay home, but it will prevent the cold from spreading among the other children.

Mary Louise Echols, our club president, has learned to crochet. She is crocheting around a blanket for her baby cousin. At first she tried fine thread and got so discouraged that she was about to stop. Then she got coarser thread. Now she is doing very well. We might get her to teach us how to crochet.

4-H Club Activities

(These activities include the training of the head, heart, hand and health and are under the supervision of Evalyn A. Bentley, home demonstration agent for the agriculture extension service of the University of Arizona.)

EMPIRE MERRY MAKERS

By Evangeline Ferra

There are three things that man must have in order to live—food, shelter, and clothing. To that list we might add music, which is almost as necessary.

Miss Evalyn Bentley brought Betty Reif and Kibbe Petty to visit us on Friday, May 6. They gave us a musical program which we enjoyed very much. Kibbe Petty, accompanied by Betty Reif, played the following on his violin:

Romance John S. Svendsen
Third Movement Concerto

..... Fredrick Seitz
and the popular melody Aufwiedersehen, My Dear.

Betty Reif, who is the president of the Tucson B Sharp club, played the following on the piano: Prelude in C Sharp Minor by Rachmaninoff.

Annie Young played some Mexican selections on her accordin. The first grade sang a few songs appropriate for Mother's day and a Mother's day carnation was presented to the guests before they went home.

Lena, C. Buck writes—The annual union service of Vaughn and Sonoita churches was held at Vaughn, Arizona, Sunday, May 8.

The following Mother's day program was given:

Sunday school, 10:15 a. m.; morning program by Sonoita; Sunday school lesson 10:45 o'clock.

Glee club of First Baptist church of Tucson, "I Want My Life to Tell" message by Mr. Lou Hess.

After the morning program everybody enjoyed a picnic lunch.

The afternoon program was given

by Vaughn Sunday school, as follows:

Song, My Mother's Day; Dialogue, Mother; song, Mother's Day, by six children; song and recitation, Songs My Mother Loved, high school; song, selected, Ralph and Marstelle Klene; song, My Mother's Prayers; song, Meet Mother in the Sky, by mothers; son, Happy Mother's Day, by the children. Mr. Anderson sang Mother Machree by special request.

Program of Glee club of the First Baptist church of Tucson:

That Beautiful Land; Sometime Somewhere, Glee club; My Anchor Holds, The Church in the Wildwood, quartet.

Message by Mr. Morison Smith. Just Outside the Door; Child Come Home, The Old Wayside Cross, Glee club. (Solo by Kenneth Holder).

It Pays to Serve Jesus, duet by Kenneth Holder and Jerry Moyer.

The Glee club was directed by Marion Smyth and Jerry Moyer was the master of ceremonies.

Mr. Arthur Brownlee drew a picture of a mountain scene, which was presented to the oldest mother there. Mrs. L. J. Gardner, of the Empire district, received the picture.

We want to offer our congratulations to the Pantano Stitch in Time and Cortaro Progressive Juniors for winning the Victrolas presented by the Fisher Music company as a result of the county contest in music appreciation held at Sunnyside, April 23.

SUNNYSIDE SUNSHINERS

By Aurora Herran

The 4-H club members are writing their stories. Margaret Weber was the first girl to finish her story. Lorean Quinn, Mary Gallego, Lilly Lopez, Mary Carranza, Frances Watkins, Annie Moore and Aurora Herran are writing their stories too.

Johnatta Colson, Mary Welch, Amelia Vasquez, Marjorie Latham, Marjorie Perrine, Mamie Propati are not finished with the first demonstration.

For our puppet play we have chosen Arthur Weber for Hansel and Kathryn Klayda for Gretsel. We are going to give it on May 27, 1932.

We are going to have our Stanford achievement test, Friday 13, 1932.

SOPORI SCHOOL NEWS

By Isabel Vega

We are working on our press book this week. The press book is made from all the news items sent in to the paper every week this year. This book completes our 4-H club publicity projects for 1931-32. This book will be kept in our library and it will be interesting for other pupils to read in later years.

We are completing our health project in the club. Every member is to write a story about their work in the Health club. Following is one of the stories by one of the younger members, Jessie Figueroa:

HEALTH STORY

By Jessie Figueroa, Age 12

Here at school we gargle and we

drink cod-liver oil. We know how to eat green vegetables and fresh fruits. We like to play in the fresh air. We have healthy children at school and we like cod-liver oil very much.

We brush our teeth every morning before we eat our breakfast and before we got to bed.

We planted vegetables in the back of our school yard and then ate them at school with our lunches. We eat vegetables at home when we can get them.

We take a bath nearly every day at school, we have shower baths, the water is cool and fresh.

Our nurse is coming to give us a picnic. We are expecting her to come to our school, so she can examine us.

I like orange juice very much, I eat for my breakfast some cereal, butter with bread and some milk every morning.

When we come from playing our teacher sees our hands to see which row is the cleanest row and then when school closes she is going to give something to each one. To the one that is the dirtiest she is not going to give anything.

I joined in the music memory contest for 4-H clubs. I like to listen to music and I learned to recognize the selections on the list.

CORTARO PROGRESSIVE

JUNIORS CLUB

By Victoria Colorez

All the club members of the Progressive Juniors club had a picnic, Saturday, May 7, 1932. We went to Picture Rocks for our picnic. We left school at 9:30 A. M. Twelve of us went: Suzanna Cordova, Beatriz Cordova, Amelia Cordova, Enriqueta Montijo, Lillie Moser, Gladys Moser, Martha Hoag, Rosa Martinez, Panchita Cardenaz, Fidella Colorez, Mrs. Miriam Pearson and myself. Fidella Colorez took us in her car, and since the car wasn't very big she had to make two trips. Five of us walked from the school house to the Silverbell road and there Fidella met us and took us in the car.

For our picnic we took potato salad, buns, roasted wieners, grapefruit and cookies. Since we took only three gallons of water we ran out and we had to look around and find some. We got some from a well at Yuma Mines. Rosa Martinez, Suzanna Cordova and Beatrice Cordova walked part of the way to the well.

At 4:30 P. M., we came back to school and when he got here Mrs. Pearson made lemonade and we ate some salad, then at 5:30 we had our pictures taken and then we went home after that good picnic.

All of the club girls are very busy writing the club stories to send in by Friday.

Fidella Colorez was our representative for the Music Memory Contest held on Saturday, April 23, at Sunnyside school. We are all certainly grateful to her for having won the phonograph for the club. Mr. E. S. Pearson brought the phonograph from Fisher's Music Store on Saturday and also a record which the rest of us who tied in the local contest helped to select from a list. Fidella is going to write to Fisher's Music company for the club and thank them for their generous gift to us.

Last Tuesday Miss Evalyn Bentley came out and showed Fidella Colorez and myself how to frame pictures with tape. We thought it very interesting and are going to frame some little black and white pictures for our electives in our Girls' Own Room project.

Mrs. Constance Smith, County School Superintendent, and Mr. Fitzgerald from the Superintendent's office, came out last week and we got to see a picture show of how they photograph wild animals in Africa. It showed the elephant, camel, rhinoceros, lion and giraffe. It was all very interesting and we enjoyed it very much.

PANTANO STITCH-IN-TIME

School and Club News

By Mary L. Echols

In our last meeting Wednesday, May 11, some of the 4-H Club girls worked on our scrap book. We are pasting our publicity notes in it. Most of the girls worked on their stories. Those finished belong to Mary Nicholas, Grtrude Bejarano,

Frances and Cléotilde Anduago, Lucy May and Mary Louise Echols and NelMe Gastellum.

MISCELLANEOUS NEWS
By MARY F. FOSTER

Wednesday, May 11, 1932, the members of the eighth grade at Pantano, who are Mary F. Foster and Gertrude Bejarano, attended the Benson graduating program. We enjoyed it very much. Eighteen students graduated.

The stage was decorated with "Class 32" in roses and ferns in a conspicuous place. There were many other kinds of flowers and plants.

Friday, May 6, the eighth grade

at Pantano took their final examinations in constitution and passed with good grades.

Mary Nicolas Bejarano writes: Wednesday, May 11, we decided now to make our scrap book for our news items in the 4-H publicity project. Gertrude and Mary N. Bejarano bought the material for the scrap book. It is green cloth. We are going to embroidery the letters "Pantano Stitch-in-Time News", on the front cover. Mary N. Bejarano was chosen to make the lettering.

We are very sorry that Allan Harrison, one of our pupils, has moved away.

4-H Club Activities

(These activities include the training of the head, heart, hand and health, and are under the supervision of Miss Evalyn A. Bentley, home demonstration agent for the agricultural extension service of the University of Arizona.)

EMPIRE MERRY MAKERS

By Evangeline E. Ferra

As we look back over this year's work in our garment making club we have learned to do many things. We have learned that a good club member finishes everything she starts. We finished 100 per cent, all of our sewing, stories and record books, and turned them all in on time.

Every member of our first year garment making club has learned to thread a needle, make and hide knots, fasten the thread, use a thimble, handle the scissors, take accurate measurements, make even stitches, sew straight seams, mend and darn our clothing and keep clothing clean and neat.

Some of the girls have helped at home with the baking and some have made their own dresses. We all dressed dolls for Washington's Birthday. We gave one to Mrs. Constance Smith, county school superintendent, and one to Miss Evalyn A. Bentley, home demonstration agent.

Our invitations for our achievement day program are small paper stockings with a small imitation darn in the toe, which represents the best thing the club did as we got first and second county prizes on stocking darn.

The name, "Merry Makers", which we chose for our club, means that we planned to do what we had to do cheerfully and gladly; that we would really be "Merry Makers".

It takes hard work to be a winner, we can't all be winners, but we can be workers.

We have received our certificate from the American Tree association, for planting trees in honor of George Washington's bicentennial anniversary.

On March 4 we planted a cottonwood tree and an elderberry which are growing nicely.

CORTARO PROGRESSIVES JRS.

By Panchita Cardenas

The Progressive Juniors club has finished everything and the following awards were given:

First year project:

Darn—Rosie Martinez, first; Dolores Coronado and Martha Hoag (tie), second; Gladys Moser, third.

Stockinet Patch—Rosie Martinez, first; Enriqueta Montijo, second, and Rosa Coronado, third.

Dishtowels—Rosie Martinez, first; Dolores Coronado, second; Martha Hoag, third.

Bloomers—Rosie Martinez, first; Dolores Coronado, second; Gladys Moser, second; Lorensita Amarillas, third.

Aprons—Rosie Martinez, first; Dolores Coronado and Rosa Coronado and Enriqueta Montijo (tie), second; Gladys Moser, third.

Second year project:

Princess Slip—Rosie Martinez, first; Anita Coronado, second; Suzanna Cordova and Amelia Cordova (tie), third.

Dress—Rosie Martinez, first; Suzanna Cordova and Anita Coronado, second; Amelia Cordova, third.

Garment Darn—Suzanna Cordova, first; Amelia Cordova, second; Amelia Cordova, third.

Third year project:

Dress—Victoria Colorez, first; Beatrice Cordova, second.

Shirt—Beatrice Cordova, second; Victoria Colorez, third.

Patch—Beatrice Cordova, second; Victoria Colorez, third.

Buttonhole—Beatrice Cordova, second; Victoria Colorez, third.

Fourth year project:

Girls' Own Room Articles—Panchita Cardenas, first; Fidella Colorez, second.

Extra projects:

First Year—Gladys Moser, first on press book cover.

Second Year—Rosie Martinez, first on pillowslips.

Third Year—Victoria Colorez and Beatrice Cordova (tie), first on bonnets.

Fourth Year—Fidella Colorez and Panchita Cardenas (tie), first on framing pictures.

We are going to have achievement day and closing day together at Cortaro school May 20. We are going to have exhibit from 7 to 8 o'clock at night and the program from 8 to 9.

The following program will be given:

Hiawatha Cantata

Illustrated Stories—Rosa Coronado Piano Duet—George Jurko and Mrs. Floy Batterton

Piano Solo—Velva Alexander Mother Goose

Play—Primary Grades Piano Solos—Gene McConias, Gary Wade, Paul Hart

Farmer Knows His Onions—Upper Grade Boys

Days of the Week—2nd and 3rd Grade Girls Violin Solo—Jack Fruits

Violin Trio—Fidella Colorez, Jack Fruits, Panchita Cardenas

Down on the Farm—Primary Children

Little Boys' Walk—Primary Children

Fishermen's Song—3rd Grade Boys The 4-H Club

Emblem—4-H Club Girls Presentation of Awards

Talk and presentation of 4-H club pins by A. B. Ballantyne, assistant director of the agricultural extension service of the University of Arizona.

Flag Drill. America.

PANTANO STITCH-IN-TIME

By Mary Nicolozos Bejarano

Monday, May 16, Miss Mary Maroney visited the children of the Pantano school. She examined them.

The eighth grade pupils, who have been taking their examinations, are through with them. Sunday, May 15, Mr. Robinson brought out the victrola from Fisher's Music company. We surely are enjoying it, and want to thank Mr. Robinson for his kindness.

Wednesday, May 18, in our club meeting we finished our press book cover. After it was washed and pressed it looked neat and pretty. We also practiced some songs for our achievement day program which will be held Monday, May 23. These are the songs we're going to sing:

Our Club'll Do, Thanks to You: Making the Best Better.

Sweet and Low.

We also started to learn our parts for our last day of school program on Friday, May 27. First is Old Man Mathematics and His Children. The characters are:

Old Man Mathematics—Armando Bejarano
Addition—Elena Bernal
Subtraction—Lucy May Echols
Multiplication—Ector Bejarano
Division—Nellie Gastelum
Algebra—Sofie Bernal
Geometry—Clotilde Anduaga
Decimals—Mary Bejarano
Adding

Machine—Harold Pennington
Besides this we have the eighth grade graduating exercises.

SOPORI SCHOOL NEWS

By Isabel Vega

We are practicing on our program which we will have on Thursday morning, May 26, at 10 o'clock. We are going to have a play on our program. The name of it is, "The Trial of Johnny Jones."

This story is about a boy who has broken some of the laws of Healthland. He is brought before the king and queen. The trial continues with charges against Johnny. The queen suggests that he may have some friends to testify in Johnny's favor. His vegetable, cereal and sunshine friends come to help him. He is given his freedom on condition that he obeys all the laws of Healthland.

The larger boys are fixing screen doors and windows this week, to have everything ready for the program. They have also built a small platform to be used for the program. They made it from old lumber.

We have made most of the costumes from crepe paper and baling wire.

Dr. L. H. Howard and Miss Ma-

ronney, county nurse, visited us today, May 18. This is the final examination. Everyone was examined, eyes, teeth and tonsils.

VAIL VILLAGERS

By Elsie Hood

Our commencement program will be presented Friday evening, May 27, at 8 o'clock. The eighth grade class play, "Crinoline and Candlelight", will be the main features. The play is a Bicentennial play in honor of the two hundredth anniversary of George Washington. The leading characters are eighth grade pupils:

Ellen Rita Wagner
Bob Jim Woolsey
Geo. Washington... Robert Wagner

Other actors in the play are Elsie Hood, Betty Woolsey Gladys Schmitt, Celia Romero, Roscoe Pettit, George Genung, Norman Wagner and James Johnson. George Washington steps out of history and helps Bob out of his difficulties.

June Pettit and Betty Woolsey will give a stunt called, "Meow", a catty argument between two girls about the man each is engaged to.

Special music will include "Welcome Sweet Springtime" and "Farewell to Thee", sung by the upper grades, and "Lady Spring", "The Friendly Robin" and "Little Miss Echo", sung by the lower grades. A piano solo by George Genung and a piano duet by Rita Wagner and Betty Woolsey and Elsie Hood will give a dance called "New Shoes."

Diplomas will be given to the graduating class, and perfect attendance awards to several pupils.

Tuesday evening, May 24, at 7:30 o'clock we are going to combine our 4-H achievement day program with the Pantano Stitch-in-Time club. Our exhibits will be on display and a short program will be given. Miss Evalyn A. Bentley, Pima county home demonstration agent, will present 4-H pins to the club members who have finished all their work and written their stories.

Monday, May 16, Miss Mary Maroney, Pima county school nurse, examined our teeth, eyes and tonsils.

Rita Balderrama has sent all the club girls and our leader, Miss Esta Trotter, little pink and white invitations to a party to be given in honor of Rita Wagner, May 23. She has decorated the Village Inn with bright colored paper and has planned games and contests.

The Fisher Music company gave every 4-H club represented in the music memory contest at Sunnyside April 23 a victrola record. Our club selected "Star and Stripes Forever" by Sousa. We think it is beautiful and play it every morning as we march and salute the flag. We are going to write a letter to the Fisher Music company and tell them how much we appreciate it.

SUNNYSIDE SUNSHINERS

By Mary Welch

Mary Gallego, Mary Carranza, Annie Moore, Margaret Weber, Lilly Lopez, Lorean Quinn, Aurora Herron, Frances Watkins and Mary Welch will receive their 4-H pins Friday evening, May 20. Director P. H. Ross of the agricultural extension service of the University of Arizona, will present the pins. These girls will have their work on exhibit.

The school is giving a puppet show, "Hansel and Gretel". Arthur Weber will be Hansel, Kathryn Klayda, Gretel; Lilly Lopez, witch; Marjorie Latham, mother; Robert Marzle, father. We are hoping it will be good, they have worked very hard.

Wednesday Arivaca came to our

school for a ball game. The Arivaca girls won. Then we played off the tie of our previous game and we won. The Arivaca boys also won.

Mrs. Mayda Menzle will carry on the 4-H club work during the summer.

EMPIRE CLUB'S DAY OF AWARDS

Star — 5/26/32
Achievement Day Closes
Successful Season
for Children

By EVANGELINE E. FERRA

The annual closing of school and Achievement Day was held at the Empire school, Tuesday, at 2 o'clock. The program follows:

What the Farm Boys and Girls Club Is—Lydia Young.

Song—Darning Song.

The Posture Play—"Wanted: Attendants for the Little Princess." It All Depends on You.

Song—"If You Are Feeling Bad."

Song—"4-H Dairy Song."

Play—"The Mistake," by Grace Sorenson.

Characters:

Mrs. Montrose Angel Young

Jane Bronson.....Lena Claude Buck

Katherine Eva E. Ferra

Eighth Grade diplomas were presented to Lena Claude Buck and Eva E. Ferra and an honor award was given to Lena Claude Buck for not being absent nor tardy throughout the year.

Robert Amarillas, Lucy Amarillas, Eva E. Ferra, Lena C. Buck, Angel Young, Annie Young and Lydia Young received their 4-H pins. H. R. Baker, Boys' and Girls' club specialist of the agricultural extension service of the University of Arizona, presented the pins.

The cup presented to the 4-H clubs of Pima county by Mrs. Newton B. Ashby to encourage work in publicity was won by the Empire club and presented at the Achievement Day program by Miss Evalyn A. Bentley, home demonstration agent. She told us that Pantano was a close second to Empire and that Cortaro and Sopori and Sunnyside also scored high in publicity and press book work.

Refreshments of cookies and lemonade were served to the following guests: Miss Mary E. Bryan, Miss Evalyn A. Bentley, Reva Bentley, Mr. and Mrs. M. H. Baker and sons, Richard and Robert, Mrs. C. R. Nally, Miss Mablegene Millet and 12 pupils from Greaterville school. Mrs. Mina Douglas, Miss Buelah Bateman, Mrs. Dorothy I. Sprung, Mrs. Kate Bowright, Mrs. Annie Christensen, Mrs. J. R. Gardner, Mr. C. A. Gardner, F. C. McEuen, Mrs. E. LeGendre, Mrs. L. J. Gardner, Mrs. C. L. Honnas, Luanita Leon, Senorita Luz Amarillas, Mr. and Mrs. Ernest Buck, Mr. and Mrs. J. H. Buck, Miss Socorro Sainz, Ernest Young and Mr. and Mrs. L. E. Krentz.

CLUBS CELEBRATE ACHIEVEMENT DAY

Star — 5/26/32
Closing the season for the various 4-H clubs of the county school will be the Achievement Days, held this week at the different schools under the direction of Miss Evalyn A. Bentley, home demonstration agent for Pima county. H. R. Baker, state club specialist for boys' and girls' clubs, will present the pins and awards to those students who have completed the work for the season.

Yesterday afternoon, exercises were held at Sahuarita where the Garment Making club is under the direction of Mrs. Alberta Wilson. This forenoon, Miss Bentley and Mr. Baker will visit Sopori school where Mrs. Evangeline Urquides is in charge of the Health club. This afternoon will be Achievement Day at Arivaca where there are two 4-H clubs a Health club directed by Mrs. W. G. Barnett and a Garment Making club in charge of Mrs. Helen Farrell. Friday forenoon, the Jaynes Health club directed by Mrs. Sammy Burns will be visited while the final achievement program will be held at Vail, Saturday night. Miss Esta Potter is in charge of the Garment Making club at Vail.

EMPIRE PUPILS ARE GIVEN CUP

Star — 5/25/32
Publicity Judges Find
Work of Rural School
Most Acceptable

The pupils of Empire school were yesterday awarded the cup for publicity among the rural schools. The cup was donated by Mrs. Newton B. Ashby and must be won three times in succession by the same school to insure permanent possession. The award was made at the regular Achievement Day at which H. R. Baker, and Miss Evalyn Bentley, county home demonstration agent, were present. The award was based on the following points: Excellence of leads in stories, clarity of ideas, recognition of news, both local and 4-H club, regularity, neatness and completeness of copy. Members of the local press acted as judges.

4-H Club Activities

These activities include the training of the head, heart, hand and health, and are under the supervision of Evalyn A. Bentley, home demonstration agent for the Agricultural Extension Service of the University of Arizona.)

This has been achievement week for the 4-H clubs in Pima county. Seven communities have held achievement programs during the week. These programs were attended by parents and visitors from the community. H. R. Baker, state club specialist for the agricultural extension service of the University of Arizona, and Evalyn A. Bentley, home demonstration agent, attended all of these programs, awarding the pins and enjoying the programs.

SAHUARITA

The achievement program at Sahuarita was combined with the musical program under the direction of Miss Hazel Buente, music teacher of the school. Pins were awarded to the following:

First year—Mary Delgado, Andrea Delgado, Alice Obregon, Carmen Martinez and Aurelia Soto.

Second year—Carmela Felix, Alicia Armenta, Antonia Villa, Emelia Curtis, Augustine Martinez and Elvira Felix.

Third year—Ruth Rich.

This program was held on Wednesday afternoon, May 25.

SOPORI

By Isabel Vega

Following is the program of the Sopori club's achievement day:

My Little Dog, group of primary boys; dances; Klop Dance, and Let Us Wash Dolly's Clothes, primary group; dramatization, Peter Rabbit; Spanish tambourine dance; What Every First Year 4-H Health Club Member Should Know, Isabel Vega; health song, Should We, group of girls; health play, The Trial of Johnny Jones, mixed group; health song, When You're Feeling Down and Out, by all; group of vocal numbers, Evangeline Urquides.

Visitors from Tucson for our program were: Mrs. Constance Smith, superintendent of schools, Miss Mary Maroney, nurse from the county health department, Mr. H. R. Baker, state boys' and girls' club specialist, and Evalyn A. Bentley, home demonstration agent in charge of club work in Pima county.

The members of the Sopori Willing Workers' Health club received their first year pins. Those completing the first year's work were:

Ruth Oros, Jessie Figueroa, Albertine Bustamante, Adelia Bustamante, Isabel Vega, Rose Vega, Lupe Garcia, Arminda Bonillas, Cosmen Lopez, Joe Vargas, Arnold Valenzuela and Randall West.

ARIVACA

The achievement day program at Arivaca was held Thursday, May 26, with the following receiving pins:

First year, garment making club—Eneadrina Ybarra, Armida Leon, Olivia Ybarra, Antonio Encinos, Edilia Ybarra, Rebecca Ybarra and June Hubbell.

Two year garment making club—Alice Acevedo, Rita Arcoverde, Emma Membrilla, Catalina Galvez, Bernardina Caviglia, Georgina Ybarra, Anita Rodriguez, Martha Membrilla, Amparo Cordova, Theresa Cordova.

Health club—Raul Acevedo,

Jesus Pina, Raul Montano, Boyd Toney, Mauro Gonzales, Ernest Acevedo, Ignacio Pineda, Richard Galvez, Joe Arcoverde, Armando Membrilla, Sam Kennedy, William Kennedy, Ernest Monarque, Benjamin Monarque and Billy Ybarra, Richard Galvez and Conrado Cordova.

The following program was presented:

We've Got A Hunch, 4-H club; A Boy's Welcome, Ernest Acevedo; Swing Low Sweet Chariot, Chorus; A Modern Dinner Pail, Armando Membrilla; Who, Alice Acevedo; Vacation Is Coming, Georgina Ybarra; A Short Speech, Marjorie Nichols; Fine Clothes for the Close, Rita Arcoverde; Play, The Good American, upper grades.

CORTARO

By Victoria Colorez

The Cortaro school had their achievement and closing school entertainment together. We started at 8:00 p. m., Friday, May 20, and closed about 9:30. We opened with a cantata, "The Childhood of Hiawatha," and ended with "The Story of our Flag."

Mr. A. B. Ballantyne, assistant director of the agricultural extension service of the University of Arizona, gave a talk and awarded the 4-H club pins. Those who received pins were:

First year—Rosa Coronado, Dolores Coronado, Rosa Martinez, Enriqueta Montijo, Martha Hoag and Gladys Moser.

Second year—Rosa Martinez, Anita Coronado, Suzanna Cordova, Amelia Cordova.

Third year—Beatrice Cordova and Victoria Colorez.

Fourth year—Panchita Cardenaz and Fidella Colorez.

Special—Lorensita Amarillas.

Miss Ernestine Fruits gave us a good surprise. She presented to us the silver trophy cup again. We did not think we had done such good work to win the cup and we were overjoyed when we saw it. Four clubs tied with a score of 94 and we had won by just two points, with a score of 96.

Not only sewing was exhibited, but the boys' shop work, the three best examples of writing from each class and notebooks and also pictures. Those who had a grade of 1 in shop work—Jack Fruits and

George Jurko—received blue ribbons; a grade of 2—Frank Lara, Abelardo Colorez and James Adams—red ribbons; a grade of 3 plus, —Nicholas Amarillas and Hilberto Fierros—white ribbons.

Dixie Fay Luker, Josefina Cordova, Lolo Romo, Ramona Lara and Lillie Moser got ribbons in the younger girls' sewing class.

Ribbons in blue, red and green improvement buttons were awarded the three best writers in each class. In first grade Ramon Navarro was first; Kenneth Worcester, second; and Gladys June Jurko and Alberto Cordova, third. Second grade: Josefina Cordova, first; Paul Hart, second; and Leon Smith, third.

Third Grade: Gary Wade, first; Hilberto Fierros, second; and Rosa Coronado, third; Roberto Colorez also had third. Fourth Grade: Anita Coronado and Dolores Coronado, first; Abelardo Colorez, second, and Nicholas Amarillas, third. Fifth Grade: George Jurko, first; Frank Lara, second; and Dorothy Andrews, third. Sixth Grade: James Adams, first; and Gladys Moser, second; Seventh Grade: Victoria Colorez, first; Martha Hoag, second; and Jack Fruits, third.

Then for the one in each room who had done the neatest and best writing all year, Mrs. Miriam Pearson gave two other prizes. Ramon Navarro of the primary room received an Eversharp pencil and Victoria Colorez of the upper grade room, a fountain pen.

Mrs. Floy Batterton also gave a prize for the best fourth grade history notebook. Anita Coronado received the prize, a bracelet, for this.

Mrs. Constance F. Smith, county school superintendent, presented perfect attendance awards to Dorothy Andrews, Albert Jurko, Paul Hart, George Jurko and Jack Fruits.

PANTANO

By Mary Nicolozas Bejarano

Monday, May 23, we gave our Achievement Day program. Miss Evalyn Bentley and Mr. H. R. Baker came to our program. We surely enjoyed it. This was the program:

The Club Pledge; Our Club Will Do; A Report by the President, Mary Louise Echols; Making the Best Better; My First Year's Work, story by Lucy May Echols; Wanted: A Girl, by Mary Frances Foster; Sweet and Low, club members; A Story by Francis Anduaga, read by Sofia Bernal; A Second Year Story, by Mary Bejarano and one by Mary Frances Foster.

After the program pins were presented to the following club members:

First Year—Mary Louise Echols, Lucy May Echols, Frances Anduaga and Sofia Bernal.

Second Year—Mary Bejarano, Gertrude Bejarano, Mary F. Foster, and Cleotilde Anduaga.

The guests who came to our Achievement program were:

Alice Lundquist, Beryl Lundquist, Mrs. S. Talamantez, Mrs. Y. Anduaga, Mrs. F. Ruiz, Mr. and Mrs. J. A. Echols, Mrs. P. Foster, Mr. Robinson, Evalyn A. Bentley

and Mr. H. R. Baker. Beside these we had some of the school children, Mr. Bateman and Mrs. Florence Bateman, our club leader.

We are very glad that our press book was voted first, as a press book. We are also glad that the Empire Merry Makers won the publicity cup. We all think they worked hard to win this cup. Of course every club has worked hard to win it, but still, Empire seems to be the hardest worker.

Wednesday, the sixth and seventh grades worked the numbers for the graduating class. The numbers were: "Class '32." They also have a good motto: "Grit Wins." Their colors are white and pink. We were very glad to work for the eighth graders.

Pls were awarded to the Health club of the Jaynes Jolly Juniors at their last meeting. Mrs. Sammy Burns is leader of the group. Those receiving the awards were Elinor Ortega, Vicente Ortega, Alvin Simmonds, Martin Simmonds, Vivian Day, Clara Wade, Kenneth Murphy, Lloyd Murphy, Bernice Honea, Emma Simmonds, Melva Sue Tribble, Tom Collins, Nineta Collins, Manuel Arvizue, Gilbert Ortega, Billy Werbrick, Dolores Berber, John McCully, Jose Gonzales and Gene Shannon.

4H CLUB ACTIVITY INCREASING GREATLY

Boys and girls 4-H club activity throughout the state is experiencing a decided increase now that the school year is over and vacation time is at hand according to H. R. Baker, boys' and girls' club specialist of the agricultural extension service of the University of Arizona.

During the last few weeks county-wide events have been held in four counties and the month of June will see five other counties holding club get-togethers. The annual 4-H club fair held recently on the campus of the state teachers college at Tempe was the largest ever held, with over 2,000 exhibits by the Maricopa county members. Mr. Baker stated. County champions were also determined at this fair. An interesting fact concerning the fair is that it is entirely managed by the club members.

Pima and Pinal counties recently held their annual county achievement days with programs and extensive exhibits. In both of these counties it was necessary for the members to travel long distances in order to be present. During the current month five counties are planning county club picnics for their members.

(These activities include the training of the Head, Heart, Hand and Health, and are under the supervision of Miss Evalyn A. Bentley, Home Demonstration Agent for the Agricultural Extension Service of the University of Arizona.)

Pantano Stitch-In-Time Club News By MARY BEJARANO

The 4-H club members are having a nice vacation and are enjoying it very much.

Tuesday, June 7, Harry Landquist, Emmett Landquist and Geo. Landquist left for California to spend their vacation.

May 29, a club member went to spend her vacation at Helvisia where she will remain for a few months.

Monday, June 2, Mr. F. Bejarano and his two smaller sons, Armando and Ector, left for Phoenix, Ariz. They arrived Tuesday, June 7, at 8 o'clock.

Sunday, June 5, Benito Tarrez, a school pupil, hurt his right hand, this happened on the way to his house, he was riding a horse. Mr. H. Pennington, the section foreman of Pantano, took him to the doctor at Benson. When he came home he was much better.

4-H Club Work

(These activities include the training of the head, heart, hand and health, and are under the supervision of Evalyn A. Bentley, home demonstration agent for the Agricultural Extension Service of the University of Arizona.)

Pantano Stitch-In-Time News By MARY BEJARANO

Monday, June 13, a car tire was stolen from Mrs. P. Foster's garage. They don't know yet who stole it.

Tuesday, June 14, we had Sunday school in one of the section houses. We have a priest who comes once a month from Benson, Arizona.

We are very sorry that our club leader, Mrs. Florence Bateman, has moved from Pantano where she used to live. She has moved away to live near Benson at the ranch with her mother.

The club members are enjoying their vacation very much. The reporter, Mary Bejarano, is learning to crochet and is doing just fine. This is keeping her busy through the summer. By the time school starts she will have two nice scarfs for our victrola which was won in the music memory contest.

Winners Announced For County Music Memory Contests

The winners in the county-wide 4-H Music Memory contest, which was held at Sunnyside Saturday, have been announced by the firm presenting the awards—the Fisher Music company. Fidelia Colerez, of the Cortaro Progressive Juniors, and Mary Louise Echols, of the Pantano Stitch-In-Time, tied for first place. Both girls are members of garment making clubs. Mrs. Miriam Pearson is the leader of the Cortaro Progressive Juniors and Mrs. Florence Bateman is leader of the Pantano Stitch-In-Time club.

Other contestants who ranked high were:

Betty Woolsey, Vail Villagers club, with Miss Esta Trotter, leader; Lilly Lopez, Sunnyside Sunshiners, Mrs. Kathleen Perry, leader; Eva E. Ferrera, Empire Merry Makers, Mrs. Agnes L. Krentz, leader; Rose Vega, Sopor Willing Workers, Mrs. Evangeline Urquides, leader; Mary Delgado, Sahuarita club, Mrs. Alberta Wilson, leader; Bernice Honea, Jaynes Jolly Juniors, Mrs. Sammy Burns, leaders; Marie Clara Bail, San Xavier, Mrs. Dolores Rios and Sister Emily, leaders.

The music memory work is a part of the National program for 4-H clubs which includes a membership of 850,000 girls and boys in the 48 states. In Pima county the music appreciation project included the recognition of type, title and composer of eight selections. Nine communities participated in the contest and all showed much interest.

The 4-H club work, as well as the project in music appreciation, is under the direction of the home demonstration agent, Evalyn A. Bentley, the work being done by local leaders in the various communities.

The communities participating have each held a local contest and the winner took part in the county contest. Each local community will be given an award by the Fisher Music Company, the clubs winning first place—Cortaro and Pantano—will each receive a victrola presented by the Fisher Music Company.

4-H Club Activities

(These activities include the training of the head, heart, hand and health, and are under the supervision of Evelyn A. Bentley, home demonstration agent for the agricultural extension service of the University of Arizona.)

Those interested in 4-H club work will be glad to hear of the success of former club members. Our state club champion in home economics in 1926, Lorraine Kitchen, who won the trip to Chicago that fall, was graduated from the University of California at Los Angeles last week. Lorraine, a Marana girl, who moved to California with her parents, Mr. and Mrs. Clark Kitchen, writes to the home demonstration agent as follows:

"Do you remember that I wrote you to write to the Lions club of Sacramento when I applied for a scholarship in their Junior college? They awarded it to me, but I decided to go to U. C. L. A. instead. Well, I hung on to those recommendations and had them sent to U. C. L. A. and they now appear in my confidential papers. More about them later.

"I went to U. C. L. A. in 1927. I registered as a home economics major and stayed in that department three days. I used to go over to the gym and my heart would ache when I saw the things they were doing so I changed my major to physical education and am still in that field.

"I taught this year in my own home high school, Lancaster, Calif. Counting the Junior college students, there were nearly 400 students in school. I lived in the girls' dormitory and helped the matron take care of the girls. These girls were from mining towns up in the mountains where there are no high schools. I taught all four high school classes in physical education and had one class of Junior college students. I enjoyed it immensely—in fact, I loved it.

"The boys here are pretty well organized in 4-H clubs, but there is a fine field still open for girls' organizations here. Instead of ministering to their needs in home economics, I am concerned with their health. We examined all of the girls and carried out the doctor's recommendations for rest, shoulder and foot corrective exercises.

"I can never evaluate the value of club work. Somehow, its worth is something like health, it can't be had by money nor pull, hence can't be taken away from one. The work I did in that field is evidenced over and over again. When the new principal introduced me to the student body, he remarked—oh, it's not fair to repeat it, but I'll tell you anyway—he said: 'Her papers from U. C. L. A. show that she proved her worth way over in Arizona in club work before she ever came to California.'

"Positions were very scarce. Out of 30 who graduated in our field only three of us had positions the last word I heard. The other two girls were excellent students while at the university. I think the 4-H work I did over in Arizona has always been a great help every time I have used those papers. Mr. Ballantyne's, Mrs. Lockwood's and yours are in with all my college recommends, the whole of which is called my confidential papers, and will always be used every time I apply for a new position. I am mighty thankful for those reports from Arizona. I didn't get in activities very much in college because of lack of time and energy. The club work that I did more or less replaces or fills that activity section and you can be sure that it's a big help.

"As you probably know, I worked to help pay my expenses all four years while in the university. The last year I belonged to the Helen Mathewson club, an honorary society for self-supporting women. It is quite selective and only has a current membership of 24. There were about 3500 girls, 30-some per cent of whom were partially or wholly working their way in college.

"I worked for my board and room, all except the last year, while at the club. Needless to say, I earned most of the money doing sewing and household help. The former was possible through club work, as well as a great deal of the latter, although I guess I would have learned housekeeping eventually.

"Last summer I went to visit friends in Salt Lake and we traveled to Bryce's, Zion's canyons and to the Grand Canyon. I was gone three weeks and had a perfect time."

EMPIRE MERRY-MAKERS

By Lydia Young and Evangeline E. Ferra

We have been so interested in the 4-H club work and we enjoyed it so much in learning how to sew that we have kept on sewing, since school was out. We have helped mother with the sewing. Lydia made an apron and a tea towel. Lydia spends most of her spare time sewing.

One of our club members, Lucy Amarillas, is spending part of her vacation in Tucson.

On June 3, a family from Forty-Nine mine moved over close to Nally's ranch.

On June 6, Eva Ferra took a trip to Rincon to get her younger brother to come and spend the vacation with her.

On June 7, Eva Ferra started to work for Mrs. Frank S. Boice as a housekeeper and she enjoys the work very much, and she is hoping to work for Mrs. Boice part of her summer vacation.

We are sorry we have missed the first three weeks in not sending the news notes in, but we are going to try to get them in every week or every two weeks during vacation.

PANTANO STITCH-IN-TIME

By Mary Nicolozos Bejarano

Wednesday, June 22, the Pantano 4-H club girls met for a business meeting at the home of one of our 4-H club members. We all had a good time. After our business meeting we gave a little party, with a Victrola and had refreshments of soda, lemonade and ice cream. We all said that this was the best meeting we ever had.

The members that live in Pantano are now enjoying their vacation very much. They meet in their business meeting once in a while and have the most fun in their lives.

They have been making dresses, slips, patching and darning their own socks or stockings. Even the little girls play they are club members and are learning to patch and darn, and also having a nice time.

The larger girls are now working on pillow slips, cushion tops and dresser scarfs and they are getting along very fine and enjoying it very much also.

We are very glad that our community hasn't had any sickness, and we hope we shall always keep in good health.

I don't have much news about our club, but I will try and write to some of my friends who are club members and find out news about their work and their vacations.

EMPIRE MERRY-MAKERS

By Evangeline E. Ferra

Monday, June 27, we had our first rain at the Empire ranch. The second rain came on Thursday, June 30, and it was a hard one. It rained a lot up in the Santa Rita mountains and the Empire creek was full.

Irma Grantham, the younger sister of Mrs. F. S. Boice, came over from Pearce, Cochise county, to spend a few weeks with her sister.

Friday, July 1, Irma Grantham went to Tucson to have her tonsils removed. She is feeling much better now.

Eva Ferra has enjoyed the companionship of Irma while the former is working for Mrs. Boice. Eva is learning to keep house, to can fruit and to care for the children. She is enjoying her work very much.

PANTANO STITCH-IN-TIME

By Mary Bejarano

July 4, the 4-H club members enjoyed a little party at one of the club member's homes. They danced, had refreshments of cold drinks and cookies.

Wednesday, July 6, the members had a meeting. Two visitors, Victoria Valenzuela and Esther Jones, were present. We met in the section house and the following members were present: Mary Bejarano, club reporter and vice president; Clotilde Anduaga, Gertrude Bejarano, club baseball captain; Adelina Bejarano and Francis Anduaga.

Some of the little girls want to join our club next year. One of them, Rebecca Bejarano, is so interested she is practicing club sewing this summer. She also helps to send in the club notes. Rebecca would like to be elected club yell leader next year, as she already knows lots of yells. We club members are hoping that her hopes come true, for we know she will enjoy club work.

PANTANO STITCH-IN-TIME GARMENT-MAKING CLUB

By Mary Nicolozs Bejarano

July 8 we had a good rain all over the Pantano community.

July 12 F. Bejarano came back from Mexico, where he is working. He came to attend to business and to get some tools which he needed in his work. He returned to Mexico Friday, July 15.

Wednesday, July 13, the Pantano 4-H club met for a business meeting. The members are enjoying these meetings and are doing good work this summer. Rebecca Bejarano, the junior member, led the yells at the meeting in order to demonstrate her ability in that line as she hopes to become a 4-H member next fall.

EMPIRE MERRY MAKERS

By Evangeline Ferra

Wednesday, July 13, Lucy Amarillas, one of our club members, and her sister, Josefa Amarillas, and Ernestine Wilson came over to the Empire Ranch to visit their friends.

Josefa Amarillas, who is working for her aunt, Inez Soto, came out to her home at Rosemont to spend her vacation with her brothers and sister.

Ernestine Wilson came out with her mother to Rosemont where her uncle lives to spend part of her summer vacation out in the country.

Saturday, July 16, Irma Grantham went back to her home at Pearce, Arizona, after a long visit at her sister's ranch. We are sorry to have her go but we hope to have her back again.

Our leader, Mrs. Agnes Krentz, who lived at Nally's place, went to college at Flagstaff, Arizona. We are sorry to have her go so far from our community, but she will be back in September as our teacher and club leader.

PANTANO STITCH-IN-TIME

By Mary Nicolas Bejarano

Friday, July 22, Mr. and Mrs. Tenorio's baby died of pneumonia and whooping cough. He was two months old and his name was Felix Tenorio. He was buried Saturday, July 23, we attended his funeral and we all are sorry for the parents.

We hope that the whooping

cough will be better by the time school starts because we are going to have so many beginners.

Saturday, July 23, Mary Nicholas Bejarano, club reporter, Gertrude Bejarano and other friends went to a party given by a club member who used to belong to the Pantano Stitch-In-Time club, Gladys Schmitt. We celebrated her 13th birthday. She now belongs to the Vail Villagers club. We all attended her party and enjoyed it very much.

Monday, July 25, Ector Bejarano went to the rodeo at St. David with Mrs. Schmitt, and he says he had the most fun with his friends.

4-H Club Notes

EMPIRE MERRY-MAKERS

By Evangeline E. Ferrá

Wednesday, July 27, Mr. and Mrs. Frank S. Boice and sons, Frank and Bobbie, took a trip to Newport, California, to visit Mrs. H. G. Boice. They expect to return to their home at Empire ranch within three weeks.

So now Eva E. Ferrá, who works for Mrs. Boice, is having three weeks of vacation.

Wednesday, July 27, Josefa, Alonzo and Lucy Amarillas, who is a club member; were visitors at the Empire ranch.

Sunday, July 31, Jose Romo, a cousin of Eva Ferrá, came out from Tucson to spend a week with Eva's folks. Jose has learned to ride horseback. He had never ridden horseback before. He has enjoyed the country very much and was glad to see how different it is from town.

The Empire Merry-Makers have not held any meetings since school was out, as all the club members live in different places, at some distance from each other. But all the club members have kept up their sewing and hope to do better.

PANTANO STITCH-IN-TIME

By Mary N. Bejarano

Mr. and Mrs. Bateman, our club

leader, visited some of the Pantano club members on Tuesday, August 2. We were very glad to see her.

Friday, July 29, our community had a big rain. The river had about 10 feet of water.

We think that we are going to have a big club this year. A new family is living at Marsh, Ariz., a section not far from our community, and we think that these girls will join our club. We think we will have a nice baseball team, and we would surely like to play with the Vail Villagers club members.

Everybody is anxious for school to start, as we have heard that we will be in a new school this year, and we hope it is so.

4-H CLUB WORKERS TELL ADVANCEMENT

EMPIRE MERRY MAKERS

By Evangeline Ferrá

Amos Davis, who stayed up at the Apache ranch for a week or more, returned to the Empire ranch Wednesday, August 31.

Sally Enos, who left the ranch in June for the State Teachers College at Flagstaff, has returned to her work at the Empire ranch.

Monday, September 5, Mr. and Mrs. H. G. Boice, son Freddie and daughter Peggy Ann, left for Phoenix to visit Mrs. Boice's mother. They expect to return within three days to their home at Rall X ranch in Santa Cruz county near Patagonia, Arizona.

PANTANO-STITCH-IN-TIME

By Mary N. Bejarano

Sunday, September 4, Mr. H. Pennington and his son, Harold, went to Texas for a visit. They returned to Pantano Tuesday, September 6th.

School will start September 19 and we will start right to work in our new school building. Everybody is anxious for school to start. I know that we will accomplish much in club work, we will have more members and maybe will organize a new baseball team.

Gladys Schmitt, a member of the Vail Villagers club, visited Pantano September 6. She also went to see the new school house. She said that it was very nice and that she wished she could come to school at Pantano this year and join the Pantano Stitch-In-Time club once again.

I haven't had much news this summer, but I guess I have done enough to hold my job and will be able to send more when school and club work begins again.

PANTANO STITCH-IN-TIME

Wednesday, August 24, F. Bejarano left for Boludo, Sonora, Mexico, after the men he has working there. He will be back by September 1. We are so anxious for them to come home again.

The men who have been in Mexico for about three months will find something new when they return. This is the new schoolhouse.

We are sorry that Sofia Bernal, song leader, will not be in the Pantano club this year. But we will have three new members. We are very glad to know that our president, Mary Louise Echols, and our yell leader, Lucy May Echols, will be in school at Pantano again this year and members of the club.

The reporter, Mary M. Bejarano, hopes that if they elect new officers when school starts that she may hold her same job. In the summer she has missed sending in notes only once, that was the first week after school closed. Miss Evalyn A. Bentley thinks I am doing fine.

EMPIRE MERRY-MAKERS By Evangeline E. Ferra

Thursday, September 15, Mrs. F. S. Bolce and her son, Frank, took a trip to Phoenix, Ariz. They returned to the Empire ranch Saturday before noon.

Saturday, September 17, the cowpunchers of the Empire ranch gathered up all the horses. On Saturday afternoon and Sunday, all day, they sorted them out. Francisco Sainz, the roundup cook, took up the camp cooking outfit. The roundup was over Monday, September 19.

The Empire Merry-Makers' vacation is over and they are very glad that school started Monday, September 13, but we are sure sorry not to have our leader, Mrs. Agnes Krantz, as she will be in the hospital for about a month. The Empire Merry-Makers are sorry not to have her at the beginning of school. We hope our leader will be well soon so we can start working with our sewing and the publicity work.

Evangeline E. Ferra, the club reporter, has done all she could to keep up the publicity work throughout the summer vacation, and she is going to help the other members to keep the publicity work going every week of the school. She didn't have news notes in the paper every week because it was kind of hard for her to find out what was going on. She has to work and doesn't have very much time to find out what is going on around the ranch.

SUNNYSIDE SUNSHINERS By Mary Welch

The Sunnyside Sunshiners' club met with Miss LaVaun Peterson, who is to be our sewing leader for the 4-H club. We met at the schoolhouse at 3 o'clock September 20. Our business was to elect our officers. Lilly Lopez was elected president, Mary Drummond, vice president; Mary Carranza, treasurer; Marjorie Latham, secretary; Mary Welch, news reporter; Aurora Heron, song leader, and Frances Watkins, yell leader. Other members

are: Frances Bayliss, Lola Bell Sandusky, Kathryn Klajda, Emma Welch, Angelita Gallego, Marjorie Perrine, Elean Drummond, Mamie Jeanne Propati and Mary Gallego.

PANTANO STITCH-IN-TIME By Mary N. Bejarano

It is a great pleasure to have Mrs. Florence Bateman for our club leader again this year. Wednesday, September 21, we organized a second and third-year club. New officers were elected, who are: President, Adelina Bejarano; vice president, Lucy May Echols; secretary, Adelina Bejarano; reporter, Mary N. Bejarano; song leader, Mary Louise Echols; yell leader, Gertrude Bejarano. Others are Nellie Gastelum, Frances Anduaga and Cleotilde Anduaga.

Mrs. Bateman read us some letters from Miss Bentley, home demonstration agent, about the state fair at Phoenix, Arizona. We are all planning to have something finished for the fair and will also send articles on which we won first and second prizes at our achievement day last spring. Mrs. Bateman is willing to take them to Miss Bentley's office.

I am a third-year club member. I was elected club reporter Wednesday, September 21, 1932. I was elected reporter because Mrs. Bateman said I have been a good, faith-

ful reporter all summer. I think this is a hard job because a reporter must send in news even if she doesn't feel like it. But by good luck I am always willing and always feel like sending news. Mrs. Bateman is very pleased with the club reporter, and I hope I have done enough to please my community, my friends and all club members, our club president and especially our club home demonstration agent, Miss E. A. Bentley.

We are so proud of our schoolhouse. Everybody likes it. Most of the boys are working hard to get our playground cleaned.

4-H Club Activities

(These activities include the training of the head, heart, hand and health, and are under the supervision of Miss Evalyn A. Bentley, home demonstration agent for the agricultural extension service of the University of Arizona.)

PANTANO STITCH-IN-TIME By Mary N. Bejarano

Tuesday, Sept. 13, the election was held at the school house. Everybody that saw the new school house was very surprised and said it was very nice.

Some of the 4-H club members are now celebrating the Declaration of Independence of Mexico, Sept. 16.

Monday, Sept. 12, Alice and George Lundquist left for Tucson, Ariz., to enter the high school there.

The Pantano school is going to have many grades, we know we are going to have beginners and the ninth grade.

4-H Club Activities

Sta. 10/2/32

(These activities include the training of the head, heart, hand and health, and are under the supervision of Miss Evalyn A. Bentley, home demonstration agent for the Agricultural Extension Service of the University of Arizona.)

The home demonstration agent urges all 4-H garment making club members to send exhibits for the state fair to her office on or before October 15. (The state fair is to be held October 24th to 30.) First and second ribbon articles are requested for exhibit and those that have been laundered or patched are acceptable. Members may make new articles or may make improvements on the ones already completed. The first, second and third year members who have done the best work should send all of their articles, as prizes are offered this year for the best full year's work in first, second and third club years, as well as for the best single patch, darn, dish towel or garment. Let us put forth an effort to show the state some of the splendid work that has been done in Pima county.

SUNNYSIDE SUNSHINERS

By Mary Welch

The girls in the first year work have been waiting to see what the change in the work is going to be as the first year's work is being revised. So they have not been sewing, but have been reading sewing books.

We are going to try very hard for the prize on news reports this year. The school is going to have a tap dancing teacher this year, Mrs. K. C. Perry. The lessons are free to those who want to take them. They will be given from 2:30 till 2:50 the time for afternoon recess. We are learning folk dancing this year and like it very much. We are learning to play many new games of ball this year.

The P. T. A. had a meeting September 28, 1932, in the evening. It was stormy and the entertainers could not come out. There weren't very many present. They held a regular business meeting and read the letters of the summer. They voted they would help charity the best they could.

CATALINA

By Clara Castillo

For the first time in several years Catalina school is to have a 4-H club this year. On September 27 the club met, adopted a constitution, and elected the following officers:

President, Rita Castillo; vice president, Ernest Castillo; secretary-treasurer, Alma Mead; reporter, Clara Castillo; yell leader, Octavio Dominguez; and leader, Mrs. M. A. Fish.

The club has six girls and five boys as members. The girls will belong to the garment making club and the boys to the boys camp club. We think we are the first club in Pima county to have so many boys as members. During the winter months we think the boys can serve us with something hot at noon as a part of their club work. Maybe the girls will have to help them a little at first.

We are sorry the Germaine family has not yet returned from

Thatcher where they have been spending the summer. We hope they will soon be back to help us in school and club work.

Three new girls, Alma and Joie Mead and Hope Sherwood, have come into the district and with Veda Ackley are the new pupils in the school.

EMPIRE MERRY MAKERS

By Evangeline E. Ferra

Wednesday, September 21, Mrs. Otis Christian and Eva E. Ferra drove up to the Hilton ranch where the cowpunchers had the rodeo, they took dinner to the cowpunchers. In the morning Mr. H. G. Boice cut out the cattle he didn't want. After dinner they branded one hundred and fifty-four calves. Eva enjoyed herself watching some of the boys flank calves and rope. Thursday, September 22, the roundup and the camp moved down to the farm, it is about 9 miles from the ranch. On Monday, September 26, the roundup and the camp moved up to the Apache ranch, it is northeast up the Apache mountain from the farm. They will stay up at the Apache ranch about three or four days.

The cowboys that work at the Empire Ranch at the roundup are as follows: Frank Scott, Amos Davis, Westley Grantham, Red Swanson, Buck Williams, Odeal Williams, Earl Adams, Arche King, Blas Lopez, Mac Spauder, George Morgan, Cole Power and Mr. and Mrs. Frank S. Boice.

From the Apache Ranch they will move to the Williams Ranch over by Pantano, Arizona.

Eva E. Ferra, who is the secretary and club reporter of the Empire Merry Makers Garment Making club, hopes to get her horse and ride it to school, to see what the other members are doing and to see how many new pupils we have in school. Eva E. Ferra has made two tea towels. Now she is making a dress and at the same time is working on her press book. She hopes to get it finished in time to send it with the rest of her things to the State Fair.

VAIL VILLAGERS

By Jessie Bee Rodman

We organized our 4-H Garment Making club Monday, September 26. In our first meeting we elected officers. Betty Woolsey was elected president; Jessie Bee Rodman, vice president and reporter; June Pettit, secretary; Elsie Hood, treasurer and yell leader; Betty Woolsey, song leader; and Esta Trotter, club leader.

The members of our club are: (second year) Eula Figueroa, Socorro Balderrama, June Pettit, Jessie Bee Rodman, Cella Romero, Agueda Vasquez. (Third year) Gladys Schmitt, Betty Woolsey, Maria Figueroa, Elsie Hood.

Our club meets every day from 3 to 4 o'clock. We sew Monday, Tuesday and Wednesday, and our club program on Thursday and cook Friday afternoon. Elsie Hood and Gladys Schmitt are on the program committee. The boys have manual training during our club hours with Mr. Hugh Crawford of Kansas as their teacher.

Rita Wagner, who graduated last year, Rita Balderrama, and Esther Romero visited our school Monday. Robert Wagner, another 1932 graduate, drives one of the school busses and stays at school all day.

Mr. and Mrs. Hugh Crawford are living at Pail with Harry Johnson.

Miss Rebecca Turbyfill of Columbia, South Carolina, and Trotter Williams, the nephew of Misses Esta and Lottie Trotter, are visiting at the teacherage.

PANTANO STITCH-IN-TIME

By Mary N. Bejarano

Wednesday, September 28, in our 4-H club meeting a new secretary was elected, this is Mary Bejarano.

A letter from Miss E. A. Bentley to our reporter was read to the club members. They were all very pleased and said that they would all try to help the reporter in sending in notes.

A motion was made by Mary Louise Echols that we would take a certain time each meeting for the song leader to teach us some new songs. This motion carried.

We practiced some songs from our 4-H club song book. They were: Aloha Oe, Sweet and Low,

and Reuben and Rachel.

A motion was made by Mary Louise Echols that we give a Halloween party. This motion carried. Committees were appointed, they are: Game committee, Mary Louise Echols, Mary Bejarano and Lucy May Echols; decoration com-

mittee, we decided to have all club members join in decorating the school house.

Mrs. Constance F. Smith has appointed Mr. Glen Lambert as the new trustee to take the place of Mr. Dan Genung, who has moved to Tucson.

4-H Club Activities

(These activities include the training of the head, heart, hand and health, and are under the supervision of Miss Evalyn A. Bentley, home demonstration agent for the Agricultural Extension Service of the University of Arizona.)

SAHUARITA By Ila Branon

The first meeting of the Sahuarita 4-H club was on Friday, September 30, 1932. The following officers were elected: President, Alicia Armenta; vice-president, Ruth Rich; secretary, Myrl Branon club reporter, Ila Branon; yell leader, Antonio Villa, and song leader, Emilia Curtis.

Mrs. Alberta Wilson, our club leader, has some copies on cloth of Chinese houses and other pictures which we intend to color with crayolas and then iron to set the color. Mrs. Wilson also said we might have a program and have a regular little party every fourth Friday. The president will choose who she wants on the program and tell them what to do.

The boys have been clearing off their baseball diamond. They elected their captain on Friday and he is Capetano Vasquez. The boys also put up some horseshoe stakes for the horseshoe game and the girls are planning a tournament.

Ruth, Ila Branon, Myrl Branon and Emilia Curtis are taking piano lessons. Miss Maybelle Wisdom is their teacher.

Emilia Curtis has been ill for two days and has been absent from school.

SOPORI WILLING WORKERS By Rose Vega

The girls and boys of Sopori school met on Wednesday, October 5, 1932, to organize the 4-H club for the coming year. In other years we have had a Health club. This year it was decided to have a girls' First Year Sewing club and a boys' Camping club. The officers elected were the following: President, Randall West; vice-president, Arnold Valenzuela; reporter, Rose Vega; assistant reporter, Arnold Valenzuela and rs. E. Urquides.

We decided to meet every Thursday afternoon from 2:30 to 3:30 o'clock. We are not having a Health club but we are still doing our health work. This week we began to gargle every morning.

We have been cleaning the weeds which have grown in our playground during the summer working at noon and recess since school started and we have our yard almost clean.

Friday, September 30, Dr. and Mrs. Howard and Mrs. Driscoll, (Miss Maroney), our school nurse visited us.

CATALINA

By Clara Castillo

If our school gets many more pupils we shall have to build an

addition to the school house. Five more pupils came this week, making twenty-two in all. Octavio Dominguez brought his little brother to enter first grade. The four Germaines came back from Thatcher where they had a pleasant summer. Laura is glad the new baby is a girl as she wants some help with her five brothers.

We now have two more members in our 4-H club. We were glad to get the music book and list of first year music appreciation records from Miss Bentley. All the members are going to try to make a perfect score.

As Rita Castillo, our president, was absent on Tuesday, the vice-president appointed Hope Sherwood, Rita Castillo and Alma Mead to plan a program for Columbus Day, October 12th. They are planning to have a play as well as a "reading in relay" and an Explorers' Contest.

Some of the girls would like to learn a way to hobble donkeys so their owners will not have to walk as far to catch them as it is to walk home. Can you help them?

EMPIRE MERRY MAKERS

By Evangeline E. Ferra

Robert Amarillas, the president of the Empire Merry Makers, and his youngest brother, Edward, were visitors at the Empire Ranch Saturday, October 1. He is glad that we have four new boys in our school.

Mrs. H. G. Boice and son and daughter, Freddie and Peggy Ann, from the Rail X ranch, were visitors at the Empire ranch on Sunday, October 2.

Sally Enson and Frank and Bobbie Boice went for a visit to the Rail X ranch near Patagonia, Arizona.

Thursday, September 29 the Empire roundup and camp moved down to the Williams ranch, near Pantano, Arizona, and will stay there two or three days, then will move to the Andrado ranch.

SUNNYSIDE SUNSHINERS

By Mary Welch

Miss Bentley was out to see the 4-H Sunnyside Sunshiners Tuesday, October 4. We enjoyed her visit very much. She looked over our work and said it was very nice.

Mary Gallego is going to be in the Montgomery Ward dress contest and hopes to win a prize. We are working for prizes at the State fair. We have been getting along fine in our school work. On account of bad weather our recess has been shortened and this delayed us in many things. Our tap dancing has become a success and we hope our 4-H club will become the same. We are having a music appreciation contest and our club is going to

learn La Paloma. We are expecting another visit from Miss Bentley soon.

PANTANO STITCH-IN-TIME

By Mary Bejarano

In our meeting Wednesday, October 5, it was decided that we would have our Hallowe'en party Friday, October 28, at 7:30 p. m., at the school house.

At 3:30 the meeting was turned over to Mary Louise Echols, our song leader. We practiced the following songs: "Reuben and Rachel," "Love's Old Sweet Song" and "Old Folks at Home."

After the meeting Mrs. F. Bateman showed us the picture of our 4-H club publicity books. This picture was taken this summer and may be sent along with a write-up to the National Extension Review, published at Washington, D. C. We were very proud to see our publicity book standing up in first place.

PANTANO'S NEW SCHOOL HOUSE

By Mary Louise Echols

The pupils of Pantano school received a great surprise, when they returned from their vacations, what should they see but a new school house! It is directly across from the Southern Pacific water tank. It is facing west and has two entrances.

one on the west, the other on the south. The school house is painted tan and green. On the very back of the school is our old school, which is being used as a teacherage, it is painted too.

In the new schoolhouse there are two large rooms being connected by a folding partition. The room in the back is Mrs. Bateman's room in which we hold 4-H club meetings. Here she teaches the primary, first, second, seventh, eighth, and part of the ninth grades. Mr. Bateman teaches the third, fourth, fifth, sixth and the rest of the ninth grade subjects.

We are all very proud of our new school house.

VAIL VILLAGERS

By Betty Woolsey

We have the largest enrollment this year that the Vail school ever had. There are seventy-five pupils in the school. The shop boys made ten benches and are helping to remodel old desks which Mr. and Mrs. C. G. Bethurum brought from Tucson to seat the new pupils.

Mrs. Mary Driscoll, county school nurse, Mrs. Vivian Runte of St. Mary's hospital, Mr. J. R. Fitzgerald, county truant officer, and Mrs. D. P. Hamilton and Mrs. J. R. Jels, of the Vail school board, visited our school Wednesday, October 4. Mrs. Driscoll and Mrs. Runte examined every child. They found many pupils who were 100 per cent healthy. They will return sometime within the next two months to vaccinate us.

We are ready to start our sewing and cooking classes in earnest. We have received our 4-H supplies from Miss Evalyn A. Bentley, county home demonstration agent, and Mrs. D. P. Hamilton, clerk of the school board, has purchased new dishes and cooking utensils. The third year club girls are planning to make blouses first. Several are going to design their own blouses.

Jim Woolsey, a 1932 graduate of the Vail school, is attending Mansfield Junior High in Tucson.

4-H Club Activities

(These activities include the training of the head, heart, hand and health, and are under the supervision of Miss Evalyn A. Bentley, home demonstration agent for the Agricultural Extension Service of the University of Arizona.)

TANQUE VERDE 4-H CLUB

By Victoria Celaya

Our 4-H club was organized at the Tanque Verde school on Friday afternoon, October 8, 1932. The following officers were elected for this year: Jack Shartzter, president; Glen Mortimer, vice president; Bessie Mortimer, secretary; Frank Homar, cheer leader; Sylvia Mortimer, song leader; and Victoria Celaya, reporter.

We have the following members enrolled in our club for the year:

James Homar, Frank Homar, Sherwood Smith, Dan Smith, Lee Smith, Sylvia Mortimer, Glen Mortimer, Bessie Mortimer, Carmela Zamora, Octavio Zamora, Mabel Barkley, Evelyn Hill, Leonard Hill, Victoria Celaya, Virginia Miranda, Alberto Orosco, Octavio Orosco, Constance Vanover, Esther Gamez, Mercedes Galaz, Manuel Valdez, Kathryn Roberts and Jack Shartzter.

Miss Evalyn Bentley, home demonstration agent for Pima county, came to our organization meeting and explained many of the rules of the 4-H club which were new to many of us. We hope to have her with us many times this year.

SAHUARITA BLUE JAY SEWING CLUB

By Ila Branon

Our 4-H club meets on Friday afternoons from three o'clock to four. Mrs. Wilson, our club leader, passed out the demonstration books to the second and third year girls. She hasn't received the books for the first year girls yet. We were all instructed to bring thimbles and material for sewing next Friday.

The first year girls will begin on a tea towel, the second and third year girls are going to bring material to make their set-on patch.

Emelia Curtis, our song leader, was absent last meeting, also Alicia Obregon. We voted to name our club the "Blue Jay Sewing Club."

Bill Collie sent a boy with four mules and a drag over to the school Tuesday and dragged the ball diamond. The boys were very glad.

Mrs. Earl Branon returned home Friday from a visit in Phoenix with friends and relatives.

Roy Brown was missed in Sahuarita most of last week because he was in Tucson serving on the jury.

Mrs. Dave Obregon and children have returned from a two weeks' visit in Deming, New Mexico.

JAYNES JOLLY JUNIORS

By Robert McNary

The Jaynes Jolly Juniors have organized the second year 4-H Health club. The election of officers was held Friday, October 7, and the first meeting Monday, October 10, from eleven to twelve o'clock. The club will meet every two weeks. The following officers were elected: President, Elnor Ortega; vice president, Emma Simmonds; secretary and treasurer,

Clara Wade; song leader, Melva Sue Tribble; yell leader, Tom Collins; reporter, Robert McNary; pianist, Bernice Honea; exercise leader, John McCully.

We have 21 second year members and 35 junior members.

The new pupils in the school are Frank and Charles Sheridan of Nyack, New York; Alice Davis of Idaho Falls, Idaho, who is staying with her sister, Mrs. Clyde Corden; Keller, Allen and Richard Thorton are from Naco and are staying with Mr. and Mrs. W. H. Halderman; Robert McNary from Phoenix; and Caludine Watson from Buckeye, Arizona.

One of our club members, Delorus Gerber, is a member of the B Sharp club in Tucson.

Miss Evalyn A. Bentley was out to see us Wednesday, October 5.

Mrs. Vera Thomas, county health nurse, was out the past week to inspect the children of the school.

The children from the east side of the district are very happy this year as they get to come to school in a brand new Ford de luxe delivery car. Mrs. Virginia Dillon, drives the car.

SUNNYSIDE SUNSHINERS

By Mary Welch

Miss Bentley was out to see us Tuesday, October 11. She said that Mary Gallego was the Pima county champion of garment making and we are very proud of it. She also brought us our first year books and we do not have to make a 4-H club apron in this year's work.

October 14, the P. T. A. is going to have a supper at 50c a plate. We hope it will be successful.

On October 12, we had a Columbus day program. We had a poem, Columbus, by Mary Welch, Columbus and His Son, Diego, by Richard Jones; a story of Columbus by Donald Propati, Frank St. Dennis and Ralph Brooker; Christopher Columbus by Elaine Ryan. We saluted the flag, sang America and the Star Spangled Banner. We enjoyed it very much.

We were all very sorry to hear about the death of Mary and Eileen Drummond's mother, Sunday at five o'clock.

PANTANO STITCH-IN-TIME

By Mary Bejarano

In our 4-H club meeting Wednesday, October 12, we discussed our Hallowe'en party. We decided to have the following things:

- 1.—Fortune teller booth by Mary Bejarano and Mary Louise Echols.
- 2.—Three prizes, one for the best man's costume, one for the best lady's costume and one for the homliest costume.
- 3.—The following games: the musical chair, blindman's buff, spin

the bottle, and redeeming forfeits, tap the ice box, indoor athletic contest.

4.—All club members must be dressed in some costume.

At 3:30 the meeting was turned over to the song leader. On account of Columbus day we chose patriotic songs, which were: America, the Beautiful and O! Columbia the Gem of the Ocean.

The third year members started the covers of their books, "Projects on Selection of Dress."

Thursday, October 6, Mrs. Driscoll, our school nurse, came to examine all the children. We were very glad to see her and we expect to see her soon again.

Thursday, October 6, Mrs. Ollie F. Foster made a trip to Tucson for medical treatment.

VAIL VILLAGERS

By Maria Figueroa

The program committee, Elsie Hood and Celia Romero, presented a Columbus program, Wednesday afternoon, October 12, at our regular club meeting. A debate "Resolved that America should have been named Columbia for Christopher Columbus instead of America for Americus Vesputious," was the main feature. On the affirmative was Elsie Hood and on the negative Jessie Bee Rodman. The judges, Maria Figueroa, Eula Figueroa, and Gladys Schmitt, voted that America should have been named Columbia. June Pettit read, "Columbus," a poem by Joaquin Miller and Betty Woolsey read a paper, "Columbus, a Lesson in Courage and Perseverance." Elsie Hood played two violin solos, "Moonbeam Waltz" and Scherzando, accompanied by Elsie Hood on the piano. We all sang "Columbia, the Gem of the Ocean."

In our sewing club Gladys Schmitt is making a pretty pongee blouse and Agueda Vasquez is making a "wedding ring" quilt for the state fair.

The shop boys have begun making backstops for the boys' and girls' basketball courts. They are going to begin the courts when they finish the backstops. We shall be glad for we like to play basketball. We are proud of our two new basketballs and volley ball.

June Pettitt was absent Tuesday because she was ill.

Rita Wagner, who was president of our club last year, visited us Thursday afternoon.

570- 10/23/32 4-H Club Activities

(These activities include the training of the head, heart, hand and health, and are under the supervision of Miss Evalyn A. Bentley, home demonstration agent for the Agricultural Extension Service of the University of Arizona).

EMPIRE MERRY MAKERS

By Harold E. Thurber and Angel Young

Today, October 17, the boys and girls of the Empire school suggested a 4-H club. The girls have decided to have a garment making club, the boys, who have not yet decided, suggested a camping club. Tuesday afternoon from 2:45 till 3:30 is the time set to hold our meetings. Thursday, October 20, at 2:45, we will elect our officers.

Mrs. Agnes Krentz, our teacher and club leader, has returned after a month's illness at Tucson. The Empire School Merry Makers won the loving cup last year for publicity and Mrs. Krentz is going to have it at the school house to make us

work harder to win it again this year.

I was over at Tom Heady's Sunday. He operates a Hereford ranch in San Rafael valley. His son-in-law showed me around. I have in mind to buy a calf from him and raise it for a 4-H club calf. In 1931 I raised a Hereford steer and took it to Reno, San Francisco and Gardnerville, Nevada. I did very well with it and hope to raise another one this year.

The Santa Cruz county fair was held at Sonoita fair grounds Saturday, October 15. Many things were exhibited in the fair hall and outside the hall the cowpunchers roped calves, ran races and played polo games. People from the Empire district who attended were: Robert Amarillas, Martin Ruiz, Mr. and Mrs. C. R. Nally, Miss Margaret Nally, Mr. Jack Hyink, Miss Mablegene Millet, Miss Jean Anderson, Miss Elizabeth Bryan, Ralph Amarillas, Frank Leon, Florancio Atuna, John Lagnana, Edward Laguna, Joe Casnova, Joe Paynes, Milke Molina, Cristoval Valanzala, Alice Pena, Luise Payne, Mr. and Mrs. Arnolfo Pena, Mr. and Mrs. Bill Holbert, Eva Ferra and Carman Gamez.

Mrs. Driscoll, (Mary Maroney) our school nurse, visited us Thursday, October 13. She examined our eyes, mouth and ears. She said she would be out soon again to give the dyptheria serum to some of the children who had not had it.

Miss Jean Anderson, who had been teaching while Mrs. Krentz was ill, has returned to her home in Tucson.

Carlos Ruiz, who had been attending the Empire school, has returned to Greaterville school again. We were sorry to lose Carlos. We have only 12 pupils in school now.

Mrs. Krentz, our teacher, asked us today if we would like to have a Halloween party, we all voted to have one, so we are getting ready for it. We will have a program of songs and a play.

SOPORI WILLING WORKERS

By Ruth Oros

Tuesday, October 18, the club meeting was held. Our vice president, Arnold Valenzuela, called the meeting to order. Some of the girls are already sewing on their dish towels.

Tuesday afternoon Mrs. West, with her sons Randall and Arthur, drove to Tucson on business. They returned the same evening.

Johnny Angulo has been absent this week. Tuesday evening his parents, Mr. and Mrs. G. O. Angulo, took him to Tucson. We hope Johnny recovers soon from his illness and will be back in school soon.

Friday afternoon, October 14, Mr. Urquides taught us about baseball. Next Friday we will learn more about playing and making good bases.

Gabriel Fimbres, one of our new members, has left. The family has moved to Tucson. Lupe Leon, of the first grade, left for Tucson, also.

This week everyone is to bring a cup to school to drink cocoa with our lunch. We enjoy it very much. We hope it will help the underweight children to gain and the normal children to keep healthy.

Tuesday, October 11, at 2:30 o'clock we held our meeting. The meeting was called to order by our president, Randall West. Ralph Lopez was elected secretary. We talked about important matters and plans about what each member is expected to do in the club. The boys will learn to patch, darn and sew on buttons. They will learn to cook and to build a good camp fire with one match.

Tuesday morning, Mr. and Mrs. Lohr and Billy went to Tucson on business. They returned Tuesday evening.

Josephine Jackson, from Las Gujas, is taking piano lessons from Miss Romo. Josephine is in the fifth grade. She will soon learn to play a little piece for our programs.

Tuesday, September 27, two new boys entered school. They are Louis and Gabriel Fimbres. They live at El Rey mine.

Monday, October 3, Joe Valenzuela entered school. Joe is from Los Angeles. He is in the second grade. He lives with his cousins, Lillia and Octavio Vasquez, at Linda Vista ranch near Amado, Arizona.

SUNNYSIDE SUNSHINERS

By Mary Welch

Miss Bentley says the Sunnyside Sunshiners are getting along fine in their sewing. She was out to see us again Tuesday. We all enjoyed her visit very much.

Mary Gallego is coming back to the eighth grade Monday.

Miss Peterson took Mary Gallego's and Mary Drummond's 4-H club work to the home demonstration agent's office to be sent to the state fair.

We are practicing for our Armistice day parade.

We have a new volley ball for the girls.

Many of the children have had colds and sore throats.

The P. T. A. supper on October 14 was a great success.

Our school is going to have a Halloween party, but it will be just by rooms.

We enjoyed the rain that has been going on for a while.

CATALINA CACTUS CLUB

By Clara Castillo

Through some mistake our article did not appear last week in the paper though we sent it in as usual. We were very disappointed as we had so many things to report.

We decided on Catalina Cactus club as the name of our club and appointed Rita Castillo as our song leader, and Octavio Dominguez as her assistant at a meeting held October 12. We also gave a Columbus Day program on that day. Patriotic songs were sung and a play was given called, "The White Bird". A contest about famous explorers was won by Alma Mead.

Our next program will be on Halloween. Our president, Rita Castillo, appointed the following committees: Program — Octavio Dominguez, Billy Ann Chester, Hope Sherwood and Hortensia Teran. Games — Clara Castillo, Edith Ackley, Julia Sotomayer, and Edward Germaine. Decorations — Alma Mead, Julius Castillo, Betty Chester, Laura Germaine, and Ernest Castillo.

The girls finally decided that the only way to keep the donkeys in was to mend the fence so they did that last week. Then the donkeys ran away and all that work has been wasted, so far anyway. However, the girls are comforting themselves by thinking that the experience they got in mending the fence will help them when they come to make their looms.

The boys are getting the stones together to build the fireplace for their camp'cooker and Dr. Skinner has given them a grid to use on it. Everybody is looking forward to the time when the boys will be serving hot lunches to the whole school.

JAYNES JOLLY JUNIORS

By Robert McNary

The Jaynes Jolly Juniors are very proud to have the privilege of sending one of their members to Phoenix to give a short three minute talk over the radio. At a call meeting, Robert McNary and Clara Wade were chosen to go to Phoenix. Clara Wade is secretary of the club and Robert McNary is reporter for the club. Both have to take a microphone test to see which has the best voice and the one that makes the test will go to Phoenix.

At a called meeting Tuesday, Delorus Gerber handed in her letter of resignation as club reporter. Robert McNary was unanimously elected to fill the place.

Miss Evalyn A. Bentley was out to see us Tuesday, October 18, to discuss sending a member to Phoenix.

The Jaynes Missionary society met at the home of Mrs. W. A. Jost, Thursday, October 13, for an all day meeting. A covered dish luncheon was served at noon to 13 members and six visitors. The day was spent in sewing. Those present were the Mesdames W. H. White, J. J. Gaulke, Pete Bouschet,

A. V. Sinclair, Edna Jensen, Clyde Corden, L. G. Campbell, H. A. McCully, R. A. Hooven, H. A. Gerber, Allen Starr, C. Jost, W. A. Jost, Parish, Marker, Woods, Dunn, Golay and Tribble.

Mr. and Mrs. George Miller from Phoenix, spent the week end with Mr. and Mrs. C. H. McNary at the Sunset dairy.

Iva Mae Wade spent the week end with Helen Campbell at the Sunset dairy. Both are junior members of the 4-H Health club.

Mrs. Schoolmeyer and daughter, Opal, spent Sunday, October 16, at the home of Mr. and Mrs. L. G. Campbell. Both families were former residents of Council Bluffs, Iowa.

Mr. and Mrs. Verlin Chandler have returned from their honeymoon spent at the Grand Canyon and various points in California. Mrs. Chandler (Inez Sinclair) is a past member of the Jaynes Jolly Juniors.

TANQUE VERDE 4-H CLUB

By Victoria Calaya

On Monday 17, 1932, Tanque Verde 4-H club held a regular meeting. The meeting started at 3

o'clock. We had so much fun starting out. Some of the children were just beginning to sew. They didn't know what to do nor how to begin. Some of the girls had had their first year sewing so we knew what we were supposed to do. When we first began some of the children took such long stitches that they had to be drawn out and started over. Other girls in making dish towels would have a hem too wide. They also had to take it out and start all over.

The Tanque-Verde-Wrightstown monthly meeting was held at the Tanque Verde school house Friday night. All the candidates of both parties were invited to speak.

VAIL VILLAGERS

By Elsie Jane Hood

The 4-H Girls are making 12 shirts of blue cotton cloth which Miss Blair of the Tucson chapter of the Red Cross sent to us.

I have made a tea cloth with napkins to match. The cloth is made of flour sack and the napkins are made of little sugar sacks. I embroidered yellow daisies on them with a brown center and green leaves.

The subject of our program Thursday was "Home". June Pettit read a paper, "The Love of Home". Gladys Schmitt told about her "First Night Away From Home", and we sang, "Home Sweet Home". June Pettit on the affirmative, and Elsie Hood on the negative, debated that "The House is Better to Live in Than the Tent". The judges voted in favor of the negative.

Stanley Conover, who lives fourteen miles from Vail on a homestead, saw a gila monster on his way to school. He stopped and dropped a slip knot over its head and brought it to school alive where we kept it in a box for two days. Then Stanley carried it home.

Jimmy Johnson, and his father, H. E. Johnson and Hugh Crawford, one of our teachers, went deer hunting Sunday, October 16.

PANTANO STITCH-IN-TIME

By Mary Bejarano

Wednesday, October 17, at 7:30 p. m., Mr. G. Bejarano took Mr. F. Castro in to the St. Mary's hospital on account of serious illness.

A club member, Gertrude Bejarano, and Mrs. F. Castro, wife of Mr. F. Castro, went in to Tucson Tuesday, October 16, to visit Mr. Castro. They were very glad to find him better.

Tuesday, October 16, Mr. F. Bejarano went on a trip to Camp 49, or Hilton, to visit Mr. E. P. Hilton who was hurt badly in an accident. It is said that he was raking hay when his team of horses ran away and upset the rake. Mr. Hilton was very badly cut and bruised. We hope he is not injured seriously.

Miss Evalyn A. Bentley, our home demonstration agent, visited our school Wednesday, October 19. She said our new school house was very nice. She talked to the boys for a while about a camping club. Some of the requirements are: They have to learn to cook outdoors and patch their clothing, darn their socks, sew buttons on their shirts. The boys and girls are very anxious to organize the club.

We invited Miss Bentley to our Halloween party, October 28, at 7:30 p. m., but she said it would be impossible for her to come as it is so far and she is very busy. She said that she would come out to our meetings once in a while.

JAYNES YOUTH TO BROADCAST

Citizien — 10/29/32
**To Speak Over National
Hook-Up About 4-H
Club Work**

National recognition will be given to successful completion of this year's 4-H club activities by the Nation's 900,000 farm boys and girls, in a nation-wide one-hour radio broadcast Saturday, Nov. 5, 10:30 to 11:30 a. m., mountain standard time, over KSTAR, Phoenix.

Pima County 4H clubs will be represented by Robert McNary of the Jaynes Jolly Juniors, who will go to Phoenix Saturday, Nov. 5, and talk on the subject, "Pima County 4-H Club Program." H. R. Baker, club specialist, and Dr. H. L. Shantz, president of the University of Arizona, will transport the club members from Jaynes and other localities, and will speak on club work in Arizona.

The 57 radio stations of an NBC-WJZ network which cover 4-H club broadcasts will broadcast a special achievement day program on that date. The first 15 minutes will be devoted to achievements in girls' club work in Iowa. In the last 15 minutes of the program Dr. C. W. Warburton, director of extension work, will review 4-H club work of the year and its accomplishments. In the intervening half-hour each of the 57 stations will present a special state broadcast reviewing the achievements of the clubs in the particular state or states covered by it. Club members and their local leaders throughout the country are planning to hold group meetings to hear the federal state broadcasting.

4-H Club Activities

(These activities include the training of the head, heart, hand and health and are under the supervision of Miss Evalyn A. Bentley, home demonstration agent for the Agricultural Extension Service of the University of Arizona.)

The home demonstration agent urges all club members to listen in on the radio Saturday morning, Nov. 5, between 10:30 and 11:30 a. m. At this time Pima county will be represented by a member from the Jaynes Jolly Juniors who will talk on the Pima county 4-H club program. The first Saturday in November each year Arizona is given time to appear along with the National 4-H club radio broadcast, so this is an opportunity for club members to become acquainted. The 4-H club programs given the first Saturday in each month are always interesting to 4-H club workers.

SAHUARITA BLUE JAY CLUB By Ila Branon

We have begun our club work in earnest now as we began our sewing at our meeting last Friday. Some of the second and third year girls didn't have their material to sew so they helped the first year girls get started. Learning to use the thimble is the greatest difficulty we are having as beginners. Mrs. Alberta Wilson gave us our record books and the first year garment making outlines Friday. They were late in arriving. Before we adjourned we gave yells and sang some of our club songs.

The school children are having a lot of fun with the football Mrs. Wilson and Miss Wisdom gave them Monday.

Myrl Branon, our secretary, was injured Wednesday afternoon while playing. We will be glad to see her arm out of the sling again.

The Felix family have moved to Tucson. We miss them very much, especially Carmela and Elveria, two of our club members.

Mr. E. Branon and son, J. S., have gone to Sells to buy cattle.

Mr. and Mrs. R. G. Dobbs are visiting friends in Casa Grande this week.

Miss Bentley visited our club last Friday. She talked to us about helping the Red Cross sew for the poor children. We volunteered to help.

Miss Bentley and Mrs. Wilson helped the girls in the second and third years get their set-on patch started. We sang some songs for Miss Bentley, and were very glad to have her visit us.

Our baseball team members have new gloves and a nice back-stop now. They are anxious to play another team. There will be a dance at the I ranch Saturday night.

Mr. and Mrs. Maulding of Casa Grande are visiting friends in Sahuarita.

The county nurses visited our school last Friday.

FT. LOWELL 4-H SEWING CLUB By Margaret E. Sprinkle

Thursday, Oct. 20, Miss Evalyn Bentley helped us organize a 4-H Sewing club for the girls of the fifth, sixth, seventh and eighth grades of the Fort Lowell school. It was not definitely decided at this meeting what our club's name will be. The organization will meet to sew twice a week, but will hold a

business meeting only once a month. Officers elected were Marie Graham, president; Bessie R. Neel, vice-president; Patsy L. Sprinkle, secretary; Delfina Rubalcaba, yell leader; Helen L. Jenssen, song leader; Margaret E. Sprinkle, temporary reporter.

Saturday, Oct. 22, Bessie R. Neel, Helen L. Jenssen, Valeria M. Cheesebourg, and Patsy L. Sprinkle were hostesses at a Halloween party given for the fifth, sixth, seventh and eighth grades of the Fort Lowell school. The color combination of orange and black were carried out through the decorations.

SOPORI WILLING WORKERS By Ruth Oros

Friday, Oct. 21, 1932, was a rainy day. Mr. Urquides came out to teach us more about baseball. We thought we would not be able to play ball but the sun dried out the field. We had a good practice game. We also learned to do some exercises which will help in baseball.

Johnny Angulo has not recovered from illness yet. He is still in town. We hope he will soon be well and can come back to school.

Tuesday, Oct. 25, about 1 o'clock the Misses Evalyn A. Bentley and Ann Rockefeller came to visit us. They brought us some magazines. Miss Bentley told the boys what they were to do in the Camp club.

Monday, Oct. 24, Mrs. Urquides brought out Miss Bentley's portable victrola. We are having our rest period and music appreciation period at the same time every day from 1 o'clock to 1:15. The first day, Monday, our teacher played three pieces. They were Melody in F by Rubinstein, Souvenir by Dréla, and the Swan by Saint-Saens. We enjoyed it very much. We thank Miss Bentley for letting us borrow her victrola.

Monday we were weighed again. We found that some of us are still underweight. We are all drinking hot cocoa at noon and we hope to have some cod liver oil soon to make us gain.

TANQUE VERDE 4-H CLUB By Victoria Calaya

Tanque Verde 4-H club met on Oct. 23 for sewing. Miss Bentley came just as we were coming into the room for work. We were so glad to have her with us again since we have so many members doing first year work that we need to listen very carefully to all instructions.

Our president, Jack Shartzter, appointed Kathryn Roberts, Dan Smith and Sherwood Smith to write our constitution. This will be read at our next business meeting.

We are going to have a Halloween party at the school. Our committee is working hard on the program. All the children in the lower grades are coming to our party.

Recently we received a very nice gift at Tanque-Verde. A large American flag was given to us by a lady who was interested in our school. We are very proud of it.

It is too large for our flagpole and we have it in our room.

We have started on our health program for the year by each reminding one of the others about washing hands, face and teeth. We hope none of us are underweight by the end of the year.

Jack Shartzter has an alligator which came from Florida. Not long ago he brought it to school and kept it all afternoon. The alligator lives in muddy water most of the time but likes to crawl on the ground some times. We let it crawl on the floor. It was afraid to come near us but would watch us from his hiding place by a cabinet. He was about 11 inches long. We read a story about him, and then wrote stories about him for our English lesson.

MAIL VILLAGERS By Elsie Hood

Our 4-H club is planning a Halloween party to be given Monday evening from 7 to 10 o'clock at the teacherage. Our decorations will be bright autumn leaves, black cats, owls, witches, pumpkins and desert gourds made into jack o' lanterns. A prize will be awarded for the best Halloween costume. Monday afternoon we are going to make doughnuts for the party.

The shop boys are making tables and other articles of "native woods"—mesquite and cactus. Edward Holden is making a table of a three-pronged cactus, and Stanley Conover, a table of mesquite. We made doughnuts Wednesday afternoon and treated the shop boys.

Miss Esta Trotter, our club leader, was elected delegate to the State Teachers' convention and has gone to Phoenix with Mrs. Constance F. Smith, county school superintendent.

Miss Bertha Pierce of Tucson visited our cooking class Friday afternoon, Oct. 15.

Miss Evalyn A. Bentley, our home demonstration agent, visited us Thursday afternoon and talked about the 4-H club plans for this year.

EMPIRE BOYS CAMP COOKING CLUB

By Harold E. Thurber

The Empire school boys organized a camp cooking club Thursday, Oct. 20. They have not yet named it. Harold E. Thurber, Robert Amarillas, Walter Thurber, Seymour Thurber, Martin Ruiz and Alonzo Amarillas are the members. Edward Amarillas, who is only 9 years old, has still a year to wait before joining.

Robert Amarillas was nominated for president of our club. He had no competition and was elected. Walter Thurber was nominated vice president, and as he had no competition was elected. Harold E. Thurber was elected secretary-treasurer, cheer leader and reporter. I was elected cheer leader for both boys and girls clubs. Lucy Amarillas was elected song leader for both boys and girls. She was song leader last year, too.

Miss Evalyn A. Bentley, home demonstration agent, sent us a list of the selections for the music appreciation contest and yesterday we played four of them to become familiar with them.

We will start work by making pan and pot holders, then an apron.

We will then take the work as it comes. We hope to get started as soon as possible.

Mrs. Agnes Krentz, our leader, has been planning a Halloween party for us. We are going to have a program, then a party.

EMPIRE MERRY MAKERS

By Angel Young

The Empire Merry Makers held a meeting of the club on Thursday, Oct. 20, to elect new second year officers for our garment making club, and decided on what to start sewing on. First we elected our officers as follows: President, Lydia Young; vice president, Josephine Romero; secretary-treasurer, Eva Ferra; song leader, Lucy Amarillas; yell leader, Harold E. Thurber, and club reporters, Angel Young and Harold E. Thurber. The other member of the club is Annie Young, the club accompanist.

4-H SUNNYSIDE SUNSHINERS

By Mary Welch and Mary Drummond

The P. T. A. gave a program Wednesday evening, Oct. 26, at 8 p. m. Mr. R. Burr announced the program. The first thing was two duets played by Edward Breazeale and Helen Runyon, played on a xylophone and a vibraphone. Second, a novelty dance by Miss Georgia Olver. Master John Curly recited a poem and demonstrated taking care of a baby. Three more selections were played by Edward Breazeale and Miss Runyon on the same instruments. Dr. Houghton gave a talk on the coming election. After the program they had the business meeting.

Our Sunnyside Sunshiners are going to have a picnic and hike Nov. 6, 1932.

All the schoolrooms are decorated for the Halloween parties on Monday at 3 o'clock.

Our tap dancing is getting better and every time we work harder and learn more steps.

We are learning the Hammer song in our music. Certain boys are appointed to be hammers.

We are hoping Miss Bentley will come out and visit us again very soon for we enjoy her visits very much.

PANTANO STITCH-IN-TIME

By Mary N. Bejarano

Tuesday, Oct. 25, at Mr. Art Echols' ranch, about 11 miles from Pantano, they had a very frosty night. It killed their garden.

Wednesday, Oct. 26, three 4-H club members, Gertrude, Adelina and Mary Bejarano, went with Mrs. Florence Bateman to Tucson to make preparations for our Halloween party. We have been decorating our school house and have been very busy the whole week through.

Wednesday, Oct. 26, Mr. F. Bejarano made a trip to Tucson and brought back a washing machine for Mrs. J. A. Chlarson who lives at Mescal, Ariz. We hope she will be pleased with it. The third year 4-H club girls would like one to use in their laundry project.

It is reported that Mr. E. P. Hilton of Hilton ranch, who was injured in an accident last week, is improving.

CATALINA CACTUS CLUB

By Alma Mead

The sixth grade have been much interested lately in "Old Ironsides" because of an article in a recent "Weekly Reader." They found by looking in the encyclopedia that it was launched Dec. 20, 1797, under the name of the "Constitution." It passed unharmed through the war with the Barbary States and in 1812 fought a famous battle with the "Guerriere", an English boat, which it sank. On account of this and later victories the people proudly named it "Old Ironsides."

In 1820 it was condemned as unseaworthy and ordered to be destroyed. The poem by Oliver Wendell Holmes, "Old Ironsides", aroused the people and the vessel was rebuilt in 1833, 1877, and again in 1897. It was then placed in the Boston navy yard where very few people saw it. About 1926 there was a desire to have the ship put in as near its original condition as possible and sent around the country wherever it was possible to go by water, that it might be seen by more people. The money to have it put in shape was given by children, a penny being asked from each child.

Alma Mead, secretary of our 4-H club, was fortunate in seeing the frigate in New York harbor. It was pulled by two tugs, was a dull gray color, and though much bedraggled in appearance the old glory clung to her. Her sails were down, her flag taken away, but her gallant masts sufficed. In all her helplessness she might well be called, "The Master of the Ocean Air," but she will sweep the skies no more. It

was a wonderful sight and fully appreciated by the spectators.

As the vessel now has a post-office aboard, the class is to send a stamped, self-addressed envelope which will come back with a picture of the "Constitution" or "Old Ironsides." We think it will look well with the rest of our stamp collection.

THE JAYNES JOLLY JUNIORS

By Robert McNary

Monday, Oct. 24, the Jaynes Jolly Juniors had their second meeting. After the business meeting the club had a program. It consisted of two numbers: "Twenty Healthy Little Teeth", by Ray Honea, Betty Simmonds, Rodger Gerber, and Norma Poole, and a reading, "Careful and Careless", by Emma Simmonds. After the program the club had their exercises, yells and songs. We were very glad to have Miss Evalyn A. Bentley at our meeting.

The Jaynes Jolly Juniors wish to thank Mr. Victor Gillard for his kindness to them on October 25. At that time he gave the microphone test to Clara Wade, Gene Shannon, Bernice Honea, and Robert McNary to see which had the best radio voice. Robert McNary as No. 4, won. Dr. H. L. Shantz, president of the University of Arizona, and Mr. H. R. Baker, boys' and girls' club specialist, will take Robert to Phoenix to represent us in the state extension period of the national 4-H club radio broadcast, Nov. 5.

Mrs. A. W. Marlowe and daughter, Helen Marie, left Thursday, Oct. 27, for California. They have been guests of Mr. and Mrs. G. W. Watson for the past two months.

Mr. and Mrs. C. H. McNary and son spent last Saturday and Sunday in Phoenix, as guests of Mr. and Mrs. A. P. McIntyre and daughter, Amy Lou.

On Friday evening, Oct. 28, our club and the Sunset Dairy orchestra gave the following program:

1. College Boy.....March
Moonlight Schottische
-Sunset Dairy Orchestra
2. Reading on Halloween.....
.....Ray Honea
3. Chalk Talks....Claudine Watson
and Vicente Ortega
4. Playlet. "Mother Halloween's
Children:"
Mother Halloween — Bernice
Honea. Cats—Jimmy Wilson,
Ronald Honea and Jimmy
Sheriden. Witches — Helen
Campbell Alice Davis, Sybil
Murphy. Owls—Billy Dillon,
Wendell Honea; Allen Thorn-
ton. Ghosts — Rodger Gerber,
Betty Simmonds, Rosalie Day
and Norma Poole. Jack o'
Lanterns—Billy Campbell,
Bobby Simmonds.
5. Toy Movie, "Why the Cow
Jumped Over the Moon." Story
by Clara Wade; Electrician, Viv-
ian Day.
6. Reading: Little Orphan
AnnieIvy Wade
7. Trio: Darling Nelly Gray, My
Childhood Home....W. R. Honea,
Mrs. W. R. Honea and Mrs.
Virgil Dunn.

8. Aunt Hannah
.....Sunset Dairy Orchestra
Boy's Brigade
 -Sunset Dairy Orchestra
- A small admission was charged and the proceeds were divided between the club and the orchestra. After the program Mrs. Arthur Kline and Mrs. Harold Shepaf led us in some games. They were prizes and everybody had a good time. After the games Mrs. Louis Campbell and Mrs. Harry McCully and Mrs. Clyde Corden served refreshments of doughnuts and coffee.

4-H MEMBERS ON WINNERS' LISTS

Star — *11/2/32*
**State Fair Prizes Are
Given Pima County
Pupils**

State fair awards for 4-H club members in Pima county were announced Tuesday by Miss Evalyn A. Bentley, county home demonstration agent, as compiled by the agricultural extension department at the University of Arizona.

Pima county won awards as follows:

Lucy Amarillas, Empire Makers, 2nd on stocking darn.

Mary Gallego, Sunnyside Sunshiners, 1st on club apron and cap (southern counties); 1st on best full year exhibit of club work; 3rd on stocking darn; 3rd on stockinet patch; and 2nd on pillow slips.

Mary Drummond, Sunnyside Sunshiners, 1st on boudoir pillow.

Panchita Cardenas, Cortaro Progressive Juniors, 1st on bedspread; 2nd on bedroom curtains; 2nd on dresser scarf; and 2nd on best individual display of girls' own room articles.

Fidella Colopez, Cortaro Progressive Juniors, 1st on bedroom curtains; 2nd on bedspread; 3rd on dresser scarf; and 2nd on best individual display of girls' own room articles.

Rosita Martinez, Cortaro Progressive Juniors, 1st on pillow slips.

Last year Mary Wellborn of the Cortaro Progressive Juniors scored highest in girls' own room competition at the state fair, thus making Pima county club members winners in this work for the past two years.

In farm women's garment making, Pima county won first on a boy's shirt made by Mrs. Frank Jordan of Ft. Lowell, and second on suit of men's underwear by Mrs. J. C. Daly of Ft. Lowell.

This is the first year that the department of farm women's garment making has appeared at the state fair. Counties represented were Navajo, Pinal, Yuma, Maricopa and Pima.

In farm women's canning, Pima county won second on best exhibit of preserves, jams, butters and marmalades.

4-H Club Activities

(These activities include the training of the head, heart, hand and health, and are under the supervision of Miss Evalyn A. Bentley, home demonstration agent for the Agricultural Extension Service of the University of Arizona).

EMPIRE MERRY MAKERS

By Angel Young

The Empire Merry Makers held an Armistice day program Thursday, Nov. 10. Friday we had a holiday. Our program included a play, "Soldiers of Peace", some songs and a musical program by Annie R. Young on her accordian.

The annual school trustee election was held in the schoolhouse Oct. 29. Mr. H. B. Thurber was elected trustee for a term of three years, beginning Jan. 1, 1933.

Mr. Thurber has recently bought the Roy Adams ranch and is now living in the Empire district. Before coming here Mr. Thurber was a resident of Tucson for a little over a year. He is from Nevada.

Thursday, Nov. 2, the Empire boys held a meeting of their cooking club. They all brought last week's work to finish. They had many mistakes to correct and all worked overtime. Some of them had their work finished while others had just a little done.

Mr. C. R. Nally, Mr. Al Steppler, Mr. Dawson and Mr. Joe R. Gardner went deer hunting south of Patagonia Sunday. They came home with one deer.

Mr. L. E. Krentz is going to leave for a day or two to go to his ranch northeast of Bisbee.

Mrs. Gaither, Miss Helen Gaither and Mrs. C. R. Nally went to Tucson Wednesday to see Harold Lloyd in "Movie Crazy" at the Opera House, and to do some shopping.

SOPORI WILLING WORKERS

By Arnold Valenzuela

Monday, Nov. 7, 1932, we began working on our uniforms for Armistice day. Manuel Nunez was Paul Revere and rode a horse in front of his men. We have learned a lot about sewing while fixing our uniforms.

Friday, Nov. 4, Mr. Urquides came to teach us more about baseball. We measured our field. We learned how to strike better. We have not been able to play Arivaca yet because they have no transportation to come to our school.

Albert Ott has gone away. He went to El Paso, Texas. Since he has gone we have had to hunt for another left fielder for our ball team.

FT. LOWELL SEWING CLUB

By Margaret Sprinkle

We postponed our 4-H business meeting from Thursday to Tuesday. We needed the time to practice for the Parent Teacher association program. The P. T. A. held a meeting Friday night, Nov. 4, at which time the children entertained the parents.

Mr. Thomas Williams was elected trustee of our school last Saturday.

The following Ft. Lowell people won prizes at the state fair in Phoenix: Mrs. Frank Jordan won a prize on a boy's shirt; Mrs. J. C. Daly won a prize on canning; Mr. Hardy won second prize on his peanuts, and Mrs. Clara Hardy sent jams, preserves and marmalades.

The county won second in farm women's canning.

PANTANO STITCH-IN-TIME

By Mary Bejarano

Miss Evalyn A. Bentley, home demonstration agent, came out to our meeting on Wednesday, Nov. 9, we were very glad to see her. She saw some of our clothes we have been laundering and said they were done nicely.

Tuesday, Nov. 8, we didn't have any school on account of the election being held in our school house.

Wednesday, Nov. 2, the boys of Pantano school, with Mr. R. G. Bateman as club leader, organized a camping club. They elected the following officers: President, Amando Bejarano; vice president, Paul Sanchez; secretary, James Herold Pennington. Other members are Ector Bejarano, Frank Bejarano, Benito Torrez, Arturo Corrales.

Saturday, Nov. 5, the people of the Pantano community gave a dance at the school house.

Nellie Gastelum, a 4-H club member, was absent from our meeting Wednesday, Nov. 9. She has been away for a few days with her sisters but returned Wednesday afternoon and was very glad to be back in our community again.

CATALINA CACTUS CLUB

By Alma Mead

The Catalina Cactus club held its second regular business meeting of the year on Oct. 31. It was conducted very smoothly by the president, Rita Castillo. It was a little hard at first to learn just how to make a motion and second it but we soon got used to it and made so many motions our secretary had a hard time to get them all down. After the business meeting was adjourned, a Halloween party prepared by the program and game committees was greatly enjoyed. The decorations committee had decorated the room which added to the fun.

So many days to celebrate come the first part of the year that we are kept busy all the time. First was Columbus day, then Halloween. Then the Armistice day parade. Mr. Germaine came over for two days to help us drill. The girls have been sewing the Red Cross nurses' head dresses they wore.

The boys take turns lighting the fire each recess to heat the milk for cocoa. The girls take turns getting the cocoa ready. All are glad of the hot cocoa at lunch time.

The president has already appointed the committees to get ready for Thanksgiving and then there will be Christmas which will take the most work of all. With so many things to do the school is sure to be kept very busy doing something it likes.

SUNNYSIDE SUNSHINERS

By Mary Welch and Mary Drummond

The 4-H club girls went on a picnic last Saturday. First we climbed a big mountain near the San Xavier Mission. Marjorie Per-

rine, Sue Welch and Kathryn Klajada went ahead of the rest and ran right into a buzzard's nest. This caused a great deal of excitement. From the top of the mountain we saw all the surrounding country, including the Mission and the city of Tucson. Soon one of the girls spied the river and suggested that we all go down for a wade in the water. This was lots of fun but we soon decided that it was time to eat our lunch.

After lunch we all got in the car and drove over to the San Xavier Mission. As a number of the girls had never been in the mission, we all got so interested that it was hard for us to leave. We arrived home early and everyone enjoyed the picnic very much.

A number of the girls have finished their first demonstration so we are planning to have an achievement day for them soon.

Three new children enrolled in our school last week. Our school is growing bigger and better every day.

In the past week we had two assemblies, one for election day and one for Armistice day. Each room contributed to the programs which made them very interesting.

Sunnyside organized a Boy Scout club. Mr. R. D. Burr was appointed scoutmaster and Mr. H. F. Burr, assistant. A troupe committee of M. N. Latham, B. F. Colvin, U. A. Tenney and J. A. Shumaker. The new scout members are Conrad Colvin, Edward Martin, Bond Shumaker and John Thomas. Transfers from other troupes are: Warren Alexander, Harry Latham, Henry Herrington and Robert Thomas. Last Friday night the Boy Scouts had a picnic and all had a grand time.

4-H Club Activities

Star 11/20/32
(These activities include the training of the head, heart, hand and health, and are under the supervision of Evalyn A. Bentley, home demonstration agent for the Agricultural Extension Service of the University of Arizona.)

TANQUE VERDE By Victoria Celeya

October 31 we had a Halloween party instead of sewing. We played a few games which included musical chair, bean bag toss and a few others. At the last we served hot chocolate, cake and cookies. Our party lasted from 2:30 to 4:00 o'clock. We were then dismissed.

The following Monday, Nov. 7, we were very glad to have Miss Bentley with us. We had our regular sewing. Miss Bentley thought we were going on nicely. She also said that our work was neatly done. At 3:50 our leader suggested that we sing for the remaining minutes. We sang a few songs.

Wednesday, Nov. 9, our president called a short business meeting in order to have the constitution read by the chairman of the constitution committee.

Monday, Nov. 14, our new members, Juanita Celaya and Frances Galaz, were present. We sewed first and then sang club songs.

EMPIRE BOYS' CAMP COOKING CLUB

By Harold E. Thurber

We changed our meeting time to Wednesday, Nov. 9, so as to have a program on Thursday, Nov. 10. Friday we did not have school, it being Armistice day. All attended the club meeting except two members of the girls' club who did not know of the change of the meeting. They were Eva Ferra and Lucy Amarillas.

Lydia Young is waiting to get a pattern for a slip from Eva Ferra. The pattern appealed to our director, Mrs. Krentz as being appropriate.

We are expecting Miss Evalyn A. Bentley to visit us at our meeting Thursday, Nov. 10.

We had a program Thursday, Nov. 10, at 2 o'clock at the schoolhouse. Most all of the parents were present and they enjoyed it very much.

We decided to have a Thanksgiving program, so we are getting ready for it. We are going to start our Christmas play right after Thanksgiving.

We will have our monthly club meeting Dec. 1. It will be conducted by the girls' club.

JAYNES JOLLY JUNIORS By Robert McNary

Last week Robert McNary said he would tell us about his trip to Phoenix Nov. 5.

Mr. H. R. Baker picked Robert up at the Sunset dairy at 5:45 a. m. They picked up Geraldine Hess at Coolidge, and Mary Knight at Florence. Mr. Baker had car trouble at Apache Junction and they were delayed about an hour. They arrived at the radio station in Phoenix just as the 4-H club program came

on the air. After the speakers had finished talking the two girls, Mr. Baker and Robert had lunch at the Grand cafe. They left Phoenix at 3 o'clock in the afternoon. Robert got home at 8 o'clock that evening. He enjoyed his trip immensely and said that it was quite an experience to talk over the radio.

Robert McNary was ill Nov. 14 and Nov. 15.

Delorus Gerber was ill Tuesday, Nov. 16.

A dance was held at the school house Saturday, Nov. 19.

CATALINA CACTUS CLUB

The great event of last week was the Armistice day parade! Our teacher, Mrs. Fish, decided this was a good chance to have us learn something about our flags, so with the help of Mr. Germaine, we arranged to have the school march in the following order: First, there came three boys carrying a banner telling the name of our school. After them came the three Germaine boys representing "The Spirit of '76", from the famous picture. Max Germaine was the little drummer boy, Harold the big drummer, and Edward, the man who plays the fife. Mr. Germaine had taught them a piece and they played it so well that it helped all the rest of the schools near us to march well. Then came four boys carrying flags, representing the early flags of American history.

One was "Congress Colors", the first really American flag. This flag was composed of 13 equal stripes alternately red and white to signify the 13 original states, and in the upper left hand corner was a small Union Jack, the flag of Great Britain which showed the colonies still belonged in part to her. This was the flag raised by John Paul Jones, one of our greatest naval heroes, on Dec. 3, 1775. It was also the flag raised by Washington in Cambridge, Mass., on Jan. 2, 1776. It was used as the standard of the colonies until replaced by the "Betsy Ross" flag which differed from it by having in place of the Union Jack, a circle of 13 white stars on a dark blue field.

The second flag was called the "Bunker Hill" flag and was red with a white square in the upper left hand corner bearing a green pine tree, the emblem of Massachusetts.

The third flag was the Betsy Ross flag already described, and the fourth flag was our own glorious "Stars and Stripes", the regular American flag of today. "Long may she wave" as an emblem of our country. Red for bravery, white for purity, and blue for loyalty.

After the boys came the 12 girls

of the school wearing the Red Cross head dresses that they had made themselves.

Every member of the school was there and we were very glad that we had a chance to see the rest of the parade, for last year we were so near the end that we did not see anything.

SOPORI WILLING WORKERS By Arnold Valenzuela

Friday, Nov. 11, which was Armistice day, we went to Tucson. We left Soporì school about 8:30 a. m. and we were ready to march in the parade at 10:30 o'clock.

We were dressed as Paul Revere and the Minute-Men. We had jackets, leggings and knapsacks made from burlap sacks which we made ourselves. It was good practice for us. Mr. L. Jacobs, of the Jacobs Fuel and Feed company, gave us the sacks. He also let us borrow the horse which Manuel Nunez, as Paul Revere, rode in the parade.

Mrs. F. Bustamante let us borrow her machine to sew on.

Our bus drivers, Mrs. Montano, Mr. Bell and Mr. Bustamante, donated the trip to town.

Various people let us borrow their rifles so that each one of us could carry one.

The school wishes to thank these people who helped us and made it possible for us to go to the parade.

All the parade was very pretty. We saw some real soldiers. We liked being in the front of the parade because then we were able to see many things.

After the parade we had our lunch at Armory park. We had our pictures taken.

When we were coming back we had some car trouble because of the loose gravel. We are glad that most of the way will soon be oiled.

Tuesday morning, Mrs. Smith and Mr. Fitzgerald brought out some "movies" for us to see. We enjoyed them very much. One was very, very funny. This was the first time we have had the movies at our school this year.

Our secretary, Ralph Lopez, is now going to Continental school. He entered Wednesday, Nov. 16, 1932. We will elect a secretary in our next meeting.

PANTANO STITCH-IN-TIME By Mary N. Bejarano

Wednesday, Nov. 16, in our club meeting a motion was made by Mary Louise Echols and seconded by Mary Bejarano, that Loraine Ward be allowed to join our 4-H Sewing club. This motion was carried.

A motion was made by Cleotilde Anduaga and seconded by Mary F. Foster, that we give a Thanksgiving program. This motion was carried.

The following songs were practiced during our business meeting: "Carry Me Back to Old Virginny," Rueben and Rachel. "Carry Me Back to Old Virginny" is one of the songs on our music appreciation list. It is an American plantation melody, and was written by Bland, a Negro minstrel.

Pauline Ward entered our school Wednesday, Nov. 16. She is in the first grade. She has been attending the Chandler schools.

4-H Club Activities

(These activities include the training of the head, heart, hand and health, and are under the supervision of Miss Evalyn A. Bentley, home demonstration agent, for the agricultural extension service of the University of Arizona.)

CATALINA CACTUS CLUB

By Alma Mead

Monday morning there was great excitement at our school. The first thing we noticed was a new bookcase that was installed and which gave us more of the much needed space.

Then two new pupils came, Homer and Glenda Magee. With Alfonso Verdugo, who entered last Monday, we now have 25 pupils. We are very glad to have them even if we are rather crowded.

In the afternoon just when we were getting over the excitement of the morning and settling down to study, Mrs. Constance F. Smith and Mr. J. R. Fitzgerald came to give us a movie program. Of course, we were very glad to see them and enjoyed the pictures very much.

Every once in a while there is a holiday which the school is sure to celebrate with a program. Just now the Thanksgiving program is taking up a lot of time, interest and energy. In the program there will be the salute to the flag, first, and following that will be a reading of the Thanksgiving proclamation. Afterwards will come a his-

tory of Thanksgiving and songs and poems by different members of the school.

We expect Miss Bentley the same day and we hope to have some sewing to show her that she will think is good. Then we are all going to enjoy our Thanksgiving vacation.

FT. LOWELL DESERT FLOWER SEWING CLUB

By Margaret Sprinkle

At our last 4-H club business meeting the president appointed the following program committee: Helen Jensen, chairman; Martha Gallego and Bessie Neal. This committee is busy preparing a Christmas program for our next business meeting, which will be the second Thursday in December.

The sixth grade Better English club is also preparing a Christmas program.

Mable Land, one of our 4-H girls, has moved to Sahuarita.

The seventh and eighth grades are learning "The Gettysburg Address."

Gordon and Milton Holmes and Lea Jones are going to be transferred to Mansfield Junior High at mid-term. They are to be promoted to the ninth grade.

Gabril and Louis Fimbres have moved to Casa Grande.

Gilbert and Fred Figueroa have been transferred to Tucson.

The manual training boys, under the direction of Mr. Smith, have

just completed some real attractive book ends.

Mr. Tommy Williams, Verna Williams and Mr. and Mrs. Stollar went deer hunting in the Rincons recently.

SUNNYSIDE SUNSHINERS

By Mary Welch

Mrs. Constance F. Smith and Mr. Fitzgerald, were out to our school. They gave a moving picture show, "Shing, Chong, Chu" was the first thing; second, "One Day"; third, "Singsong Birds", and last, "Our Gang Comedy." All the children got a big kick out of the comedy. They are still talking about it and probably will for a long time.

Each room is giving a program at the school because it is book week. We are not letting each other know what it is and hope it turns out very nice.

The sewing is getting along fine. Get this joke—Mary Welch was trying to sew on the sewing machine and it wouldn't sew, she went out and got two cans of oil and was putting it on the machine. She used all the oil. Mr. Latham came in and said, "You must have been rolling a locomotive!" He looked in the bottom of the machine and found thread caught in the bobbin. Ha! Ha! What a joke.

The Sunnyside scout troop went up to White House canyon Saturday, Nov. 19, about 2 p. m. It was an overnight hike. They came back Sunday about 3:00 a. m. Mr. R. D. Burr is scout master and Mr. Herbert Burr, assistant master. Mrs. Thomas helped take the boys up in her car. Mr. Herbert Burr came up for a visit Sunday.

The seventh and eighth grade are studying famous paintings. Seventh grade is studying moonlight, Wood's Island Light, and the eighth grade a painting by Gilbert Sewart which is a picture of George Washington.

The fourth, fifth and sixth grades are doing something similar.

VAIL VILLAGERS

By Betty Woolsey

Mrs. Constance Fitch Smith, county school superintendent, and Roscoe Fitzgerald, county truant officer, visited our school Tuesday, November 22. They brought the moving picture machine and showed us educational pictures of China, historical pictures of the past and present of our country, and an "Our Gang" comedy. Everyone enjoyed the pictures thoroughly. We hope they will come again soon.

There is an epidemic of flu in our school. Our teachers, Mrs. Esta and Lottie Trotter, and Hugh Calkins, have just recovered from the flu, and 50 per cent of the children have either just recovered or still have the flu. Stanley Conover had to leave school Wednesday because he became ill.

Elsie Hood, our 4-H treasurer and yell leader, has moved to Tucson, where she is attending Mansfield Junior high. We are very sorry to lose her as a member of our club.

Jessie B. Rodman and June Pettit went to Greaterville for the holidays, where they rode horseback. Betty Woolsey spent Thursday in Tucson.

Miss Esta Trotter's classes have made a border of turkeys and pumpkins to decorate the room for Thanksgiving.

Mr. and Mrs. N. R. Wagner and family have moved from their ranch to Vail. Rita Wagner, who was president of our 4-H club and graduated last year, is going to join the club again.

We shall begin to work on our Christmas program and decorations next week. The 4-H girls are going to make the Christmas stockings.

SUNNYSIDE 4-H NEWS

By Mary Welch

Last week was book week and each room contributed to the program. Mr. Burr's room gave a skit on Books Coming to Life. The cast of characters was as follows: Arthur Webber, Mary Drummond, Mary Welch, Bond Shumaker, Henry Allen, Frances Bayless, Mrs. Perry's room gave a skit on the different types of books. The cast of characters was as follows: Mar-

jorie Perrine, Frances Watkins, Grace Smith, Ronald Wilson, Katherine Klajda and Jacquelyn Dewey.

Mrs. Thomas' room gave a play called "Bobby's Visit to Bookland." The cast of characters was as follows: Mary Roberts Templeton, Roy Dewey, Johnnie Deliso and the rest of the class represented the books.

Miss Peterson's class gave the play, "The Three Bears." Characters were: George Hale, Frankie Deliso, Richard Latham and Celia Shumaker. Nada Deliso gave a poem called, "My Books Hold Many Stories," and Elaine Ryan gave a poem called, "Books are Keys."

The program was very nice and the children enjoyed it very much.

A number of new students entered our school this week.

We are having our Thanksgiving program Wednesday. The program consists of: "A Thanksgiving Fable," Lorayne Propati; "An Indian Mother's Lullaby," Virginia Ellis; a play, "Thanksgiving Day," Grady Koonce, Van Lemons, Carly Smith, Nada Deliso and Glenn Henderson; "We Thank Thee," Richard Latham and Clifford Wiser; "Something To Be Thankful For," Celia Shumaker; a play, "Grandmother's Recollection of Thanksgiving," Mary Caranza, (Grandmother), Jacquelyn Dewey (Prudence), Ronald Wilson (John), Dutch girls: Marjorie Perrine, Sue Welch, Grace Smith, Daisy Latham; Mercy Huerta, Domitila Carranza, Kathryn Klajda and Eileen Drummond. "Indian Dance," Chief, Inez Morales; Robert Hale, Alfred Morales, Donald Propati, Frank St. Dennis. Tap dance, Phyllis Jeanne Houser; saxophone solo, Bobby Byerly, "Old Black Joe."

The girls in the 4-H are getting along fine in their sewing. We hope to win a lot of ribbons when we exhibit our work.

TANQUE VERDE 4-H CLUB

By Victoria Celaya

On Friday, November 18, the Wrightstown, Tanque Verde Civic club held a special meeting in which they discussed the annual Christmas picnic, which is to be held at J. S. Ayers'. The Tanque Verde and Wrightstown children are to take part in the program.

Sunday, November 20, there was a barbecue held at Robles' ranch. Steinfelds of Tucson were in charge of it. Everybody was invited to come. They played the following games: baseball, tug of war, and horse racing. They had a boxing exhibition and there was very good music. It lasted from morning till dark. Everybody had fun and enjoyed coming.

Our club had our regular meeting Monday, November 21. Some of our members are sewing for the Red Cross.

PANTANO STITCH-IN-TIME

By Mary Bejarano

Mrs. F. Bejarano gave a hot tamale dinner Sunday, November 20. Her guests were: Misses Victoria Valenzuela, Trinidad Marquez, Seferina Marquez and Mr. Angel Ollas, all from Rincon ranch; Mr. and Mrs. L. Sepulvera and family from Tucson and Mr. and Mrs. F. Bejarano and family of Pantano.

A new boy entered Mrs. Bateman's room Monday, November 21. His name is Vernon Ward.

We gave our Thanksgiving program at 2 p. m., Wednesday, November 2. It was as follows: poem, history of Thanksgiving, by Mary Frances Foster; song, Ten Little Indians, by boys; An Old Time Thanksgiving, by Cleotilde Anduaga; The Reason Why, by Lucy May Echols; What Makes Thanksgiving, by Mary Bejarano and Mary Louise Echols; I am Thankful, by Lorene Ward and Harold Pennington.

Tuesday, November 22, Mrs. Constance F. Smith, school superintendent, was out to give us some movies. We were very glad to see her and enjoyed her movies very much. We saw movies about the City of Philadelphia. It also showed about the Declaration of Independence. We were also glad to see Presidents Woodrow Wilson, Theodore Roosevelt, General George Washington, Benjamin Franklin and President Hoover.

We were very interested in seeing the wall of ancient China. We also learned about birds from one picture.

We surely do appreciate Mrs. Smith's and Mr. Fitzgerald's visit. It has been a long while since they visited our school.

EMPIRE BOYS' CAMP COOKING CLUB

By Harold E. Thurber

On Thursday, November 17, we started our meeting at 10:30 a. m., because we were expecting Miss Evalyn Bentley to visit us.

Lydia Young brought an apron she had finished at home. We figured on showing it to Miss Bentley for something done on our year's work. Five girls have their garment patching completed. Four boys have their potholders finished. Two boys have their aprons almost ready to wear. Eva Ferra and Lucy Amarillas were absent today.

We are in hopes that Miss Bentley will be out to visit us soon.

We had a party for Agnes Young's birthday today.

We were sorry to hear of the United Bank and Trust company closing because some of the ranchers had their money in it.

EMPIRE MERRY-MAKERS

By Angel Young

For Agnes Young's birthday we had bread pudding with peach sauce and marshmallows with our dinner, and Agnes received a little doll.

Just as I was writing my news notes today Mrs. Constance Smith and J. R. Fitzgerald came out with the picture show. They showed us four films. The first was about China, the second was the history and development of Philadelphia, one was about birds and the last was a funny story called "One Wild Ride." The children enjoyed it so much and all had a good laugh.

The one that interested me most was the one about Philadelphia because it was like our history. It showed William Penn and his free colony in 1681. Benjamin Franklin in 1728, the Liberty Bell and Carpenter's Hall, where the Declaration of Independence was signed; the

home of Betsy Ross, who created the Stars and Stripes, and the church where George Washington prayed for the success of the Revolutionary War.

SOPORI WILLING WORKERS

By Arnold Valenzuela

On Friday, November 18, we received the picture which was taken after the Armistice day parade. It was very good. The boys and girls enjoy having it.

Mr. Urquides, who is helping us with our baseball, came out Friday, November 18. He taught us how to slide, so that we would not get hit with the ball or get hurt when we slide on bases.

Monday, November 21, three new children entered school. They are Armando Arza, Ramon and Adellna Carrillo. They have been in school in Tucson. Adellna is in the second grade. The other two children are in the first grade.

Tuesday afternoon the children had a Thanksgiving picnic. We went to the river. We fried bacon and eggs, which we ate with the rest of our lunch. We played games and our teacher told us the story of the "First Thanksgiving." This is some of the work to be done in the Camp club. We will have other picnics and learn to cook other things.

We held our regular club meeting from 3 to 3:30 after the picnic.

Arnold Valenzuela was elected our club secretary and Arnulfo Armenta our vice president.

JAYNES JOLLY JUNIORS

By Clara Wade

The Jaynes Missionary Society held its regular November meeting at the home of Mrs. Pete Bouchet last Thursday. Fourteen members and six visitors were present.

Mrs. Harold Sheppard had charge of the program, assisted by Mesdames White, Browning and Shumaker. The afternoon was spent sewing for the Red Cross. Delicious refreshments were served by the hostess. An all-day meeting will be held at the home of Mrs. N. A. Chandler, Thursday, December 1, for the purpose of sewing.

A committee of the Jaynes Missionary society met at the home of Mrs. L. G. Campbell Thursday morning. Plans were made for an entertainment to be held in the schoolhouse Friday evening, December 9.

Mrs. C. H. McNary and son, Robert, spent the week-end in Phoenix at the home of Mr. and Mrs. A. P. McIntyre and daughter, Amy Lou.

W. R. Honea and family moved to the Fairview dairy, where Mr. Honea has a position.

Mrs. B. F. Gulasha visited Mrs. W. H. Hajdeman Sunday, November 18.

There were many absent from school Wednesday because of so much illness. Those absent were as follows: Bernice and Wendell Honea, Ray and Ronald Honea, Eva Ortega, Jane Dillon, Carmelita and Felencita Arvuzu and Rufugia Ortiz.

The Jaynes Jolly Juniors club has five health rules to follow: The fines are sometimes 1c, 2c or 1 recess, 2 recesses or 3 recesses.

Our club reporter, Robert McNary, has been absent for the last three days because of very severe illness.

B SHARP CLUB GIVES PROGRAM

Parent Teacher Meeting Is
Entertained by Juvenile
Musicians

The B Sharp club, junior organization of the Saturday Morning Musical club, presented a program of solos and trios at the meeting of the Jaynes Parent Teachers' association Tuesday night. The program was well received. Mrs. O. P. Knight and Mrs. L. H. Grimes were in charge. The program was part of the better homes programs presented by the county home demonstration agent, Miss Evalyn A. Bentley.

The program follows:

Piano Solo:
Gypsy Dance Carfé
Salute to the Flag Anthony
Allen Carey

Piano:
Sarentena Turner
Ruth Löchner

'Cello:
Heavens Are Telling ... Beethoven
Merle Ballantyne

Accompanied by Alondo Ballantyne
Piano:

Gigue Corelli
Cherry Blossoms Friml
Gondolieria Nevin
Elizabeth Ann Stillwell

Violin:
Madrigal Simonetti
Faust Waltz Gounod
Emma Grimes

Piapo:
Valse Arabesque Lack
Arlet Jost

'Cello:
Berceuse Schellsdmidt
Gavotte Gossic
Alta Julia Grimes

Piano:
Prelude Chopin
Minuet Paderewski
Bruce Hannah

Trio:
Robins' Lullaby Krogmann
The Pony Race Krogmann
Emma Grimes
Alta Julia Grimes
Mrs. L. H. Grimes

Mrs. M. M. Hale, chairman of the Study class, reported that the class is open to all persons interested in the work and that class is held the first Thursday in each month at 2 p. m. at the school. Miss Evalyn Bentley, Pima county Home Demonstration agent, is the instructor.

The next meeting of the group will be held Dec. 16, as the usual date would conflict with the children's Christmas party.

Mrs. George Menzie, president, presided at the meeting.

* * *

RURAL P. T. A. UNITS HOLD STUDY CLASS

The various rural Parent Teacher association are planning study classes in child development or parent education under the leadership of Miss Evelyn A. Bentley, county home demonstration agent. On Wednesday afternoon at Amphitheatre, the class will meet with Mrs. R. A. Wetmore at 2 p. m. On Thursday at 2:30 p. m., the Sunnyside group will meet at the school. On Friday, the Fort Lowell group will meet at 2:30 o'clock at the home of Mrs. Gordon Hanks, near the corner of Swan and Ft. Lowell roads.

MEAT CANNING WILL HAVE DEMONSTRATION

A special session for the demonstration of meat canning will be held Tuesday afternoon at 2 o'clock for the Marana district in the laboratory of the Marana high school, with Miss Frances Brown, state home demonstration agent, and Miss Evelyn A. Bentley, home demonstration agent for Pima county, to oversee the work. At the same time, Miss Brown will give a talk about the necessity of standardization in canning and tell about the state fair exhibit at which Pima county won third place in meat canning and third for the best variety of exhibits in canned products.

All women from Marana, Rillito, Cortaro, Jaynes districts are invited to attend the Tuesday meeting.

Marana

By MRS. J. H. JONES

MARANA, Nov. 28.—On Friday night, December 4, the public is invited to attend the annual bazaar sponsored by the Marana Woman's club. A chicken-pie supper will be served at 8 o'clock for which a nominal sum will be charged.

Tuesday afternoon, December 1, at 2, there will be a meat canning demonstration of the pressure cooker being used. Miss Francis L. Brown, state home demonstration agent will discuss standardization in canning and the state fair exhibit at which Pima rural women won third on the meat exhibit and third for the most complete exhibit. Miss Brown will be accompanied by Miss Evalyn Bentley, county agent.

A trip through the Rhine valley and Switzerland will be presented verbally and on the screen by Miss Evalyn A. Bentley for the 4-H club members at Cortaro school this afternoon at 4 o'clock. Miss Bentley made the trip herself a year ago. The entire valley and the republic will be covered by the pictures to be put on the screen by stereopticon.

SUNNYSIDE

At the study group meeting, under the auspices of the Sunnyside P.T.A. held Thursday, December 3, in the school house the following members were present: Mesdames N. G. Hussey, W. L. Rogers, Yayda Menzie, M. M. Hale and M. N. Latham. The study group is conducted under the leadership of the home demonstration agent, Miss Evalyn B. Bentley.

AMPHITHEATRE

The study group of the Amphitheatre P.T.A. met Wednesday afternoon at the home of Mrs. R. A. Wetmore on the Oracle road. The group discussed discipline in the home and it was decided that discipline of children is largely a matter of discipline of parents. This subject was considered in the light of "understanding your child" by looking back into the early memories of the parent to discover the effects of wise and unwise punishment in childhood.

The discussion continued over the tea cups when refreshments were served by the hostess. Mrs. R. A. Wetmore. Those participating in the discussion of the afternoon were: Mesdames Elizabeth Anne Ashen, E. M. Stowe, D. Jessunem, W. A. Jost, president of the Amphitheatre P.T.A. Margaret Cawley, D. G. Drummond, C. B. Tribble and R. C. Wheatley.

The group will meet again the first Wednesday in January at 2-p. m. Mrs. Margaret Cawley on the Old Wetmore road between Stone and Oracle will be hostess. The subject for discussion will be: "Emotional Attitudes in the Homes," considering jealousy, fear and anger and the problems connected therewith.

PIMA COUNTY WOMEN AID CANNING WORK

Ten country women of Pima county have been appointed by the home demonstration agent as a canning committee to further canning work in the county, it was announced Wednesday by Miss Evalyn Bentley, home demonstration agent.

The women, all of whom attended a meat pressure cooker canning demonstration at the Marana high school laboratory Tuesday afternoon, are: Mrs. E. E. Fruits of Cortaro, chairman; and Mesdames T. J. Smith, W. E. Anway, W. L. Holland, George Hanna, A. D. Weaver, G. L. Starrh, Harry Beggs, Johnny Hunts and C. C. Connolly, all of Marana. The demonstration Tuesday also had 19 high school girls in attendance. It was conducted by Miss Frances L. Brown, state agent, and Miss Bentley, Pima county agent.

4-H CLUBS PREPARE LUNCHEON PROGRAM

Star — 12/19/31

Members from nine 4-H clubs of Pima county, with their parents and the county and state home demonstration agents, will have a luncheon and a theatre party today. The luncheon will be a semi-picnic event and will be in the auditorium above the gas building. The theatre party will be at the Fox theatre in the afternoon.

All 4-H club members in the county have been invited and the clubs which will be represented are Arivaca, Mrs. Helen Farrell and W. G. Barnett, leaders; Cortaro, Mrs. Marion Peterson, leader; Empire, Mrs. Agnes L. Krentz, leader; Pantano, Mrs. Florence Beatman, leader; Sahuarita, Miss Frances Kohler, leader; San Xavier, Miss Dolores Rios, leader; Sunnyside, Mrs. Kathleen Perry, leader; Vail, Miss Esta Trotter, leader; Sopor, Mrs. Evangeline Urquides, leader.

FEAR COMPLEX TO BE P. T. A. TOPIC

Star — 1/6/32

That fear complex in children and what causes it will be one of the items to be discussed at Parent Teacher association meetings in the rural area near Tucson this week. Discussions will be led by Miss Evalyn A. Bentley, home demonstration agent, and will be held at Amphitheatre today; Sunnyside, Thursday and Fort Lowell, Friday. Tuesday's meeting and discussion was at Jaynes Station.

The fear complex, jealousy, anger, family misunderstandings centering themselves in the relationships between parents and children and the educational attitude in the home will be subjects of the discussion, to which parents and teachers will contribute instances and ideas.

Selecting fear as one item, Miss Bentley said Tuesday, that in general it was caused in children through the attitude of parents.

"Why is a child afraid of the dark? In most cases we find that the mother and father have fear themselves, although they don't say so. But you don't have to say so to children to have them get the idea of fear. For instance, if a mother hesitates, if she starts at a noise, or if she screams when a speeding auto begins careening, she does not have to say she is afraid. Children get the fear idea by observation."

The Jaynes Station meeting was held at the home of Mrs. Paul Arend, Jr., at the Sunset Dairy at 2 o'clock Tuesday afternoon. The conference at Amphitheatre this afternoon will be at 2 o'clock at the home of Mrs. Emma Cawley, Wetmore road. Thursday afternoon the Sunnyside association members will

meet at the Sunnyside schoolhouse at 2 o'clock. And Friday, the final conference of the week will be held at Fort Lowell at the home of Mrs. Thomas E. Williams at 2 o'clock in the afternoon.

Star Pima County Council 1/6/32

The Sunnyside school will be the scene of the Pima County Parent Teachers' association council meeting this noon for luncheon and discussion. A talk by Miss Evalyn Bentley, county home demonstration agent, and a program by children of the school are scheduled. Mrs. Kathleen Perry is principal of the school.

The council is presided over by Mrs. Otto Myrland, and Mrs. M. C. Hussey, Mrs. Leon Ellis, Mrs. Dan Colvin and Mrs. Robert Templeton are in charge of the luncheon and program.

Evalyn A. Bentley Addresses P. T. A. Council at Luncheon

Dean 1/10/32
Miss Evalyn Bentley, home demonstration agent for Pima county was the principal speaker at the luncheon meeting of the Pima county council of parents and teachers at the Sunnyside school on Wednesday, Miss Bentley spoke on "Know Thyself-thy Child," stressing the importance of the careful planning for the building of a child's life and that this guidance should be begun early and be regarded as a well planned task.

O. W. Patterson, in announcing the plans for the parent education classes to be given every two weeks under the sponsorship of the high school vocational department and the Parent Teacher council, explained the need and benefits derived from parent education classes. These classes are under the leadership of Mrs. Bertha Stevens of Phoenix, and the first one was held Friday. Mrs. R. L. Pomeroy announced that the 1932 summer round up examination will be held the first week of February.

Mrs. Mary McMurtrie, chairman of drama for the council, outlined a tentative plan, for the establishment of the Children's theatre in Tucson through the cooperation of the council.

Mrs. A. W. Clark, newly appointed council chairman for Children's reading, told of the state congress plans to provide books for all schools who enter the contest which is being planned to develop in school children, a greater taste for good reading. A \$100 prize is to be offered to the school in the state which attains the greatest development in reading good books.

Mrs. Otto Myrland, council president, appointed a new ways and means committee to plan a method to raise funds for the council expense fund. Miss Rose Buzan was named Americanization chairman to fill the vacancy occasioned by the resignation of Mrs. R. E. Bowsby. Mrs. L. P. Bloodworth was named social standards chairman, Mrs. S. McWade legislation chairman, Mr. Griffith, standard and superior association chairman and Mrs. L. J. Murphree, program chairman.

Mrs. Hubert d'Autremont, announced that the emergency relief committee of the Organized Charities is conducting a relief station at 47 West Congress street and that there is need of clothing, especially shoes and boys' garments. The council will cooperate through its local associations in sending clothes and in helping to provide volunteers to aid in the work.

It was voted to give \$10 to the council Mother Singers to defray their expenses in the purchase of music.

The next council meeting will be held at the high school cafeteria on February 3 and will be in commemoration of Founders' Day, the anniversary of the organization of Parent Teachers work.

The Sunnyside association acted as hostesses for the meeting and presented a program by some of the pupils.

Dean 1/20/32
The next study group discussion will be held early in February. It was announced by Miss Evalyn A. Bentley, home demonstration agent for Pima county, Tuesday. A discussion group was held at Davidson school Monday afternoon, at which Mrs. R. A. McDole, Mrs. E. G. Wilson, Mrs. J. R. Thompson, Mrs. Isaura B. Abegg, Mrs. Maude M. Mosley, Mrs. J. W. Garrett, Mrs. J. W. Butler and Mrs. H. S. Greene were present. Discipline, including how to get the dishes washed, was discussed.

You Should Know

Miss Evalyn A. Bentley

2/18/32

BECAUSE she is a woman who has dedicated her life's work to the mission of teaching women. It will be 11 years Oct. 15, next, that Miss Bentley came to Pima county as home demonstration agent for the department of agriculture, working under provisions of the Smith-Lever law. Since then she has visited homes in every part of Pima county.

But before her work in Pima county, she had a background that gave her special fitness. Her father was Randall Spencer Bentley who was born and reared near Toronto, Canada. When a young man he migrated to the wide spaces of the middle west, and made his home in Franklin county, Nebraska.

Miss Bentley was born near Lincoln, Neb. When she was a child the family moved to Gove county, Kans., and her first recollection of a class room was when she was attending school in a dug-out. She completed the course in the country schools and was graduated from the Kansas Agricultural college at Manhattan, meanwhile teaching in the rural schools at intervals to pay her way through college. She was graduated in 1912 after majoring in home economics with a brilliant record. Her first government position was home demonstration agent in the U. S. Indian service to which she devoted eight years.

Miss Bentley believes in begin-

ning at the foundation and that is why she devotes time to the 4-H clubs and other children's organizations as the basis of her work.

Miss Bentley is prominent in educational, religious and cultural work in Tucson, and is in the class of women who have a definite objective.

Amphitheatre Sunday School

Immediately following the regular session of the Amphitheatre Sunday school, which will be held in the auditorium of the school today at 2:30 o'clock, Miss Evalyn Bentley, home demonstration agent of Pima county, will exhibit motion pictures of the Hopi Indians. Miss Bentley was for eight years home demonstration agent for the Hopi Indians, serving under the department of the interior, bureau of Indian affairs.

The films are part in color, and Miss Bentley will speak on the religion of these Indians and explain the different pictures.

Study Groups

The child study groups under the direction of Miss Evalyn A. Bentley will meet as follows: Davidson, Monday afternoon at 2 o'clock at the schoolhouse; Jaynes, Tuesday afternoon at the home of Mrs. L. Shannon, north of the Jaynes schoolhouse, at 1:30 o'clock; Sunnyside, Thursday afternoon, at the home of Mrs. M. M. Hale, at 2 o'clock; Amphitheatre, Tuesday, February 9, at the home of Mrs. W. A. A. Jost, 221 West Luna street; Fort Lowell, Friday, February 12, at the home of Mrs. Thomas E. Williams, Pima and Mable boulevard, at 2 o'clock.

Study group for the Marana community meets at the high school, Monday, February 15, at 2:30 p. m. The home demonstration agent, Evalyn A. Bentley, will be in charge of the discussion. Problems relating to the home will be taken up, helping the child to be his best is the theme, but this includes the discussion of many factors.

Star Marana 2/4/32

MARANA, Feb. 3.—The Marana Women's club held its regular meeting Wednesday, January 27, at 2 p. m. in the auditorium of the high school building, with Mrs. C. C. Conley, president, presiding. Mrs. W. E. Anway was program chairman for the afternoon. She introduced the home demonstration agent, Miss Evalyn A. Bentley, who addressed the club, taking for her subject, "Home Making For Efficiency."

The first thought brought out by the speaker was the necessity for economy in time: to eliminate non-essentials for the worth while things. She emphasized the fact that the housewife should have a system to work by but should not be bound by iron clad rules. The value of a budgeting system was discussed, also the benefits of a thorough knowledge and appreciation of values that money might be spent wisely for the best interests of the family, as well as the social development of the community. It was also brought out that the community has an opportunity through civic endeavor to bring the most poorly managed home to the same level with the best, thus raising the standard of the entire community as well as that of all American homes.

Speaking of the psychology of the home, Miss Bentley stressed the importance of mental impressions and the value of good reading. A list of books which were suggestive as an aid in family relationships was given to the members to be used as a guide in further discussions along this subject.

The meeting adjourned to meet at the home of Mrs. Harry Beggs on February 10th.

Pima County Women to Hear Zella Blake Lecture Series

Star - 2/19/32

Miss Evalyn A. Bentley, home demonstration agent, announced that Miss Zella Blake, clothing specialist for the extension service of the University of Arizona, will be in Pima county to give work along this line February 23, 24, 25 and 26. The main subject treated will be "Personality in Dress." The colors suited to various types, as well as the effect of line and design will also be discussed. Miss Blake uses some clever models in illustrating the points and women all over the state of Arizona where she has given this work have found it most helpful in solving their clothing problems.

"Important Points in Securing Tailored Finishes" will be discussed at the meeting of the Flowing Wells club. Fort Lowell and Sunnyside will hold an all day joint meeting at the home of Mrs. Frank Jordan, with a covered dish luncheon at noon. At this time "Children's Clothing" with special reference to "Smocking," will be demonstrated by Miss Blake.

All women interested are invited to attend the demonstrations. The communities, dates and subjects are as follows:

Jaynes

10 a. m., Tuesday, Feb. 23. Subject, "Personality in Dress." Home of Mrs. W. P. Tharp (formerly known as the Matt Wachter home).

Flowing Wells

1:30 p. m., Tuesday, Feb. 23, "Important Points in Securing Tailored Effects." Home of Mrs. J. H. Day (on the Oracle road near Pullman City). Bring a piece of material about 12 inch by 12 inch, needle thread, scissors and thimble.

Davidson and Binghampton

2 p. m., Wednesday, Feb. 24. Subject, "Personality in Dress." At the Davidson School auditorium. Sunnyside and Ft. Lowell

Thursday, Feb. 25. All day meeting from 10 a. m. to 4 p. m. Subject, "Children's Clothing." Special attention to smocking. A demonstration on Infant's Layette will be given if time permits. At the home of Mrs. Frank Jordan (just north of the old Ft. Lowell ruins). Bring embroidery needle, large enough to carry six-ply embroidery floss, a thimble, scissors, some material to work on, and a pencil.

Marana

2 p. m., Friday, February 26. Subject, "Personality in Dress." At the Marana high school laboratory.

RURAL GROUPS DISCUSS DRESS

Star - 2/25/32

Clothing Specialist Visits Jaynes And Flowing Wells Districts

"Personality in Dress" was discussed with the group at Jaynes which met at the home of Mrs. W. T. Tharp, Tuesday morning. Miss Zella Blake, clothing specialist for the agricultural extension service of the University of Arizona, accompanied Evalyn A. Bentley, home demonstration agent, and a very good discussion of color as applied to the personality of the wearer was given. Many different colors and fabrics in swatches of material were draped on the model in order that all might discuss what colors were most pleasing for certain types. The demonstration was enjoyed by the following members:

Mrs. A. R. Kline, Mrs. Harry Gerber, Mrs. R. C. Hooven, Mrs. W. P. Tharp, Mrs. John Hufft and Miss Margaret Closson.

The Flowing Wells group met with Mrs. J. H. Day on the Oracle Road Tuesday afternoon. The subject of the work given was "Important Points in Securing Tailored Finishes." Miss Blake discussed the best methods and equipment for correct pressing of silks and woolsens. She said that in pressing lies tailor's secret of success—"Well pressed is well dressed." The tailored buttonhole and tailored pockets were also discussed and demonstrated.

The following members enjoyed the afternoon and refreshments at the close: Mrs. R. M. McKinney, Mrs. Louis Davenport, Mrs. H. B. Davenport, Mrs. Florence Ross, Mrs. J. D. Burns, Mrs. P. M. Arend, Mrs. W. H. Hughes, Mrs. J. C. Morgan, Mrs. Ed Halderman, Mrs. C. Hansen, Mrs. A. W. Robbins, Mrs. A. D. Sullivan, Mrs. J. H. Day, Mrs. F. J. Eisenmann, Mrs. I. F. Stevenson, Mrs. C. C. Haynes and Miss Margaret Closson.

Clothing Specialist to Discuss Personality In Dress For Dinner

Star - 2/18/32

Miss Evalyn A. Bentley, Home Demonstration Agent, announces that Miss Zella Blake, clothing specialist for the Extension Service of the University of Arizona, will be in Pima county to give work along this line February 23, 24, 25 and 26. The main subject treated will be "Personality in Dress," the colors suited to various types, as well as the effect of line and design will be discussed. Miss Blake uses some very clever models in illustrating the points and women all over the state of Arizona where she has given this work have found it most helpful in solving their clothing problems.

"Important Points in Securing Tailored Finishes" will be discussed at the meeting of the Flowing Wells club. Fort Lowell and Sunnyside will hold an all day joint meeting with a covered dish luncheon at noon at the home of Mrs. Frank Jordan. At this time "Children's Clothing" with special reference to Smocking, will be demonstrated by Miss Blake.

All women interested are invited to attend the demonstrations. The communities, dates and subjects are as follows:

1. Jaynes—10 a. m., Tuesday. Subject: "Personality In Dress." Home of Mrs. W. P. Tharp, formerly known as the Matt Wachter home.

2. Flowing Wells—1:30 p. m. Tuesday, "Important Points in Securing Tailored Effects," home of Mrs. J. H. Day, Oracle Road near Pullman City. Bring a piece of material about twelve inches by 12 inches square, needle, thread, scissors and thimble.

3. —Davidson and Binghampton—2 p. m., Wednesday, subject: "Personality in Dress" at the Davidson school auditorium.

4. Sunnyside and Ft. Lowell—Thursday All Day Meeting from 10 a. m. to 4 p. m. Subject: "Children's Clothing". Special attention to Smocking. A demonstration on Infant's Layette will be given if time permits. At the home of Mrs. Frank Jordan, just north of the old Ft. Lowell Ruins. Bring embroidery needle for six-ply embroidery floss, thimble, scissors, material and pencil.

5. Marana—2 p. m. Friday. Subject: "Personality in Dress". At the Marana High school laboratory.

RURAL SCHOOL STUDY GROUPS

3/8/32. — Star
Women of Communities
Outside City Are En-
gaged in Work

Miss Evalyn A. Bentley, home demonstration agent, for Pima county who has been directing classes in child study in the rural schools, tells of the following meetings during the past few days:

The Jaynes Study group met at the home of Mrs. A. R. Kline, president of the Jaynes P. T. A. The subject under discussion was "Emotions," such as fear, anger, and jealousy, how they may be controlled and their effect upon the individual, whether child or adult. The feeling of inferiority, as well as that of superiority, was discussed; members giving constructive ideas in regard to overcoming these difficulties.

Those present at the study group were Mrs. Harry Gerber, Mrs. R. O. Hooven, Mrs. L. Shannon, Mrs. W. T. Sharp and the hostess, Mrs. A. R. Kline.

The next meeting of the group will be held at the home of Mrs. John M. Hufft at Jaynes Station on the afternoon of March 23. At that time besides the discussion there will be a benefit tea for the Jaynes P. T. A., from two to five. All members in the community are invited to attend.

Sunnyside

The Sunnyside Study group met with Mrs. R. G. Nichols Thursday afternoon.

The meeting was devoted to questions and discussion as a number of home problems had arisen, among these, how to deal with impudent adolescents, when should corporal punishment be used and how to keep the cooperation of the child.

Those taking part in the afternoon discussion were: Mesdames N. C. Hussey, Mayda Menzie, M. M. Hale, E. J. Sturges, Don Propati, Roy J. Martin, the hostess, Mrs. R. G. Nichols and Miss Frances L. Brown, state home demonstration agent for the extension service of the University of Arizona.

The next meeting of the group will be held at the home of Mrs. R. G. Nichols, Thursday, 2 p. m., April 7.

The group at Amphitheatre will meet with Mrs. E. M. Stowe, 2608 North Seventh avenue, at 2 p. m. today.

The Fort Lowell group meets at the home of Mrs. Thos. E. Williams, corner of Pima and Maple Boulevard, Friday, at 2 p. m.

The Davidson group will meet at the schoolhouse at 2 p. m. Monday. Special problems relating to the home will be discussed, taking into consideration what it takes to make a livable home.

RURAL WOMEN IN CLOTHING CLASS

Miss Evalyn Bentley, home demonstration agent, reports that the clothing meetings which are being held and the demonstrations given by Miss Zella Blake are proving both interesting and instructive to rural groups of women in Pima county.

Wednesday, at the Davidson school, the subject discussed by Miss Blake, clothing specialist for the extension service of the University of Arizona, was "Personality in Dress." She discussed color and demonstrated the effects of different colors, using the women of the group as models upon which the various materials of many shades and hues of color were draped.

The following attended the demonstration: Mesdames Kindness Stock, Cordel A. Butler, Linda Young, Lydia Bingham, J. W. Johnson, Mae Martineau and Isaura Abegg.

Children's clothing, with special reference to smocking, was the subject of the all-day extension meeting held at the home of Mrs. Frank Jordan of the Fort Lowell community Thursday. Members were present from Flowing Wells and Sunnyside. The women present under the direction of Miss Zella Blake of the University of Arizona learned to smock, discussed plans for achievement day, which will be held early in the fall, and held a business meeting.

At noon a covered dish lunch was enjoyed, more than two dozen being seated at the tables in the dining room.

Those present were Mesdames Minta Lusby, Maude Mosley, Tessie Knagge, R. H. Keil, W. S. Watson, G. W. Weldon, J. M. Sprinkle, J. C. Adams, Thomas E. Williams, C. H. Onsley, R. A. Land, L. E. Brown, president of the club; Mabel Knagge, Lena Smith, Vance Clements, H. E. Cordell, Martin Merrstrom, E. F. Jevons, E. Chase and Misses Margaret Closson and Helen Knagge and the hostess, Mrs. Maude Jordan. Visitors from Flowing Wells were: Mrs. Florence Ross and Mrs. Evelyn Hughes; from Sunnyside: Mesdames R. G. Nichols, M. Moody, H. Burr and M. Menzie.

RURAL GROUPS IN P. T. A. STUDY HOUR

Star — 3/16/32
The Davidson study group met Monday afternoon at 2 o'clock at the school house. The members discussed "Food Problems," the aim of the meeting being to stress the reasons why certain foods must be included in the diet. The old question, "How can I persuade my child to eat carrots or drink milk?" was discussed.

Recent work in the field of nutrition was discussed by Miss Evelyn Bentley, home demonstration agent, who has charge of the work in the discussion groups.

Those present were Mrs. R. A. McDole, president of the Davidson P. T. A., Mrs. E. G. Wilson, Mrs. J. R. Thompson, Mrs. Isaura Abegg, Mrs. J. W. Garrett, Mrs. J. W. Butler, Mrs. A. M. Hayes, Mrs. G. W. Weldon and Mrs. E. J. Froedrick.

The Ft. Lowell study group met at the home of Mrs. T. E. Williams last Friday, the discussion being directed by the home demonstration agent. The subject of the meeting was: "What does it take to make a home?" The members present, under the leadership of Mrs. M. W. Herrstrom, gave and discussed many of the requisites of a successful home.

Those present were: Mrs. A. F. Sylvester, Mrs. Martin W. Herrstrom, Mrs. Mable Knagge, Mrs. C. H. Oncley, president of the Ft. Lowell P. T. A., and the hostess, Mrs. Thomas E. Williams.

Mrs. John Hufft entertained delightfully for the members of the Jaynes Parent Teacher association at her home Wednesday afternoon from 2 to 5 o'clock. Miss Evalyn Bentley conducted the study hour, the subject for which was "What Constitutes a Home?" She also furnished several phonograph selections. Mrs. Otto Myrland, president of Pima County council was present and spoke interestingly on the study groups. Easter decorations were in evidence during the refreshment hour when tea was served to the following: Mesdames H. Shepard, Anderson, Smith, Pete Bouchet, A. V. Sinclair, R. O. Hoo-ven, Lyle Shannon, A. R. Kline, H. A. Gerber, L. G. Campbell, Paul Arond, Ezra Tribble, Otto Myrland, Sandusky, Genther, L. A. Burns, Elsie Ryan, John Hufft and the Misses Evalyn Bentley and Johnson.

The next tea will be given at the home of Mrs. Smith, Tuesday afternoon, April 5, with Mesdames Gerber and Campbell as assistant hostesses.

The association is also sponsoring a play, "The Old Maids' Association," Friday evening at 8 o'clock. Tickets are on sale by the upper grade pupils.

Stan 3/27/32

CLOTHING EXPERT TO VISIT TUCSON

The home demonstration agent, Evalyn A. Bentley, announces that Miss Zella Blake, clothing specialist for the extension service of the University of Arizona, will be in Pima county for work in short cuts in sewing. Short cuts will be demonstrated Wednesday afternoon, at 2 o'clock, at the home of Mrs. J. C. Morgan, 521 North First avenue. All members of the Flowing Wells community will be interested in attending this demonstration, which is the last of a series.

Stan 3/27/32.

COUNTY MUSIC EVENT PLANNED

Ten Communities to Have Part in Program at Sunnyside

As part of the 4-H club program to make club members music conscious and also as a preparation for the county 4-H club day at Sunnyside April 23, musical numbers have been designated to be memorized so that they will be recognized and can be sung according to Miss Evalyn A. Bentley, home demonstration agent for the county.

Fisher's music store will give prizes to the 10 communities entering the club day music contest, as well as a prize for the county winner.

The numbers club members are to know are:

Stars and Stripes Forever, by

Sousa; Blue Danube, by Strauss; Hark, Hark the Lark (Song) by Shakespeare-Schubert; The Storm William Tell overture, by Rossini; Traumerel, by Schumann; Minuet in G, by Beethoven; Minute, by Paderewski; The Song of Volga Boatmen, Auld Lang Syne, Swing Low Sweet Chariot.

To be memorized:

One greeting song, one fun song; one health song; Lead Kindly Light, Sweet and Low, America the Beautiful and Battle Hymn of the Republic.

4-H BROADCAST TO BE SATURDAY

National Program for Rural Children Set for 10:30 A. M.

There will be a 4-H club program over the National Broadcasting company network Saturday morning April 2 from 10:30 to 11:30 o'clock. Miss Evalyn A. Bentley, county agent for Pima county and director of club work here, Tuesday urged all 4-H club members and their families to hear the programs, which will come to Arizona over station KTAR at Phoenix.

The program will be:

Club Work, U. S. Department
of Agriculture.
The Star-Spangled Banner.....
.....U. S. Marine Band

Ft. Lowell P. T. A.

The study club of the Fort Lowell P. T. A. will meet Friday afternoon, at 2 o'clock with Mrs. P. W. Williams, Pima and Maple boulevards. Miss Bentley will lead a discussion on "Problems Relating to Food."

Jaynes P. T. A.

The Jaynes Station P. T. A. study group will meet Tuesday afternoon at 2 o'clock at the home of Mrs. J. Smith. A benefit tea will be held for the P. T. A., until 5 o'clock. Miss Evalyn Bentley will be in charge of the discussion group for which the subject will be "Problems Relating to Food." Hostesses will be Mrs. Harry Gerber and Mrs. L. G. Campbell. Mrs. A. R. Kline is president of the group.

The study club of the Sunnyside P. T. A. will meet at the home of Mrs. R. G. Nichols at 2 o'clock Thursday afternoon. Miss Evalyn Bentley will discuss "Problems Relating to Food."

Study Groups to Meet

The study groups who will meet this week are the Davidson, meeting Monday at 2 o'clock in the school building, to discuss "Food Problems Arising in the Home"; and the Amphitheatre group meeting at the home of Mrs. M. Huff, 2525 North Stone avenue, Tuesday at 2 o'clock to discuss "The Livable Home."

Davidson school study group meeting, in school building, 2 p. m.

Amphitheater study group meeting, home of Mrs. Huff, 2525 North Stone avenue, 2 p. m.

SHOWER HONORS RECENT BRIDE

Mrs. D. M. Doty, a recent bride, was the honor guest Thursday afternoon at a shower given jointly by Mrs. E. E. Fruit of Cortaro and Mrs. W. H. White.

Mrs. Doty is the former Miss Florence Olds of Cortaro. She was a member and assistant leader of the Jaynes Jolly Juniors and also a leader of the Rillito Hustlers, both 4-H clubs.

At Thursday's function, a delightful musical program was furnished by Mrs. Marion Browning, after which the bride and the guests shared the pleasure of opening her many attractive gifts.

Refreshments were served to the following guests: Mesdames D. M. Doty, Julia Kimball, W. E. Hale, Matt Wachter, Thomas Berridge, J. H. Jones, W. H. White, William Price, O. P. Golay, J. H. Barid, E. D. Cady, E. F. Bootman, T. W. Parish, E. E. Fruits, Mattie J. Olds, Peter Bouchet, Charles C. Conley, Elvina Hanna, Laura Shepherd, Bernice Mathews, M. A. Staggs, A. U. Sinclair, E. L. Sinclair, Noah Chandler, H. R. Stewart, Marion Browning, E. E. Smith, Misses Evalyn Bentley, Katherine White and Ernestine Fruits.

Clothing Problems To Be Discussed By Pima Specialist

Citizen — 5/11/32
The Home Demonstration Agent, Evalyn A. Bentley, reports that Miss Zella Blake, clothing specialist for the extension service of the University of Arizona, gave a very interesting demonstration Tuesday afternoon to the women of the Davidson community. The meeting was held in the pleasant recreation hall of the Binghampton chapel.

Using the living models present, Miss Blake illustrated the effect of wide and narrow panels and belts, showing how a figure can be made to appear broader and shorter, or more slim and tall. She showed the effect of broad shoulder lines, of peplums and jabots.

By the use of clever little wooden figures, Miss Blake showed the result of various colors and designs of material in increasing or decreasing the apparent size of the figure.

Personal problems were discussed and attention will be given to these at the meeting next Wednesday.

The following women attended the demonstration: Mesdames Kindness Stock, Louisa Done, Maude Clawson, Cordelia Butler, Linda Young, Melza Lewis, Elsie Nelson, Edith Webb, Laura Hardy, Mabel Tompkinson, Isaura Abegg, Estella Evans, Dora Bingham, R. A. Niel, R. P. Barkes, J. E. Thompson, R. A. McDole, Ed Frederick.

Miss Blake will be in Pima county again next week, after that no more clothing demonstrations will be given by the state specialist until next fall.

Next week's meetings will center around "secrets of wardrobing." A special educational exhibit on children's clothing from the home economics department of the United States department of agriculture, Washington, D. C., will also be used by the specialist.

"Secrets of Wardrobing" and the exhibit of children's clothing will be the subject for the meetings held next week in the following communities:

Marana, at the high school, Monday 2:30 p. m.

Ft. Lowell, at the home of Mrs. Frank Jordan near the Ft. Lowell ruins, Tuesday, 2:30 p. m. In place of the demonstration on secrets of wardrobing, which this group has already enjoyed, one on infant's clothing will be given.

Davidson, in the Binghampton recreation hall, Wednesday, at 2:30 p. m.

PAPAGO WOMEN, GIRLS EXHIBIT

Star — 5/11/32
Annual Presentation of
Handiwork Set for
May 20th

The Papago women and girls will hold their annual exhibit on Friday, May 20, at Sells. The exhibit will be placed in the rural school, while the Indian Day school will be used at lunch time. All Papago fathers, mothers and children are invited to attend this all day meeting.

The exhibit will illustrate different phases of work done by the Papagos in the line of homemaking. Articles in home furnishing, as well as garments for adults and children, will be shown. Their own arts, basketry and pottery, will be on exhibit. The annual achievement day is educational because we learn from others by seeing and examining the work of their hands.

The recreational and social will not be overlooked as the committee on games and sports will see that all have an enjoyable time.

Exhibits will be shown from the communities of Sells, Vamori, Santa Rosa, Topawa, Cowlic, San Miguel, Tucson Indian Training school, and the San Xavier 4-H club girls will exhibit the work which won praise at the County 4-H club achievement day held recently at Sunnyside.

The exhibit will be judged by Miss Zella Blake, clothing specialist for the extension service of the University of Arizona. There will be no prizes given, but the ribbon awards will show the grade of work done. This grading will give all an idea of the class of work which a specialist considers excellent, as well as of second and third quality.

The work with the Papago Indian women and girls has been under the direction of the home demonstration agent, Evalyn A. Bentley, but the actual work has been done by local leaders.

Citizen 5/9/32 Women To Learn Of Line In Dress Best Suited To Type

The home demonstration agent, Evalyn G. Bentley, announces that Miss Zella Blake, clothing specialist for the extension service of the University of Arizona, will be in Pima county Tuesday and Wednesday. Miss Blake will give a demonstration to the Davidson group on Tuesday at 2:30 p. m. in the Binghampton chapel.

Marana and Jaynes will meet at Cortaro at the home of Mrs. Ernest Fruits on Wednesday. There will be a pot-luck lunch at noon. All women in the Jaynes, Billito, Marana and Cortaro communities are invited to attend the demonstration.

Miss Blake's last demonstration at these groups stressed color and personality. She demonstrated the colors which will bring out the best features. The demonstration next week will show the effect of line and design. The tall woman will learn what is best suited to her type, while the short woman will also find the lines and designs best suited to her.

800 Attend Achievement Day Of Papago Indians at Sells

Games, Sports and Exhibits of Work by Women and Girls Part of Program; Home Demonstration Agent Notes Improvement In Work

The annual Achievement Day of Papagos was held at Sells, Friday, May 20. The event was attended by about 800 Papago Indians, employees of the reservation, and visitors from Tucson.

The exhibit of work made by the Papago women and girls was of paramount importance, but games and sports also had their place. The trucks were sent out from the agency and local vehicles were employed in bringing in large crowds of children, while the fathers and mothers furnished transportation for other children as well as adults.

The employees on the reservation had a busy time on both Thursday and Friday as the exhibit had to be placed. Miss Zella Blake, clothing specialist from the University of Arizona, judged the work which was graded according to first, second and third. This allowed a number of ribbons to be placed in each class. The work was of the usual high order of Papago handwork and received much praise from Miss Blake who has had considerable experience in judging handwork.

The local leaders of the various communities deserve commendation for their patience and efforts in improving the work as the years go by. The home demonstration agent Evalyn A. Bentley, who has been promoting these exhibits for several years, notes great improvement in all work.

During lulls in the recreational program portions of the crowd enjoyed other features such as how bobbin lace is made, demonstrated by Sister Carmela of Topawa. Miss Zella Blake talked to the exhibitors about ways in which they might improve the work for next year, as the goal is to continue making the best better. She also showed some women's and children's garments stressing especially the finishing. A few models and articles of home furnishing were displayed. Clement Vavages, leader of the Anagam school, and his pupils sang a number of songs showing very clearly that the Papago boys and girls have a musical ear. The visitors were interested in the village life and the water carriers. By watching them they learned where the Papago woman gets her poise.

The dinner for the large crowd was prepared by the Papago women with Mrs. Jose X. Pablo in charge, assisted by Mrs. Delfina Pablo. The rolls, beans and cookies were the specialties of the women, while the men looked after the barbecued beef and coffee, the lining up of the crowd and serving of the dinner. Cooperation was again illustrated by the work of both men and women at dinner time. The men at the agency had erected a shade so that the 800 people passed down the line to be served very comfortably.

The employees and visitors had lunch after the large crowd had been served on the porch of Superintendent Elliott's house where they enjoyed sandwiches, salad and a cool drink.

In the various duties connected with the exhibit, dinner and recreation, Superintendent and Mrs. Elliott were everywhere present, as well as Mrs. Myra DeRhodes, teacher at the Indian Day school, and Mr. R. M. Tysinger, educational superintendent of the work of Papago and Pima Indians. Father Nicholas and helpers looked after the sports.

Quilts—First, Mrs. Hugh Norris and Mrs. Janette Johnson; second, Mrs. Emma Garcia; third, Mrs. Jose X. Pablo, Mrs. Delfina Pablo, Mrs. Miguel Garcia and Miss Mary Johnson.

Quilts (Collection and Workmanship)—First, Mrs. Joe Brunette; second, Mrs. J. W. Elliott.

Pieced Comforts (Tied)—First, Mrs. Marie Nunez, Mrs. Mariana Johnson and Mrs. Jessie Badia; second, Mrs. Roswell Manuel.

Quilt Tops—First, Mrs. Francis Garcia and Mrs. Laura Ascencio; second, Mrs. Myra DeRhodes.

Embroidered Bed Spreads—Second, Mrs. Minnie Johnson.

Flour sack exhibit:

Kitchen Apron—First, Mrs. Hugh Norris; second, Mrs. Joe Brunette; third, Mrs. Delfina Pablo.

Pillow Slips—First, Mrs. Emma Garcia, Miss Minnie Johnson.

Luncheon Cloth—First, Mrs. J. W. Elliott; second, Mrs. Myra DeRhodes.

Slips—Second, Mrs. Hugh Norris, Mrs. Delfina Pablo; third, Mrs. J. W. Elliott.

Laundry Bag—First, Mrs. Pearl Fulle.

Embroidered Pillow Slips (Best Collection)—First, Mrs. J. W. Elliott, (8 pair); second, Mrs. Emma Garcia; third, Mrs. Hugh Norris.

Crochet Spread—First, Mrs. Joe Brunette.

Embroidered Table Scarf—Second, Mrs. Sarah Benham.

Sofa Pillows (Best Collection)—Second, Mrs. Joe Brunette.

Crocheted Yoke and Lace—First, Marie Nunez.

Sells School Girls

Clemencia Miller—First, sofa pillow; first, embroidered towel; second, holder; second, tea towel and holder, and third in doll-sewing bag.

Lizzie Marcus—Second, embroidered towel; third, tea towel and third in sewing bag—doll and holder.

Sofia Anton—First, embroidered towel, and third in plain towel—doll holder and sewing bag.

Felicitas—First, doll; second, embroidered towel; second, plain towel; third, apron and holder; third, sewing bag.

Clara Francisco—First, sewing bag; second, plain towel.

TOPOWA

Tea Apron—First, Sister Carmella, and Lucy Jose.

Cross Stitch (ALB)—First, Mary Anna Enas, and Antonio Garcia.

Sofa Pillow—First, Mary Leonard Lopez; second, Felicia Ahil.

Dress—First, Therisima Miguel, second, Margaret Jose; third, Lucy Jose and Antonia Garcia.

Cut Work—First, Mary Emma Enas and Antonio Garcia.

Embroidered Pillow Slips—First, Theresima Miguel.

Embroidered Bedspread—Second, Margaret Rios.

Bobbin Laces—First, Theresine Miguel.

Clay Work Frames—Second, Antonia Garcia, Mary Anna Enas; First, Antonia Garcia.

Pastello Pictures—First, John Louis Juan; second, Chamarla Luis; third, Antonia Garcia, Mary Ann Enas; second, Chamarla Luis.

Vamori—Mrs. Raymond Anderson, leader.

Mrs. Jose Maria Hendricks—Third, Apron, pillow cases, child's suit; second, child's bib.

Mrs. Helen Hendricks—Third, apron; second, baby's laundry bag.

Mary Hendricks—Third, apron, pillow cases, scarf.

Mrs. Juana Mendez—Third, apron, second, pillow cases, scarfs of towel, pillow of gunny sacking; third, clothespin apron.

Mrs. Anton Mendez—Third, apron; second, pillow cases.

Mrs. John Mendez—First, apron, pillow cases.

Mrs. Laura Blaine—Third, apron; second, pillow cases.

Mrs. Molly Anton—Second, apron; pillow cases; third, scarf of towel.

Mrs. Narcho Ferguson—Second, apron; third, pillow cases.

Mrs. Joaquin Lopez—First, apron, pillow cases.

Mrs. Chico Smith—Third, apron; second, pillow cases.

rs. R. A. Johnson—First, crib quilt.

All women—Second, crib quilt.

San Miguel

Miss Birdie Gilbert, leader.

Sofa Pillow—First, Mrs. Joseph Lopez.

Sewing Bag—Second, Miss Petra Juan; second, Mrs. Manuela Juan; first, Mrs. Julia Chavez; second, Mrs. Josephine Lopez; first, Mrs. Margaret Segunda; first, Miss Irene Seguanda.

Quilts—Buenos Aires Sewing club—San Miguel, First.

Doiley—Second, Mrs. Julia Chavez; second, Mrs. Prudence Peters.

Sewing iKt—First, Mrs. Manuel-la Juan.

Cowlick

Dresses—Second, Rose Pancho, Salome Juan, Susie Miguel and Lupe Anton.

Table Scarfs—First, Rose Pancho; second, Lupe Anton; second, Lupe Lopez; first, Susie Miguel.

Apron—Second, Helen Ahil; first, Sarah Lopez.

Bloomers—Third, Susie Miguel and Helen Ahil.

Dress—Second, Lupe Lopez, Lupe Anton, Alice Francisco, Lupe Anton, Salome Juan, Rose Pancho and Susie Pancho.

Doll Apron—First, Lena Francisco and Lamira Lous.
 Apron—First, Sarah Lopez; second, Helen Ahil.
 Dresser Scarf—First, Rosé Pancho.
 Luncheon Cloth—Second, Lupe Antone (3rd Grade); first, Susie Miguel.
 Bloomers—Third, Susie Miguel; third, Alice Francisco.
 Apron—Second, Rosé Pancho; third, Lupe Lopez.
 Bloomers—Third, Lupe Lopez; second, Agatha Valesta; third, Josephine Juan.
 Slip and Bloomers—Second, Lupe Lopez.
 Dress—Third, Josephine Juan.
Anegam Day School
 Clement Vavages, Leader
 Drawing of U. S. Map—Coletta Miguel.
 Aprons—Third, Avia Justin; third, Felicitas Havler.
 Scarf—Second, Vialisala Juan.
 Tucons Indian Training School
 First—On Entire Exhibit.
San Xavier 4-H Club
 First—On Entire Exhibit.
A Small Boys Race
 First, Jose Joaquin, Santa Rosa; second, Justin Junita, San Xavier; third, Juan Ortega, San Miguel.
B Small Girls Race
 First, Frances Flores, San Xavier; second, Justina Ignacio, San Xavier; third, Lupe Ascensio, Tucson.
C Big Boys Race
 First, John Ochoa, Sells; second, Frank Garcia, Pesinemo; third,

Sam Carlos, San Xavier.
D Big Girls Race
 First, Clementia Moreno, San Miguel; second, Juana Nunez, San Xavier; third, Lena Valenhna, San Xavier.
SACK RACES
A Small Boys
 First, Joseph Juan, Santa Rosa; second, Thomas Enito, Topowa; third, Marcus John, Anegam.
Big Boys
 First, Miguel Juan, Santa Rosa; second, Gandelaria Santo, San Xavier; third, Edward Valenzuela, Sells.
B Small Girls
 First, Enez Miguel, Anegam; second, Millsie Garcia, Santa Rosa; third, Amella Ortega, San Miguel.
Big Girls
 First, Delphina Jose, Santa Rosa; second, Helen Louis, Santa Rosa; third, Helen Pancho, San Xavier.
SHOE TYING RACE
 First—Lillena Carlos, San Xavier; second, Isaac Borrel, San Xavier; third, Stephen Carrillo, San Xavier.
PIE EATING CONTEST
(Small Boys)
 First, Lawrence Miguel, Snegam; second, Juan Ortega, San Miguel; third, Miguel Juan, Santa Rosa.
(Big Boys)
 First, Sam Carlos, San Xavier; second, Anthony Kisto, Cowlie; third, Robert Gregorio, Santa Rosa.
SPECIAL FEATURE
 First, Miss O'Coner; second, Miss Johnston; third, Mrs. Elliott.
DINNER
CENTIPEDE RACE
 Frank Garcia, Pisemeno; Clement Louis, Sells; Marceline Lopez; Pisemno; John Lopez, Pisemeno; Joseph Enos, Topowa; Thomas Venito, Topowa; Anthony Kisto, Cowlie; Silvester Miguel, Lourdes.
EGG RACE
(Small Girls)
 First, Felicitas Havler, Anegam; second, Cecilia Barslow, San Xavier; third, Frances Kisto, Cowlie.
(Big Girls)
 First, Agnes Havler, Santa Rosa; second, Coletta Miguel, Anegam; third, Juana Nunez, San Xavier.
TUG OF WAR
Small Boys
 San Xavier beats Santa Rosa.
MEN'S TUG OF WAR
 Santa Rosa beats Sells.
POTATO RACE
 First, John Ochoa, Sells; second, Juan Ortega, San Miguel; third, Roy Lopez, Santa Rosa.
RELAY RACE
 First, Joseph Juan, Santa Rosa; second, Jack Savage, Sells; third, Henry Ball, San Xavier.
BALL THROWING CONTEST
(Boys)
 First, Adam Juan, San Xavier; second, Wilfred Garcia, Sells; third, Cypriano Carlos, San Xavier.
BALL THROWING CONTEST
(Girls)
 First, Juan Nunez, San Xavier; second, Theresa Miguel, Topowa; third, Teresa Lopez, Tecolate.
Men
 First, Austin Cachora, San Miguel; second, Victor Cary, Santa Rosa; third, Juan Chana, Santa Rosa.
BATTING CONTEST
Men
 First, Vincent Garcia, Tucson; second, A. A. Lopez, Sells; third, Victor Carey, Santa Rosa.
BASEBALL GAME
 Topowa vs. Sells, 5 to 0 in favor of Topowa.

Sewing Specialist Gives Self-Help Citizen Demonstration 4/29/32

Miss Zella Blake, state sewing specialist, of the University of Arizona extension work, gave an interesting exhibit at the county demonstration office, 227 West Congress street, Wednesday afternoon.

This Self-Help exhibit is so called because of the ease with which small children can learn to dress themselves. The garments feature loops and button holes in the most accessible locations for small fingers to reach. All buttons are in front. No elastic is used in the garments. A new idea was for cutting infants' garments on the bias because it affords more ease in movement and adds to the wearing quality of the garment.

This exhibit, which was interesting, educational and instructive, is the first to be sent to Tucson from the Bureau of Home Economics of the Department of Agriculture, Washington, D. C. This consists of the correlated knowledge gathered over a number of years and is now made available to the women of America.

The garments while simple are made attractive by bindings and simple stitchery and various methods of allowing for enlargement of garments were shown. A copy of the leaflet on children's clothing was given each person present. A letter addressed to the Home Economic Department of Agriculture will give you the names of the commercial departments putting out these patterns. Those present at the demonstration yesterday were: Mesdames S. C. Lewis, A. G. Baughn, A. B. Ballentyne, N. C. Hufrey, E. J. Sturgeon, H. B. Davenport, Seth Ray, J. A. Shumaker, E. E. Ross, R. A. Wetmore.

This exhibition of children's clothing has been exhibited at Fort Lowell and Davidson districts besides the U. of A. classes of Home Economics.

Miss Bently, Pima county demonstration agent, wishes the attention of the Pima county women called to the fact that she has set apart the first Wednesday of each month as special consultation day, and while glad to be consulted at any time will devote the first Wednesday of each month to receiving all who wish to discuss any phase of home problems.

Home Demonstration Agents Test Home Canning Economy

Star 7/30/32

This week is National Canning week. Does it pay the homemaker to can fruit at Tucson prices?

In order to answer this question Miss Frances L. Brown, state home demonstration agent, and Miss Evalyn A. Bentley, Pima county home demonstration agent, did some canning last Saturday. Miss Bentley gives the following as the results of the study:

"We found that a lug of Satsuma plums could be bought for seventy-five cents (75c), and from this lug 19 quarts of plums were canned. It required twenty cents worth of sugar, or 5 pounds, as the sugar was purchased on sale. The gas amounted to about 10c. There-

fore, the plums cost five and one-half cents (5 1-2c) per quart when canned.

"Comparing the home product with the commercial in price we found that the market price of canned plums in the size 2 1-2 tin can, which holds only three and one-half cups, was 17 cents; compared with the home quart jar holding four full cups, at 5 1-2c, there is a difference of 11 1-2c in price and one-half cup in measure in favor of the home canned product.

"By weight the home canned product is again in the lead with two full pounds to the jar, while the commercial 2 1-2 size tin weighs only one pound and thirteen ounces.

"Apricots were also canned with the following figures:

"The price of 1 lug of apricots was 89 cents, there was considerable waste, therefore, the lug gave 8 1-2 quarts. The sugar necessary in canning the fruit cost 10c and the gas about 5c, bringing the average cost to 10 4-5c per quart.

"Again comparing the home canned apricots with the commercial tin cans, in price we found the choice quality in the No. 2 1-2 tin cans, which do not measure or weigh as much as the quart glass jar, cost from 23 to 25c per can. The fourth grade, or the "seconds," sold for 15c on the market. Comparing all qualities with our home product costing 10 4-5c the difference is readily seen.

"In computing prices, we did not include the price of the jar, as the glass jar can be used year after year by the canner in the home.

"Neither has any wage by the hour been given to the canner for her labor, as we were computing only actual money expenditure for fruit, sugar and gas. Our problem was, "Does it Pay to Can at Home?"

The home demonstration agent will be glad to answer in her office any questions on the subject of canning. A small amount of equipment is on hand to loan to home canners, also a supply of bulletins on canning to help with your problems.

ACHIEVEMENT DAY FOR FORT LOWELL

Star — 9/25/32
The home demonstration agent for Pima county, Evalyn A. Bentley, announces that an adult achievement day for work in clothing will be held at the home of Mrs. Frank Jordan, Fort Lowell, Thursday afternoon. The members of other groups are invited to attend and see the work that has been done by the Fort Lowell group. Miss Zella Blake, clothing specialist for the agricultural extension service of the University of Arizona, will be present and will at that time select articles which will be included in the farm women's garment making and home furnishing exhibit at the state fair at Phoenix, October 24 to 30. Children's clothing will be exhibited as this was the special project completed by the Fort Lowell group. But clothing for adults will also be featured. Articles from the following list will be on exhibit:

Articles of children's clothing.

House dress, school dress, man's or boy's shirt.

Outfit of underwear (slip and underwear worn next to the body. For every small girl if a slip is not worn, it may be omitted. Men's or boys' underwear may also be exhibited here.)

Remodeled garment.

Dress, coat or suit of new material for better wear.

Any article made of gunny sacks.

The object of an adult achievement exhibit is to learn from each other simpler or better ways of doing home sewing, also to give encouragement to those mothers who must sew for the family and having many other calls upon their time must become efficient in home sewing. An exhibit also has educational value and establishes the fact that a definite piece of work has been completed.

FT. LOWELL HOLDS ACHIEVEMENT DAY

Star — 10/2/32
The Ft. Lowell adult achievement day held Thursday, September 29, was a most satisfactory one, reported the home demonstration agent, Miss Evalyn A. Bentley.

The women of the Ft. Lowell community club exhibited their sewing at the home of Mrs. Frank Jordan. All articles in the exhibit represented a superior quality of workmanship, was the decision of Miss Zella Blake, state specialist in clothing for the agricultural extension service of the University of Arizona, who judged the work.

Those who scored high were: Mrs. F. W. Jordan, first on boy's shirt; Mrs. L. E. Brown, first, and Mrs. Thomas E. Williams, second, on small girl's school dress; Mrs. W. J. Lusby, first on child's dress for better wear; Mrs. J. C. Daly first on man's underwear and Mrs. C. H. Oncley, second on child's underwear.

These ribbon articles will go to the state fair at Phoenix where they will compete for state honors with garments from other counties of Arizona.

The adult clothing work has been that they should make the most of well received and the women feel the meetings with the state specialist. Miss Blake has many groups only be in Pima county on the following dates: January 24, 25, 26 and 27; February 20, 21, 23 and 24; March 20, 21, 22, 23 and 24; April 24, 25, 26, 27 and 28.

Attractive collections of canned fruits and vegetables were also exhibited, the same to be sent to the state fair, October 24 to 30, to compete for county honors in the state-wide exhibit of farm women's canning.

Those present at the exhibit and for the social hour were: Mesdames Minta Lusby, Tessie Knagge, Mabel Knagge, P. C. Harold, A. F. Sylvester, J. C. Daly, Gordon Hanks, Thomas E. Williams, C. H. Oncley, Martin W. Herrstrom, C. H. Bartlett, Paul Daly, W. Moore, Clara Hardy, H. S. Green, M. Chase, L. E. Brown, president of the Fort Lowell Community club, Mrs. Frank Jordan, the hostess and Miss Grace Royer.

COUNTY'S WORK TAKEN TO HOMES

Star 11/27/32
Demonstration Agent
Tells of Heavy Year's
Activities

Narrative, statistical and pictorial, the annual report of home demonstration in 26 Pima county rural communities will be completed early this week by Miss Evalyn A. Bentley, county home demonstration agent.

How far-reaching the home demonstration work in the county becomes is demonstrated in the statistical part of Miss Bentley's report, wherein it is stated that 5712 different persons were aided during the year, many of them many times; the agent conducted 235 demonstrations, many of which lasted for one-half day. Office calls were recorded 869. The home demonstration agent addressed approximately two letters a day to interested persons throughout the year, actual number, 805.

The various fields in which the home demonstration work is active, are: nutrition and health, including canning, economics of purchasing, food preparation, nutritive values of food, quantity cooking, club, camp and school lunches and fair exhibits; child care and training; along lines of a three-year plan; clothing; house furnishing; home health and sanitation; community activities, the latter largely recreational.

Not unimportant was the work conducted during the year against the unemployment situation. A continual teaching in food buying, care and waste, the essentials of diets for children, community surveys to determine the needy, how the community might care for its own, was conducted. The same was done for clothing wherein the utility of the old garment was stressed.

Clothing clubs apparently did the most work during the year, according to Miss Bentley's report. Seventeen separate clubs functioned. Local achievement days were held on 10 instances.

Assistance of county community leaders throughout the year is indispensable and the successful work of the past year could not have been completed without their aid, Miss Bentley said.

Home demonstration work reaches into the community where people do need help, and the service becomes a connecting link between the community and the school, Miss Bentley said.

Pictorial representation by camera became an important part of the home demonstration agent's report this year. Every angle possible was photographed, these pictures including the club champions, their work, display from the various sewing clubs, etc.

Communities entered by the home demonstration agent follow: Amphitheatre, Arivaca, Catalina, Continental, Cortaro, Empire, Flowing Wells, Fort Lowell, Indian Oasis or Sells, Vamori, San Miguel, Santa Rosa, Cowlic, Topawa, Anegam, Presinemo, Jaynes, Marana, Pantano, Rillito, Sahuarito, San Xavier Mission, Sopor, Sunnyside, Tanque Verde and Vail.

Miss Bentley's report is made to the Pima county board of supervisors, University of Arizona and the U. S. department of agriculture.

MEETING DATES FOR STUDY GROUPS MADE

Star 11/27/32
Meeting dates for study groups in Pima county during the remainder of November and the first week of December, which has become a part of the parent education project of the National Parent Teacher association, were announced Saturday by Miss Evalyn A. Bentley, county home demonstration agent, who will lead the group discussions. The series of meetings follow:

Tuesday, November 29, at 2:30 p. m., Davidson community at Binghamton chapel.

Thursday, December 1, at 2:30 p. m., Sunnyside community at the Sunnyside schoolhouse.

Friday, December 2, at 2:30 p. m., Fort Lowell community at the home of Mrs. T. J. Williams, Maple and Pina.

Tuesday, December 6, at 2:30 p. m., Amphitheatre community at the home of Mrs. H. M. Mershon, 54 West Delano.
